Dear Sir/Madam

1. INTRODUCTION

1.1 EGM. The Directors are convening the EGM to seek Shareholders’ approval for the proposed resolutions as follows:

(i) the proposed adoption of the IPT General Mandate for Interested Person Transactions (“Ordinary Resolution 1”);

(ii) the proposed entry into the Loan Agreement with Maxi-Cash and Aspial Treasury (“Ordinary Resolution 2”); and

(iii) the proposed disposal of the entire issued and paid-up share capital of Aspial Property Investment Pte. Ltd. (“Aspial Property”) (“Ordinary Resolution 3”),

(collectively, the “Proposed Resolutions”).

1.2 Circular. The purpose of this Circular is to provide Shareholders with information relating to, and to seek Shareholders’ approval for, the Proposed Resolutions to be tabled at the EGM. This Circular has been prepared solely for the purpose set out herein and may not be relied upon by any persons (other than Shareholders) or for any other purpose. The SGX-ST assumes no responsibility for the accuracy, completeness or correctness of any information, statements or opinions made, or reports contained in this Circular.

1.3 Inter-conditionality. For the avoidance of doubt, the passing of each of the Proposed Resolutions is not conditional upon the passing of any other Proposed Resolution.

2. THE PROPOSED ADOPTION OF THE IPT GENERAL MANDATE FOR INTERESTED PERSON TRANSACTIONS

2.1 Background. Pursuant to Chapter 9 of the Listing Manual, the Company is allowed to obtain an IPT General Mandate from its Shareholders to enable the Company, which is an “entity at risk” under Chapter 9 of the Listing Manual, to provide corporate guarantees for the benefit of the Maxi-Cash Group (the “Mandated Corporate Guarantee Transactions”), provided that such transactions are carried out on normal commercial terms, will not be prejudicial to the interests of the Company and its minority Shareholders and are carried out in accordance with the methods and review procedures for the Mandated Corporate Guarantee Transactions as set out in Appendix 1 to this Circular.
It is anticipated that the Company will, in the ordinary course of business, be entering into the Mandated Corporate Guarantee Transactions. In view of the time-sensitive nature of commercial transactions and the possible frequency of such transactions, it would be advantageous to approve the proposed adoption of the IPT General Mandate to enter into the Mandated Corporate Guarantee Transactions in the normal course of business, provided that such transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

The Directors propose that the approval for the proposed adoption of the IPT General Mandate for Interested Person Transactions be sought at the EGM and for the IPT General Mandate to remain in force (unless earlier revoked or varied by the Company in general meeting) until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting is required to be held, whichever is the earlier.

It is intended that approval from Shareholders for a renewal of the IPT General Mandate will be sought at each subsequent annual general meeting of the Company.

2.2 Appendix 1. The IPT General Mandate, the particulars of the Mandated Corporate Guarantee Transactions, including the rationale for, and the benefits to, the Company, the methods and procedures for determining fees payable to the Company and other general information relating to Chapter 9 of the Listing Manual, are set out in Appendix 1 to this Circular.

3. THE PROPOSED SPECIFIC IPTS

3.1 Proposed Entry into Loan Agreement. The Company intends to enter into a revolving loan agreement with Maxi-Cash and Aspial Treasury (the “Loan Agreement”) pursuant to which the Company and/or Aspial Treasury shall extend term loans to the Maxi-Cash Group in the form of a revolving credit line, for up to an aggregate principal sum of S$50,000,000.

3.2 Proposed Disposal. The Company had entered into a conditional share purchase agreement on 10 July 2019 (the “Share Purchase Agreement”) with Maxi-Cash. Pursuant to the Share Purchase Agreement, the Company has agreed to sell, and Maxi-Cash has agreed to acquire, all the issued ordinary shares in the capital of Aspial Property held by the Company, comprising, in aggregate, 2,000,000 ordinary shares representing 100 per cent. of the total issued ordinary shares of Aspial Property (such shares, the “Aspial Property Shares”), for an aggregate cash consideration of S$5,381,719 (the “Proposed Disposal”).

3.3 Appendix 2. Further details of the Specific IPTs, including the principal terms of the Loan Agreement and the Proposed Disposal, and the rationale for, and benefits to, the Company, are set out in Appendix 2 to this Circular.

4. ENTITIES AT RISK AND INTERESTED PERSONS

4.1 The Company is considered an “entity at risk” for the purposes of Chapter 9 of the Listing Manual in relation to the IPT General Mandate and the Specific IPTs.

Aspial Treasury is also considered an “entity at risk” in relation to the Loan Agreement.

4.2 Mr Koh Wee Seng is a Director, the Chief Executive Officer and controlling shareholder of the Company, holding a direct and deemed interest in 823,752,091 Maxi-Cash Shares, representing approximately 79.58 per cent. of the total issued Maxi-Cash Shares. Ms Ko Lee Meng is a Director and controlling shareholder of the Company, holding a direct and deemed interest in 731,579,131 Maxi-Cash Shares, representing approximately 70.67 per cent. of the total issued Maxi-Cash Shares. Ms Koh Lee Hwee is a Director and controlling shareholder of the Company, holding a direct and deemed interest in 748,976,693 Maxi-Cash Shares, representing approximately 72.35 per cent. of the total issued Maxi-Cash Shares.
As Mr Koh Wee Seng, Ms Ko Lee Meng and Ms Koh Lee Hwee (the “Koh Siblings”) have a collective interest of 30 per cent. or more in Maxi-Cash, Maxi-Cash is regarded as an associate of each of Mr Koh Wee Seng, Ms Ko Lee Meng and Ms Koh Lee Hwee and considered an “interested person” of the Company for the purposes of Chapter 9 of the Listing Manual. Further, the Koh Siblings collectively hold more than five per cent. in Maxi-Cash other than through the Company. Accordingly, transactions entered into between the Aspial IPT Group (including Aspial Treasury) and the Maxi-Cash Group (including Maxi-Cash) would be Interested Person Transactions which do not fall within the exception under Rule 915(3) of the Listing Manual and are therefore subject to, inter alia, Rules 905, 906 and 907 of the Listing Manual.

Ms Ng Bie Tjin @ Djuniarti Intan is an Independent Director of the Company holding a direct interest in 332,710 Maxi-Cash Shares, representing approximately 0.03 per cent. of the total issued Maxi-Cash Shares. Ms Ng Bie Tjin @ Djuniarti Intan does not have any indirect interest in the Maxi-Cash Shares. Save as stated herein, none of the Directors of the Company have an interest in Maxi-Cash Shares.

For completeness, the interests of each of Mr Koh Wee Seng, Ms Ko Lee Meng, Ms Koh Lee Hwee and Ms Ng Bie Tjin @ Djuniarti Intan as recorded in the register of Directors’ shareholdings of Maxi-Cash as at the Latest Practicable Date are set out below:

(ii) the proposed entry into the Loan Agreement as an Interested Person Transaction is on normal commercial terms and prejudicial to the interests of the Company and its minority Shareholders; and

(iii) the Proposed Disposal as an Interested Person Transaction is on normal commercial terms and prejudicial to the interests of the Company and its minority Shareholders.

A copy of its letter dated 23 July 2019 to the Independent Directors (the “IFA Letter”) is set out in Appendix 3 to this Circular and Shareholders are advised to read the IFA Letter carefully.

6.2 **IFA’s Opinion and Advice.** The following is an extract from Section 8 of the IFA Letter and Shareholders should read such extract in conjunction with, and in full context of, the full text of the IFA Letter. All terms and expressions used in the extract below shall have the same meanings as those defined in the IFA Letter unless otherwise stated:

“In arriving at our opinion, we have considered the views and representations made by the Directors and the Management of the Company, and reviewed and deliberated on the factors which we consider to be relevant and to have a significant bearing on our assessment of the IPT General Mandate and the Specific IPTs.

8.1 **Our opinion on the IPT General Mandate**

In arriving at our opinion on whether the methods and review procedures under the IPT General Mandate are sufficient to ensure that the Mandated Corporate Guarantee Transactions carried out thereunder will be on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders, we have considered the following:

(a) rationale for and benefits of the IPT General Mandate;

(b) the class of Interested Persons and the nature of the Mandated Corporate Guarantee Transactions;

(c) the review procedures in relation to the IPT General Mandate; and

(d) the role of the Audit Committee in reviewing the Mandated Corporate Guarantee Transactions and in enforcing the IPT General Mandate.
Having considered carefully the information available to us as at the Latest Practicable Date and having regard to the considerations set out in paragraph 3 of this IFA Letter, we are of the opinion that the methods and procedures under the IPT General Mandate, if adhered to, are sufficient to ensure that the Mandated Corporate Guarantee Transactions carried out thereunder will be on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders.

8.2 Our opinion on the Loan Agreement
We set out below a summary of the key factors we have taken into our consideration

(a) rationale and benefit of the entry into the Loan Agreement;

(b) the interest rate under the Loan Agreement is within the range of interest rates observed in the Precedent Loan Transactions;

(c) the interest rate under the Loan Agreement of 6.75 per cent. per annum (based on 0.5 per cent. plus the assumed cost of funds of 6.25 per cent. per annum before factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the funding) is higher than (i) the weighted average effective interest rates per annum of bank borrowings and term loans as at the end of FY2018 of the Maxi-Cash Group, which ranged from 2.11 per cent. to 2.95 per cent.; and (ii) the interest rate of the term notes issued by the Maxi-Cash Group as at the end of FY2018 of 5.50 per cent. per annum, under the MTN Programme. We note that the Maxi-Cash Group announced on 1 July 2019, its offer to (a) buy back for cash up to S$5 million in aggregate the principal amount of the existing notes under the MTN Programme which are due to mature on 27 April 2020; or (b) exchange any and all outstanding Existing Notes for a like principal amount of Singapore dollar-denominated 6.35 per cent. notes due 2022. The interest rate of 6.75 per cent. per annum in relation to the Loans (based on 0.5 per cent. plus the assumed cost of funds of 6.25 per cent. per annum before factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the funding) is also higher than the interest rate of 6.35 per cent. per annum in relation to the Exchange Offer;

(d) the interest rates under the WCG Revolving Loan and WCG Fixed Loan were based on the same formula as that under the Loan Agreement, at Aspial Group’s cost of funds plus 0.5 per cent.; and

(e) other relevant considerations as set out in Section 5.3 of this IFA Letter.

