The condensed interim financial statements for the Nine Months ended 30 September 2025 including consolidated balance sheet of ASTI Holdings Limited and its subsidiaries as at 30 September 2025 and the related condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the period then ended and certain explanatory notes have not been audited or reviewed by auditors. As such, the numbers disclosed herein may change pending the completion of the audit.

2. WHERE THE FIGURES HAVE BEEN AUDITED OR REVIEWED, THE AUDITORS' REPORT (INCLUDING ANY MODIFICATIONS OR EMPHASIS OF MATTER)

Not applicable.

2A. WHERE THE LATEST FINANCIAL STATEMENTS ARE SUBJECT TO AN ADVERSE OPINION, QUALIFIED OPINION OR DISCLAIMER OF OPINION: -

(a) Updates on the efforts taken to resolve each outstanding audit issue.

(b) Confirmation from the Board that the impact of all outstanding audit issues on the financial statements have been adequately disclosed.

The auditors have issued a qualified opinion on the Group' audited consolidated financial statements for the financial year ended 31 December 2024 due to the following.

a. Interests in and amount due from an associate, EoCell Limited ("EoCell")

The auditors were unable to access the accounting records of EoCell and in the absence of alternative procedures and other information, the auditors were unable to obtain sufficient appropriate audit evidence to conclude on the appropriateness and reasonableness of the key estimates, inputs and assumptions used by the management in estimating the recoverable amount of the Group's investment in EoCell nor the appropriateness of the expected credit loss ("ECL") allowance on the amount due from EoCell as at 31 December 2023 and at loss of control date. Consequently, the auditors were also unable to ascertain the appropriateness of the carrying value of the Group's investment in EoCell and the amount due from EoCell as at 31 December 2023 and at loss of control date, the corresponding Group's share of results of the associate, impairment losses and ECL recognised for the year/period then ended and the appropriateness of the resulting gain on disposal of DGI group, and whether any adjustments to these amounts included in the "Profit/(Loss) for the year from discontinued operations, net of tax" and associated disclosures were necessary.

b. Company's interests in and amount due from a subsidiary, Dragon Group International Limited ("DGI")

The auditors were unable to access the accounting records of EoCell and in the absence of alternative procedures and other information, and in view of the potential magnitude of EoCell's financial contribution to and impact on DGI, the auditors were unable to obtain sufficient appropriate audit evidence on the appropriateness of the current management's estimation of the recoverable amount of the Company's investment in DGI nor the appropriateness of the ECL allowance on the amount due from DGI as at 31 December 2023, and whether any adjustments to these amounts and associated disclosures were necessary. The audit opinion on the financial statements for the period ended 31 December 2023 was modified accordingly. Consequently, the opinion on the current year's financial statements is modified because of the comparability of the current period's figures and the corresponding figures.

The updates on the Group's efforts to resolve the outstanding audit issue are set out below:

Both the outstanding matters above pertain to issues relating to DGI and EoCell, in which DGI has been placed under Creditors' Voluntary Liquidation in October FY2024 and deconsolidated from the Group in the FY2024 Financial Statements. Accordingly, the Board is of the view that the outstanding audit issues in relation to the Qualified Opinion have been substantially resolved.

The board of directors of the Company confirms that the impact of the above-mentioned outstanding audit issues on the financial statements has been adequately disclosed.
