FOR IMMEDIATE RELEASE

17 October 2025

RECOMMENDED CASH ACQUISITION

OF

MANDARIN ORIENTAL INTERNATIONAL LIMITED (“MANDARIN ORIENTAL”)

BY

JARDINE STRATEGIC LIMITED (“BIDCO”), A WHOLLY-OWNED SUBSIDIARY OF JARDINE MATHESON HOLDINGS LIMITED (“JARDINE MATHESON”)

(to be implemented by way of a scheme of arrangement under the Bermuda Companies Act)

Summary

- Jardine Matheson and Mandarin Oriental are pleased to announce that Mandarin Oriental has agreed to a proposal made by Jardine Matheson on the terms of a recommended cash acquisition by Jardine Matheson pursuant to which Bidco, a wholly-owned subsidiary of Jardine Matheson, will acquire the 11.96 per cent. of Mandarin Oriental’s total issued share capital which Bidco does not already own (the “**Acquisition**”). The Acquisition will be implemented by way of a scheme of arrangement under section 99 of the Bermuda Companies Act (the “**Scheme**”).
- Concurrently, Mandarin Oriental has entered into an agreement on 17 October 2025 with Alibaba Group and Ant Group regarding their acquisition of the top thirteen floors of One Causeway Bay as their headquarters in Hong Kong, together with the building’s rooftop signage and 50 parking spaces of One Causeway Bay for US\$925 million (the “**OCB Sale**”). The announcement published by Mandarin Oriental in respect of the OCB Sale on 17 October 2025 is included at Appendix IV (the “**OCB Sale Announcement**”).
- If the Acquisition becomes effective, Independent Mandarin Oriental Shareholders shall be entitled to receive:

US\$3.35 in cash in respect of each Mandarin Oriental Share, comprising:

- US\$2.75 in cash (the “**Scheme Value**”); and
- a special dividend of US\$0.60 in cash (being the special dividend referenced by Mandarin Oriental in the OCB Sale Announcement) (the “**OCB Dividend**”),

(together, the “**Total Value**”).

- The Total Value represents approximately a:
 - 52.3 per cent. premium to the Closing Price of US\$2.20 per Mandarin Oriental Share on 29 September 2025, being the last Business Day prior to the announcement by Mandarin Oriental on 30 September 2025 in relation to the possible sale of part of its interest in One Causeway Bay (the “**Unaffected Day**”);
 - 62.6 per cent. premium to the volume-weighted average price of US\$2.06 per Mandarin Oriental Share over the one-month period immediately prior to and including the Unaffected Day;
 - 65.8 per cent. premium to the volume-weighted average price of US\$2.02 per Mandarin Oriental Share over the three-month period immediately prior to and including the Unaffected Day;
 - 70.9 per cent. premium to the volume-weighted average price of US\$1.96 per Mandarin Oriental Share over the six-month period immediately prior to and including the Unaffected Day; and
 - 53.7 per cent. premium to the net asset value of US\$2.18 per Mandarin Oriental Share as of 30 June 2025.
- The Scheme Value represents approximately a:
 - 71.9 per cent. premium to the adjusted Closing Price of US\$1.60 per Mandarin Oriental Share on the Unaffected Day, being the Closing Price of US\$2.20 per Mandarin Oriental Share on the Unaffected Day minus the value of the OCB Dividend;
 - 88.4 per cent. premium to the adjusted volume-weighted average price of US\$1.46 per Mandarin Oriental Share over the one-month period immediately prior to and including the Unaffected Day, being the volume-weighted average price of US\$2.06 per Mandarin Oriental Share over the same period minus the OCB Dividend;
 - 93.7 per cent. premium to the adjusted volume-weighted average price of US\$1.42 per Mandarin Oriental Share over the three-month period immediately prior to and including the Unaffected Day, being the volume-weighted average price of US\$2.02 per Mandarin Oriental Share over the same period minus the OCB Dividend;
 - 102.2 per cent. premium to the adjusted volume-weighted average price of US\$1.36 per Mandarin Oriental Share over the six-month period immediately prior to and including the Unaffected Day, being the volume-weighted average price of US\$1.96 per Mandarin Oriental Share over the same period minus the OCB Dividend; and
 - 74.1 per cent. premium to the net asset value minus the OCB Dividend of US\$1.58, being the net asset value of US\$2.18 per Mandarin Oriental Share as of 30 June 2025 minus the OCB Dividend.
- The Total Value values the entire issued ordinary share capital of Mandarin Oriental (prior to the payment of the OCB Dividend) at approximately US\$4.2 billion.
- The financial terms of the Acquisition are final and Jardine Matheson does not intend to increase them or otherwise improve the financial terms of the Acquisition. If, on or after the date of this announcement and on or prior to the Acquisition Effective Date, Mandarin Oriental increases the value of the OCB Dividend or declares or pays any other dividend,

