The Company confirms that neither it, nor any other Person acting on its behalf, has provided the Purchaser or any of its agents, advisors or counsel with any information that constitutes or could reasonably be expected to constitute material, nonpublic information concerning the Company, other than the existence of the transactions contemplated by the Transaction Documents, except pursuant to a confidentiality and non-disclosure agreement.

Except as disclosed in the Commission Documents, there are no outstanding amounts payable to or receivable from, or advances by the Company to, and the Company is not otherwise a creditor of or debtor to, any beneficial owner of more than five percent (5%) of the outstanding Ordinary Shares, or any director, employee or Affiliate of the Company, other than (i) reimbursement for reasonable expenses incurred on behalf of the Company or (ii) as part of the normal and customary terms of such person's employment or service as a director with the Company.

Each Commission Document (other than the Registration Statement, the Prospectus or any Prospectus Supplement) to be filed with or furnished to the Commission after the Effective Date and incorporated by reference in the Registration Statement, the Prospectus or any Prospectus Supplement required to be filed pursuant to this Agreement or the Registration Rights Agreement (including, without limitation, the Current Report), when such document is filed with or furnished to the Commission and, if applicable, when such document becomes effective, as the case may be, shall comply in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable, and other federal, state and local laws, rules and regulations applicable to it, and shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company has delivered or made available to the Purchaser true and complete copies of all comment letters and substantive correspondence received by the Company from the Commission relating to the Commission Documents filed with or furnished to the Commission as of the Effective Date, together with all written responses of the Company thereto in the form such responses were filed via EDGAR. There are no outstanding or unresolved comments or undertakings in such comment letters received by the Company from the Commission. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by the Company under the Securities Act or the Exchange Act. The Company has not distributed and, prior to the completion of the distribution of the Shares, will not distribute any offering material in connection with the offering and sale of the Shares other than the Registration Statement, the related prospectus or other materials, if any, permitted by the Securities Act.

(t) Employees. The Company does not have any collective bargaining arrangements or other agreements covering any of its employees. No officer, consultant or key employee of the Company has terminated or, to the Knowledge of the Company, has any present intention of terminating his or her employment or engagement with the Company.

(u) Use of Proceeds. The proceeds from the sale of the Shares will be used by the Company for working capital, expansion, development, marketing or other needs of the Company.

(y) U.S. Real Property Holding Corporation. The Company is not, nor has it ever been, and so long as any of the securities are held by the Purchaser, shall not become a U.S. real property holding corporation within the meaning of Section 897 of the Code.

(z) Exemption from Registration; Valid Issuances. Subject to, and in reliance on, the representations, warranties and covenants made herein by the Purchaser, the offer and sale of the Shares in accordance with the terms and conditions of this Agreement and the Transaction Documents is exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) and Rule 506 of Regulation D. Neither the offer and sale of the Shares pursuant to, nor the Company’s performance of its obligations under, the Transaction Documents to which it is a party shall (i) result in the creation or imposition of any Liens upon the Shares, or (ii) entitle the holders of any outstanding shares of capital stock of the Company to preemptive or other rights to subscribe to or acquire Ordinary Shares or other securities of the Company.

(aa) No General Solicitation or Advertising. Neither the Company, nor any of its Affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Shares.

(bb) No Integrated Offering. None of the Company or any of its Affiliates, nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would require registration of the issuance of any of the Shares under the Securities Act, whether through integration with prior offerings or otherwise, or cause this offering of the Shares to require approval of stockholders of the Company under any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of the Commission and the Principal Market. None of the Company, nor its Affiliates, nor any Person acting on their behalf will take any action or steps referred to in the preceding sentence that would require registration of the issuance of any of the securities under the Securities Act or cause the offering of any of the Shares to be integrated with other offerings.

(cc) Manipulation of Price. Neither the Company nor any of its officers, directors or Affiliates has, and, to the Knowledge of the Company, no Person acting on their behalf has, (i) taken, directly or indirectly, any action designed or intended to cause or to result in the stabilization or manipulation of the price of any security of the Company, or which caused or resulted in, or which would in the future reasonably be expected to cause or result in, the stabilization or manipulation of the price of any security of the Company, in each case to facilitate the sale or resale of any of the Shares, or (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Shares. Neither the Company nor any of its officers, directors or Affiliates will, during the term of this Agreement, and, to the Knowledge of the Company, no Person acting on their behalf will, during the term of this Agreement, take any of the actions referred to in the immediately preceding sentence.

(dd) Foreign Corrupt Practices Act. None of the Company, any Subsidiary or, to the Knowledge of the Company, any director, officer, agent, employee, Affiliate or other Person acting on behalf of the Company, is aware of or has taken any action, directly or indirectly, that would result in a violation by such Persons of the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (collectively, the “FCPA”), including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA. (ff) OFAC. None of the Company or, to the Knowledge of the Company, any director, officer, agent, employee, Affiliate or Person acting on behalf of the Company is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”); and the Company will not directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any Subsidiary, joint venture partner or other Person, for the purpose of financing the activities of any Person currently subject to any U.S. sanctions administered by OFAC.

(gg) Acknowledgment Regarding Purchaser’s Purchase of Shares. The Company acknowledges and agrees that the Purchaser is acting solely in the capacity of an arm’s length purchaser with respect to this Agreement and the other Transaction Documents and the transactions contemplated hereunder and thereunder. The Company further acknowledges that the Purchaser is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the other Transaction Documents and the transactions contemplated hereunder and thereunder, and any advice given by the Purchaser or any of its representatives or agents in connection with this Agreement and the other Transaction Documents and the transactions contemplated hereunder and thereunder is merely incidental to the Purchaser’s purchase of the Shares.

Section 3.02 Representatives and Warranties of the Purchaser. The Purchaser and GYBL hereby, jointly and severally, make the following representations and warranties to the Company as of the Effective Date and as of the date of each Draw Down Notice and as of each Settlement Date:

(a) Organization and Standing of the Purchaser and GYBL. The Purchaser is a “société en commandite simple” duly formed, validly existing and in good standing under the laws of Luxembourg. GYBL is a limited company duly formed, validly existing and in good standing under the laws of the Commonwealth of the Bahamas.

(b) Authorization and Power. Each of the Purchaser and GYBL has the requisite corporate power and authority to enter into and perform this Agreement and the other Transaction Documents to which it is a party and to purchase the Shares in accordance with the terms hereof. The execution, delivery and performance of this Agreement and the other Transaction Documents to which it is a party by Purchaser and by GYBL and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary corporate action, and no further consent or authorization of the Purchaser and GYBL, and the Board of Directors or stockholders of either of them is required. This Agreement and each other Transaction Document to which the Purchaser or GYBL is a party has been duly executed and delivered by each of the Purchaser and GYBL. This Agreement and each other Transaction Document to which the Purchaser or GYBL is a party constitutes, or shall constitute when executed and delivered, a valid and binding obligation of the Purchaser or GYBL, enforceable against the Purchaser or GYBL, respectively, in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership, or similar laws relating to, or affecting generally the enforcement of, creditor’s rights and remedies or by other equitable principles of general application.

(c) No Conflicts. The execution, delivery and performance of this Agreement and each other Transaction Document to which the Purchaser or GYBL is a party, and the consummation by the Purchaser and GYBL of the transactions contemplated hereby and thereby or relating hereto or thereto, do not and will not (i) result in a violation of such Purchaser's or GYBL's charter documents or bylaws or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Purchaser or GYBL is a party, (iii) create or impose a lien, charge or encumbrance on any property of the Purchaser or GYBL under any agreement or any commitment to which the Purchaser or GYBL is party or by which the Purchaser or GYBL is bound or by which any of their respective properties or assets are bound, or (iv) result in a violation of any law, rule, or regulation, or any order, judgment or decree of any court or governmental agency applicable to the Purchaser or GYBL or any of their respective properties, except for such conflicts, defaults and violations as would not, individually or in the aggregate, prohibit or otherwise interfere with the ability of the Purchaser or GYBL to enter into and perform its obligations under this Agreement or any other Transaction Document to which the Purchaser or GYBL is a party in any material respect. Neither the Purchaser nor GYBL is required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement or any other Transaction Document to which the Purchaser is a party or to purchase the Shares in accordance with the terms hereof; *provided, however*, that for purposes of the representation made in this sentence, each of the Purchaser and GYBL is assuming and relying upon the accuracy of the representations, warranties and agreements of the Company herein.

