To: The Shareholders of ACCRELIST LTD.

Dear Sir / Madam,

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

1.1 We refer to (a) the notice of the annual general meeting (“AGM”) to the Shareholders of the Company dated 13 July 2017 (the "Notice of AGM") accompanying the Company's Annual Report for the financial year ended 31 March 2017, convening the AGM to be held on 28 July 2017 and (b) ordinary resolution No. 6 set out in the Notice of AGM.

1.2 The purpose of this Circular is to provide Shareholders with relevant information pertaining to the proposed renewal of the Share Buyback Mandate and to seek Shareholders’ approval for the resolution in respect thereof to be tabled at the AGM.

1.3 The SGX-ST assumes no responsibility for the accuracy of any of the statements or opinions made or reports contained in this Circular.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1 Introduction

2.1.1 Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by the Companies Act and the Catalist Rules and such other laws and regulations as may, for the time being, be applicable. It is also a requirement that a company which wishes to purchase or acquire its own shares should obtain approval from its shareholders to do so at a general meeting of its shareholders.

2.1.2 At the previous annual general meeting of the Company held on 29 July 2016, shareholders had approved the grant of a share buyback mandate (the “Share Buyback Mandate”) to enable the Company to purchase or otherwise acquire its issued shares in the capital of the Company. The rationale for the authority and limitations on, and the financial effects of, the Share Buyback Mandate were set out in the Company’s Circular to Shareholders dated 7 July 2016 (the “Share Buyback Circular”).

2.1.3 As the said Share Buyback Mandate will expire on the forthcoming annual general meeting, being 28 July 2017, the Directors propose that the Share Buyback Mandate be renewed at the forthcoming AGM.

2.1.4 If approved by the Shareholders at the AGM, the authority conferred by the renewed Share Buyback Mandate will take effect from the date of the AGM and continue in force until the date of the next AGM of the Company or such date as the next AGM is required by law or by the Constitution of the Company, whereupon it will lapse, unless renewed at such meeting,
2.2 Rationale for the Share Buyback Mandate

2.2.1 The rationale for the Company to undertake the purchase or acquisition of its Shares pursuant to the Share Buyback Mandate is as follows:

(a) to increase Shareholders’ value and to improve, inter alia, the return on equity of the Group. A share buyback at the appropriate price level is one of the ways through which the return on equity of the Group may be enhanced;

(b) to provide the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements in an expedient, effective and cost-efficient manner. It will also provide the Directors with greater flexibility over the Company’s share capital structure with a view to enhancing the EPS and/or NTA per Share;

(c) to help mitigate short-term market volatility, offset the effects of short-term speculation and bolster Shareholder confidence; and

(d) to be used to purchase existing Shares which may then be held in treasury, and such Treasury Shares may consequently be transferred for the purposes of or pursuant to the Accrelist Share Award Scheme in order to satisfy the awards given thereunder (if any).

2.2.2 If and when circumstances permit, the Directors will decide whether to effect Share purchases via market purchases or off-market purchases, after taking into account the amount of surplus cash available, the prevailing market conditions and the most cost-effective and efficient approach.

2.2.3 The Company will only purchase or acquire Shares pursuant to the Share Buyback Mandate if the Directors are of the view that it would benefit the Company and Shareholders. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out at all, or to the full limit as authorised. The Directors do not propose to carry out share buybacks to an extent that would, or in circumstances that might, result in a material adverse effect on the liquidity and/or the orderly trading of the Shares and/or the financial position of the Group.

3. AUTHORITY AND LIMITS OF THE SHARE BUYBACK MANDATE

The authority and limitations placed on purchases of Shares by the Company under the renewed Share Buyback Mandate are summarised below:

3.1 Maximum Number of Shares

3.1.1 Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

3.1.2 The total number of Shares that may be purchased or acquired by the Company is limited to that number of Shares representing not more than 10% of the issued ordinary share capital (excluding Treasury Shares and subsidiary holdings) of the Company as at the date of the AGM at which the renewed Share Buyback Mandate is approved (the “Approval Date”), unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Companies Act, at any time during the Relevant Period, in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered (excluding any Treasury Shares and subsidiary holdings that may be held by the Company from time to time).
3.1.3 Purely for illustrative purposes, on the basis of the existing issued and paid-up capital of the Group as at 27 June 2017 (the “Latest Practicable Date”), of approximately US$54,609,000 comprising 5,243,957,403 Shares (excluding Treasury Shares and subsidiary holdings), and assuming that no further Shares are issued on or prior to the AGM, not more than approximately 524,395,740 Shares (representing approximately 10% of the issued ordinary share capital of the Company as at that date excluding Treasury Shares and subsidiary holdings currently held) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