distribution, or other return of value, Jardine Matheson reserves the right to reduce the Scheme Value by an amount equal to the amount of such increase or the amount of such dividend, distribution, or other return of value (as applicable), in which case references to the Scheme Value will be deemed to be a reference to the Scheme Value as so reduced.

- As a number of the directors of Mandarin Oriental are also directors of Jardine Matheson, the board of Mandarin Oriental has delegated responsibility for considering the Acquisition to a committee of directors, comprising all the Independent Non-Executive Directors of Mandarin Oriental (the “**Mandarin Oriental Transaction Committee**”).
- The Mandarin Oriental Transaction Committee, which has been so advised by Morgan Stanley Asia Limited as to the financial terms of the Acquisition, considers the terms of the Acquisition to be fair and reasonable insofar as the Independent Mandarin Oriental Shareholders are concerned. In providing its financial advice, Morgan Stanley Asia Limited has relied upon the commercial assessment of the Mandarin Oriental Transaction Committee. The Mandarin Oriental Transaction Committee is unanimously in favour of, and intends to recommend in the Circular that the Independent Mandarin Oriental Shareholders vote to approve, the Acquisition.
- The payment of the OCB Dividend is conditional on completion of the OCB Sale and approval by the board of Mandarin Oriental, but is not conditional on completion of the Acquisition. Completion of the OCB Sale is expected to have occurred by 31 December 2025, with the OCB Dividend expected to be paid at or about the same time as settlement of the Scheme Value under the Scheme or, should the Scheme not become effective, at an alternative time following completion of the OCB Sale. Further information on the timing of the payment of the OCB Dividend will be announced in due course.
- Upon completion of the OCB Sale, Bidco shall be entitled to receive the OCB Dividend in respect of the Mandarin Oriental Shares which it holds at the relevant record time. The record date in respect of the OCB Dividend will be on or prior to the Acquisition Effective Date.
- Jardine Matheson intends to finance the Scheme Value using cash on its balance sheet together with committed facilities.
- To effect the Scheme under the Bermuda Companies Act, a meeting of the Independent Mandarin Oriental Shareholders will be convened by the Supreme Court of Bermuda to vote on the Scheme, which must be approved by a majority in number of the Independent Mandarin Oriental Shareholders voting at the Court Meeting (whether in person or by proxy), representing at least 75 per cent. in value of the Independent Mandarin Oriental Shares voted by those Independent Mandarin Oriental Shareholders. In addition, a Special General Meeting of Mandarin Oriental will be convened to consider and vote on a special resolution approving the Acquisition and certain ancillary matters relating to the Scheme, which must be approved by Mandarin Oriental Shareholders representing at least 75 per cent. of votes cast at the Special General Meeting. Following the Court Meeting, the Court will also be required to approve the Scheme in order for it to become effective.
- Jardine Matheson has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the Special General Meeting in respect of 20,342,145 Mandarin Oriental Shares representing, in aggregate, approximately 13.46 per cent. of the number of Independent Mandarin Oriental Shares on 16 October 2025, being the last Business Day prior to this announcement.