(d) Accredited Investor. Each of the Purchaser and GYBL is an institutional "accredited investor" as defined in Regulation D promulgated under the Securities Act.

(e) Financial Risks. Each of the Purchaser and GYBL acknowledges that it is able to bear the financial risks associated with an investment in the Shares. Each of the Purchaser and GYBL is capable of evaluating the risks and merits of an investment in the Shares by virtue of its experience as an investor and its knowledge, experience, and sophistication in financial and business matters, and each of the Purchaser and GYBL is capable of bearing the entire loss of its investment in the Shares.

(f) Information. The Purchaser and GYBL and their respective advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Shares which have been requested by the Purchaser or GYBL. The Purchaser and GYBL and their respective advisors, if any, have been afforded the opportunity to ask questions of the Company. The Purchaser and GYBL have sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Shares. The Purchaser and GYBL understand that they (and not the Company) shall be responsible for their own respective tax liabilities that may arise as a result of this investment or the transactions contemplated by this Agreement and the other Transaction Documents to which the Purchaser or GYBL is a party.

(g) No-Broker Dealer. Purchaser represents, warrants and agrees that it is buying the Shares for investment purposes and not for distribution. It is not registered as a broker-dealer with the Commission and is not required to be registered as a broker-dealer by virtue of the trader exception to the definition of dealer under the Exchange Act.

ARTICLE IV COVENANTS

The Company covenants with the Purchaser and GYBL, and the Purchaser and GYBL jointly and severally covenant with the Company, as follows, which covenants of one party are for the benefit of the other party.

Section 4.01 Securities Compliance. The Company shall notify the Commission and the Principal Market, if required, in accordance with their rules and regulations, of the transactions contemplated by this Agreement and each other Transaction Document, and shall take all other necessary action and proceedings as may be required and permitted by applicable law, rule and regulation, for the legal and valid issuance of the Shares to the Purchaser pursuant to this Agreement. The Company shall take such action, if any, as is reasonably necessary in order to obtain an exemption for or to qualify any subsequent resale of the Shares by the Purchaser, in each case, under applicable securities or “Blue Sky” laws of the states of the United States of America in such states as is reasonably requested by the Purchaser from time to time, and shall provide evidence of any such action so taken to the Purchaser.

Section 4.02 Registration and Listing. During the Investment Period, the Company will take all action necessary to cause the Shares to be registered under Sections 12(b) or 12(g) of the Exchange Act, will comply in all material respects with its reporting and filing obligations under the Exchange Act and take all action necessary to maintain compliance with such reporting and filing obligations, and will not take any action or file any document (whether or not permitted by the Securities Act) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under the Exchange Act or Securities Act, except as permitted herein. During the Investment Period, the Company will take all action necessary to effect the listing or trading of the ADSs representing the Shares purchased by Purchaser hereunder on the Principal Market or any relevant market or system, if applicable, and will comply in all material respects with the Company’s reporting, filing and other obligations under the bylaws or rules of the Principal Market or any relevant market or system.

Section 4.03 Registration Rights Agreement. The Company, the Purchaser and GYBL shall enter into the Registration Rights Agreement with respect to the Shares, dated the Effective Date, in the form of Exhibit A attached hereto.

Section 4.04 Compliance with Laws.

(a) The Company shall comply with applicable provisions of the Securities Act and the Exchange Act and the rules and regulations of the Principal Market (including, without limitation, Rule 415(a)(4) under the Securities Act) in all material respects.

(b) During the Investment Period, the Purchaser and GYBL shall comply in all material respects with all applicable laws, rules, regulations and orders in connection with this Agreement and each other Transaction Document and the transactions contemplated hereby and thereby. Without limiting the foregoing, during the Investment Period, the Purchaser and GYBL shall comply with the requirements of the Securities Act and the Exchange Act including, without limitation, Rule 415(a)(4) under the Securities Act and Rule 10b-5 and Regulation M under the Exchange Act, where applicable.

Section 4.05 Keeping of Records and Books of Account. The Company shall keep adequate records and books of account, in which complete entries will be made in accordance with GAAP consistently applied, reflecting all financial transactions of the Company, and in which, for each fiscal year, all proper reserves for depreciation, depletion, obsolescence, amortization, taxes, bad debts and other purposes in connection with its business shall be made.

Section 4.06 Limitations on Holdings and Issuances. Notwithstanding anything in this Agreement, at no time while the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act may the Company issue, and at no time shall the Purchaser be obligated to purchase, any Shares which would result in the Purchaser beneficially owning, directly or indirectly, at the time of such proposed issuance, more than 9.99% of the number of Ordinary Shares issued and outstanding as of the date of such proposed issuance; *provided, however*, that upon the Purchaser providing the Company with sixty-one (61) days' notice (pursuant to Section 9.04 hereof) (the "Waiver Notice") that the Purchaser would like to waive this Section 4.06 with regard to any or all Shares issuable pursuant to this Agreement, this Section 4.06 will be of no force or effect with regard to all or a portion of the Shares referenced in the Waiver Notice until the date that the Purchaser notifies the Company (pursuant to Section 9.04 hereof) that the Purchaser revokes the Waiver Notice; *provided, further*, that during the sixty-one (61) day period prior to the expiration of the Investment Period, the Purchaser may waive this Section 4.06 by providing a Waiver Notice at any time during such sixty-one (61) day period.

Section 4.07 Registration Statement. The Company shall cause the Registration Statement to be filed and seek that it be declared effective pursuant to the Registration Rights Agreement. The Purchaser shall not be obligated to accept a Draw Down request from the Company unless the Registration Statement is then effective and the Prospectus included in the Registration Statement is then current and in compliance with all applicable rules of the Commission and the Principal Market.

Section 4.08 Other Agreements and Other Financings. The Company shall not enter into any agreement in which the terms of such agreement would restrict or impair the right to perform of the Company or any Subsidiary under this Agreement or any other Transaction Document. The Company shall not enter into any agreement, the principal purpose of which is to secure an "equity line" similar to the financing provided for under this Agreement during the Investment Period.

Section 4.09 Stop Orders. During the Investment Period, the Company shall use its commercially reasonable efforts to maintain the continuous effectiveness of the Registration Statement under the Securities Act. The Company will advise the Purchaser and GYBL promptly and, if requested by the Purchaser or GYBL, will confirm such advice in writing: (i) of the Company's receipt of notice of any request by the Commission for amendment of or a supplement to the Registration Statement, any related prospectus or for additional information; (ii) of the Company's receipt of notice of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of the suspension of qualification of the Shares for offering or sale in any jurisdiction or the initiation of any proceeding for such purpose; and (iii) of the Company becoming aware of the happening of any event, which makes any statement of a material fact made in the Registration Statement (as then amended or supplemented) untrue or which requires the making of any additions to or changes in the Registration Statement (as then amended or supplemented) in order to state a material fact required by the Securities Act to be stated therein or necessary in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, the Company will make commercially reasonable efforts to obtain the withdrawal of such order at the earliest possible time.

Section 4.10 Selling Restrictions; Volume Limitations.