3.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the Approval Date, up to the earlier of:

(a) the date on which the next AGM is held or required by law to be held;
(b) the date on which the share buybacks are carried out to the full extent mandated; or
(c) the date on which the authority contained in the Share Buyback Mandate is varied or revoked.

3.3 Manner of Purchase or Acquisition of Shares

3.3.1 Purchases or acquisitions of Shares may be made by way of:

(a) on-market purchases (the “Market Purchase”), transacted on the SGX-ST through the SGX-ST’s trading system or, as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed dealers appointed by the Company for the purpose; and/or

(b) off-market purchases (the “Off-Market Purchase”) (if effected otherwise than on the SGX-ST) in accordance with an equal access scheme(s) as may be determined or formulated by the Directors as they may consider fit, which scheme(s) shall satisfy all the conditions prescribed by the Companies Act and the Catalist Rules.

3.3.2 The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Catalist Rules and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

3.3.3 Under the Companies Act, an equal access scheme must satisfy all of the following conditions:

(a) offers under the scheme are to be made to every person who holds shares to purchase or acquire the same percentage of their shares;
(b) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
(c) the terms of all the offers are the same, except that there shall be disregarded:

(i) differences in consideration attributable to the fact that offers may relate to shares with different accrued dividend entitlements;
(ii) differences in consideration attributable to the fact that offers may relate to shares with different amounts remaining unpaid; and
(iii) differences in the offers introduced solely to ensure that each person is left with a whole number of shares.
3.3.4 In addition, the Catalist Rules provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

(a) the terms and conditions of the offer;

(b) the period and procedures for acceptances;

(c) the reasons for the proposed share buyback;

(d) the consequences, if any, of share purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;

(e) whether the share buybacks, if made, could affect the listing of the Company’s equity securities on the SGX-ST;

(f) details of any share buybacks made by the Company in the previous twelve (12) months (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of the Shares purchased, the purchase price per Share or the highest or lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and

(g) whether the Shares purchased by the Company will be cancelled or kept as Treasury Shares.

3.4 Maximum Purchase Price

3.4.1 The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors.

3.4.2 However, the purchase price to be paid for a Share as determined by the Directors must not exceed:

(a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter); and

(b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price (as defined hereinafter),

(the “Maximum Price”) in either case, excluding related expenses of the purchase.

3.4.3 For the purposes of determining the Maximum Price:

(a) “Average Closing Price” means the average of the closing market prices of a Share over the last five (5) Market Days on which the Shares were transacted on the SGX-ST or, as the case may be, such securities exchange on which the Shares are listed or quoted, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the rules of the SGX-ST, for any corporate action that occurs after the relevant five (5)-day period; and

(b) “day of the making of the offer” means the day on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.
4. STATUS OF PURCHASED SHARES UNDER THE SHARE BUYBACK MANDATE

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a Treasury Share to the extent permitted under the Companies Act. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as Treasury Shares.

5. TREASURY SHARES

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as Treasury Shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

5.1 Maximum Holdings

The number of Shares held as Treasury Shares cannot at any time exceed 10% of the total number of issued Shares.

5.2 Voting and Other Rights

The Company cannot exercise any right in respect of Treasury Shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the Treasury Shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of Treasury Shares. However, the allotment of Shares as fully paid bonus Shares in respect of Treasury Shares is allowed. Also, a subdivision or consolidation of any Treasury Share into Treasury Shares of a greater or smaller number is allowed so long as the total value of the Treasury Shares after the subdivision or consolidation is the same as before.