- Subject to satisfaction of the Conditions, it is expected that the Scheme will become effective by 28 February 2026.
- A shareholder circular, setting out the details of the Acquisition, the procedures to be followed to approve the Acquisition, the Scheme, and the notices convening the Court Meeting and the Special General Meeting, will be published as soon as practicable after the date of this announcement. The Circular shall be made available by Mandarin Oriental and Jardine Matheson at www.Jardines.com. The Court Meeting and the Special General Meeting are expected to be held in December 2025.
- The Acquisition will be subject to the Conditions, including the completion of the OCB Sale (which is itself subject to the OCB Sale Conditions which are set out in the OCB Sale Announcement, the full text of which is included at Appendix IV), approval of the resolutions required to approve and implement the Scheme by the Independent Mandarin Oriental Shareholders at the Court Meeting and by the Mandarin Oriental Shareholders at the Special General Meeting, and the sanction of the Scheme by the Court.
- Jardine Matheson and Mandarin Oriental have today entered into a transaction agreement (the “**Transaction Agreement**”). Under the terms of the Transaction Agreement, Mandarin Oriental has undertaken not to declare or pay any dividend prior to the Acquisition Effective Date, with the exception of the OCB Dividend (with the OCB Dividend expected to be paid at or about the same time as settlement of the Scheme Value under the Scheme or, should the Scheme not become effective, at an alternative time following completion of the OCB Sale).
- Subject to the Scheme becoming effective, requests will be made by Mandarin Oriental to each of the Financial Conduct Authority, the London Stock Exchange, the Singapore Exchange and the Bermuda Stock Exchange to cancel Mandarin Oriental’s stock exchange listings.
- For the reasons set out in Section 12 (*Description of the Scheme*), none of the UK Takeover Code, the Singapore Takeover Code nor the Bermuda Takeover Code for Mandarin Oriental (as set out in The Mandarin Oriental Limited Regulations 1993, as amended) apply to the Acquisition.

This summary should be read in conjunction with, and is subject to, the full text of this announcement, including its Appendices. The Acquisition will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Circular. The sources and bases of certain financial information contained in this summary and this announcement are set out in Appendix II to this announcement. Notice to United States Holders of Mandarin Oriental Shares

The Acquisition relates to the shares of a Bermudian company and is being made by means of a scheme of arrangement provided for under Bermudian company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in Bermuda to schemes of arrangement, which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. The financial information included or incorporated by reference in this document has been prepared in accordance with International Financial Reporting Standards (as adopted by the European Union) and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Mandarin Oriental is a company incorporated under the laws of Bermuda. A majority of the assets of Mandarin Oriental are located outside the United States. As a result, it may not be possible for Mandarin Oriental Shareholders in the United States to effect service of process within the United States upon Mandarin Oriental or its respective officers or directors or to enforce against any of them judgments of the United States courts predicated upon the civil liability provisions of the federal securities laws of the United States. It may not be possible to sue Mandarin Oriental or its respective officers or directors in a non-US court for violations of the US securities laws. There is also substantial doubt as to enforceability in Bermuda, in original actions or in actions for enforcement, of the judgments of US courts, based on the civil liability provisions of US federal securities laws.

Any failure to comply with the restrictions may constitute a violation of the securities law of any such jurisdiction.

To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. The information disclosed in this announcement has been prepared for the purposes of complying with Bermudian, Singaporean and English law and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws and regulations of jurisdictions outside of Bermuda, Singapore and England and Wales.

