

ADVANCE AND CONDITIONAL SUBSCRIPTION AGREEMENT

1. INTRODUCTION

The board of directors ("**Directors**" or "**Board**") of Winmark Investment Holdings Limited (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that the Company has on 7 August 2020, entered into an advance and conditional subscription agreement (an "**Agreement**") with the party set out in paragraph 2.1 below (the "**Lender**"), pursuant to which:

- (a) the Lender shall within five business days from the date of the Agreement (the "**Payment Date**") provide certain advances (as detailed in paragraph 2.1 below) (the "**Advances**") to the Company; and
- (b) only in the event that trading of the Company's shares on the Catalist is resumed, the Lender shall have a right to subscribe for new ordinary shares in the capital of the Company (the "**Subscription Shares**"), subject to certain conditions precedent being fulfilled. The Advances together with any interest accrued thereon shall be credited in full as the aggregate consideration for the subscription of the Subscription Shares.

For the avoidance of doubt, the Company wishes to highlight that at this juncture, the Advances are to be provided by the Lender to the Company as loans and not as subscription monies for the Subscription Shares. The Lender's right to subscribe for the Subscription Shares, whether conditional or otherwise, does not take effect unless and until trading of the Company's shares on the Catalist is resumed.

2. ADVANCES AND SUBSCRIPTION SHARES

2.1 The amount of Advances and the maximum number of Subscription Shares proposed to be allotted and issued to the Lender is as detailed below:

Lender	Amount of Advance	Maximum number of Subscription Shares⁽¹⁾	% of share capital as at the date of this Announcement	% of enlarged share capital after the issuance of the Subscription Shares
Winmark Investments Pte Ltd (" Winmark Investments ")	S\$100,000	Up to 46,956,522	0.88%	0.80%

Note:

- (1) The maximum number of Subscription Shares is computed based on the assumption that the Subscription Shares are issued on the Long-Stop Date (as defined below) and accordingly the interest rate of 8.0% per annum will apply for the full twelve months' period commencing from the Payment Date. The actual number of Subscription Shares to be allotted and issued will depend on when Completion (as defined below) takes place.

2.2 The maximum number of Subscription Shares represents approximately 0.88% of the

share capital of the Company as at the date of this announcement, and 0.80% of the enlarged share capital of the Company subsequent to the completion of the issue of Subscription Shares ("**Completion**"). The number of ordinary shares in issue in the Company will then increase from 5,356,277,963 to a maximum of 5,896,277,963.

- 2.3 The Company had announced on 11 November 2019, 10 December 2019, 3 January 2020, 20 February 2020 and 15 June 2020 (the "**Previous Announcements**"), that it had entered into eight separate advance and conditional subscription agreements (the "**Previous Agreements**"). On the assumption that the maximum number of subscription shares are issued under the Previous Agreements, being 493,043,478 shares, the Subscription Shares represent approximately 0.80% of the enlarged share capital of the Company, being 5,896,277,963 shares, subsequent to the completion of the issue of Subscription Shares and the issue of subscription shares under the Previous Agreements (the "**Enlarged Share Capital**").
- 2.4 Based on the assumption that the maximum number of subscription shares are issued under the Previous Agreements, together with the issuance of the Subscription Shares, the shareholdings of the lenders are as detailed below:

	As at the date of this announcement		Following the issuance of all Subscription Shares		
	Total number of Shares held ⁽³⁾	% ⁽¹⁾	Total number of Shares held ⁽³⁾	% ⁽²⁾	Total Advances (S\$)
Winmark Investments Pte Ltd	3,656,309,426	68.26	3,961,526,818	67.19	650,000
Chua Eng Chiang	Nil	0.0	46,956,522	0.8	100,000
Loong Foo Pte Ltd.	Nil	0.0	46,956,522	0.8	100,000
Market Innovators Pte Ltd	Nil	0.0	117,391,304	2.0	250,000
Tay Kah Poh	Nil	0.0	23,478,261	0.4	50,000

Notes:

- (1) Based on the existing share capital of 5,356,277,963 ordinary shares.
(2) Based on the Enlarged Share Capital.
(3) Based on the direct and deemed interest.

- 2.5 The Subscription Shares shall be issued free from any and all claims, charges, liens mortgages, securities, pledges, equities, encumbrances or other interests whatsoever and shall rank *pari passu* in all respects with and shall carry all rights similar to the existing shares in the capital of the Company as at the date of allotment and issue of the Subscription Shares except that they will not rank for any dividend, right, allotment or other distributions, the record date for which falls on or before the date of issue of such Subscription Shares.

