Disclaimer

This presentation may contain forward-looking statements. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other developments or companies, shifts in customer demands, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training, property operating expenses), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management regarding future events. No representation or warranty expressed or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Neither CapitaLand Integrated Commercial Trust Management Limited (“Manager”) nor any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use, reliance or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CapitaLand Integrated Commercial Trust (“CICT”) is not indicative of future performance. The listing of the units in the CICT (“Units”) on the Singapore Exchange Securities Trading Limited (the “SGX-ST”) does not guarantee a liquid market for the Units. The value of the Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the Manager redeem or purchase their Units while the Units are listed on the SGX-ST. It is intended that holders of Units may only deal in their Units through trading on the SGX-ST.

This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units.

(1) Excludes CQ @ Clarke Quay as it is under AEI works.

(2) In line with the Code of Conduct for leasing of retail premises in Singapore, an increase in service charge will be applicable for new tenancy agreements or renewals for retail leases. For the existing retail leases, any increase in service charge will not affect overall gross rent unless separately agreed.

(3) Based on average incoming committed rents versus average outgoing rents.

(4) Compared against YTD March 2022 tenants' sales on a per sq ft (psf) basis and adjusted for non-trading days.

(5) Compared against YTD March 2022 shopper traffic.

Financials & Capital Management

1Q 2023 Financial Performance

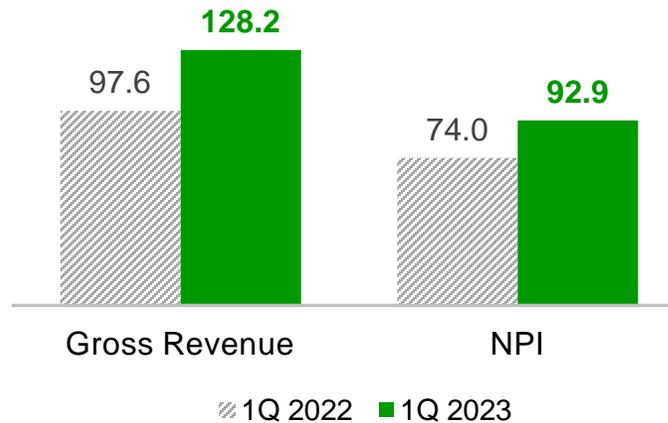

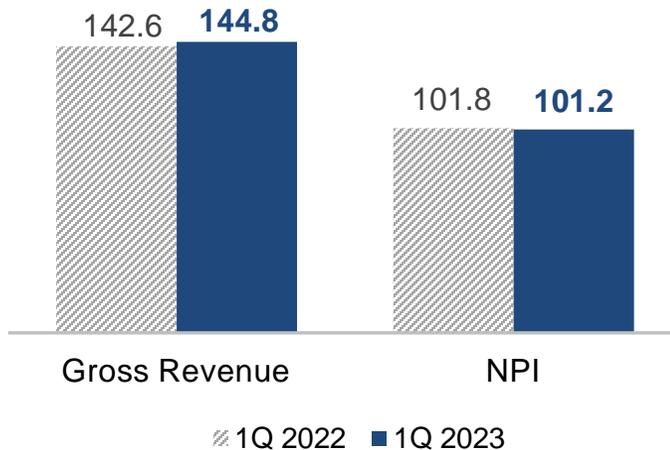

Boosted by full quarter contributions from acquisitions completed in 1H 2022 and higher gross rental income from existing properties, partially offset by higher operating expenses largely due to utilities and divestment of JCube in Mar 2022

Increasing Focus of Investors and Tenants on ESG

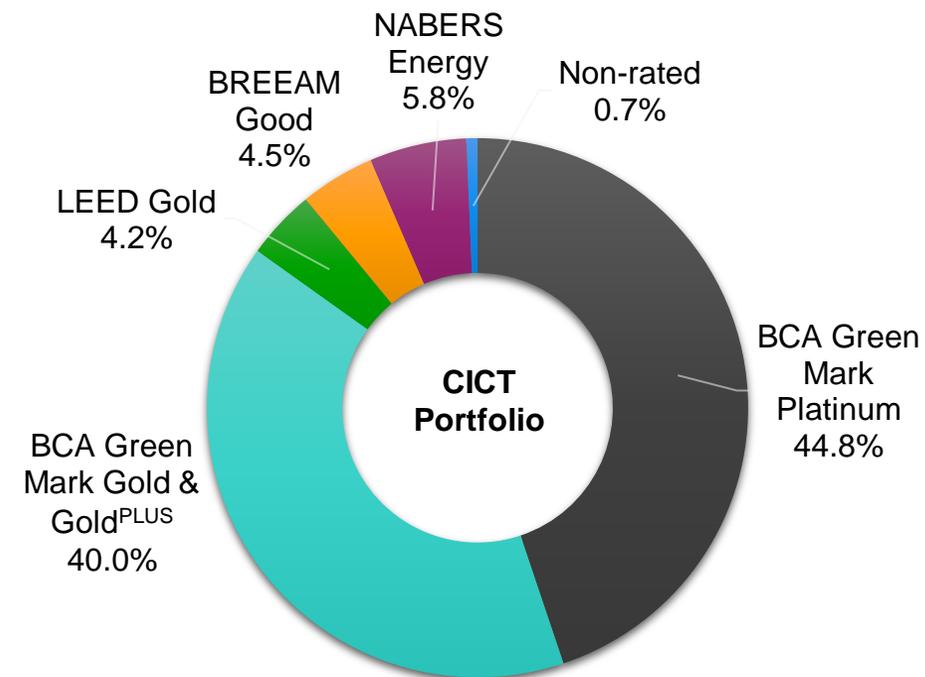

Aligned with CapitaLand's commitment to Net Zero by 2050 and elevate carbon emissions reduction target to 1.5°C scenario⁽¹⁾

Moving towards our 2030 targets

Compared to base year 2008

99% of CICT's portfolio have green rating⁽⁴⁾

Notes:

- (1) To operationalise its SBTi approved carbon emissions reduction target for scope 1 and 2 emissions, CLI is reviewing its carbon emissions intensity reduction targets and other environment targets, including changing reference to 2019 as the baseline year instead of 2008. The targets are being reviewed as part of the scheduled review of CapitaLand's 2030 Sustainability Master Plan in 2022 and will be published before end May 2023.
- (2) Recycling rate from day-to-day operations.
- (3) As percentage of total electricity consumption from renewable sources.
- (4) Based on the gross floor area of CICT's 26 properties in Singapore, Germany and Australia as at 31 December 2022. 103 Miller Street and Greenwood Plaza are not rated. CICT intends to review the requirements to attain their green rating.