5.3 Disposal and Cancellation

Where Shares are held as Treasury Shares, the Company may at any time (but subject always to the Take-over Code):

(a) sell the Treasury Shares for cash;

(b) transfer the Treasury Shares for the purposes of or pursuant to an employees' share scheme;

(c) transfer the Treasury Shares as consideration for the acquisition of shares in or assets of another company or assets of a person;

(d) cancel the Treasury Shares; or

(e) sell, transfer or otherwise use the Treasury Shares for such other purposes as may be prescribed by the Minister for Finance.

6. SOURCE OF FUNDS FOR SHARE BUYBACK

6.1 The Company may not purchase or acquire its Shares on the SGX-ST for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the SGX-ST.
6.2 Any purchases or acquisitions of Shares may be made only if the Company is solvent and out of the Company's capital or profits. It is an offence for a Director or manager of the Company to approve or authorise the purchase or acquisition of Shares, knowing that the Company is not solvent. For this purpose, pursuant to the Companies Act, a company is solvent if:

6.2.1 there is no ground on which the company could be found to be unable to pay its debts;

6.2.2 where –

(a) it is intended to commence winding up of the company within the period of 12 months immediately after the date of the payment, the company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or

(b) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and

6.2.3 the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase or acquisition, become less than the value of its liabilities (including contingent liabilities).

6.3 The Company may use internal resources or external borrowings or a combination of both to fund purchases of Shares pursuant to the Share Buyback Mandate. However, in considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Group. The Directors will only make purchases or acquisitions pursuant to the Share Buyback Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

7. **FINANCIAL EFFECTS OF THE SHARE BUYBACK MANDATE**

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, inter alia, whether the Shares are purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effects on the Group and the Company, based on the unaudited financial statements of the Group for the financial year ended 31 March 2017, are based on the assumptions set out below.

7.1 Purchase or Acquisition out of Capital or Profits

7.1.1 Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent.

7.1.2 Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

7.2 Number of Shares purchased or acquired

As at the Latest Practicable Date, the issued capital of the Company comprised 5,243,957,403 Shares (excluding Treasury Shares and subsidiary holdings). Based on the issued and paid-up ordinary share capital of the Company as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the AGM, the purchase by the Company of up to the maximum limit of 10% of its issued Shares will result in the purchase or acquisition of 524,395,740 Shares.
7.3 Maximum price paid for Shares purchased or acquired

7.3.1 In the case of Market Purchases by the Company and assuming that the Company purchases or acquires 524,395,740 Shares at the Maximum Price of S$0.0071 for one Share (being the price equivalent to five per cent. (5%) above the average of the closing market prices of the Shares over the last five (5) Market Days preceding the Latest Practicable Date on which transactions in the Shares were recorded), the maximum amount of funds required for the purchase or acquisition of 524,395,740 Shares is S$3,723,210.

7.3.2 In the case of an Off-Market Purchase by the Company and assuming that the Company purchases or acquires 524,395,740 Shares at the Maximum Price of S$0.0082 for one Share (being the price equivalent to 20% above the highest price transacted for a Share as recorded on the Market Day on which there were trades in the Shares immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 524,395,740 Shares is S$4,300,045.

7.4 Illustrative Financial Effects

7.4.1 For illustrative purposes only, based on the basis of the assumptions set out above, and based on unaudited financial statements of the Company and the Group for the financial year ended 31 March 2017, and assuming that:

(a) Shares purchases are made to the extent aforesaid;
(b) such Shares purchases are funded wholly by internal resources within the Group; and
(c) the Company had purchased 524,395,740 Shares (representing 10% of the Shares in issue as at the Latest Practicable Date) on 31 March 2017 by way of Shares purchases made entirely out of capital,

the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate on the unaudited financial statements of the Company and Group for the financial year ended 31 March 2017,

(i) by way of purchases made entirely out of capital and held as Treasury Shares; and
(ii) by way of purchases made entirely out of capital and cancelled,

would have been as follows:

Note: No illustrations will be shown for purchases made out of profits as the Company does not have sufficient revenue reserves or profits to do so.

7.4.2 Shareholders should note that the financial effects set out above, based on the respective aforementioned assumptions, are for illustrative purposes only. In particular, it is important to note that the above analysis is based on the unaudited consolidated financial statements for FY2017 and are not necessarily representative of future financial performance of the Group.