If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. FOR IMMEDIATE RELEASE

17 October 2025

RECOMMENDED CASH ACQUISITION
FOR
MANDARIN ORIENTAL INTERNATIONAL LIMITED (“MANDARIN ORIENTAL”)
BY
JARDINE STRATEGIC LIMITED (“BIDCO”), A WHOLLY-OWNED SUBSIDIARY OF JARDINE
MATHESON LIMITED (“JARDINE MATHESON”)

(to be implemented by way of a scheme of arrangement under the Bermuda Companies Act)

1. Introduction

Jardine Matheson and Mandarin Oriental are pleased to announce that Mandarin Oriental has agreed to a proposal made by Jardine Matheson on the terms of a recommended cash acquisition by Jardine Matheson pursuant to which Bidco, a wholly-owned subsidiary of Jardine Matheson, will acquire the 11.96 per cent. of Mandarin Oriental's total issued share capital which Bidco does not already own (the “**Acquisition**”).

Concurrently, Mandarin Oriental has entered into an agreement on 17 October 2025 with Alibaba Group and Ant Group regarding their acquisition of the top thirteen floors of One Causeway Bay as their headquarters in Hong Kong, together with the building's rooftop signage and 50 parking spaces of One Causeway Bay for US\$925 million (the “**OCB Sale**”). The announcement published by Mandarin Oriental in respect of the OCB Sale on 17 October 2025 is included at Appendix IV (the “**OCB Sale Announcement**”).

2. The Acquisition

The Acquisition will be implemented by way of a scheme of arrangement under section 99 of the Bermuda Companies Act (the “**Scheme**”). To effect the Scheme, both a Court Meeting and a Special General Meeting will be convened to consider and vote on the implementation of the Scheme. Only the Independent Mandarin Oriental Shareholders are entitled to vote at the Court Meeting. All Mandarin Oriental Shareholders are entitled to vote at the Special General Meeting. The voting requirements for the Court Meeting and the Special General Meeting are contained in Section 12 (*Description of the Scheme*) below. The Acquisition will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Circular. If the Acquisition becomes effective, Independent Mandarin Oriental Shareholders shall be entitled to receive:

US\$3.35 in cash in respect of each Mandarin Oriental Share, comprising:

- US\$2.75 in cash (the “**Scheme Value**”); and

- a special dividend of US\$0.60 in cash (being the special dividend referenced by Mandarin Oriental in the OCB Sale Announcement) (the “**OCB Dividend**”),
(together, the “**Total Value**”).

The Total Value represents approximately a:

- 52.3 per cent. premium to the Closing Price of US\$2.20 per Mandarin Oriental Share on 29 September 2025, being the last Business Day prior to the announcement by Mandarin Oriental on 30 September 2025 in relation to the possible sale of part of its interest in One Causeway Bay (the “**Unaffected Day**”);
- 62.6 per cent. premium to the volume-weighted average price of US\$2.06 per Mandarin Oriental Share over the one-month period immediately prior to and including the Unaffected Day;
- 65.8 per cent. premium to the volume-weighted average price of US\$2.02 per Mandarin Oriental Share over the three-month period immediately prior to and including the Unaffected Day;
- 70.9 per cent. premium to the volume-weighted average price of US\$1.96 per Mandarin Oriental Share over the six-month period immediately prior to and including the Unaffected Day; and
- 53.7 per cent. premium to the net asset value of US\$2.18 per Mandarin Oriental Share as of 30 June 2025.

The Scheme Value represents approximately a:

- 71.9 per cent. premium to the adjusted Closing Price of US\$1.60 per Mandarin Oriental Share on the Unaffected Day, being the Closing Price of US\$2.20 per Mandarin Oriental Share on the Unaffected Day minus the value of the OCB Dividend;
- 88.4 per cent. premium to the adjusted volume-weighted average price of US\$1.46 per Mandarin Oriental Share over the one-month period immediately prior to and including the Unaffected Day, being the volume-weighted average price of US\$2.06 per Mandarin Oriental Share over the same period minus the OCB Dividend;
- 93.7 per cent. premium to the adjusted volume-weighted average price of US\$1.42 per Mandarin Oriental Share over the three-month period immediately prior to and including the Unaffected Day, being the volume-weighted average price of US\$2.02 per Mandarin Oriental Share over the same period minus the OCB Dividend;
- 102.2 per cent. premium to the adjusted volume-weighted average price of US\$1.36 per Mandarin Oriental Share over the six-month period immediately prior to and including the Unaffected Day, being the volume-weighted average price of US\$1.96 per Mandarin Oriental Share over the same period minus the OCB Dividend; and
- 74.1 per cent. premium to the net asset value minus the OCB Dividend of US\$1.58, being the net asset value of US\$2.18 per Mandarin Oriental Share as of 30 June 2025 minus the OCB Dividend.

