AWARD OF SHIPBUILDING CONTRACT OF S\$10.6 MILLION FROM TIPC MARINE CORPORATION LTD

SINGAPORE 16 October 2023

The board of directors (the “**Board**”) of Kim Heng Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**” or “**Kim Heng**”) are pleased to announce that its wholly owned subsidiary, Kim Heng Shipbuilding & Engineering Pte Ltd (“**KHSE**”) has been awarded a shipbuilding contract of approximately TWD249.5 million (or equivalent to approximately S\$10.6 million at exchange rate of S\$1.00:TWD23.55) by TIPC Marine Corporation, Ltd. (“**TIPM**”).

TIPM, a subsidiary of state-owned company Taiwan International Ports Corporation (“**TIPC**”), operates and manages a fleet of marine assets.

Under the contract, KHSE will provide design, engineering and newbuild of a self-propelled split hopper barge.

The contract is scheduled to commence in the 4th quarter of 2023 and is expected to be completed by the 1st quarter of 2025.

Thomas Tan, Chief Executive Officer & Chairman, said “Kim Heng’s proven track record in newbuilds and vessel modifications, successful delivery of vessels to Taiwanese customers as well as the completion of Horizontal Directional Projects in the Offshore Windfarm has enabled the Group to make inroads in Taiwan to secure more newbuild projects and charter contracts in support of the renewable marine construction.”

Barring any unforeseen circumstances, the above-mentioned contract is expected to contribute positively to the Group’s earnings per share and net tangible assets.

None of the directors, controlling shareholders or substantial shareholders of the Company have any interest, direct or indirect, in the abovementioned contract, save for their shareholdings in the Company (if any).

About Kim Heng Ltd. (Bloomberg Ticker: KHOM:SP)

With over 50 years of experience, Kim Heng Ltd. (“**Kim Heng**”) and its subsidiaries (collectively, the “**Group**”) is an established integrated offshore and marine value chain services provider. Strategically based in Singapore, the Group offers a one-stop comprehensive range of products and services that caters to different stages of marine infrastructure projects and offshore oil & gas projects from oil exploration to field development and oil production. In keeping with the changing global energy scene towards cleaner energy forms, the Group has successfully ventured into the offshore wind renewable market. The Group will continue to broaden its service offerings to the clean energy and marine construction markets as part of its diversification away from the traditional oil and gas markets.

The Group’s operations are primarily located in Singapore, with two shipyards strategically located at 9 Pandan Crescent and 48 Penjuru Road. The shipyards, with a combined waterfront of 205 metres, enable Kim Heng to carry out a multitude of services, including offshore rig repair, maintenance and refurbishment, fabrication, vessel newbuilding and afloat repairs as well as support new businesses in the renewable and marine construction markets.

As a one stop solutions provider in offshore logistics, the Group has a fleet of quality anchor handling tugs, barges and cranes for both sale and rent. The Group also provides other services such as maintenance, trading and sale of heavy equipment.

Kim Heng has built its brand over the years and has established relationships with world renowned customers from over 25 countries in the regions of Asia, USA, Latin America, Australasia, Middle East and Europe.