(a) The Purchaser covenants that during the Investment Period neither the Purchaser, GYBL nor any of their respective Affiliates nor any entity managed by the Purchaser or GYBL will, directly or indirectly, sell any securities of the Company except the Ordinary Shares that it owns or has the right to purchase pursuant to the provisions of a Draw Down Notice. During the Investment Period, neither the Purchaser, GYBL nor any of their respective Affiliates nor any entity managed by the Purchaser or GYBL will, directly or indirectly, effect or agree to effect any short sale (as defined in Rule 200 under Regulation SHO of the Exchange Act) of the Ordinary Shares or ADSs, whether or not against the box, establish any “put equivalent position” (as defined in Rule 16a-1(h) under the Exchange Act) with respect to the Ordinary Shares or ADSs, borrow or pre-borrow any Ordinary Shares or ADSs, or grant any other right (including, without limitation, any put or call option) with respect to the Ordinary Shares or ADSs, or do any of the foregoing with respect to any security that includes, relates to, or derives any significant part of its value from the Ordinary Shares or ADSs or otherwise seek to hedge its position in the Ordinary Shares or ADSs. In addition, during the Investment Period and on a daily Trading Day basis, the Purchaser agrees to restrict the volume of sales of Shares by the Purchaser, its Affiliates and any entity managed by the Purchaser to no more than 1/20th of the Shares purchased pursuant to any Draw Down Notice.

(b) During the Investment Period, in connection with any sale of the Company’s securities, the Purchaser and GYBL shall comply in all material respects with all applicable laws, rules, regulations and orders, including, without limitation, the requirements of the Securities Act and the Exchange Act, including, without limitation, Rule 415(a)(4) under the Securities Act and Regulation M and Rule 10b-5 under the Exchange Act, where applicable.

Section 4.11 Non-Public Information. From the Investment Period and until the later of (i) the term of the Agreement and (ii) such time as Purchaser or GYBL no longer hold any Shares, none of the Company, nor any of its directors, officers or agents shall disclose any material non-public information about the Company to the Purchaser or GYBL.

Section 4.12 Commitment Fee. The Company shall tender to GYBL, as a commitment fee, an amount equal to 0.5% of the Aggregate Limit (the “Commitment Fee”), deliverable as set forth below. The Commitment Fee due upon each Draw Down may be paid in cash from the proceeds of such Draw Down or in Class A Ordinary Shares of the Company valued at the Daily Closing Price at the time of such Draw Down, at the option of the Company. The amount of the Commitment Fee due in each such installment shall be the product obtained by multiplying (i) the total amount of the Commitment Fee by (ii) the quotient derived by dividing (y) the value of Shares purchased pursuant to the applicable Draw Down by (z) the Aggregate Limit.

Section 4.13 DWAC Eligibility. The Company shall use its reasonable best efforts to cause the ADSs representing the Shares and its transfer agent to be, at the time of each Draw Down, eligible to participate in the DWAC system (“DWAC Eligible”).

Section 4.14 Reservation of Shares. The Company will have available, and shall reserve and keep available at all times, free of preemptive and other similar rights of stockholders, the requisite aggregate number of authorized but unissued Ordinary Shares to enable the Company to timely effect the issuance, sale and delivery in full to the Purchaser of all the Shares to be issued and delivered under this Agreement, in any case prior to the issuance to the Purchaser of such Ordinary Shares. The number of Ordinary Shares so reserved from time to time, as theretofore increased or reduced as hereinafter provided, may be reduced by the number of Shares actually delivered pursuant to this Agreement.

Section 4.15 Amendments to the Registration Statement; Prospectus Supplements. Except as provided in this Agreement and other than periodic reports required to be filed pursuant to the Exchange Act, the Company shall not file with the Commission any amendment to the Registration Statement that relates to the Purchaser, the Transaction Documents or the transactions contemplated thereby, or file with the Commission any Prospectus Supplement that relates to the Purchaser, the Transaction Documents or the transactions contemplated thereby with respect to which (a) the Purchaser shall not previously have been advised, (b) the Company shall not have given due consideration to any comments thereon received from the Purchaser or its counsel, or (c) the Purchaser shall reasonably object after being so advised, unless it is necessary to amend the Registration Statement or make any supplement to the Prospectus to comply with the Securities Act or any other applicable law or regulation, in which case the Company shall promptly so inform the Purchaser, the Purchaser shall be provided with a reasonable opportunity to review and comment upon any disclosure relating to the Purchaser and the Company shall expeditiously furnish to the Purchaser an electronic copy thereof. In addition, for so long as, in the reasonable opinion of counsel for the Purchaser, the Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required to be delivered in connection with any sales of registrable securities by the Purchaser, the Company shall not file any Prospectus Supplement without delivering or making available a copy of such Prospectus Supplement to the Purchaser promptly. Upon receipt of an amendment to the Registration Statement or Prospectus Supplement from the Company or its counsel, the Purchaser shall promptly review such document and provide comments to the Company or its counsel regarding such document, if any, within a reasonable period of time.

ARTICLE V

Section 5.02 Conditions Precedent to the Obligation of the Company to Sell the Shares. The obligation hereunder of the Company to issue and sell the Shares to the Purchaser under any Draw Down Notice is subject to the satisfaction or waiver of each of the conditions set forth below.

These conditions are for the Company's sole benefit and may be waived by the Company at any time in its sole discretion.

(a) Accuracy of the Purchaser's and GYBL's Representations and Warranties. Except for representations and warranties that are expressly made as of a particular date, the representations and warranties of the Purchaser and GYBL in this Agreement and each other Transaction Document shall be true and correct in all material respects as of the date when made and as of each Draw Down Exercise Date and each Settlement Date as though made at that time.

There shall be no stop order suspending effectiveness of the Registration Statement.

(c) Performance by the Purchaser and GYBL. The Purchaser and GYBL shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement and each other Transaction Document to be performed, satisfied or complied with by the Purchaser and GYBL at or prior to each Draw Down Exercise Date and each Settlement Date, as applicable.

No statute, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by any court or governmental authority of competent jurisdiction which prohibits the consummation of any of the transactions contemplated by this Agreement and the other Transaction Documents.

(e) No Suspension, Etc. Trading in the ADSs shall not have been suspended by the Commission or Principal Market, and, at any time prior to each Draw Down Exercise Date and applicable Settlement Date, none of the events described in clauses (i), (ii) and (iii) of Section 4.09 hereof shall have occurred, trading in securities generally as reported on the Principal Market shall not have been suspended or limited, nor shall a banking moratorium have been declared either by U.S. federal or state authorities, nor shall there have occurred any material outbreak or escalation of hostilities or other national or international calamity or crisis of such magnitude in its effect on, or any material adverse change in, any financial market which, in each case, in the reasonable judgment of the Company, makes it impracticable or inadvisable to issue the Shares, except for those existing on the Effective Date.

(f) No Proceedings or Litigation. No action, suit or proceeding before any arbitrator or any governmental authority shall have been commenced, and no investigation by any governmental authority shall have been threatened, against the Company or any of the officers, directors or Affiliates of the Company seeking to restrain, prevent or change the transactions contemplated by this Agreement and the other Transaction Documents, or seeking damages in connection with such transactions.

Section 5.03 Conditions Precedent to the Obligation of the Purchaser to Accept a Draw Down and Purchase the Shares. The obligation hereunder of the Purchaser to accept a Draw Down and to acquire and pay for the Shares is subject to the satisfaction or waiver, at or before each Draw Down Exercise Date and each Settlement Date of each of the conditions set forth below. The conditions are for the Purchaser's sole benefit and may be waived by the Purchaser at any time in its sole discretion.

(a) Accuracy of the Company's Representations and Warranties. Except for representations and warranties that are expressly made as of a particular date, each of the representations and warranties of the Company shall be true and correct in all material respects as of the date when made and as of each Draw Down Exercise Date and as of each Settlement Date, as though made at that time.

(b) Registration Statement. The listing or trading of the ADSs on the Principal Market shall be effected and the Company shall have the necessary amount of the Shares registered pursuant to the Registration Statement. The Registration Statement shall be effective, and no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto shall have been issued under the Securities Act, no order preventing or suspending the use of the Prospectus contained in the Registration Statement shall have been issued, and no proceedings for any of those purposes shall have been instituted or be pending or, to the Company's Knowledge, contemplated.