We have carefully considered as many factors as we deem essential and balance them before reaching our opinion. Accordingly, it is important that our IFA Letter, in particular, all the considerations and information which we have taken into account, be read in its entirety.

Having considered carefully the information available to us as at the Latest Practicable Date, and based on our analyses, we are of the opinion that the proposed entry into the Loan Agreement as an Interested Person Transaction is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders.

8.3 Our opinion on the Proposed Disposal
We set out below a summary of the key factors we have taken into our consideration

(a) rationale and benefit of the Proposed Disposal;

(b) the Aggregate Consideration on Closing represents a premium of approximately 200.5% to the NAV of S$1.8 million as at 31 December 2018;
(c) the Aggregate Consideration on Closing represents a discount of approximately 3.6% to the RNAV of Aspial Property as at 31 December 2018;

(d) the EV/EBITDA multiple and the P/NAV multiple implied by the Aggregate Consideration on Closing are above the range of the corresponding EV/EBITDA multiples and P/NAV multiples of the Comparable Companies;

(e) the P/NAV multiple implied by the Aggregate Consideration on Closing is above the range of P/NAV multiples of the Precedent Transactions;

(f) the P/RNAV multiple implied by the Aggregate Consideration on Closing is at the higher end of the range of P/NAV multiples of the Precedent Transaction; and

(g) other relevant considerations as set out in Section 7.3 of this IFA Letter.

We have carefully considered as many factors as we deem essential and balanced them before reaching our opinion. Accordingly, it is important that our IFA Letter, in particular, all the considerations and information which we have taken into account, be read in its entirety.

Having considered carefully the information available to us as at the Latest Practicable Date, and based on our analyses, we are of the opinion that the Proposed Disposal as an Interested Person Transaction is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders.

In arriving at our opinion, we wish to emphasise that the Directors have not provided us with any profit projections of the Aspial Group and we have, inter alia, relied on the relevant statements contained in the Circular, confirmation, advice and representation by the Directors, and the Company’s announcement in relation to the IPT General Mandate and the Specific IPTs. In addition, the Independent Directors should note that we have arrived at our recommendation based on information made available to us prior to and including the Latest Practicable Date. We assume no responsibility to update, review or reaffirm our opinion in light of any subsequent development after the Latest Practicable Date, unless otherwise stated.

We would like to highlight that we do not express any opinion on the commercial merits of the IPT General Mandate and the Specific IPTs, which remains the sole responsibility of the Directors. It is also not within our terms of reference to provide an opinion on the relative merits of the IPT General Mandate and the Specific IPTs vis-à-vis any alternative transactions previously considered by the Company or transactions that the Company may consider in the future.”

In rendering its opinion and advice, ZICO Capital has not taken into consideration the specific investment objectives, financial situation, tax position, risk profiles or unique needs and constraints of any individual Shareholder or any specific group of Shareholders. Accordingly, any individual Shareholder or group of Shareholders who may require specific advice in relation to his or their investment portfolio(s) should consult his or their legal, financial, tax or other professional adviser.

7. STATEMENT OF THE AUDIT COMMITTEE

The Audit Committee comprises Mr Wong Soon Yum, Mr Kau Jee Chu, Ms Ng Bie Tjin @ Djuniarti Intan and Ms Ko Lee Meng. The Chairman of the Audit Committee is Mr Wong Soon Yum.

As Maxi-Cash is an associate of Ms Ko Lee Meng, Ms Ko Lee Meng is considered to be interested in the Proposed Resolutions and she has recused herself from the Audit Committee’s deliberations on the Proposed Resolutions and abstained from issuing a view on the Proposed Resolutions.
Ms Ng Bie Tjin @ Djuniarti Intan, who holds a direct interest in 332,710 Maxi-Cash Shares, representing approximately 0.03 per cent. of the total issued Maxi-Cash Shares, is also considered to be interested in the Proposed Resolutions and has likewise recused herself from the Audit Committee's deliberations on the Proposed Resolutions and abstained from issuing a view on the Proposed Resolutions.

In relation to the Proposed Resolutions, the Audit Committee (other than Ms Ko Lee Meng and Ms Ng Bie Tjin @ Djuniarti Intan), having considered and reviewed, \textit{inter alia}, the terms and the rationale of the Specific IPTs, the methods and review procedures for the Mandated Corporate Guarantee Transactions and the opinion and advice of ZICO Capital, the IFA, as set out in Appendix 3 to this Circular, and after discussions with the management of the Company, is satisfied that, the terms of the Specific IPTs are on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders and that the methods and review procedures for the Mandated Corporate Guarantee Transactions as set out in Appendix 1 to this Circular, as well as the quarterly reviews to be made by the Audit Committee in relation thereto, are sufficient to ensure that the Mandated Corporate Guarantee Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. Accordingly, the Audit Committee (other than Ms Ko Lee Meng and Ms Ng Bie Tjin @ Djuniarti Intan) recommends that Shareholders vote in favour of the Proposed Resolutions to be proposed at the EGM, notice of which is set out on page N-1 of this Circular, specifically to approve the proposed IPT General Mandate and the Specific IPTs.

8. INDEPENDENT DIRECTORS' RECOMMENDATIONS

The Directors who are considered independent for the purposes of the Proposed Resolutions are Mr Wong Soon Yum and Mr Kau Jee Chu (the \textit{"Independent Directors"}). Mr Koh Wee Seng, Ms Ko Lee Meng and Ms Koh Lee Hwee collectively hold more than five per cent. in Maxi-Cash (other than through the Company) and are accordingly considered to be interested in the Proposed Resolutions. Ms Ng Bie Tjin @ Djuniarti Intan directly holds approximately 0.03 per cent. of the total issued Maxi-Cash Shares and is also accordingly considered to be interested in the Proposed Resolutions.

Having considered, \textit{inter alia}, the terms, the rationale for and benefits of the Proposed Resolutions comprising the proposed IPT General Mandate and the Specific IPTs, as well as the opinion and advice of the IFA, the Independent Directors are of the view that the Proposed Resolutions are in the best interests of the Company and further, in the case of the proposed IPT General Mandate, the Independent Directors are of the opinion that the proposed IPT General Mandate to permit the entry into the Mandated Corporate Guarantee Transactions will facilitate transactions in the Company's normal course of business and is in the best interests of the Company and its minority Shareholders. Accordingly, the Independent Directors recommend that Shareholders vote in favour of the Proposed Resolutions to be proposed at the EGM, notice of which is set out on page N-1 of this Circular, specifically to approve the proposed IPT General Mandate and the Specific IPTs.

1. **CHAPTER 9 OF THE LISTING MANUAL**

1.1 Chapter 9 of the Listing Manual governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company’s interested persons. When this Chapter applies to a transaction with an interested person and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders’ approval for that transaction.

1.2 Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested persons and hence are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and shareholders’ approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the listed company’s latest audited consolidated NTA) are reached or exceeded.

In particular, an immediate announcement is required to be made by the Company where:

(i) the transaction is of a value equal to, or more than, 3.0 per cent. of the Aspial Group’s latest audited consolidated NTA; or

(ii) the aggregate value of all transactions entered into with the same interested person during the same financial year amounts to 3.0 per cent. or more of the Aspial Group’s latest audited consolidated NTA.

In addition to an immediate announcement, Shareholders’ approval is required for an Interested Person Transaction of a value equal to, or which exceeds:

(i) 5.0 per cent. of the Aspial Group’s latest audited consolidated NTA; or

(ii) 5.0 per cent. of the Aspial Group’s latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.

For the purposes of aggregation, any Interested Person Transaction which is below the value of S$100,000 will be excluded.

1.3 Based on the latest audited consolidated accounts of the Aspial Group for FY2018, the Aspial Group NTA was S$408,592,379. In relation to the Company for the purposes of Chapter 9 of the Listing Manual, in the current financial year, 3.0 per cent. and 5.0 per cent. of the Aspial Group NTA would be S$12,257,771 and S$20,429,619 respectively.

1.4 Rule 920(1) of the Listing Manual permits a listed company to seek a general mandate from its shareholders for recurrent Interested Person Transactions which are of a revenue or trading nature or those necessary for its day-to-day operations. These transactions may not include the purchase or sale of assets, undertakings or businesses which are not part of the day-to-day operations. A general mandate is subject to annual renewal.

1.5 The information required by Rule 920(1) of the Listing Manual are as follows:

(i) the class of interested persons with which the entity at risk will be transacting;

(ii) the nature of the transactions contemplated under the mandate;

(iii) the rationale for, and benefit to, the entity at risk;
(iv) the methods or procedures for determining transaction prices;

(v) the independent financial adviser’s opinion on whether the methods or procedures in (iv) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interest of the listed company and the interests of its minority shareholders;

(vi) an opinion from the audit committee if it takes a different view to the independent financial adviser;

(vii) a statement from the listed company that it will obtain a fresh mandate from shareholders if the methods or procedures in (iv) above become inappropriate; and

(viii) a statement that the interested person will abstain, and has undertaken to ensure that its associates will abstain, from voting on the resolution approving the transaction.

1.6 Under the Listing Manual:

(i) an “entity at risk” means:

   (a) the listed company;

   (b) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or

   (c) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the “listed group”), or the listed group and its interested person(s), has control over the associated company;

(ii) an “interested person” means a director, chief executive officer or controlling shareholder of the listed company or an associate of such director, chief executive officer or controlling shareholder;

(iii) an “associate” in relation to an interested person who is a director, chief executive officer, substantial shareholder or controlling shareholder (being an individual) means an immediate family member (that is, the spouse, child, adopted child, step-child, sibling or parent) of such director, chief executive officer, substantial shareholder or controlling shareholder, the trustees of any trust of which the director/his immediate family, the chief executive officer/his immediate family, the substantial shareholder/his immediate family or controlling shareholder/his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object, and any company in which the director/his immediate family, the chief executive officer/his immediate family, the substantial shareholder/his immediate family or controlling shareholder/his immediate family has an aggregate interest (directly or indirectly) of 30.0 per cent. or more, and, where a substantial shareholder or controlling shareholder is a company, means its subsidiary or holding company or fellow subsidiary or a company in which it and/or they have (directly or indirectly) an interest of 30.0 per cent. or more;

(iv) an “associated company” means a company in which at least 20.0 per cent. but not more than 50.0 per cent. of its shares are held by the listed company or listed group;

(v) an “approved exchange” means a stock exchange that has rules which safeguard the interests of shareholders against Interested Person Transactions according to similar principles to Chapter 9 of the Listing Manual;

(vi) an “interested person transaction” means a transaction between an entity at risk and an interested person; and
(vii) a “transaction” includes the provision or receipt of financial assistance; the acquisition, disposal or leasing of assets; the provision or receipt of services; the issuance or subscription of securities; the granting of or being granted options; and the establishment of joint ventures or joint investments, whether or not entered into in the ordinary course of business, and whether entered into directly or indirectly.

