**PROFIT GUIDANCE FOR THE FIRST QUARTER ENDED 30 JUNE 2025**

---

The board of directors (the "**Board**") of Asiatic Group (Holdings) Limited (the "**Company**", together with its subsidiaries, collectively the "**Group**") would like to announce that based on preliminary review of the unaudited condensed interim financial results for the first quarter ended 30 June 2025 ("**1Q2026**"), the Group expects to report a net loss for 1Q2026.

The expected net loss for 1Q2026 is mainly attributable to:

- 1) Decrease in gross margin of the Energy Services division, arising from a change to lower tariff rate electrical plans by customers that had a lower gross margin. Furthermore, revision in electricity tariff rate regulated by the Cambodian authorities in 2025 caused a further decrease in gross margin during 1Q2026. Fire Protection Solutions division also saw a decrease in gross margin mainly attributed to inflationary effect on cost of goods.
- 2) Foreign exchange loss recorded during the period arising from the depreciation of USD against SGD on USD denominated receivables from customers and related companies.

The Group is in the process of finalizing the unaudited financial results for 1Q2026 and will announce further details of the Group's financial performance on or before 14 August 2025.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company. Shareholders of the Company and potential investors are advised to read all further announcements by the Company carefully and to consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the actions they should take.