(c) No Suspension, Etc. Trading in the ADSs shall not have been suspended by the Commission or Principal Market, and, at any time prior to such Draw Down Exercise Date, trading in securities generally as reported on the Principal Market shall not have been suspended or limited, nor shall a banking moratorium have been declared either by U.S. federal or state authorities, nor shall there have occurred any material outbreak or escalation of hostilities or other national or international calamity or crisis of such magnitude in its effect on, or any material adverse change in, any financial market which, in each case, in the reasonable judgment of the Purchaser, makes it impracticable or inadvisable to purchase the Shares, except for those existing on the Effective Date.

(d) Performance by the Company. The Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement and each other Transaction Document to be performed, satisfied or complied with by the Company at or prior to each Draw Down Exercise Date and each Settlement Date and shall have delivered the Compliance Certificate substantially in the form attached hereto as Exhibit D. Without limiting the foregoing, the Company shall have paid the applicable portion of the Commitment Fee when due pursuant to Section 4.120.

(e) No Injunction. No statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by any court or governmental authority of competent jurisdiction which prohibits the consummation of any of the transactions contemplated by this Agreement and the other Transaction Documents.

(f) No Proceedings or Litigation. No action, suit or proceeding before any arbitrator or any governmental authority shall have been commenced, and no investigation by any governmental authority shall have been commenced, against the Company or any subsidiary, or any of the officers, directors or Affiliates of the Company or any subsidiary seeking to restrain, prevent or change the transactions contemplated by this Agreement and the other Transaction Documents, or seeking damages in connection with such transactions.

(g) Aggregate Limit. The issuance and sale of the Shares issuable pursuant to such Draw Down Notice will not violate Section 6.02 hereof.

(h) Shares Authorized. The Shares issuable pursuant to such Draw Down Notice will have been duly authorized by all necessary corporate action of the Company.

ARTICLE VI DRAW DOWN TERMS

Section 6.01 Draw Down Terms. Subject to the satisfaction of the conditions set forth in this Agreement, and subject to Section 6.02 below, the Parties agree (unless otherwise mutually agreed upon by the Parties in writing) as follows:

(a) The Company may, in its sole discretion (subject to Section 6.01(k) below), issue a Draw Down Notice (as defined in Section 6.01(i) hereof) for a specified Draw Down Amount Requested. Subject to Section 6.01(h) below, the Purchaser shall pay a per-Share amount equal to 90% of the average Daily Closing Price during the Draw Down Pricing Period (the "Purchase Price"). Subject to Section 4.06 hereof, the Draw Down Amount Requested shall not exceed seven hundred percent (700%) (the "Draw Down Limit") of the average daily trading volume for the 15 Trading Days immediately preceding the Draw Down Exercise Date.

(b) Prior to commencement of the Draw Down Pricing Period, the Company shall deliver the Shares to be purchased in such Draw Down to the Purchaser. If Shares delivered to the Purchaser prior to commencement of the Draw Down Pricing Period are delivered in certificated form and not DWAC Eligible, then the Draw Down Pricing Period shall not begin until the Shares or ADSs representing the Shares are cleared by an appointed clearing agent.

(c) Only one Draw Down shall be allowed in each Draw Down Pricing Period, save and except for such Draw Down Notice issued by the Company pursuant to Sections 6.01(k) and 6.01(l).

(d) Each Draw Down shall be settled on the first Trading Day after the end of each Draw Down Pricing Period (the "Settlement Date").

(e) In connection with each Draw Down, the Purchaser shall have the option, in its sole discretion, to purchase Shares with a Draw Down Amount equal to between 100% and 200% of the Draw Down Amount Requested, such option to be exercised by written notice to the Company two (2) Business Days prior to the Settlement Date. For the avoidance of doubt and as provided in Section 6.02, the Purchaser shall not be required to subscribe for Shares that exceed the Aggregate Limit.

(f) At the end of each Draw Down Pricing Period, the Purchaser's total Draw Down commitment under this Agreement shall be reduced by the total Draw Down Amount for such Draw Down Pricing Period.

(g) Each Draw Down will automatically expire immediately after the last Trading Day of each Draw Down Pricing Period.

(h) Each Draw Down Notice shall set forth the Threshold Price set by the Company for such Draw Down. If the Daily Closing Price on a given Trading Day in the Draw Down Pricing Period, multiplied by 9/10, is less than the Threshold Price, then the total Draw Down Amount Requested will be reduced by 1/20th, and, unless otherwise agreed by the Parties, no Shares will be purchased or sold with respect to such Trading Day and the Daily Closing Price on such Trading Day shall be excluded from the calculation of the Purchase Price.

(i) As a condition to the exercise of any Draw Down, the Company must (i) provide a notice to the Purchaser of the Company's exercise of any Draw Down via email before commencement of trading on the first Trading Day of the Draw Down Pricing Period covered by such notice (the "Draw Down Notice"), substantially in the form attached hereto as Exhibit E, and (ii) pursuant to Section 6.01(b), deliver the Shares to the Purchaser in an amount equal to the Draw Down Amount Requested (which amount shall be adjusted in the event that the amount accepted by the Purchaser pursuant to Section 6.01(a) hereof is different than the Draw Down Amount Requested). The date the Company delivers the Draw Down Notice and the Shares in accordance with this Section 6.01(i) shall be a "Draw Down Exercise Date." The Draw Down Notice shall specify the Draw Down Amount Requested, set the Threshold Price for such Draw Down and designate the first Trading Day of the Draw Down Pricing Period that the Company wishes to grant to the Purchaser during the Draw Down Pricing Period.

(j) On each Settlement Date, the Purchaser shall (i) provide the Company a closing notice in the form of Exhibit F attached hereto; (ii) make payment for the Shares acquired pursuant to this Agreement to the Company's designated account by wire transfer of immediately available funds, *provided that* the Shares were received by the Purchaser in accordance with Section 6.01(b) hereof; and (iii) return to the Company any Shares delivered to the Purchaser in connection with the applicable Draw Down Notice pursuant to Section 6.01(b) that have not been purchased by Purchaser pursuant to the terms hereof, it being understood that Purchaser shall have the ability to sell any purchased Shares at any time following their deposit pursuant to Section 6.01(b).

(k) In addition to any Draw Down Notice the Company has discretion to issue pursuant to Section 6.01(a), the Purchaser and the Company agree that the Company may issue Draw Down Notices reflecting the minimum amounts to be settled on the dates provided in the table in Appendix I hereto. If so issued, then such Draw Down Notices shall be issued sufficiently in advance of the anticipated settlement dates to enable the calculation of the Purchase Price in accordance with Section 6.01(a). Notwithstanding any contrary provisions or restrictions under this Section 6.01(h), the Purchaser unconditionally and irrevocably agrees to pay the Draw Down Amount in each such Draw Down Notice. For the avoidance of doubt, the Draw Down Amount Requested in each Draw Down Notice made pursuant to this Section 6.01(k) (the "**Appendix I Minimum Draw Down Amount**") shall not be subject to the Draw Down Limit set out in Section 6.01(a) above, nor shall such Draw Down Notice include a Threshold Price as contemplated by Section 6.01(h). Prior to commencement of the Draw Down Pricing Period in respect of a Draw Down Notice issued pursuant to this Section 6.01(k), the Company shall deliver a number of Shares to the Purchaser equal to the Draw Down Amount, divided by 90% of the Daily Closing Price on the Trading Day before the date of such Draw Down Notice (the "Minimum Draw Down Shares"). On the Settlement Date, (x) if the Purchase Price times the Minimum Draw Down Shares is lower than the Appendix I Minimum Draw Down Amount, then the Purchaser shall pay the Appendix I Minimum Draw Down Amount on the Settlement Date, and the Company shall deliver an additional number of Shares that, together with the Minimum Draw Down Shares, shall equal the Appendix I Minimum Draw Down Amount divided by the Purchase Price, or (y) if the Purchase Price times the Minimum Draw Down Shares exceeds the Appendix I Minimum Draw Down Amount, then the Purchaser shall follow the mechanism set out in Section 6.01(e) (i.e. to purchase Shares with a Draw Down Amount equal to between 100% to 200% of the Appendix I Minimum Draw Down Amount) to purchase the Shares from the Company and pay the relevant consideration to the Company in accordance with Section 6.01(j).

