FINANCIAL UPDATE FOR THE THIRD QUARTER ENDED 30 SEPTEMBER 2016

The Board of Directors of Global Palm Resources Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to announce that, following a preliminary review of the unaudited financial statements for quarter ended 30 September 2016 (“**3Q2016**”), the Group is expected to report a net profit after tax which will be substantially higher than that of the preceding quarter ended 30 September 2015.

The higher net profit after tax is primarily attributable to the increase in the average selling price of crude palm oil and palm kernel.

The Group is still in the process of finalizing its unaudited financial results for 3Q2016. Further details of the performance of the Group will be disclosed in its unaudited financial statements announcement for 3Q2016, which is expected to be released on or before 14 November 2016.

Shareholders are advised to exercise caution when dealing in the shares of the Company. If in doubt about the action that they should take, shareholders should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers or other professional advisers.