3. SHAREHOLDERS' APPROVAL

- 3.1 As Winmark Investments is a controlling shareholder of the Company, pursuant to Rule 812(2) of the Catalist Rules, the issue of Subscription Shares to Winmark Investments is subject to the approval of the shareholders of the Company (the "**Shareholders**") being obtained at an extraordinary general meeting of the Company.
- 3.2 Rule 811(1) of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") Listing Manual Section B: Rules of the Catalist (the "**Catalist Rules**") provides that an issue of shares must not be priced at more than 10% discount to the weighted average price for trades done on the SGX-ST for the full market day on which the placement or subscription agreement is signed. Each Subscription Share is priced at S\$0.0023 (the "**Subscription Price**"). As trading of shares of the Company is currently suspended and the Lender's right to subscribe for the Subscription Shares does not take effect until resumption of trading of the Company's shares, for purposes of Rule 811(1) of the Catalist Rules, the

Company is unable to determine if Rule 811(1) of the Catalist Rules is applicable. The Company nevertheless intends to seek specific Shareholders' approval for the issue of all of the Subscription Shares.

- 3.3 As soon as practicable after resumption of trading of the Company's shares on the SGX-ST and upon the Lender's right to subscribe for the Subscription Shares taking effect, the Company will be making an application to the SGX-ST for the listing and quotation of the Subscription Shares on the Catalist, and will make the necessary announcement upon receipt of the listing and quotation notice from the SGX-ST. In addition, a circular containing information in connection with the Advances and issue of Subscription Shares will be despatched to the Shareholders in due course.

5. PRINCIPAL TERMS OF THE AGREEMENT

5.1 Conditional subscription of shares in the Company

Notwithstanding anything else in the Agreement, the parties thereto acknowledge and agree that the Lender's right to subscribe for the Subscription Shares, whether conditional or otherwise, does not take effect unless and until trading of the Company's shares on the Catalist is resumed. In the event that trading of the Company's shares on the Catalist is not resumed on or before the first anniversary of the Payment Date (the "**Long-Stop Date**"), each Agreement shall terminate with effect from the Long-Stop Date and shall be of no further effect and no party thereto shall be under any liability to the other in respect of the Agreement save that the Company shall remain liable for the repayment of the Advances and all accrued interest thereon.

5.2 Advances

The Company shall pay interest on the Advances at the rate of eight per cent. (8%) per annum, which shall accrue day to day from the payment date of such Advances up to and including the day immediately preceding the date of Completion of subscription of the Subscription Shares or the Long-Stop Date, whichever is earlier, and shall be calculated on the basis of a year of 365 days and the actual number of days elapsed.

In the event that the Conditions Precedent (as defined below) are not satisfied and/or completion of subscription of the Subscription Shares does not take place on or before the Long-Stop Date, the interest rate accruing on the Advances shall increase to twelve per cent. (12%) per annum with effect from the Long-Stop Date, which shall accrue day to day up to and including the last day of the Repayment Period (as defined below), and shall be calculated on the basis of a year of 365 days and the actual number of days elapsed. The Advances plus the accrued interest thereon shall be repaid in twelve (12) equal monthly instalments by the Company to the Lender, the first instalment being due on the Long-Stop Date and each of the remaining instalments being due on the last business day of the next following calendar month for eleven (11) consecutive months. The period commencing from the Long-Stop Date and ending on the date during which the last of the twelve (12) instalments is repaid shall be referred to as the "**Repayment Period**".

In the event that the Company's repayment obligations under the Agreement arise, the Company may elect to prepay the whole or any balance of the Advances outstanding at any time prior to the expiry of the Repayment Period if it gives the Lender not less than three (3) business days' prior written notice of the date of prepayment. Any prepayment under the Agreement are to be made together with all accrued interest thereon and without premium or penalty.

5.3 **Conditions Precedent**

Completion of subscription of the Subscription Shares is conditional upon, *inter alia*, the following conditions precedent:

- (a) resumption of trading of the Company's shares on the Catalist;
- (b) the listing and quotation notice in respect of the Subscription Shares being obtained from the SGX-ST and not having been revoked or amended and, where such listing and quotation notice is subject to conditions, to the extent that any such conditions are required to be fulfilled on or before the completion date, they are so fulfilled;
- (c) to the extent required by the Catalist Rules, approval being obtained from the Shareholders at a general meeting for the allotment and issue of the Subscription Shares to the Lender on the terms and conditions of the Agreement;
- (d) the exemption under Section 272B of the Securities and Futures Act, Chapter 289 of Singapore, being applicable to the subscription of Subscription Shares under the Agreement;
- (e) the allotment and issue of the Subscription Shares to the Lender not being prohibited by any statute, order, rule, regulation or directive promulgated or issued after the date of the Agreement by any legislative, executive or regulatory body or authority of Singapore or any other jurisdiction which is applicable to the Company or the Lender; and
- (f) the representations, warranties and undertakings contained in the Agreement remaining true and correct in all material respects as at the completion date and

each party having performed all of its obligations thereunder to be performed on or before the completion date.

If any of the above conditions precedent has not been satisfied on or before the Long-Stop Date, the Agreement shall terminate and shall be of no further effect and no party thereto shall be under any liability to the other in respect of the Agreement save that the Company shall remain liable for the repayment of the Advances and all accrued interest thereon.
