### **Update on Portfolio Following Typhoon Hagibis (No.19) in Eastern Japan**

**Singapore, 16 October 2019** – Accordia Golf Trust Management Pte. Ltd., the trustee-manager of Accordia Golf Trust (“AGT”), would like to provide an update on the situation of its golf courses in Eastern Japan.

***Mr. Yoshihiko Machida, Chief Executive Officer and Executive Director of the trustee-manager, said, “On behalf of the board of directors and management of AGT, I would like to express our sincere condolences to the families of the victims.”***

Typhoon Hagibis (No.19) swept across eastern Japan from the evening of 12 October 2019 to the early morning of 13 October 2019, with heavy rain causing flash flooding and river flooding. Despite minor damages at some of our golf courses in the region, most golf courses are operating as usual and no significant physical damages and casualties have been reported at this time except for the following.

Three golf courses – Northern Country Club Nishikigahara Golf Course in Saitama, Chichibu Kokusai Country Club in Saitama, and Odawara Golf Club Matsuda Course in Kanagawa – are currently closed for inspection and repair and hopefully will be ready to open in one to two weeks.

We will continue to monitor the situation closely and make further disclosure if there is any damage that is likely to have any material impact.
