#### **Disclaimer**

This presentation is for information purposes only and does not constitute or form part of an offer, solicitation, recommendation or invitation for the sale or purchase or subscription of securities, including units in NetLink NBN Trust (the "**Trust**" and the units in the Trust, the "**Units**") or any other securities of the Trust. No part of it nor the fact of its presentation shall form the basis of or be relied upon in connection with any investment decision, contract or commitment whatsoever.

The information and opinions in this presentation are provided as at the date of this document (unless stated otherwise) and are subject to change without notice, its accuracy is not guaranteed and it may not contain all material or relevant information concerning NetLink NBN Management Pte. Ltd. (the "Trustee-Manager"), the Trust or its subsidiaries (the "Trust Group"). None of the Trustee-Manager, the Trust nor its affiliates, advisors and representatives make any representation regarding, and assumes no responsibility or liability whatsoever (in negligence or otherwise) for, the accuracy or completeness of, or any errors or omissions in, any information contained herein nor for any loss howsoever arising from any use of this presentation. Further, nothing in this presentation should be construed as constituting legal, business, tax or financial advice.

The information contained in this presentation includes historical information about and relevant to the assets of the Trust Group that should not be regarded as an indication of the future performance or results of such assets. Certain statements in this presentation constitute "forward-looking statements". These forward-looking statements are based on the current views of the Trustee-Manager and the Trust concerning future events, and necessarily involve risks, uncertainties and assumptions. These statements can be recognised by the use of words such as "expects", "plans", "will", "estimates", "projects", "intends" or words of similar meaning. Actual future performance could differ materially from these forward-looking statements, and you are cautioned not to place any undue reliance on these forward-looking statements. The Trustee-Manager does not assume any responsibility to amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise, subject to compliance with all applicable laws and regulations and/or the rules of the Singapore Exchange Securities Trading Limited (the "SGX-ST") and/or any other regulatory or supervisory body or agency.

This document contains certain non-SFRS financial measures, including EBITDA and EBITDA margin, which are supplemental financial measures of the Trust Group's performance and liquidity and are not required by, or presented in accordance with, SFRS, IFRS, IFRS-identical Financial Reporting Standards, U.S. GAAP or any other generally accepted accounting principles. Furthermore, EBITDA and EBITDA margin are not measures of financial performance or liquidity under SFRS, IFRS, IFRS-identical Financial Reporting Standards, U.S. GAAP or any other generally accepted accounting principles and should not be considered as alternatives to net income, operating income or any other performance measures derived in accordance with SFRS, IFRS-identical Financial Reporting Standards, U.S. GAAP or any other generally accepted accounting principles. You should not consider EBITDA and EBITDA margin in isolation from, or as a substitute for, analysis of the financial condition or results of operation of the Trust Group, as reported under SFRS. Further EBITDA and EBITDA margin may not reflect all of the financial and operating results and requirements of the Trust Group. Other companies may calculate EBITDA and EBITDA margin differently, limiting their usefulness as comparative measures.