2. IPT GENERAL MANDATE AND VALIDITY

2.1 It is anticipated that the Company would, in the ordinary course of business, enter into Mandated Corporate Guarantee Transactions for the benefit of the Maxi-Cash Group. In view of the time-sensitive nature of commercial transactions and the possible frequency of such commercial transactions, it would be advantageous to approve the proposed adoption of the IPT General Mandate to enter into the Mandated Corporate Guarantee Transactions in the normal course of business, provided that all such transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

2.2 The IPT General Mandate will cover the Mandated Corporate Guarantee Transactions, except for those with a value below S$100,000, as the threshold and aggregate requirements of Chapter 9 of the Listing Manual do not apply to such transactions.

2.3 The approval of the proposed adoption of the IPT General Mandate will take effect from the date of the passing of Ordinary Resolution 1 until (i) (unless earlier revoked or varied by the Company in general meeting) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting is required to be held, or (iii) the date on which Maxi-Cash ceases to be a subsidiary of the Company, whichever is earliest. It is intended that approval from Shareholders for a renewal of the IPT General Mandate will be sought at each subsequent annual general meeting of the Company, subject to satisfactory review by the Audit Committee of the continued application of the Mandated Corporate Guarantee Transactions.

3. ENTITY AT RISK AND CLASS OF INTERESTED PERSONS

The Company is considered an “entity at risk” for the purposes of Chapter 9 of the Listing Manual in relation to the IPT General Mandate. The class of Interested Persons to be covered in the IPT General Mandate is the Maxi-Cash Group.

4. RATIONALE FOR AND BENEFITS OF THE IPT GENERAL MANDATE

4.1 The Mandated Corporate Guarantee Transactions are transactions which the Company has entered into or will enter into in the ordinary course of business. The Company may need to provide corporate guarantees for the benefit of the Maxi-Cash Group as and when the lenders to or the borrowers (for its secured lending business) from the Maxi-Cash Group Entities require such corporate guarantees to be provided.

4.2 The Company believes that it can benefit from the Mandated Corporate Guarantee Transactions by allowing the Maxi-Cash Group (who is part of the Aspial Group) to secure banking and financing facilities on more favourable terms or enable the Maxi-Cash Group’s secured lending business to lend to borrowers who demand corporate guarantees. The provision of the corporate guarantees will strengthen Maxi-Cash Group’s cash flow and will assure lenders of the Maxi-Cash Group’s ability to provide periodic disbursement of loans. The IPT General Mandate will continue to be valid for as long as Maxi-Cash remains a subsidiary of the Company, and is subject to annual renewal by the independent Shareholders of the Company.
4.3 The adoption of the IPT General Mandate for Interested Person Transactions and the renewal of the IPT General Mandate on an annual basis thereafter will eliminate the need to convene separate special general meetings from time to time to seek Shareholders’ approval as and when potential Mandated Corporate Guarantee Transactions arise or prior to implementing any Mandated Corporate Guarantee Transactions. This would substantially reduce the administrative time and expenses in convening such meetings (including the engagement of external advisers and preparation of documents) on an ad hoc basis and improve administrative efficiency and efficacy considerably, by allowing manpower resources and time to be channeled towards attaining other business objectives available to the Company without compromising the Company’s corporate objectives or adversely affecting the business opportunities available to the Company.

4.4 The IPT General Mandate is intended to facilitate the Mandated Corporate Guarantee Transactions which are necessary and in the ordinary course of business, provided that they are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

5. METHODS AND REVIEW PROCEDURES FOR THE MANDATED CORPORATE GUARANTEE TRANSACTIONS

5.1 To ensure that the Mandated Corporate Guarantee Transactions will not be prejudicial to the interests of the Company and its minority Shareholders, the Company has put in place methods and review procedures for determining, amongst other things, the fees payable to the Company in respect of the Mandated Corporate Guarantee Transactions.

5.2 The guiding principle is that all Mandated Corporate Guarantee Transactions shall be undertaken on commercial terms consistent with the Company’s usual business practices and policies. The Company shall enter into such transactions on terms which are generally no more favourable to the relevant Maxi-Cash Group Entity than those extended to subsidiaries and associated companies within the Aspial Group.

5.3 In particular, the following review procedures have been implemented:

(i) the guarantee fee chargeable by the Company for the provision of such corporate guarantees to the Maxi-Cash Group shall be not less favourable than the rates charged by third party financial institutions to provide corporate guarantees, taking into consideration, inter alia, the loan quantum, the collateral arrangements and the terms of repayment;

(ii) the Company will set threshold limits to ensure that each Mandated Corporate Guarantee Transaction is undertaken on terms no better than that extended to subsidiaries and associated companies within the Aspial Group, and that the Mandated Corporate Guarantee Transactions shall be entered into by the Company only if the prior approval of the Relevant Approving Authority in the Company (who does not have any conflict of interests, whether direct or indirect, in relation to the transactions) is obtained for individual transactions where the amount guaranteed by and the guarantee fees payable to the Company under each Mandated Corporate Guarantee Transaction is equal to or exceeding S$100,000 in value, as follows:

<table>
<thead>
<tr>
<th>Value of Individual Mandated Corporate Guarantee Transactions</th>
<th>Relevant Approving Authority</th>
</tr>
</thead>
<tbody>
<tr>
<td>Equal to or exceeding S$100,000 but not exceeding 3.0 per cent. of the Aspial Group NTA</td>
<td>Authorised Reviewing Officer</td>
</tr>
</tbody>
</table>
| Exceeding 3.0 per cent. of the Aspial Group NTA | Audit Committee (excluding any member of the Audit Committee who is a Koh Sibling or an associate of a Koh Sibling)

; and
(iii) the Relevant Approving Authority will review and approve the terms of all corporate guarantees, taking into consideration other factors, including but not limited to, the term of the relevant corporate guarantee, whether the granting of the corporate guarantee is required before banking and financing facilities can be secured, the applicable interest rate if the corporate guarantee is not provided, the operation requirements and risks and other factors which the Relevant Approving Authority deems pertinent.

5.4 In the event that an Authorised Reviewing Officer or a member of the Audit Committee has a conflict of interest in relation to a Mandated Corporate Guarantee Transaction, he will abstain from reviewing that particular transaction. In such instances, an alternative Relevant Approving Authority (which shall be another Authorised Reviewing Officer or other members of the Audit Committee) will be responsible for reviewing the transaction. For the avoidance of doubt, the Koh Siblings and their respective associates are deemed to be interested in the Mandated Corporate Guarantee Transactions and will abstain from reviewing any Mandated Corporate Guarantee Transaction.

5.5 Other Review Procedures. The Company has also implemented the following procedures for the identification of interested persons and the recording of all of its Interested Person Transactions:

(i) the Company will maintain a register of all transactions carried out by the Company with interested persons, whether mandated or non-mandated. The internal audit plan will incorporate a review of all Interested Person Transactions whether mandated or non-mandated to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions have been adhered to; and

(ii) on a quarterly basis, the Audit Committee will review all recorded Interested Person Transactions entered into by the Company, and the basis of such transactions.

5.6 In addition, the Audit Committee will include the review of the Interested Person Transactions as part of its standard procedures while examining the adequacy of the Company's internal controls.

5.7 The Audit Committee, with the assistance of internal and external auditors as required, shall also review from time to time such methods and procedures to determine if they are adequate and/or commercially practicable in ensuring that Mandated Corporate Guarantee Transactions are conducted on normal commercial terms. Further, if during these periodic reviews, the Audit Committee is of the view that the methods and procedures as stated above are not sufficient to ensure that the Mandated Corporate Guarantee Transactions will be on normal commercial terms and will not be prejudicial to the Company and its minority Shareholders, the Company will (pursuant to Rule 920(1)(b)(iv) of the Listing Manual) seek a fresh mandate from Shareholders based on new methods and procedures for the Mandated Corporate Guarantee Transactions. During the period prior to obtaining a new mandate from Shareholders, all the Mandated Corporate Guarantee Transactions will be subject to prior review and approval by the Audit Committee in accordance with paragraph 5.5 of this Appendix 1.

6. DISCLOSURE IN THE ANNUAL REPORT

Pursuant to Rule 920(1)(a) of the Listing Manual:

(i) the Company will announce the aggregate value of transactions conducted with the Maxi-Cash Group pursuant to the IPT General Mandate for the relevant financial periods which the Company is required to report on pursuant to Rule 705 of the Listing Manual and within the time required for the announcement of such reports;

(ii) disclosure will also be made in the Company's annual report of the aggregate value of transactions conducted with the Maxi-Cash Group pursuant to the IPT General Mandate during the financial year, and in the annual reports for subsequent financial years in which the IPT General Mandate continues in force, in accordance with the requirements of Chapter 9 of the Listing Manual; and
(iii) the name of the relevant Maxi-Cash Group Entity and the corresponding aggregate value of
the Mandated Corporate Guarantee Transactions will be presented substantially in the format
set out below (pursuant to Rule 907 of the Listing Manual):

| Name of interested person | Aggregate value of all interested person transactions during the financial year under review (excluding transactions less than S$100,000 and transactions conducted under shareholders’ mandate pursuant to Rule 920 of the Listing Manual) | Aggregate value of all interested person transactions conducted under shareholders’ mandate pursuant to Rule 920 of the Listing Manual (excluding transactions less than S$100,000) |

7. REVIEW PROCEDURES FOR NON-MANDATED INTERESTED PERSONS TRANSACTIONS

7.1 All of the Company’s other existing and future Interested Person Transactions not subject to the IPT General Mandate will be reviewed and approved in accordance with the procedures established in paragraph 5.5 of this Appendix 1.