The Total Value values the entire issued ordinary share capital of Mandarin Oriental (prior to the payment of the OCB Dividend) at approximately US\$4.2 billion.

Subject to satisfaction of the Conditions, it is expected that the Scheme will become effective by 28 February 2026.

The payment of the OCB Dividend is conditional on completion of the OCB Sale and approval by the board of Mandarin Oriental, but is not conditional on completion of the Acquisition. Completion of the OCB Sale is expected to have occurred by 31 December 2025, with the OCB Dividend expected to be paid at or about the same time as settlement of the Scheme Value under the Scheme or, should the Scheme not become effective, at an alternative time following completion of the OCB Sale. Further information on the timing of the payment of the OCB Dividend will be announced in due course.

Upon completion of the OCB Sale, Bidco shall be entitled to receive the OCB Dividend in respect of the Mandarin Oriental Shares which it holds at the relevant record time. The record date in respect of the OCB Dividend will be on or prior to the Acquisition Effective Date.

Under the terms of the Transaction Agreement, Mandarin Oriental has undertaken not to declare or pay any dividend prior to the Acquisition Effective Date, with the exception of the OCB Dividend.

3. Background to and reasons for the proposal by Jardine Matheson

Jardine Matheson has been a long-time controlling shareholder in Mandarin Oriental, holding 88.04 per cent. of Mandarin Oriental as of the last Business Day prior to this announcement through its wholly-owned subsidiary, Bidco, and Mandarin Oriental has been a core and integral part of Jardine Matheson's portfolio. The Acquisition is consistent with Jardine Matheson's strategy to deliver superior, long-term returns from its portfolio of market-leading businesses focused on Asia and is aligned with a group-wide capital allocation framework.

The OCB Sale and the OCB Dividend create the opportunity to implement the Acquisition, by establishing a clear and compelling valuation for the One Causeway Bay project as a whole and returning to Mandarin Oriental Shareholders a material amount of capital. The Jardine Matheson Board considers full private ownership as beneficial for both Mandarin Oriental and Jardine Matheson. Privatization of Mandarin Oriental would simplify Jardine Matheson's existing corporate structure, while better supporting Mandarin Oriental in achieving its growth objectives.

The Jardine Matheson Board believe the terms and structure of the Acquisition are in the best interest of Mandarin Oriental and the Independent Mandarin Oriental Shareholders. The intention of the Acquisition is to provide the Independent Mandarin Oriental Shareholders with an opportunity to realise full value for their Mandarin Oriental Shares. In circumstances where the Acquisition does not proceed, Jardine Matheson intends to continue to pursue the delisting of Mandarin Oriental through other means. Jardine Matheson also reserves the right to continue to purchase Mandarin Oriental Shares at or below the Total Value prior to the ex-OCB Dividend date, and at or below the Scheme Value thereafter, after the date of this announcement.

The financial terms of the Acquisition are final and Jardine Matheson does not intend to increase them or otherwise improve the financial terms of the Acquisition. If, on or after the date of this announcement and on or prior to the Acquisition Effective Date, Mandarin Oriental increases the value of the OCB Dividend or declares or pays any other dividend, distribution, or other return of value, Jardine Matheson reserves the right to reduce the

Scheme Value by an amount equal to the amount of such increase or the amount of such dividend, distribution, or other return of value (as applicable), in which case references to the Scheme Value will be deemed to be a reference to the Scheme Value as so reduced.