(l) In addition to any Draw Down Notice the Company has discretion to issue pursuant to Section 6.01(a) and any Draw Down Notice the Company has discretion to issue pursuant to Section 6.01(k), the Company agrees to issue Draw Down Notices reflecting the minimum amounts to be settled on the dates provided in the table in Appendix II hereto. If so issued, then such Draw Down Notices shall be issued sufficiently in advance of the anticipated settlement dates to enable the calculation of the Purchase Price in accordance with Section 6.01(a). The Purchaser agrees to pay the Draw Down Amount Requested in each such Draw Down Notice, subject to the provisions of this Section 6.01, including the Draw Down Limit set out in Section 6.01(a) above and any Threshold Price specified in such Draw Down Notice pursuant to Section 6.01(h) above.

Section 6.02 Aggregate Limit. Notwithstanding anything to the contrary herein, in no event may the Company issue a Draw Down Notice to the extent that the sale of Shares pursuant thereto and pursuant to all prior Draw Down Notices issued pursuant to Section 6.01 would cause the Company to sell or the Purchaser to purchase an aggregate number of Shares exceeding the Aggregate Limit. If the Company issues a Draw Down Notice that otherwise would permit the Purchaser to purchase a number of Shares which would cause the aggregate purchases by Purchaser hereunder to exceed the Aggregate Limit, such Draw Down Notice shall be void *ab initio* to the extent by which number of Shares issuable pursuant to such Draw Down Notice, together with the number of Shares purchased by the Purchaser pursuant hereto, would exceed the Aggregate Limit.

ARTICLE VII TERMINATION

Section 7.01 Term, Termination by Mutual Consent. Unless earlier terminated as provided hereunder, this Agreement shall terminate automatically on the earlier of (i) seventy-two (72) consecutive months from the Effective Date (the "Investment Period"); and (ii) the date the Purchaser shall have purchased the Aggregate Limit. This Agreement may be terminated immediately at any time by mutual written consent of the Parties, effective as of the date of such mutual written consent unless otherwise provided in such written consent; *provided, however*, that this Agreement shall not terminate until the Company has delivered to the Purchaser the number of Shares required to be delivered hereunder in accordance with the terms hereof and the Purchaser has settled the consideration with regards to all previous Draw Downs, if any.

Section 7.02 Effect of Termination. In the event of termination by the Company or the Purchaser, the transactions contemplated by this Agreement shall be terminated without further action by either party, it being understood that the Registration Rights Agreement shall not terminate and shall continue to survive in accordance with its terms. If this Agreement is terminated as provided in Section 7.01 herein, this Agreement shall become void and of no further force and effect, except as provided in Section 9.09 hereof.

ARTICLE VIII
INDEMNIFICATION

Section 8.01 General Indemnity.

(a) Indemnification by the Company. The Company will indemnify and hold harmless the Purchaser and each Person who controls the Purchaser within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against any losses, claims, damages, liabilities and expenses (including reasonable costs of defense and investigation and all attorneys' fees) to which the Purchaser and each such controlling Person may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) (collectively, "Losses," and each, a "Loss") arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained, or incorporated by reference, in the Registration Statement relating to the Shares being sold to the Purchaser (including any prospectus relating thereto), or any amendment or supplement to it, (ii) the omission or alleged omission to state in the Registration Statement or any document incorporated by reference in the Registration Statement, a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iii) breach of representation, warranty or covenant of the Company contained in this Agreement or any other Transaction Document, including a failure to deliver the Shares to the Purchaser by the deadline set forth herein, whether or not such Losses are a result of a claim by a third party. Pursuant to Section 8.02 hereof, the Company will reimburse the Purchaser and each such controlling Person promptly upon demand for any legal or other costs or expenses reasonably incurred by the Purchaser or such controlling Person in investigating, defending against, or preparing to defend against any such Loss.

(b) Indemnification by the Purchaser. The Purchaser will indemnify and hold harmless the Company, each of its directors and officers, and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against any Losses that arise out of or are based upon (i) an untrue statement, alleged untrue statement, omission or alleged omission, included in the Registration Statement in reliance upon, and in conformity with, written information furnished by the Purchaser to the Company for inclusion in the Registration Statement, or (ii) the omission or alleged omission to state in the Registration Statement a material fact required to be stated therein or necessary to make the statements therein not misleading, to the extent, but only to the extent, the untrue statement, alleged untrue statement, omission or alleged omission was made in reliance upon, and in conformity with, written information furnished by the Purchaser to the Company for inclusion in the Registration Statement, or (iii) breach of representation, warranty or covenant of the Purchaser or GYBL contained in this Agreement or any other Transaction Document, including a failure to make payment for the Shares acquired to the Company by the deadline set forth herein, whether or not such Losses are as a result of a claim by a third party. Pursuant to Section 8.02 hereof, the Purchaser will reimburse the Company and each such director, officer or controlling Person promptly upon demand for any legal or other costs or expenses reasonably incurred by the Company or the other Person in investigating, defending against, or preparing to defend against any such Loss.

Section 8.02 Indemnification Procedures. Promptly after a Person receives notice of a claim or the commencement of an action for which the Person intends to seek indemnification under Section 8.01, the Person will notify the indemnifying party in writing of the claim or commencement of the action, suit or proceeding; *provided, however*, that failure to notify the indemnifying party will not relieve the indemnifying party from liability under Section 8.01, except to the extent it has been materially prejudiced by the failure to give notice. The indemnifying party will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the indemnifying party acknowledges in writing the obligation to indemnify the party against whom the claim or action is brought, the indemnifying party may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel satisfactory to it. After an indemnifying party notifies an indemnified party that the indemnifying party wishes to assume the defense of a claim, action, suit or proceeding, the indemnifying party will not be liable for any legal or other expenses incurred by the indemnified party in connection with the defense against the claim, action, suit or proceeding except that if, in the opinion of counsel to the indemnifying party, one or more of the indemnified parties should be separately represented in connection with a claim, action, suit or proceeding, the indemnifying party will pay the reasonable fees and expenses of one separate counsel for the indemnified parties. Each indemnified party, as a condition to receiving indemnification as provided in Section 8.01, will cooperate in all reasonable respects with the indemnifying party in the defense of any action or claim as to which indemnification is sought. No indemnifying party will be liable for any settlement of any action effected without its prior written consent. No indemnifying party will, without the prior written consent of the indemnified party, effect any settlement of a pending or threatened action with respect to which an indemnified party is, or is informed that it may be, made a party, and for which it would be entitled to indemnification, unless the settlement includes an unconditional release of the indemnified party from all liability and claims which are the subject matter of the pending or threatened action. If for any reason the indemnification provided for in this Agreement is not available to, or is not sufficient to hold harmless, an indemnified party in respect of any loss or liability referred to in Section 8.01 as to which it is entitled to indemnification thereunder, each indemnifying party will, in lieu of indemnifying the indemnified party, contribute to the amount paid or payable by the indemnified party as a result of such loss or liability, (i) in the proportion which is appropriate to reflect the relative benefits received by the indemnifying party on the one hand and by the indemnified party on the other from the sale of the Shares which is the subject of the claim, action, suit or proceeding which resulted in the loss or liability or (ii) if that allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits of the sale of such Shares, but also the relative fault of the indemnifying party and the indemnified party with respect to the statements or omissions which are the subject of the claim, action, suit or proceeding that resulted in the loss or liability, as well as any other relevant equitable considerations.

ARTICLE IX MISCELLANEOUS

Section 9.01 Fees and Expenses. Each party shall bear its own fees and expenses related to the transactions contemplated by this Agreement and the other Transaction Documents; provided, however, that the Company shall pay, within five (5) business days from the Effective Date, all reasonable and documented attorneys' fees and expenses incurred by the Purchaser up to \$50,000 (less amounts paid by the Company to the Purchaser's counsel prior to the date hereof in respect of this Agreement) in connection with the preparation, negotiation, execution and delivery of this Agreement and the other Transaction Documents. The Company shall pay all stamp or other similar taxes and duties levied in connection with issuance of the Shares pursuant hereto.