7.2 In the event that such Interested Person Transactions require the approval of the Relevant Approving Authority, relevant information will be submitted to the Relevant Approving Authority for review. In the event that such Interested Person Transactions require the approval of Shareholders, additional information may be required to be presented to Shareholders and an independent financial advisor may be appointed for an opinion.

7.3 The Audit Committee will also review all Interested Person Transactions to ensure that the prevailing rules and regulations of the SGX-ST (in particular, Chapter 9 of the Listing Manual) are complied with. The Company will also endeavour to comply with the recommendations set out in the Code of Corporate Governance.

2.3 Key Terms of the Share Purchase Agreement.

(i) **Sale and Purchase of Aspial Property Shares.** Pursuant to the terms of the Share Purchase Agreement, the Company shall sell the Aspial Property Shares to Maxi-Cash free from any claim, charge, mortgage, lien, option, equity, power of sale, hypothecation, usufruct, retention of title, right of pre-emption, right of first refusal or other third party rights or security interest of any kind or an agreement, arrangement or obligation to create any of the foregoing and together with all rights and advantages attaching to them as at the completion of the sale and purchase of the Aspial Property Shares (“Closing”) (including the right to receive all dividends or distributions declared, made or paid on or after Closing).

(ii) **Conditions Precedent.** The Proposed Disposal is subject to and conditional upon:

(a) the independent Shareholders of the Company approving, in accordance with applicable laws and regulations, a resolution for the Company to complete the sale of the Aspial Property Shares in accordance with the terms of the Share Purchase Agreement; and

(b) the independent shareholders of Maxi-Cash approving, in accordance with applicable laws and regulations, a resolution for Maxi-Cash to complete the acquisition of the Aspial Property Shares in accordance with the terms of the Share Purchase Agreement,

(the “Conditions”).

(iii) **Aggregate Consideration on Closing.** The aggregate consideration that the Company shall receive from the sale of the Aspial Property Shares on Closing is S$5,381,719 (the “Aggregate Consideration on Closing”).

The adjusted net asset value of Aspial Property as at 31 December 2018, with the value of the Properties adjusted to S$34,000,000 (based on the valuation of the Properties and set out in the valuation certificates in respect of the Properties prepared by the Independent Valuers (the “Valuation Certificates”) and the Valuation Reports), is S$5,581,719 (the “Aspial Property RNAV”).
The Aggregate Consideration on Closing was arrived at based on arm’s length negotiations between the Company and Maxi-Cash and on a willing-buyer and willing-seller basis, after taking into account the valuation amount of the Properties as provided by the Valuation Certificates and the Valuation Reports. The Company and Maxi-Cash have agreed that for the purposes of arriving at the Aggregate Consideration on Closing, the value of the Properties will be fixed at S$33,800,000. Accordingly, the Aggregate Consideration on Closing represents a discount of approximately 3.6 per cent. to the Aspial Property RNAV.

Maxi-Cash has commissioned its own valuations on the Properties. The aggregate valuation of the Properties based on the valuation commissioned by Maxi-Cash is S$33,800,000.

The Aggregate Consideration on Closing will be funded by existing cash and bank borrowings of the Maxi-Cash Group.

Please refer to the Valuation Certificates, set out in Appendix 4 to this Circular, for further information on the valuation of the Properties and the valuation methodology.

(iv) **Closing.** Closing shall take place on a date falling 15 Business Days after the satisfaction of the Conditions (or such later date as the Company and Maxi-Cash may agree in writing).

(v) **Post-Closing Adjustments.** Following Closing, Maxi-Cash shall, in accordance with the terms of the Share Purchase Agreement, procure and ensure that a statement be drawn up setting out the adjusted net asset amount (the “Adjusted Net Assets”) of Aspial Property as at the date of Closing. The final aggregate consideration (the “Final Aggregate Consideration”) payable by Maxi-Cash to the Company for the purchase of the Aspial Property Shares shall be equal to the amount of the Adjusted Net Assets, with the value of the Properties being adjusted to S$33,800,000. Where the Final Aggregate Consideration is higher than the Aggregate Consideration on Closing, Maxi-Cash will be required to pay to the Company the difference between the Final Aggregate Consideration and the Aggregate Consideration on Closing, in accordance with the terms of the Share Purchase Agreement. Conversely, where the Final Aggregate Consideration is lower than the Aggregate Consideration on Closing, the Company will be required to pay to Maxi-Cash the difference between the Final Aggregate Consideration and the Aggregate Consideration on Closing, in accordance with the terms of the Share Purchase Agreement.

(vi) **Long Stop Date.** Shareholders should note that if any of the Conditions are not satisfied by 31 December 2019, the Share Purchase Agreement will terminate automatically without prejudice to any liabilities arising from any breach of the Share Purchase Agreement by any of the parties thereto, save as set out in the Share Purchase Agreement.

### 3. RATIONALE FOR THE SPECIFIC IPTS

#### 3.1 Information on Maxi-Cash.
Maxi-Cash is a public company incorporated in Singapore on 10 April 2008 and is listed on the Catalist board of the SGX-ST. The Maxi-Cash Group offers the following services:

(i) financial services in the form of pawnbroking;

(ii) the retail and trading of pre-owned jewellery, watches and other luxury goods, and new jewellery through its pawnshops and retail outlets. As at the Latest Practicable Date, the Maxi-Cash Group has pawnshops and retail outlets in 46 locations in Singapore; and

(iii) secured lending.

Maxi-Cash is a subsidiary of the Company. As at the Latest Practicable Date, the Company has a direct interest in 669,954,669 Maxi-Cash Shares, representing approximately 64.72 per cent. of the total issued Maxi-Cash Shares.
3.2 Rationale and Benefit of the Entry into the Loan Agreement. The Company is of the view that the entry into the Loan Agreement will benefit the Company in terms of its utilisation of its excess cash flows and provide it with an additional revenue stream and enhance its profitability. It will also allow the Maxi-Cash Group (which is part of the Aspial Group) to continue their operations with minimal restrictions as the Loans shall be used towards working capital.

3.3 Rationale and Benefit of the Proposed Disposal. The proceeds of the Proposed Disposal will be utilised for general working capital, partial repayment of existing facilities and development of existing projects. The realised gain on disposal pursuant to the Proposed Disposal for the Company is approximately $3,381,719, calculated by taking the Aggregate Consideration on Closing of $5,381,719 less the Company’s investment cost of $2,000,000 in Aspial Property. Accordingly, the Company is of the view that the gains received on the disposal of the Aspial Property Shares will strengthen the balance sheet of the Company.

4. SHAREHOLDERS’ APPROVAL

4.1 Entry into Loan Agreement. Based on the prevailing Cost of Funds for the Company, being 6.64 per cent. per annum, plus 0.5 per cent., the interest rate on the Loans would be 7.14 per cent. per annum. Assuming that the Maxi-Cash Group draws down the full principal amount of the Loan from the Company on the date it enters into the Loan Agreement, the maximum value at risk to the Aspial Group is $67,850,000, being the principal and interest payable to the Company for a five-year period (the “Loan Agreement Transaction Value”), which represents approximately 16.61 per cent. of the Aspial Group NTA. As the illustrative Loan Agreement Transaction Value represents more than five per cent. of the Aspial Group NTA, the entry into the Loan Agreement is subject to the approval of the independent Shareholders at the EGM pursuant to Rule 906(1) of the Listing Manual.

4.2 Proposed Disposal. The Aggregate Consideration on Closing represents approximately 1.32 per cent. of the Aspial Group NTA. Notwithstanding that the value of the Proposed Disposal is less than five per cent. of the Aspial Group NTA, being the threshold stipulated in Chapter 9 of the Listing Manual beyond which the listed company is required to seek shareholders’ approval for any Interested Person Transaction, the Company wishes to seek approval of the Proposed Disposal from the independent Shareholders at the EGM.

5. CURRENT AND ON-GOING INTERESTED PERSON TRANSACTIONS

5.1 Same Interested Person Transactions. For the current financial year commencing on 1 January 2019 up to the Latest Practicable Date, the aggregate value of all transactions between the Company and the Koh Siblings and their associates (excluding transactions which are less than $100,000 and the Specific IPTs) is approximately $7,298,695 (the “Same Interested Person Aggregate Value”), representing approximately 1.79 per cent. of the Aspial Group NTA, of which $5,452,695 falls within Rules 916(1) and 916(3) of the Listing Manual (the “Exempted Value”). As the Same Interested Person Aggregate Value (excluding the Exempted Value) is $1,846,000, representing approximately 0.45 per cent. of the Aspial Group NTA, and does not exceed five per cent. of the Aspial Group NTA, the Company is not required to seek the approval of Shareholders pursuant to Rule 906(1)(b) of the Listing Manual for the Interested Person Transactions under this paragraph 5.1.

5.2 Aggregate Interested Person Transactions. The aggregate value of all Interested Person Transactions entered into by the Aspial Group for the current financial year commencing on 1 January 2019 up to the Latest Practicable Date (excluding transactions which are less than $100,000 and the Specific IPTs) is approximately $7,298,695, representing approximately 1.79 per cent. of the Aspial Group NTA. All Interested Person Transactions entered into by the Aspial Group for the current financial year commencing on 1 January 2019 up to the Latest Practicable Date did not require the approval of Shareholders. As at the Latest Practicable Date, the Company does not have a general mandate from its Shareholders relating to Interested Person Transactions.
Details of the other Interested Person Transactions entered into by the Aspial Group for the current financial year up to the Latest Practicable Date (excluding transactions which are less than S$100,000 and the Specific IPTs) are set out below:

APPENDIX 3

LETTER FROM ZICO CAPITAL TO THE INDEPENDENT DIRECTORS

23 July 2019

ASPIAL CORPORATION LIMITED
50 Raffles Place #32-01
Singapore Land Tower
Singapore 048623

Attention: The Independent Directors

(1) THE PROPOSED ADOPTION OF THE IPT GENERAL MANDATE FOR INTERESTED PERSON TRANSACTIONS;

(2) THE PROPOSED ENTRY INTO THE LOAN AGREEMENT WITH MAXI-CASH FINANCIAL SERVICES CORPORATION LTD. (“MAXI-CASH”) AND ASPIAL TREASURY PTE. LTD. (“ASPIAL TREASURY”); AND

(3) THE PROPOSED DISPOSAL OF THE ENTIRE ISSUED AND PAID-UP SHARE CAPITAL OF ASPIAL PROPERTY INVESTMENT PTE. LTD.