4. Mandarin Oriental Transaction Committee

The Mandarin Oriental Transaction Committee, which has been so advised by Morgan Stanley Asia Limited as to the financial terms of the Acquisition, considers the terms of the Acquisition to be fair and reasonable insofar as Independent Mandarin Oriental Shareholders are concerned. In providing its financial advice, Morgan Stanley Asia Limited has relied upon the commercial assessment of the Mandarin Oriental Transaction Committee. The Mandarin Oriental Transaction Committee is unanimously in favour of, and intends to recommend in the Circular that the Independent Mandarin Oriental Shareholders vote to approve, the Acquisition.

5. Background to and reasons for the intended recommendation

In arriving at the conclusions set out in Section 4 above, the Mandarin Oriental Transaction Committee carefully considered the terms of the Acquisition as set out in this document and has taken into account a range of factors including:

- (i) **Total Value and Scheme Value represent an attractive premium:** from a valuation perspective, the Total Value and the Scheme Value: (i) represent an attractive premium based on a number of different metrics, including historical closing prices of Mandarin Oriental Shares and net asset value (as further detailed in Section 2 above); and (ii) are in line with other take-private premia observed in Singapore and Hong Kong markets;
- (ii) **Fundamental value of Mandarin Oriental:** the Transaction Committee has also cross-checked the value of Mandarin Oriental on a fundamental basis, taking into account the value of One Causeway Bay (including the sale price pursuant to the OCB Sale and the floors retained by Mandarin Oriental following the OCB Sale), the value of the hotels owned by Mandarin Oriental and the value of Mandarin Oriental's hotel management business, which have been fairly reflected in the Total Value and the Scheme Value; and
- (iii) **Unique opportunity to exit fully in cash:** the Transaction Committee has also considered the historic trading behaviour of Mandarin Oriental Shares, including the low trading volumes and low liquidity of Mandarin Oriental Shares and the persistent discount to Mandarin Oriental's adjusted net asset value. The Acquisition provides an immediate opportunity for Independent Mandarin Oriental Shareholders to sell their Mandarin Oriental Shares for a certain amount of cash at an attractive premium (as described above) without incurring any discount from selling into the market. In addition, Independent Mandarin Oriental Shareholders will also receive a material return of cash from the proceeds of the OCB Sale through the OCB Dividend. Given Jardine Matheson's position as a controlling shareholder of Mandarin Oriental and its confirmation that it has no intention to divest its stake in Mandarin Oriental, there is no reasonable prospect that there will be any equivalent opportunity for all Independent Mandarin Oriental Shareholders to sell their investment in Mandarin Oriental in full, at premia levels as described above.

8. Q3 Interim Management Statement Announcement

Jardine Matheson and Mandarin Oriental will release their Q3 Interim Management Statements on 21 November 2025.

9. Transaction Agreement

Jardine Matheson and Mandarin Oriental have entered into a Transaction Agreement in relation to the implementation of the Acquisition and other related matters. The Transaction Agreement contains certain assurances and confirmations between the parties, including with respect to the implementation of the Scheme and regarding the conduct of the business of the Mandarin Oriental Group in the period prior to the Acquisition Effective Date. The Transaction Agreement, together with the Circular to be distributed to the Mandarin Oriental Shareholders, will set out the terms and conditions and means of effecting the Scheme as required by the Bermuda Companies Act.

Pursuant to the Transaction Agreement, each of Jardine Matheson and Mandarin Oriental has agreed, inter alia, to take or cause to be taken all such steps as are within its power and necessary to implement the Acquisition in accordance with, and subject to the terms and conditions of, the Transaction Agreement. The Transaction Agreement contains limited rights of termination, including by written agreement between Jardine Matheson and Mandarin Oriental.

