**For Immediate Release**

## **Y Ventures Group to Appoint Evolve Capital Asia as Financial Advisor for Strategic Review**

**Singapore, 3 October 2019** – Catalyst-listed Y Ventures Group Ltd. (the “**Company**” or “**Y Ventures Group**” or the “**Group**”) is pleased to announce that they have appointed Evolve Capital Asia Private Limited (“**ECA**” or “**Evolve Capital Asia**”) as a financial advisor to conduct a strategic review of the Group, which includes its current Investments, Mergers and Acquisitions and Joint Ventures.

There is no assurance that any transaction will materialise from the strategic review and Y Ventures Group will make appropriate announcements when there are material developments.

Shareholders of Y Ventures Group are advised to refrain from taking any action in respect to their shares of Y Ventures Group which may be prejudicial to their interests, and to exercise caution when dealing in such shares.

-End of Release-

**About Y Ventures Group**

Y Ventures Group is a Singapore-founded data analytics driven E-commerce company with a presence on various online marketplaces in multiple countries. The Group’s business model leverages on the proprietary information derived from its data analytics capabilities for the procurement, distribution, digital marketing and sale of products in multiple countries across different online marketplaces in North America, Europe and Asia Pacific. Capitalising on its data analytics capabilities, Y Ventures Group enhances its sales results and cost efficiency by employing its data analytics capabilities of analysing demand trends, pricing intelligence, consumer sentiment and market competition to make informed business decisions. The company also conducts market research through virtual focus groups to tease out qualitative data on consumers’ preferences on features and specifications which is valuable for improvement of merchandise. Listed on the SGX-ST on 11 July 2017, Y Ventures Group is a fast-growing company that seeks to become a leading E-commerce company, using actionable data insights to sell across online marketplaces globally.