Unless otherwise defined or the context otherwise requires, all capitalised terms used in this letter shall have the same meaning as defined in the circular to shareholders (“Shareholders”) of Aspial Corporation Limited (“Aspial” or the “Company”) dated 23 July 2019.

1. INTRODUCTION

1.1 The IPT General Mandate

The Company had on 10 July 2019 (“Announcement Date”) announced that it is proposing the adoption of a general mandate (the “IPT General Mandate”) in respect of the provision of corporate guarantees by the Company for the benefit of Maxi-Cash, its subsidiaries and associated companies (the “Maxi-Cash Group”) (the “Mandated Corporate Guarantee Transactions”).

1.2 The Proposed Specific Interested Person Transactions (the “Specific IPTs”)

On Announcement Date, the Company also announced the Loan Agreement (as defined hereunder) and the Proposed Disposal (as defined hereunder).

1.2.1 The Loan Agreement

The Company intends to enter into a revolving loan agreement with Maxi-Cash and Aspial Treasury (the “Loan Agreement”) pursuant to which the Company and/or Aspial Treasury shall extend term loans to the Maxi-Cash Group in the form of a revolving credit line, for up to an aggregate principal sum of S$50,000,000.

1.2.2 The Proposed Disposal

The Company had entered into a conditional share purchase agreement (the “Share Purchase Agreement”) with Maxi-Cash. Pursuant to the Share Purchase Agreement, the Company agreed to sell, and Maxi-Cash agreed to acquire, all the issued ordinary shares in the capital of Aspial Property Investment Pte. Ltd. (“Aspial Property”) held by the Company (the “Proposed Disposal”), comprising, in aggregate, 2,000,000 ordinary shares representing 100 per cent. of the total issued ordinary shares of Aspial Property (the “Aspial Property Shares”), for an aggregate cash consideration of S$5,381,719 (the “Aggregate Consideration on Closing”).
1.3 Chapter 9 of the Listing Manual

1.3.1 Entities at Risk and Interested Persons

The Company is considered an “entity at risk” for the purposes of Chapter 9 of the Listing Manual of the SGX-ST (“Listing Manual”), in relation to the IPT General Mandate and the Specific IPTs.

Aspial Treasury is also considered an “entity at risk” in relation to the Loan Agreement.

Mr Koh Wee Seng is a Director, the Chief Executive Officer and controlling shareholder of the Company, holding a direct and deemed interest in 823,752,091 ordinary shares in the capital of Maxi-Cash (“Maxi-Cash Shares”), representing approximately 79.58 per cent. of the total issued Maxi-Cash Shares. Ms Ko Lee Meng is a Director and controlling shareholder of the Company, holding a direct and deemed interest in 731,579,131 Maxi-Cash Shares, representing approximately 70.67 per cent. of the total issued Maxi-Cash Shares. Ms Koh Lee Hwee is a Director and controlling shareholder of the Company, holding a direct and deemed interest in 748,976,693 Maxi-Cash Shares, representing approximately 72.35 per cent. of the total issued Maxi-Cash Shares.

As Mr Koh Wee Seng, Ms Ko Lee Meng and Ms Koh Lee Hwee (the “Koh Siblings”) have a collective interest of 30 per cent. or more in Maxi-Cash, Maxi-Cash is regarded as an associate of each of Mr Koh Wee Seng, Ms Ko Lee Meng and Ms Koh Lee Hwee and is considered an “interested person” of the Company for the purposes of Chapter 9 of the Listing Manual. Further, the Koh Siblings collectively hold more than five per cent. in Maxi-Cash other than through the Company. Accordingly, transactions entered into between the Aspial IPT Group 1 (including Aspial Treasury) and the Maxi-Cash Group would be Interested Person Transactions which do not fall within the exception under Rule 915(3) of the Listing Manual and are therefore subject to, inter alia, Rules 905, 906 and 907 of the Listing Manual.

1.3.2 The Loan Agreement

Based on the prevailing Cost of Funds for the Company, being 6.64 per cent. per annum, plus 0.5 per cent., the proposed interest rate on the outstanding sums due to the relevant lender under the Loan Agreement (the “Loans”) would be 7.14 per cent. per annum. Assuming that the Maxi-Cash Group draws down the full principal amount of the Loan from the Company on the date it enters into the Loan Agreement, the maximum value at risk to Aspial, its subsidiaries and associated companies (the “Aspial Group”) is S$67,850,000, being the principal and interest payable to the Company for a five-year period (the “Maximum Loan Agreement Transaction Value”), which represents approximately 16.61 per cent. of Aspial Group’s latest audited consolidated adjusted net tangible asset (“NTA”) as at 31 December 2018. As the Maximum Loan Agreement Transaction Value represents more than five per cent. of the Aspial Group NTA, the proposed Loan Agreement is subject to the approval of the independent Shareholders at the EGM pursuant to Rule 906(1) of the Listing Manual.

1.3.3 The Proposed Disposal

The Aggregate Consideration on Closing represents approximately 1.32 per cent. of the Aspial Group NTA. Notwithstanding that the Aggregate Consideration on Closing is less than five per cent. of the Aspial Group NTA (being the threshold stipulated in Chapter 9 of the Listing Manual beyond which the listed company is required to seek its shareholders’ approval for any

Interested Person Transaction), the Company wishes to seek approval for the Proposed Disposal from the independent Shareholders at the EGM.

1.4 Appointment of IFA

ZICO Capital Pte. Ltd. ("ZICO Capital") has been appointed by the Company as the independent financial adviser ("IFA") to advise the directors of the Company who are considered independent in respect of the IPT General Mandate and the Specific IPTs ("Independent Directors"), for the purposes of making their recommendation to the independent Shareholders in respect of the IPT General Mandate and the Specific IPTs.

This IFA letter ("IFA Letter") is issued pursuant to Rules 920(1)(b)(v) and 921 (4)(a) of the Listing Manual, and is addressed to the Independent Directors to provide an opinion on whether (i) the methods and procedures set out in the IPT General Mandate are sufficient to ensure that the Mandated Corporate Guarantee Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders; and (ii) the financial terms of the Specific IPTs are normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders. This IFA Letter forms part of the circular to Shareholders dated 23 July 2019 ("Circular") to be despatched to Shareholders in relation to the IPT General Mandate and the Specific IPTs.

2. TERMS OF REFERENCE

ZICO Capital has been appointed as the IFA to advise the Independent Directors in respect of the IPT General Mandate and the Specific IPTs.

We have confined our evaluation strictly and solely on the methods and procedures set out in the IPT General Mandate and the financial terms of the Specific IPTs. Our terms of reference do not require us to evaluate or comment on the rationale, legal and commercial risks and/or merits (if any) of the IPT General Mandate, the Specific IPTs, or on the future financial performance or prospects of the Company and its subsidiaries and we have not made such evaluations or comments. Such evaluations or comments shall remain the sole responsibility of the directors (the "Directors") and the management (the "Management") of the Company although we may draw upon their views or make such comments in respect thereof (to the extent deemed necessary or appropriate by us) in arriving at our recommendation as set out in this IFA Letter.

We are not and were not involved or responsible, in any aspect, in the negotiations pertaining to the IPT General Mandate and the Specific IPTs, nor were we involved in the deliberations leading up to the decision on the part of the Directors to adopt the IPT General Mandate and propose the Specific IPTs, and we do not, by this IFA Letter, warrant the merits of the IPT General Mandate or the Specific IPTs other than to express an opinion on whether (i) the methods and procedures set out in the IPT General Mandate are sufficient to ensure that the Mandated Corporate Guarantee Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders; and (ii) the financial terms of the Specific IPTs are normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

In the course of our evaluation of the methods and procedures set out in the IPT General Mandate and the financial terms of the Specific IPTs, we have held discussions with the Directors and the Management. We have also examined publicly available information collated by us as well as information, both written and verbal, provided to us by the Directors and the Management, including information contained in the Circular. We have relied on, and assumed without independent verification, the accuracy and completeness of such information, whether written or verbal, and accordingly cannot and do not make any warranty or representation, express or implied, in respect of, and do not accept any responsibility for the accuracy, completeness or adequacy of, such information or representations.
We have relied upon the assurances from the Directors and the Management (including those who may have delegated detailed supervision of the Circular), who have accepted full responsibility for the accuracy and completeness of the information provided to us, that, to the best of their knowledge and belief, they have taken reasonable care to ensure that the facts stated and opinions expressed by them or the Company in the Circular are fair and accurate in all material aspects. The Directors have confirmed to us that, to the best of their knowledge and belief, there is no other information or fact, the omission of which would cause any statement in the Circular in respect of the Group, the IPT General Mandate and the Specific IPTs to be inaccurate, incomplete or misleading in any material respect. Whilst care has been exercised in reviewing the information upon which we have relied, we have not independently verified such information but nevertheless have made such enquiry and judgement as we have deemed necessary and have found no reason to doubt the accuracy or reliability of the information upon which we have relied.

For the purposes of assessing the methods and procedures set out in the IPT General Mandate and the financial terms of the Specific IPTs and reaching our conclusions thereon, we have not relied upon any financial projections or forecasts in respect of the Company or the Group. We are not required to express, and we do not express, any view on the growth prospects and earnings potential of the Company or the Group in connection with our opinion in this IFA Letter.