10. Conditions

The Acquisition will be subject to the Conditions set out in paragraph 1 of Appendix I, including the completion of the OCB Sale (which is itself subject to the OCB Sale Conditions which are set out in the OCB Sale Announcement, a copy of which is included at Appendix IV), approval of the resolutions required to approve and implement the Scheme by the Independent Mandarin Oriental Shareholders at the Court Meeting and by the Mandarin Oriental Shareholders at the Special General Meeting, and the sanction of the Scheme by the Court. Jardine Matheson and Mandarin Oriental have agreed that if any of the Conditions set out in paragraph 1 of Appendix I are not satisfied before the Long Stop Date the Acquisition will not proceed.

11. Financing

Jardine Matheson intends to finance the Scheme Value through cash on its balance sheet together with committed facilities.

12. Description of the Scheme

The Acquisition will be effected by means of a Court sanctioned scheme of arrangement under section 99 of the Bermuda Companies Act. The purpose of the Scheme is to provide for Bidco (a wholly-owned subsidiary of Jardine Matheson) to become the holder of the entire issued share capital of Mandarin Oriental. This is to be achieved by the transfer of the Mandarin Oriental Shares (which are not currently owned by Bidco) to Bidco pursuant to the Scheme, in consideration for which the Independent Mandarin Oriental Shareholders will receive cash consideration, in the form of the Scheme Value, on the basis set out in Section 2 of this announcement. Bidco will provide an undertaking to the Court to be bound by the Scheme.

The Acquisition will be subject to the Conditions and further terms referred to in Appendix I of this announcement and to be set out in the Circular, which include the requirement for the Scheme to be sanctioned by the Court.

In order for the Scheme to be implemented, the following events will need to take place:

- (i) the Scheme must be approved by a majority in number of the Independent Mandarin Oriental Shareholders who are present and voting (in person or by proxy) at the Court Meeting and who represent at least 75 per cent. in value of the Independent Mandarin Oriental Shares voted. Bidco will not be entitled to, and will not, vote at the Court Meeting;
- (ii) a special resolution approving the Acquisition and certain ancillary matters relating to the Scheme must be passed by Mandarin Oriental Shareholders representing at least 75 per cent. of votes cast at the Special General Meeting; and
- (iii) the sanction of the Scheme by the Court.

The Scheme will only become effective upon delivery of the Court Order sanctioning the Scheme to the Registrar of Companies.

Upon the Scheme becoming effective, it will be binding on Bidco as offeror and on all Mandarin Oriental Shareholders (including the Independent Mandarin Oriental Shareholders), irrespective of whether or not they attended or voted at the Court Meeting or Special General Meeting, and each Independent Mandarin Oriental Shareholder will have the right to receive the Scheme Value referred to in Section 2 of this announcement.

The Circular containing notices convening the Court Meeting and the Special General Meeting will be despatched to Mandarin Oriental Shareholders as soon as practicable following this announcement. It is currently anticipated that Court Meeting and the Special General Meeting will be held in December 2025.

Subject to satisfaction of the Conditions, it is expected that the Scheme will become effective by 28 February 2026.

Further details on the implementation of the Scheme will be set out in the Circular.

Given Jardine Matheson's approximate 88.04 per cent. shareholding in Mandarin Oriental (held through Bidco), Jardine Matheson and Mandarin Oriental do not anticipate any regulatory clearances will be required to be obtained in order to effect the Acquisition.

As Mandarin Oriental is incorporated and has its registered office in Bermuda, the UK Takeover Code does not apply to the Acquisition.

Part II of The Mandarin Oriental International Limited Consolidation and Amendment Act 1988, as amended, and the Mandarin Oriental International Limited Amendment Act 1993, as amended, which include provisions relating to takeover offers, do not apply to the Acquisition as it is being effected by means of a Court sanctioned scheme of arrangement under the Bermuda Companies Act.

As a company with a secondary listing on the Singapore Exchange, Mandarin Oriental is not subject to the Singapore Code on Takeovers & Mergers, or the listing rules of the Singapore Exchange that apply to a company with a primary listing on the Singapore Exchange.