Section 9.02 Specific Enforcement, Consent to Jurisdiction.

(a) The Company and the Purchaser acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement or any other Transaction Document were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that either party shall be entitled to an injunction or injunctions from any court of competent jurisdiction or arbitral authority to prevent or cure breaches of the provisions of this Agreement or any other Transaction Document by the other party and to enforce specifically the terms and provisions hereof; such right is in addition to any other remedy to which either party may be entitled by law or equity, without the necessity of posting a bond or other security or the burden of proving actual damages.

(b) All disputes, controversies or claims between the Parties arising out of or in connection with this agreement (including its existence, validity or termination) which cannot be amicably resolved shall be finally resolved and settled under the Rules of Arbitration of the American Arbitration Association and its affiliate, the International Center for Dispute Resolution, in New York City. The arbitration tribunal shall be composed of one arbitrator. The arbitration will take place in New York City, New York, and shall be conducted in the English language. The arbitration award shall be final and binding on the Parties.

Section 9.03 Entire Agreement; Amendment. This Agreement and the other Transaction Documents represent the entire agreement of the Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by either party relative to the subject matter hereof not expressly set forth herein. No provision of this Agreement may be amended other than by a written instrument signed by the Parties.

Section 9.05 Waivers. No waiver by either party of any default with respect to any provision, condition or requirement of this Agreement or any other Transaction Document shall be deemed to be a continuing waiver in the future or a waiver of any other provisions, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right accruing to it thereafter. No provision of this Agreement or any other Transaction Document may be waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought.

Section 9.06 Headings. The article, section and subsection headings in this Agreement are for convenience only and shall not constitute a part of this Agreement for any other purpose and shall not be deemed to limit or affect any of the provisions hereof.

Section 9.07 Successors and Assigns. Neither party may assign this Agreement or any other Transaction Document to any Person without the prior consent of the other party; *provided that* without the consent of the other, (i) the Company may assign its rights and obligations under this Agreement and other Transaction Documents to the Successor Company; (ii) the Purchaser may assign its rights and obligations under this Agreement or any other Transaction Document to an Affiliate of the Purchaser. Notwithstanding the foregoing, in the event of any transaction (including by way of merger, consolidation or otherwise), including the formation of any successor or other similar entity by the Company or a subsidiary, parent, or Affiliate thereof to facilitate this Agreement and each other Transaction Document shall be automatically assigned to the Successor Company, and the Parties agree that the terms of this Agreement and such other Transaction Document shall be construed to give effect to such assignment, including, without limitation, that: (x) the term "Company" shall be construed as "Successor Company"; and (y) the term "Shares" shall be construed as the common shares of the Successor Company. This Agreement shall be binding upon and inure to the benefit of the Parties and their successors and assigns.

Section 9.08 Governing Law; Waiver of Jury Trial.

(a) This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York, without giving effect to the choice of law provisions except Section 5-1401 of the New York General Obligations Law.

(b) EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.

Section 9.09 Survival. The representations and warranties of the Company and the Purchaser contained in ARTICLE III and the covenants contained in ARTICLE IV shall survive the execution and delivery hereof until the termination of this Agreement, and the agreements and covenants set forth in ARTICLE VIII of this Agreement shall survive the execution and delivery hereof. The provisions of ARTICLE VIII (Indemnification) shall remain in full force and effect indefinitely notwithstanding any termination of this Agreement or other Transaction Document.

Section 9.10 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and shall become effective when counterparts have been signed by each party and delivered to the other Parties hereto, it being understood that all Parties need not sign the same counterpart.

Section 9.11 Publicity. Without the prior written consent of all Parties hereto, which shall not unreasonably be withheld, delayed or conditioned, none of the Parties hereto as well as their respective Affiliates may issue a press release or otherwise make a public statement or announcement with respect to this Agreement and the other Transaction Documents or the transactions contemplated hereby or thereby or the existence of this Agreement or any other Transaction Document (including, without limitation, by filing a copy thereof with the Commission). In the event that the Company is required by applicable law, rules or regulations (including Principal Market rules or regulations) to issue a press release or otherwise make a public statement or announcement with respect to any of such matters, the Company shall use its commercially reasonable efforts to consult with the Purchaser on the form and substance of such press release or other disclosure.

Section 9.12 Severability. The provisions of this Agreement are severable and, in the event that any court of competent jurisdiction shall determine that any one or more of the provisions or part of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision or part of a provision of this Agreement, and this Agreement shall be reformed and construed as if such invalid or illegal or unenforceable provision, or part of such provision, had never been contained herein, so that such provisions would be valid, legal and enforceable to the maximum extent possible.

Section 9.13 Further Assurances. From and after the date of this Agreement, upon the request of the Purchaser or the Company, each of the Company, the Purchaser and GYBL shall execute and deliver such instrument, documents and other writings as may be reasonably necessary or desirable to confirm and carry out and to effectuate fully the intent and purposes of this Agreement and each other Transaction Document. Each party hereby expressly agrees that, in the event that any action or determination of the Commission or other regulatory or governmental authority, or the refusal or failure of any other governmental approval, would or does prohibit or otherwise materially interfere with the ability of the Parties to effect the transactions contemplated by this Agreement in the manner contemplated by and described in it, each such party shall use its good-faith best efforts to resolve and cure such condition, including, without limitation, by amending this Agreement to the extent necessary therefor.

(g) “Register,” “registered,” and “registration” refer to a registration effected by preparing and filing one or more registration statements of the Company in compliance with the Securities Act and pursuant to Rule 415 under the Securities Act or any successor rule providing for offering securities on a continuous basis (“Rule 415”), and the declaration or ordering of effectiveness of such registration statement(s) by the United States Securities and Exchange Commission (the “Commission”).

(h) “Registrable Securities” mean all of (i) the Shares which have been, or which may from time to time be, issued or issuable to the Investor pursuant to the Purchase Agreement; and (ii) any securities issued or issuable upon any share split, dividend or other distribution, recapitalization or similar event with respect to the foregoing; *provided* that the Shares shall cease to be Registrable Securities upon a sale pursuant to a Registration Statement or Rule 144 under the Securities Act.

(i) “Registration Statement” means a registration statement or registration statements of the Company filed under the Securities Act covering the resale by the Investor of Registrable Securities, as such registration statement or registration statements may be amended and supplemented from time to time (including pursuant to Rule 462(b) under the Securities Act), including all documents filed as part thereof or incorporated by reference therein.

(j) “Rule 144” means Rule 144 promulgated by the Commission under the Securities Act, as such rule may be amended from time to time, or any other similar or successor rule or regulation of the Commission that may at any time permit the Investor to sell securities of the Company to the public without registration.

(k) “Rule 415” means Rule 415 promulgated by the Commission under the Securities Act, as such rule may be amended from time to time, or any other similar or successor rule or regulation of the Commission providing for offering securities on a delayed or continuous basis.

2. Registration.

(a) **Mandatory Registration.** The Company shall prepare and, as soon as practicable, but in no event later than the Filing Deadline, file with the Commission an initial Registration Statement on Form S-1, F-1, S-3 or F-3, or such other form or forms as may be reasonably acceptable to the Investor, covering the resale by the Investor of Registrable Securities. The Registration Statement shall register with the Commission for resale all of the Registrable Securities. The Investor and Legal Counsel shall have a reasonable opportunity to review and comment upon the information relating to the Investor and its Affiliates included in such Registration Statement or amendment to such Registration Statement and any related prospectus prior to its filing with the Commission. The Investor shall furnish all information reasonably requested by the Company for inclusion therein. The Company shall use its reasonable best efforts to have the Registration Statement or amendment declared effective by the Commission as soon as practicable. Subject to Allowable Grace Periods (as defined herein below), the Company shall use reasonable best efforts to keep the Registration Statement effective pursuant to Rule 415 promulgated under the Securities Act and available to permit the sales of all of the Registrable Securities issued to the Investor at the time until the date as of which the Investor no longer owns any Registrable Securities (the "Registration Period"). The Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading.