We have not made an independent evaluation or appraisal of the assets and liabilities (including without limitation, property, plant and equipment) of the Group. We have not been furnished with any such evaluation or appraisal, except for the valuation certificates (the “Valuation Certificates”) and valuation reports (the “Valuation Reports”) in respect of the Properties (as defined herein) from the independent professional valuers appointed by the Company in connection with the Proposed Disposal (the “Independent Valuers”). We have placed sole reliance thereon for the valuation and information contained in the Valuation Certificates (which are set out in Appendix 4 of the Circular) and the Valuation Reports (which is a document available for inspection at the registered office of the Company). We are not involved in the preparation of, and assume no responsibility for the Valuation Certificates and the Valuation Reports. We have not made any independent verification of the contents thereof. Accordingly, no representation or warranty, express or implied, is made and no responsibility is accepted by us concerning the accuracy, completeness or adequacy of such information.

Our recommendations are based upon market, economic, industry and other conditions prevailing, as well as information made available to us, as at 11 July 2019 (the “Latest Practicable Date”). Such conditions and information may change significantly over a short period of time. We assume no responsibility to update, revise or reaffirm our recommendations in light of any subsequent developments after the Latest Practicable Date that may affect our recommendations contained therein. Shareholders should take note of any announcements relevant to their consideration of the IPT General Mandate and the Specific IPTs, which may be released after the Latest Practicable Date.

In rendering our advice and providing our recommendation, we did not have regard to the specific investment objectives, financial situation, tax position, risk profiles or unique needs and constraints of any Shareholder. We recommend that any Shareholder who may require specific advice in relation to his investment objective(s) or portfolio(s) should consult his legal, financial, tax or other professional advisers immediately.

The Company has been advised by its own legal advisers in the preparation of the Circular (other than this IFA Letter). We have had no role or involvement and have not provided any advice (financial or otherwise) whatsoever in the preparation, review and verification of the Circular (other than this IFA Letter) and our responsibility is as set out above in relation to this IFA Letter. Accordingly, we take no responsibility for, and express no views, whether expressed or implied, on the contents of the Circular (except for this IFA Letter).

We have prepared this IFA Letter for the use by the Independent Directors in connection with their consideration of the IPT General Mandate and the Specific IPTs, but any
recommendations made by the Independent Directors in respect of the IPT General Mandate and the Specific IPTs shall remain their sole responsibility. Whilst a copy of this IFA Letter may be reproduced in the Circular, neither the Company, the Directors nor any other persons may reproduce, disseminate or quote this IFA Letter (or any part thereof) for any purposes (other than for the consideration of the IPT General Mandate and the Specific IPTs) at any time and in any manner without the prior written consent of ZICO Capital. Our opinion in relation to the IPT General Mandate and the Specific IPTs should be considered in the context of the entirety of this IFA Letter and the Circular.

3. THE IPT GENERAL MANDATE

Information on the IPT General Mandate is set out in Appendix 1 to the Circular. Shareholders are advised to read Appendix 1 to the Circular carefully.

3.1 Scope and Validity

Chapter 9 of the Listing Manual governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company’s interested persons. When this chapter applies to a transaction with an interested person and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders’ approval for that transaction.

It is anticipated that the Company would, in the ordinary course of business, enter into Mandated Corporate Guarantee Transactions for the benefit of the Maxi-Cash Group. In view of the time-sensitive nature of commercial transactions and the possible frequency of such commercial transactions, it would be advantageous to approve the IPT General Mandate to enter into the Mandated Corporate Guarantee Transactions in the normal course of business, provided that all such transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

The IPT General Mandate will cover the Mandated Corporate Guarantee Transactions, except for those with a value below S$100,000, as the threshold and aggregate requirements of Chapter 9 of the Listing Manual do not apply to such transactions.

The approval of the IPT General Mandate will take effect from the date of the passing of Ordinary Resolution 1 until (i) (unless earlier revoked or varied by the Company in general meeting) the conclusion of the next annual general meeting of the Company or (ii) the date by which the next annual general meeting is required to be held, or (iii) the date on which Maxi-Cash ceases to be a subsidiary of the Company, whichever is the earliest. It is intended that approval from Shareholders for a renewal of the IPT General Mandate will be sought at each subsequent annual general meeting of the Company, subject to satisfactory review by the Audit Committee of its continued application to the Mandated Corporate Guarantee Transactions.

3.2 Entity at Risk and Class of Interested Persons

The Company is considered an “entity at risk” for the purposes of Chapter 9 of the Listing Manual in relation to the IPT General Mandate. The class of Interested Persons to be covered in the IPT General Mandate is the Maxi-Cash Group.
3.3 Rationale for and Benefits of the IPT General Mandate

Information on the rationale for and benefits of the IPT General Mandate is set out in paragraph 4 of Appendix 1 to the Circular. Shareholders are advised to read paragraph 4 of Appendix 1 to the Circular carefully.

3.4 Methods and Review Procedures for the Mandated Corporate Guarantee Transactions

Details on the methods and review procedures are set out in paragraph 5 of Appendix 1 to the Circular. Shareholders are advised to read paragraph 5 of Appendix 1 to the Circular carefully.

We note that the methods and procedures include, *inter alia*, the following:

(a) the guarantee fee chargeable by the Company for the provision of such corporate guarantees to the Maxi-Cash Group shall be not less favourable than the rates charged by third party financial institutions to provide corporate guarantees taking into consideration, *inter alia*, the loan quantum, the collateral arrangements and the terms of repayment;

(b) the Mandated Corporate Guarantee Transactions shall be entered into by the Company only if the prior approval of the relevant approving authority in the Company (who does not have any conflict of interests, whether direct or indirect, in relation to the transactions) is obtained for individual transactions where the amount guaranteed by, and the guarantee fees payable to the Company under, each Mandated Corporate Guarantee Transaction is equal to or exceeding S$100,000 in value. Specifically, prior approval of the Audit Committee (excluding any member who is a KohSibling or an associate of a Koh Sibling) will be obtained for individual transactions exceeding 3.0 per cent. of the Aspial Group NTA in value; and

(c) other monitoring and review procedures, including (i) maintaining a register of all transactions carried out by the Company with interested persons, whether mandated or non-mandated; (ii) incorporating a review of all Interested Person Transactions, whether mandated or non-mandated, in the internal audit plan; and (iii) quarterly reviews by the Audit Committee.

3.5 Disclosure in the Annual Report

Pursuant to Rule 920(1)(a) of the Listing Manual:

(a) the Company will announce the aggregate value of transactions conducted with the Maxi-Cash Group pursuant to the IPT General Mandate for the relevant financial periods which the Company is required to report on pursuant to Rule 705 of the Listing Manual and within the time required for the announcement of such reports;

(b) disclosure will also be made in the Company's annual report of the aggregate value of transactions conducted with the Maxi-Cash Group pursuant to the IPT General Mandate during the financial year, and in the annual reports for subsequent financial years in which the IPT General Mandate continues in force, in accordance with the requirements of Chapter 9 of the Listing Manual; and

(c) the name of the relevant Maxi-Cash Group Entity and the corresponding aggregate value of the Mandated Corporate Guarantee Transactions will be presented substantially in the format set out in Rule 907 of the Listing Manual.
4. THE LOAN AGREEMENT

4.1 Overview

The Company had on the Announcement Date announced (such announcement, the "Announcement") that it intends to enter into the Loan Agreement with Aspial Treasury and Maxi-Cash pursuant to which the Company and/or Aspial Treasury shall extend term loans to the Maxi-Cash Group in the form of a revolving credit line, for up to an aggregate principal sum of S$50,000,000. The Loan Agreement may be terminated by the Company or Aspial Treasury upon (i) the Company or Aspial Treasury giving one month's written notice to Maxi-Cash or (ii) if any event of default occurs. The Company and Aspial Treasury shall periodically review the terms of the Loan Agreement to ensure that the Loan Agreement continues to be on normal commercial terms and is not prejudicial to the interests of the Company and its minority shareholders. The loan proceeds will be utilised for the purposes of financing the Maxi-Cash Group’s general working capital requirements and/or repayment of the Maxi-Cash Group’s existing loans.

4.2 Conditions

The Loan Agreement is subject to and conditional upon:

(a) the Company obtaining, at the EGM to be convened, approval from independent Shareholders for the entry into the Loan Agreement; and

(b) Maxi-Cash obtaining, at an extraordinary general meeting to be convened, approval from the independent shareholders of Maxi-Cash for the entry into the Loan Agreement.

4.3 Principal terms of the Loan Agreement

The principal terms of the Loan Agreement are set out below:

Principal Amount : Up to S$50,000,000 in aggregate

Lender : The Company and/or Aspial Treasury

Borrower(s) : Any member of the Maxi-Cash Group

Repayment : Term of repayment of each of the Loans shall be mutually agreed between the relevant lender and the relevant borrower, and such term may be extended by mutual agreement between the relevant lender and the relevant borrower, provided that the term of repayment of each Loan shall not in any event exceed five years from the date of disbursement of such Loan to the relevant borrower.

On the date of repayment, the relevant borrower shall repay all outstanding sums due to the relevant lender under the Loan Agreement, together with any interest accrued thereon.

Interest Rate : The relevant lender’s prevailing Cost of Funds (with written evidence provided to the relevant borrower on the calculation of such Cost of Funds) at the time of each drawdown plus 0.5 per cent..
Such interest shall accrue daily on the outstanding principal amount of the Loan from the date on which each Loan is advanced to its date of repayment, and shall be payable on the earlier of (i) the date of repayment of the principal or (ii) within three business days of the end of each agreed interest period.

“Cost of Funds” means the cost of borrowing incurred by the relevant lender, such cost including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the borrowing, in order to provide a Loan.

5. EVALUATION OF THE LOAN AGREEMENT

In our evaluation of the Loan Agreement, we have given due consideration to, *inter alia*, the following key factors:

(a) rationale and benefit of the Loan Agreement;
(b) evaluation of the terms of the Loan Agreement; and
(c) other relevant considerations.

5.1 Rationale and benefit of the Loan Agreement

It is not within our terms of reference to comment or express an opinion on the merits of the entry into the Loan Agreement or the future prospects of the Group after the proposed entry into the Loan Agreement. Nevertheless, we have extracted the Company’s rationale for the proposed entry into the Loan Agreement as set out in paragraph 3.2 of Appendix 2 to the Circular, and reproduced them in italics below:

“The Company is of the view that the entry into the Loan Agreement will benefit the Company in terms of its utilisation of its excess cash flows and provide it with an additional revenue stream and enhance its profitability. It will also allow the Maxi-Cash Group (which is part of the Aspial Group) to continue their operations with minimal restrictions as the Loans shall be used towards working capital.”