13. Irrevocable undertakings

Jardine Matheson has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the Special General Meeting in respect of 20,342,145 Mandarin Oriental Shares representing, in aggregate, approximately 13.46 per cent. of the number of Independent Mandarin Oriental Shares on 16 October 2025, being the last Business Day prior to this announcement.

14. Disclosure of Interests

Jardine Matheson is interested in 1,112,719,720 Mandarin Oriental Shares (carrying 88.04 per cent. of the voting rights attaching to Mandarin Oriental's issued ordinary share capital) through Bidco.

15. Delisting

Subject to the Scheme becoming effective, a request will be made by Mandarin Oriental to: (i) the FCA to cancel the listing of the Mandarin Oriental Shares on the Official List; (ii) the London Stock Exchange to cancel the admission to trading of the Mandarin Oriental Shares on the London Stock Exchange's Main Market for listed securities; (iii) the Singapore Exchange to cancel the listing of the Mandarin Oriental Shares on the SGX Mainboard; and (iv) the Bermuda Stock Exchange to cancel the listing of the Mandarin Oriental Shares on the Bermuda Stock Exchange, so that the Mandarin Oriental Shares will cease to be listed with effect from the Effective Time. In addition, with effect from the Effective Time, entitlements to Mandarin Oriental Shares held within the CREST system and the CDP system will be cancelled.

16. General

The Acquisition shall be made subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Circular. The bases and sources of certain financial information contained in this announcement are set out in Appendix II to this announcement. Certain terms used in this announcement are defined in Appendix III to this announcement.

The Circular will be despatched to Mandarin Oriental Shareholders as soon as practicable after this announcement and will include the terms and conditions of the Acquisition, together with notice of the Court Meeting and the Special General Meeting and the expected timetable for the implementation of the Acquisition. In deciding whether or not to vote to approve the Acquisition, Mandarin Oriental Shareholders should rely on the information contained in, and follow the procedures described in, the Circular and the forms of proxy and direction accompanying the Circular.

Notice to United States Holders of Mandarin Oriental Shares

The Acquisition relates to the shares of a Bermudian company and is being made by means of a scheme of arrangement provided for under Bermudian company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in Bermuda to schemes of arrangement, which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. The financial information included or incorporated by reference in this document has been prepared in accordance with International Financial Reporting Standards (as adopted by the European Union) and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

Mandarin Oriental is a company incorporated under the laws of Bermuda. A majority of the assets of Mandarin Oriental are located outside the United States. As a result, it may not be possible for Mandarin Oriental Shareholders in the United States to effect service of process within the United States upon Mandarin Oriental or its respective officers or directors or to enforce against any of them judgments of the United States courts predicated upon the civil liability provisions of the federal securities laws of the United States. It may not be possible to sue Mandarin Oriental or its respective officers or directors in a non-US court for violations of the US securities laws. There is also substantial doubt as to enforceability in Bermuda, in original actions or in actions for enforcement, of the judgments of US courts, based on the civil liability provisions of US federal securities laws.

Overseas Shareholders

The release, publication or distribution of this announcement in or into certain jurisdictions other than Bermuda, Singapore or the United Kingdom may be restricted by law and/or regulations and therefore any persons who are subject to the laws of any jurisdiction other than Bermuda, Singapore or the United Kingdom should inform themselves about, and observe, any applicable requirements. Any failure to comply with the restrictions may constitute a violation of the securities law of any such jurisdiction.

To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. The information disclosed in this announcement has been prepared for the purposes of complying with Bermudian, Singaporean and English law and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance

with the laws and regulations of jurisdictions outside of Bermuda, Singapore and England and Wales.

Copies of this announcement and any formal documentation relating to the Acquisition shall not be, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any jurisdiction where to do so would violate the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) should observe these restrictions and must not mail or otherwise forward, distribute or send them in, into or from any jurisdiction where to do so would violate the laws of that jurisdiction.

If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither Jardine Matheson or Mandarin Oriental, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur.