(b) **Rule 424 Prospectus.** The Company shall, as required by applicable securities regulations, file with the Commission, pursuant to Rule 424 promulgated under the Securities Act, the prospectus, amendments and prospectus supplements, if any, to be used in connection with offers and sales of the Registrable Securities under the Registration Statement. The Investor and Legal Counsel shall have a reasonable opportunity to review and comment upon such prospectus prior to its filing with the Commission. The Investor shall use its reasonable best efforts to comment upon such prospectus within two Trading Days from the date the Investor receives the proposed final version of such prospectus.

(c) **Sufficient Number of Shares Registered.** In the event the number of shares available under the Registration Statement is insufficient to cover all of the Registrable Securities, the Company shall file one or more additional Registration Statements (each a "New Registration Statement"), so as to cover all of such Registrable Securities as soon as practicable, but in any case not later than twenty (20) Trading Days after the necessity therefor arises. The Company shall use its reasonable best efforts to cause each such New Registration Statement to become effective as soon as practicable following the filing thereof.

(d) **Piggyback Registrations.** Without limiting any of the Company's obligations hereunder or under the Purchase Agreement, if there is not an effective Registration Statement covering all of the Registrable Securities and the Company shall determine to prepare and file with the Commission a registration statement relating to an offering for its own account or the account of others under the Securities Act of any of its equity securities (other than on Form S-8 (as promulgated under the Securities Act) or its equivalent relating to equity securities to be issued solely in connection with equity securities issuable in connection with the Company's option or other employee benefit plans), then the Company shall deliver to the Investor a written notice of such determination and, if within five days after the date of the delivery of such notice, the Investor shall so request in writing, the Company shall include in such registration statement all or any part of such Registrable Securities the offer and sale of which the Investor requests to be registered.

(e) Offering. If the staff of the Commission (the “Staff”) or the Commission seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities that does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices) (or as otherwise may be acceptable to the Investor), or if after the filing of the initial Registration Statement with the Commission pursuant to Section 2(a), the Company is otherwise required by the Staff or the Commission to reduce the number of Registrable Securities included in such initial Registration Statement, then the Company shall reduce the number of Registrable Securities to be included in such initial Registration Statement (with the prior consent of the Investor and Legal Counsel as to the specific Registrable Securities to be removed therefrom, which consent shall not be unreasonably withheld, delayed, denied, or conditioned) until such time as the Staff and the Commission shall so permit such Registration Statement to become effective and be used as aforesaid. Notwithstanding anything in this Agreement to the contrary, if after giving effect to the actions referred to in the immediately preceding sentence, the Staff or the Commission does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices) (or as otherwise may be acceptable to the Investor), the Company shall not request acceleration of the Effective Date of such Registration Statement and, in its sole and absolute discretion, may take such steps as may be required for such Registration Statement to become effective pursuant to Section 8 of the Securities Act. If not, the Company shall promptly (but in no event later than 48 hours) request the withdrawal of such Registration Statement pursuant to Rule 477 under the Securities Act. In the event of any reduction in Registrable Securities pursuant to this paragraph, the Company shall file additional Registration Statements in accordance with Section 2(c) until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the prospectus contained therein is available for use by the Investor.

3. Related Obligations. With respect to the Registration Statement and whenever any Registrable Securities are to be registered pursuant to Section 2 including on any New Registration Statement, the Company shall use its reasonable best efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, pursuant thereto, the Company shall have the following obligations:

(a) The Company shall prepare and file with the Commission such amendments (including post-effective amendments) and supplements to any registration statement and any prospectus and prospectus supplement used in connection with such registration statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep the Registration Statement or any New Registration Statement effective at all times during the Registration Period, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company covered by the Registration Statement or any New Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such registration statement.

(b) The Company shall permit the Investor to review and comment upon the Registration Statement or any New Registration Statement and all amendments and supplements thereto at least two Trading Days prior to their filing with the Commission, and not file any document in a form to which Investor reasonably objects. The Investor shall use its reasonable best efforts to comment upon the Registration Statement or any New Registration Statement and any amendments or supplements thereto within two (2) Trading Days from the date the Investor receives the final version thereof. The Company shall furnish to the Investor, without charge, any correspondence from the Commission or the staff of the Commission to the Company or its representatives relating to the Registration Statement or any New Registration Statement.

(c) Upon request of the Investor, the Company shall furnish to the Investor, (i) promptly after the same is prepared and filed with the Commission, at least one copy of such registration statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits; (ii) upon the effectiveness of any registration statement, a copy of the prospectus included in such registration statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request); and (iii) such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Investor. For the avoidance of doubt, any filing available to the Investor via the Commission's live EDGAR system shall be deemed "furnished to the Investor" hereunder.

(d) The Company shall use reasonable best efforts to (i) register and qualify the Registrable Securities covered by a registration statement under such other securities or "blue sky" laws of such jurisdictions in the United States as the Investor reasonably requests; (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period; (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period; and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify the Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or "blue sky" laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

(e) As promptly as practicable after becoming aware of such event or facts, the Company shall notify the Investor in writing of the happening of any event or existence of such facts as a result of which the prospectus included in any registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly prepare a supplement or amendment to such registration statement to correct such untrue statement or omission, and deliver a copy of such supplement or amendment to the Investor (or such other number of copies as the Investor may reasonably request). The Company shall also promptly notify the Investor in writing (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when a registration statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to the Investor by email on the same day of such effectiveness); (ii) of any request by the Commission for amendments or supplements to any registration statement or related prospectus or related information; and (iii) of the Company's reasonable determination that a post-effective amendment to a registration statement would be appropriate.

(f) The Company shall use its reasonable best efforts to prevent the issuance of any stop order or other suspension of effectiveness of any registration statement, or the suspension of the qualification of any Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

(g) The Company shall (i) cause ADSs representing the Registrable Securities to be listed on the Principal Market; or (ii) secure designation and quotation of ADSs representing the Registrable Securities on the Principal Market. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section.

(h) Upon the Investor's written request, the Company shall cooperate with the Investor to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legend) representing the Registrable Securities to be offered pursuant to any registration statement and enable such certificates to be in such denominations or amounts as the Investor may reasonably request and registered in such names as the Investor may request.

(i) The Company shall at all times maintain the services of a registrar with respect to its Ordinary Shares and a depository bank with respect to its ADSs representing its Ordinary Shares.

(j) If reasonably requested by the Investor, the Company shall (i) immediately incorporate in a prospectus supplement or post-effective amendment such information as the Investor reasonably believes should be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as practicable after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any registration statement.

(k) Within three Trading Days after any registration statement which includes the Registrable Securities is declared effective by the Commission, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investor) confirmation that such registration statement has been declared effective by the Commission in the form attached hereto as Exhibit A. Thereafter, if requested by the Purchaser at any time, the Company shall require its counsel to deliver to the Purchaser a written confirmation whether or not the effectiveness of such registration statement has lapsed at any time for any reason (including, without limitation, the issuance of a stop order) and whether or not the registration statement is current and available to the Purchaser for sale of all of the Registrable Securities.