5.2 Evaluation of the Loan Agreement

In assessing the financial terms of the Loan Agreement, we have considered the following:

(a) comparison with the salient statistics of selected precedent interested person loan transactions involving companies listed on the SGX-ST;
(b) comparison with Maxi-Cash Group’s existing debt facilities; and
(c) comparison with loans extended by the Aspial Group to other subsidiaries in the Aspial Group.

5.2.1 Comparison with selected precedent interested person loan transactions involving companies listed on the SGX-ST

In assessing the Loan Agreement, we have looked at the salient statistics of selected precedent loan transactions involving companies listed on the SGX-ST transactions and their interested persons ("Precedent Loan Transactions"), as announced during the 12-month period.
preceding the Announcement Date, and up to and including the Latest Practicable Date, for which information is publicly available.

Shareholders should note that the business activities, scale of operations, risk profile, geographical spread, operating and financial leverage, market capitalisation and composition of business activities, cash flow requirement, track record, future prospects and other relevant criteria of each of the companies and the interested persons involved in the Precedent Loan Transaction, as the case may be, are not identical to the Aspial Group or the Maxi-Cash Group. Such factors would impact the structure and pricing of the respective loan transactions. In addition, we note that the values of the Precedent Loan Transactions did not require the transactions to be subject to shareholders’ approval. Accordingly, the Precedent Loan Transactions may not be directly comparable with the Loan Agreement, and such comparative analyses are for illustrative purposes only and should serve only as a general guide.

A comparison of the salient terms of the Loan Agreement against the Precedent Loan Transactions is set out below.

Notes:

(1) Term of repayment of each of the Loans shall be mutually agreed between the relevant lender and the relevant borrower, and such term may be extended by mutual agreement between the relevant lender and the relevant borrower, provided that the term of repayment of each Loan shall not in any event exceed five years from the date of disbursement of such Loan to the relevant borrower.

(2) Cost of Funds means the cost of borrowing incurred by the Company and/or Aspial Treasury, such cost including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the borrowing, in order to provide a Loan. The Directors and the Management have advised that the prevailing Cost of Funds for the Company is 6.64 per cent. per annum.

Based on the above, we note that the proposed interest rate charged by the Company and/or Aspial Treasury under the Loan Agreement is within the range of interest rates observed in the Precedent Loan Transactions. The Precedent Loan Transactions are all on an unsecured basis, similar to the terms of the Loan Agreement.

5.2.2 Comparison with Maxi-Cash Group’s existing debt facilities

The Loans will bear interest rate based on the Company’s or Aspial Treasury’s prevailing Cost of Funds plus 0.5 per cent., where the Cost of Funds refers to the cost of borrowing incurred by the relevant lender, such cost including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the borrowing, in order to provide a Loan. We understand from the Directors and the Management that the Loans will be financed through unsecured term notes issued by the Company and/or Aspial Treasury under the Multicurrency
Debt Issuance Programme, as this is currently the sole source of funds from which the Company and/or Aspial Treasury will be able to draw upon to provide the Loans.

Accordingly, for illustrative purposes, we have considered the Company’s cost of funds (before factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the funding) to be the interest rate of the recent term notes issued by Aspial Treasury on 11 October 2018 with maturity date on 11 October 2021, which is at 6.25 per cent. per annum. The interest rate on the Loans would thus be 6.75 per cent. per annum (before factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the Loans), being the aforementioned cost of funds plus 0.5 per cent. as set out in the Loan Agreement. This is higher than (i) the weighted average effective interest rates per annum of Maxi-Cash Group’s bank borrowings and term loans as at the end of FY2018, which ranged from 2.11 per cent. to 2.95 per cent.; and (ii) the interest rate of the term notes issued by the Maxi-Cash Group as at the end of FY2018 of 5.50 per cent. per annum, under a Multicurrency Medium Term Note programme (the “MTN Programme”). We note that the Maxi-Cash Group announced on 1 July 2019, its offer to (a) buy back for cash up to S$5 million in aggregate the principal amount of the existing notes under the MTN Programme which are due to mature on 27 April 2020 (“Existing Notes”); or (b) exchange any and all outstanding Existing Notes for a like principal amount of Singapore dollar-denominated 6.35 per cent. notes due 2022 (“Exchange Offer”). The interest rate of 6.75 per cent. per annum in relation to the Loans (based on 0.5 per cent. plus the assumed cost of funds of 6.25 per cent. per annum before factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the funding) is also higher than the interest rate of 6.35 per cent. per annum in relation to the Exchange Offer.

5.2.3 Comparison with loans extended by the Aspial Group to other subsidiaries in the Aspial Group

World Class Global Limited (“WCG”) is a 81.11 per cent. owned subsidiary of the Company. Mr Koh Wee Seng, a Director, Chief Executive Officer and controlling shareholder of the Company also has direct shareholding interests of 2.48 per cent. in WCG.

The Aspial Group had on 1 March 2016 entered into a revolving loan agreement (“WCG Revolving Loan”) with WCG, pursuant to which Aspial Group agreed to extend loans of up to an aggregate principal sum of S$400 million to finance the working capital of WCG and its subsidiaries (“WCG Group”). The loans were interest-bearing at Aspial Group’s prevailing cost of funds plus 0.5 per cent., unsecured, and with varying maturities between one and 12 months as WCG may determine, or such other periods as may be agreed between Aspial Group and WCG.

In addition to the WCG Revolving Loan, the Aspial Group had also entered into a fixed loan agreement (“WCG Fixed Loan”) with WCG on 1 March 2016, pursuant to which Aspial Group agreed to extend interest-bearing loans at Aspial Group’s cost of funds plus 0.5 per cent. of up to an aggregate principal sum of S$100 million, or such other sums as may be agreed between Aspial Group and WCG, for the purposes of financing WCG Group’s working capital requirements for a period of 12 months after WCG’s listing.

We note that the interest rate under the WCG Revolving Loan and WCG Fixed Loan were based on the same formula as that under the Loan Agreement, at Aspial Group’s cost of funds plus 0.5 per cent.

5.3 Other relevant considerations

We note that the interest rate charged for the Loans will take into account the cost of borrowing incurred by the Company and/or Aspial Treasury, such cost including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the borrowing, in order to provide a Loan.

(the “Conditions”).

(c) **Aggregate Consideration on Closing.** The aggregate consideration that Aspial shall receive from the sale of the Aspial Property Shares on Closing is S$5,381,719. The Aggregate Consideration on Closing was arrived at based on arm’s length negotiations between the Company and Maxi-Cash and on a willing-buyer and willing-seller basis, after taking into account the value of the Properties of S$34,000,000 as set out in the Valuation Certificates and the Valuation Reports. The Company and Maxi-Cash have agreed that for the purposes of arriving at the Aggregate Consideration on Closing, the value of the Properties will be fixed at S$33,800,000. Where the Final Aggregate Consideration is higher than the Aggregate Consideration on Closing, Maxi-Cash will be required to pay to the Company the difference between the Final Aggregate Consideration and the Aggregate Consideration on Closing, in accordance with the terms of the Share Purchase Agreement. Conversely, where the Final Aggregate Consideration is lower than the Aggregate Consideration on Closing, the Company will be required to pay to Maxi-Cash the difference between the Final Aggregate Consideration and the Aggregate Consideration on Closing, in accordance with the terms of the Share Purchase Agreement.

(f) **Long Stop Date.** Shareholders should note that if any of the Conditions are not satisfied by 31 December 2019, the Share Purchase Agreement will terminate automatically without prejudice to any liabilities arising from any breach of the Share Purchase Agreement by any of the parties thereto, save as set out in the Share Purchase Agreement.
7. EVALUATION OF THE PROPOSED DISPOSAL

In our evaluation of the Proposed Disposal, we have given due consideration to, *inter alia*, the following key factors:

(a) rationale and benefit of the Proposed Disposal;
(b) terms of the Proposed Disposal;
(c) the financial effects of the Proposed Disposal; and
(d) other relevant considerations.

7.1 Rationale and benefit of the Proposed Disposal

It is not within our terms of reference to comment or express an opinion on the merits of the Proposed Disposal or the future prospects of the Group after the Proposed Disposal. Nevertheless, we have extracted the Company’s rationale for the Proposed Disposal as set out in paragraph 3.3 of the Circular and reproduced them in italics below:

“The proceeds of the Proposed Disposal will be utilized for general working capital, partial repayment of existing facilities and development of existing projects. The realized gain on disposal pursuant to the Proposed Disposal for the Company is approximately $3,381,719, calculated by taking the Aggregate Consideration on Closing of $5,381,719 less the Company’s investment cost of $2,000,000 in Aspial Property. Accordingly, the Company is of the view that the gains received on the disposal of the Aspial Property Shares will strengthen the balance sheet of the Company.”

7.2 Terms of the Proposed Disposal

In assessing the terms of the Proposed Disposal, we have considered the following:

(a) net asset value (“NAV”) and revalued net asset value (“RNAV”) of Aspial Property;
(b) valuation multiples of selected listed companies which are broadly comparable to Aspial Property; and
(c) valuation multiples implied in selected transactions involving target companies which are in an industry similar to that of Aspial Property (the “Precedent Transactions”).

7.2.1 NAV of Aspial Property

Given the asset intensive nature of Aspial Property’s core property business, we have adopted a NAV-based valuation approach to analyse the Aggregate Consideration on Closing. Property-related companies such as Aspial Property are often valued using an NAV-based approach as their asset backings are perceived as providing support for the value of their equity, while the reported annual earnings of property-related companies may vary considerably over time and between companies due to factors such as the stage of development of its properties and periodic revaluation of properties.

Based on Aspial Property’s audited financial statements for FY2018, the NAV of Aspial Property as at 31 December 2018 was approximately $1.8 million.

We note that the Aggregate Consideration on Closing represents a premium of approximately 200.5% to the NAV of $1.8 million as at 31 December 2018.
### RNAV of Aspial Property

In connection with the Proposed Disposal, the Company has commissioned independent valuations to determine the market value of all the properties in which Aspial Property has interests (the “Properties”). A summary of the valuation figures for the Properties, and Aspial Property’s effective share of the net revaluation surplus is set out below.