7.4.3 The Company will take into account both financial factors (for example, cash surplus, debt position and working capital requirement) and non-financial factors (for example, Share market conditions and the performance of the Shares) in assessing the relative impact of a Share buyback before execution.
7.4.4 Purchases of Shares by the Company pursuant to the Share Buyback Mandate will only be made in circumstances where it is considered to be in the best interests of the Company. It should be noted that purchases pursuant to the Share Buyback Mandate may not necessarily be carried out to the full 10% as mandated. Further, the Directors do not propose to exercise the Share Buyback Mandate to such an extent as would have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

8. CATALIST RULES

8.1 The Catalist Rules specify that a listed company shall announce all purchases or acquisitions of its shares to SGX-ST not later than 9.00 a.m. (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement currently requires the inclusion of details, including but not limited to, of the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for such shares, as applicable.

8.2 While the Catalist Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealings issued by SGX-ST, the Company will not purchase or acquire any Shares pursuant to the proposed Share Buyback Mandate during the period commencing two (2) weeks before the announcement of the company financial statements for each of the first three quarters of its financial year and one (1) month before the announcement of the company's full year financial statements (if required to announce quarterly financial statements), or one (1) month before the announcement of the company’s half year and full year financial statements (if not required to announce quarterly financial statements).

8.3 The Catalist Rules requires a listed company to ensure that at least 10% of the total number of any class of its listed securities must be held by public shareholders. The “public”, as defined under the Listing Manual, are persons other than the Directors, Substantial Shareholders, chief executive officers or Controlling Shareholders of the company and its subsidiaries, as well as associates of such persons. As at the Latest Practicable Date, 3,392,787,222 Shares representing 64.70% of the issued Shares are held by public Shareholders. In the event that the Company purchases the maximum of 10% of its issued ordinary share capital from such public Shareholders, the resultant percentage of the issued Shares held by the public Shareholders would be reduced to approximately 54.70%. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 10% limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

9. TAKE-OVER OBLIGATIONS

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

9.1 Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of
Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

9.2 Persons Acting in Concert

9.2.1 Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

9.2.2 Unless the contrary is established, the following individuals will, inter alia, be presumed to be acting in concert:

(a) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trust;

(b) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, any company whose associated companies include any of the above companies and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;

(c) a company with any of its pension funds and employee share schemes;

(d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;

(e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;

(f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;

(g) partners; and

(h) an individual, his close relatives, his related trusts, and any person who is accustomed to act according to his instructions, companies controlled by any of the above persons, and any person who has provided financial assistance (other than a bank in its ordinary course of business) to any of the above for the purchase of voting rights.

9.2.3 The circumstances under which Shareholders of the Company, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

9.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

9.3.1 In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall
between 30% and 50% of the Company’s voting rights, and the voting rights of such
Directors and their concert parties would increase by more than one per cent. (1%) in any
period of six (6) months.

9.3.2 Under Appendix 2, a Shareholder not acting in concert with the Directors of the Company
will not be required to make a take-over offer under Rule 14 if, as a result of the Company
purchasing or acquiring its own Shares, the voting rights of such Shareholder in the
Company would increase to 30% or more, or, if such Shareholder holds between 30% and
50% of the Company’s voting rights, the voting rights of such Shareholder would increase by
more than one per cent. (1%) in any period of six (6) months. Such Shareholder need not
abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

9.3.3 As at the Latest Practicable Date, based on the interests of the Substantial Shareholders
recorded in the Register of Substantial Shareholders and the interests of the Directors
recorded in the Register of Directors’ Shareholdings, the Directors confirm that they are not
aware of any facts or factors which suggest or imply that any particular person(s) and/or
Shareholder(s) are, or may be regarded as, parties acting in concert such that their
respective interest in voting Shares in the capital of the Company should or ought to be
consolidated, and may become obligated to make a mandatory take-over offer for all the
Shares in the event that the Directors exercise the power to repurchase Shares pursuant to
the Share Buyback Mandate.

9.3.4 Shareholders are advised to consult their professional advisers and/or the SIC and/or the
relevant authorities at the earliest opportunity as to whether they would incur any obligation
to make a takeover offer as a result of any purchase or acquisition of Shares by the
Company pursuant to the Share Buyback Mandate as the case may be.