(l) Notwithstanding anything to the contrary herein (but subject to the last sentence of this Section 3(l)), at any time after the Effective Date of a particular Registration Statement, the Company may delay the disclosure of material, non-public information concerning the Company or any of its Subsidiaries the disclosure of which at the time is not, in the good-faith opinion of the board of directors of the Company, in the best interest of the Company, nor, in the opinion of counsel to the Company, otherwise required (a "Grace Period"); *provided, however*, that the Company shall promptly, but in no event later than 9:30 a.m. (New York City time) on the second Trading Day immediately prior to the commencement of any Grace Period (except for such case where it is impossible to provide such two-Trading Day advance notice, in which case the Company shall provide such notice as soon as possible), notify the Investor in writing of the (i) existence of material, non-public information giving rise to a Grace Period (provided that in each such notice the Company shall not disclose the content of such material, non-public information to the Investor) and the date on which such Grace Period will begin and (ii) date on which such Grace Period ends; *provided, further*, that (I) no Grace Period shall exceed 20 consecutive Trading Days, and during any 365-day period, all such Grace Periods shall not exceed an aggregate of 60 Trading Days; *provided, further*, that the Company shall not register any securities for the account of itself or any other shareholder during any such Grace Period, (II) the first day of any Grace Period must be at least three Trading Days (or such shorter period as may be agreed by the Parties) after the last day of any prior Grace Period and (III) no Grace Period may exist during (A) the first 10 consecutive Trading Days after the Effective Date of the particular Registration Statement or (B) the five-Trading Day period following each Settlement Date (each, an "Allowable Grace Period"). For purposes of determining the length of a Grace Period above, such Grace Period shall begin on and include the date set forth in the notice referred to in clause (i) above, provided that such notice is received by the Investor not later than 9:30 a.m. (New York City time) on the second Trading Day immediately prior to such commencement date (except for such case where it is impossible to provide such two-Trading Day advance notice, in which case the Company shall provide such notice as soon as possible) and shall end on and include the later of the date the Investor receives the notice referred to in clause (ii) above and the date referred to in such notice. The provisions of Section 3(j) hereof shall not be applicable during the period of any Allowable Grace Period. Upon expiration of each Grace Period, the Company shall again be bound by the first sentence of Section 3(e) with respect to the information giving rise thereto unless such material, non-public information is no longer applicable. Notwithstanding anything to the contrary contained in this Section 3(l), the Company shall cause its transfer agent to deliver unlegended Ordinary Shares to a transferee of the Investor in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which the Investor has entered into a contract for sale, and delivered a copy of the prospectus included as part of the particular Registration Statement to the extent applicable, prior to the Investor's receipt of the notice of a Grace Period and for which the Investor has not yet settled.

4. Obligations of the Investor.

(a) At least five Business Days prior to the first anticipated filing date of each Registration Statement, the Company shall notify the Investor in writing of the information the Company reasonably requires from the Investor in connection with any registration statement hereunder. The Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

(b) The Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of each Registration Statement hereunder, unless the Investor has notified the Company in writing of the Investor's election to exclude all of the Investor's Registrable Securities from such Registration Statement.

(c) The Investor agrees that, upon receipt of any notice from the Company of the happening of any event or existence of facts of the kind described in Section 3(f) or the first sentence of Section 3(e), the Investor will immediately discontinue disposition of Registrable Securities pursuant to any registration statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(f) or the first sentence of Section 3(e). Notwithstanding anything to the contrary, the Company shall cause its transfer agent to promptly deliver Ordinary Shares without any restrictive legend in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which an Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(f) or the first sentence of Section 3(e) and for which the Investor has not yet settled.

5. Expenses and Fees. All reasonable expenses, other than sales or brokerage commissions, incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, FINRA filing fees (if any) and fees and disbursements of counsel for the Company, if any, shall be paid by the Company.

6. Indemnification.

(a) To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend the Investor, the members, directors, officers, and employees of the Investor and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (each, an “Indemnified Person”), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, contingencies, costs (including, without limitation, court costs, reasonable attorneys’ fees, costs of defense and investigation), attorneys’ fees, amounts paid in settlement or expenses, joint or several (collectively, “Claims”), incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the Commission, whether pending or threatened, whether or not an indemnified party is or may be a party thereto, whether or not arising from a claim by a third party (“Indemnified Damages”), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement, any New Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other “blue sky” laws of any jurisdiction in which Registrable Securities are offered, or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the any prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the Commission) or in any prospectus supplement or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement or any New Registration Statement or (iv) any material violation by the Company of this Agreement (the matters in the foregoing clauses (i) through (iv) being, collectively, “Violations”). The Company shall reimburse each Indemnified Person promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section (a): (i) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information about the Investor furnished in writing to the Company by such Indemnified Person expressly for use in connection with the preparation of the Registration Statement, any New Registration Statement or any such amendment thereof or supplement thereto, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); (ii) with respect to any superseded prospectus, shall not inure to the benefit of any such person from whom the person asserting any such Claim purchased the Registrable Securities that are the subject thereof (or to the benefit of any person controlling such person) if the untrue statement or omission of material fact contained in the superseded prospectus was corrected in the revised prospectus, as then amended or supplemented, if such revised prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e), and the Indemnified Person was promptly advised in writing not to use the incorrect prospectus prior to the use giving rise to a violation and such Indemnified Person, notwithstanding such advice, used it; (iii) shall not be available to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); and (iv) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 9.

(b) In connection with the Registration Statement or any New Registration Statement, the Investor agrees to severally and not jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of its directors, each of its officers who signs the Registration Statement or any New Registration Statement, each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (collectively and together with an Indemnified Person, an “Indemnified Party”), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information about the Investor furnished to the Company by the Investor expressly for use in connection with such registration statement; and, subject to Section 6(d), the Investor will reimburse any legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim; provided, however, that the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld; provided, further, however, that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to the Investor as a result of the sale of Registrable Securities pursuant to such registration statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 9.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6 deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; *provided, however*, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(d) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

(e) The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

(f) Notwithstanding the foregoing, no party shall be entitled to recover from the other party for punitive, indirect, incidental or consequential damages, or loss of profit, revenue or other financial metric, loss of business, or loss of good will arising from or in connection with this Agreement.

7. Contribution. To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

8. Reports and Disclosures under the Securities Acts.

With a view to making available to the Investor the benefits of Rule 144, the Company agrees, at the Company's sole expense, to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144;

(b) file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act so long as the Company remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144;

(c) furnish to the Investor so long as the Investor owns Registrable Securities, promptly upon request, (i) a written statement by the Company that it has complied with the reporting and/ or disclosure provisions of Rule 144, the Securities Act and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration (for the avoidance of doubt, any filing available to the Investor via the Commission's live EDGAR system shall be deemed "furnished to the Investor" hereunder); and

(d) take such additional action as is requested by the Investor to enable the Investor to sell the Registrable Securities pursuant to Rule 144, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to the Company's transfer agent as may be requested from time to time by the Investor and otherwise reasonably cooperate with Investor and Investor's broker to effect such sale of securities pursuant to Rule 144.

The Company agrees that damages may be an inadequate remedy for any breach of the terms and provisions of this Section 8 and that Investor shall, whether or not it is pursuing any remedies at law, be entitled to equitable relief in the form of a preliminary or permanent injunction, without having to post any bond or other security, upon any breach or threatened breach of any such terms or provisions. Investor agrees that the Rule 144 rights under this Agreement are subject to the delivery by the Investor of a bona fide fair market offer for a licensing or funding opportunity pursuant to the Purchase Agreement.

9. Assignment of Registration Rights. None of the Parties may assign this Agreement or any other Transaction Document to any Person without the prior consent of the others; *provided that* without the consent of the other, (i) the Company may assign its rights and obligations under this Agreement and other Transaction Documents to the Successor Company; (ii) the Purchaser may assign its rights and obligations under this agreement to an Affiliate of the Purchaser. In the event of a Reverse Merger Transaction, the Company's rights and obligations under this Agreement shall be automatically assigned to the Successor Company, and the Parties agree that the terms of this Agreement shall be construed to give effect to such assignment.

10. Amendment of Registration Rights. Provisions of this Agreement may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the mutual written consent of the Company and the Investor. Failure of any Party to exercise any right or remedy under this Agreement or otherwise, or delay by a Party in exercising such right or remedy, shall not operate as a waiver thereof.

11. Miscellaneous.

(a) A Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the registered owner of such Registrable Securities.

(b) Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing and will be deemed to have been delivered upon receipt, when delivered by electronic mail, return receipt requested, properly addressed to the Party to receive the same.
