PROPOSED DISPOSAL OF THE COMPANY'S EXISTING ALUMINIUM EXTRUSION BUSINESS

1. INTRODUCTION

The board of directors (the “**Board**” or “**Directors**”) of Ascent Bridge Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that the Company has on 17 Jun 2022 entered into a conditional business sale and purchase agreement (“**Disposal SPA**”) with 3PLE1 Holdings Pte. Ltd. (“**Purchaser**”).

Under the Disposal SPA, the Company shall dispose of, and the Purchaser shall acquire, the Company's business and liabilities in the manufacture, import, and export of aluminium extrusion sections, metal materials, and other related products as a going concern (the “**Vendor Business**”) to the Purchaser for an aggregate consideration (“**Consideration**”) comprising (i) the sum of S\$1,500,000.00 and (ii) such amount equivalent to the AEI Corporate Guarantee Liabilities (as defined below), if any, subject to the terms and conditions of the Disposal SPA (“**Proposed Disposal**”).

2. RATIONALE

The Company has been exploring investment opportunities or acquisitions of other businesses in view of the lacklustre outlook of the Group's core aluminium extrusion business of Electronics & Precision Engineering segment.

As announced by the Company on 16 March 2022, the Company completed the acquisition of MTBL Global Pte. Ltd. (“**MTBL Global**”) on 15 March 2022. This is in line with the Company's goal to diversify the Group's business into the production, sale and distribution of food and beverages business (including, in particular, liquors and alcoholic beverages) (“**New Business**”).

On 24 April 2022, the Company announced that it has entered into share purchase agreements to acquire (i) 80% of Octopus Distribution Networks Pte. Ltd.; (ii) 80% of Cape Exim Pte. Ltd. and (iii) 39.2% of Luen Heng F&B Sdn. Bhd. (collectively, the “**Proposed Acquisitions**”). Under the Proposed Acquisitions, the principal business of the target groups includes brand management, import, export, distribution, logistics and warehousing of alcoholic and non-alcoholic beverages and liquor. The Proposed Acquisitions are in line with the Company's New Business and is value accretive and synergistic to the business of MTBL Global and further enhances its new core business and income streams.

The Proposed Disposal is part of the Group's restructuring exercise and business transition into the New Business. It is envisaged that this will streamline the Group's operations and facilitate the Group's diversification into the New Business.