**Note:**

\(^{(1)}\) The net revaluation surplus for each of the Properties is computed by the Management after taking into consideration the net book value of such Properties as at 31 December 2018 and their respective current valuations as indicated in the Valuation Certificates and the Valuation Reports.

The valuation of the Properties as set out above is based on the Valuation Certificates and the Valuation Reports issued by the Independent Valuers which were conducted in accordance with the Singapore Institute of Surveyors and Valuers (SISV) Valuation Standards and Guidelines and/or International Valuation Standards (IVS). Further information on the Properties including the basis for such valuation is set out in the respective Valuation Certificates which are set out in Appendix 4 of the Circular.
Based on the above, the following adjustments have been made to determine the RNAV of Aspial Property for the purposes of our analysis:

*Source: The Management’s estimates and Aspial Property’s financial statements*

We wish to highlight that Aspial Property has not earned or recorded such net revaluation surplus as at the Latest Practicable Date. There is no assurance that any surplus or income will eventually be recorded by Aspial Property on the Properties, or if any surplus or income are to be recorded by Aspial Property on the Properties, the surplus or income will be the same as those indicated in the table above. Save for the Properties, the other assets of Aspial Property have not been revalued for the purpose of determining the RNAV of Aspial Property.

We note that the Aggregate Consideration on Closing represents a discount of approximately 3.6% to the RNAV of Aspial Property as at 31 December 2018.

We have also considered whether, save for the Properties, there are any tangible assets which should be valued at an amount that is materially different from that which were recorded in the financial statements of Aspial Property as at 31 December 2018, and whether there are any factors which have not been otherwise disclosed in the financial statements of Aspial Property that are likely to impact the NAV of Aspial Property as at 31 December 2018. In this regard, the Directors and the Management have confirmed to us that as at the Latest Practicable Date, to the best of their knowledge and belief:

(a) there are no material fluctuations or changes to Aspial Property’s business operations since 1 January 2019 and up to the Latest Practicable Date, which would result in a material impact on the overall financial performance of Aspial Property;

(b) save for the Properties, there are no material differences between the realisable value of Aspial Property’s assets and their respective book values as at 31 December 2018, which would result in a material impact on the NAV of Aspial Property;

(c) there are no liabilities which values would be materially different from those recorded in the audited financial statements of Aspial Property as at 31 December 2018;

(d) there are no contingent liabilities, bad or doubtful debts or material events which are likely to have a material impact on the NAV of Aspial Property;

(e) there are no litigation, claims or proceedings pending or threatened against Aspial Property or any fact likely to give rise to any proceedings which might materially and adversely affect the financial position of Aspial Property;

(f) there are no intangible assets which ought to be included in the audited statement of financial position of Aspial Property as at 31 December 2018 in accordance with Singapore Financial Reporting Standards (International) and which have not been disclosed and where such intangible asset would have had a material impact on the overall financial position of Aspial Property;
(g) there are no material acquisitions or disposals of assets by Aspial Property since 1 January 2019 and up to the Latest Practicable Date, and Aspial Property does not have any plans for any impending material acquisitions or disposal of assets, conversion of the use of its material assets or material change in the nature of its business; and

(h) there is no potential or anticipated impairment of the Properties subsequent to 31 December 2018.

7.2.3 Comparison of valuation multiples of selected listed companies whose businesses are broadly comparable to Aspial Property

For the purpose of assessing the Aggregate Consideration on Closing, we have referred to the valuation statistics of selected listed companies whose businesses are broadly comparable to the business activities of the Aspial Property ("Comparable Companies"), with operations predominantly in Singapore. We have had discussions with the Directors and the Management about the suitability and reasonableness of the Comparable Companies as a basis of comparison with the Aspial Property.

Relevant information has been extracted from Bloomberg L.P.. We make no representations or warranties, express or implied, as to the accuracy or completeness of such information. The accounting policies of the Comparable Companies with respect to the values for which the assets, revenue or cost are recorded may differ from that of the Aspial Property.

We wish to highlight that the list of Comparable Companies is not exhaustive. Furthermore, the Comparable Companies may differ from the Aspial Property in terms of, inter alia, composition of business activities, asset base, size of operations, geographical spread, clientele base, track record, financial performance, operating and financial leverage, risk profile, liquidity, accounting policies, future prospects and other relevant criteria. We also wish to highlight that, unlike Aspial Property which is solely a property investment company, the Comparable Companies are involved in property development and/or property investments, as the case may be. As such, any comparison made is necessarily limited and merely serves as an illustrative guide.

The following is a brief description of the Comparable Companies:

In our evaluation, we have considered the following widely used valuation measures:

<table>
<thead>
<tr>
<th>Valuation Measure</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Enterprise Value/Earnings before interests, taxes, depreciation and amortisation (“EV/EBITDA”)</td>
<td>Enterprise value (&quot;EV&quot;) refers to the sum of a company’s market capitalisation, preferred equity, minority interests, short and long term debts (inclusive of finance lease liabilities), less its cash and cash equivalents. “EBITDA&quot; stands for earnings before interest, tax, depreciation and amortisation. The EV/EBITDA multiple is an earnings-based valuation measure which illustrates the ratio of the market value of a company relative to its historical or trailing 12-month pre-tax operating cashflow performance, without regard to its capital structure.</td>
</tr>
<tr>
<td>P/E</td>
<td>P/E multiple or earnings multiple is an earnings-based valuation measure, and is the ratio of a company’s market capitalisation divided by the historical or trailing 12-month earnings attributable to shareholders. The P/E ratio is affected by, inter alia, the capital structure of a company, its tax position as well as its accounting policies relating to depreciation and amortisation.</td>
</tr>
<tr>
<td>P/NAV</td>
<td>P/NAV multiple is an asset-based valuation measure, and is the ratio of a company’s share price divided by NAV per share as recorded in its financial statements. The NAV of a company is defined as its total assets (including intangible assets) less its total liabilities, and excludes, where applicable, minority interests. The NAV figure provides an estimate of the value of a company assuming the hypothetical sale of all its assets at its book value, the proceeds of which are first used to settle liabilities and obligations, with the balance available for distribution to shareholders. Comparisons of companies using their NAVs are affected by differences in accounting policies, in particular, depreciation and amortisation policies.</td>
</tr>
</tbody>
</table>
The valuation multiples of the Comparable Companies set out below are based on their respective last transacted share prices as at the Latest Practicable Date. The valuation multiples of the Aspial Property (as implied by the Aggregate Consideration on Closing) are also set out below for comparison.

Note:

“n.m.” – Not meaningful

(1) The multiples of Aspial Property are calculated based on the financials as set out in its latest available financial statements as at the Latest Practicable Date. For the latest 12 months ended 31 December 2018, Aspial Property was in a net loss position.

(2) Based on the NAV of Aspial Property as at 31 December 2018.

(3) Based on the RNAV of Aspial Property as at 31 December 2018.

Based on the above, we note that:

(a) the EV/EBITDA multiple and the P/NAV multiple implied by the Aggregate Consideration on Closing are above the range of corresponding EV/EBITDA multiples and P/NAV multiples of the Comparable Companies; and

(b) comparison of the P/E multiples are not meaningful given Aspial Property’s losses over the most recent 12 months.
7.2.4 Precedent Transactions Analysis

We have identified and reviewed selected transactions announced during the 12-month period preceding the Announcement Date, and up to and including the Latest Practicable Date, involving the acquisitions of equity interest in property related companies in Singapore (the “Precedent Transactions”), which are broadly comparable to the Proposed Disposal, and for which information is publicly available.

Hence, the comparison of the Proposed Disposal with the Precedent Transactions set out above is for illustration purpose only.

**Note:**

1. Based on the NAV as announced by the acquirer.
2. Based on the NAV of Aspial Property as at 31 December 2018.
3. Based on the RNAV of Aspial Property as at 31 December 2018.

Based on the above, we note that the P/NAV multiple implied by the Aggregate Consideration on Closing is above the range of P/NAV multiples of the Precedent Transactions, while the P/RNAV multiple implied by the Aggregate Consideration on Closing is at the higher end of the range of P/NAV multiples of the Precedent Transactions.

### 7.3 Other relevant considerations

#### 7.3.1 No alternative offer for the Aspial Property from third parties

We understand from the Directors that, as at the Latest Practicable Date, there is no other alternative or proposal available to the Company which is comparable to the Proposed Disposal. We also note that there is no publicly available evidence of an alternative offer for the Aspial Property from any third party.
8. OUR OPINION

In arriving at our opinion, we have considered the views and representations made by the Directors and the Management of the Company, and reviewed and deliberated on the factors which we consider to be relevant and to have a significant bearing on our assessment of the IPT General Mandate and the Specific IPTs.

8.1 Our opinion on the IPT General Mandate

In arriving at our opinion on whether the methods and review procedures under the IPT General Mandate are sufficient to ensure that the Mandated Corporate Guarantee Transactions carried out thereunder will be on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders, we have considered the following:

(a) rationale for and benefits of the IPT General Mandate;
(b) the class of Interested Persons and the nature of the Mandated Corporate Guarantee Transactions;
(c) the review procedures in relation to the IPT General Mandate; and
(d) the role of the Audit Committee in reviewing the Mandated Corporate Guarantee Transactions and in enforcing the IPT General Mandate.

Having considered carefully the information available to us as at the Latest Practicable Date and having regard to the considerations set out in paragraph 3 of this IFA Letter, we are of the opinion that the methods and procedures under the IPT General Mandate, if adhered to, are sufficient to ensure that the Mandated Corporate Guarantee Transactions carried out thereunder will be on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders.

8.2 Our opinion on the Loan Agreement

We set out below a summary of the key factors we have taken into our consideration

(a) rationale and benefit of the entry into the Loan Agreement;
(b) the interest rate under the Loan Agreement is within the range of interest rates observed in the Precedent Loan Transactions;
(c) the interest rate under the Loan Agreement of 6.75 per cent. per annum (based on 0.5 per cent. plus the assumed cost of funds of 6.25 per cent. per annum before factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the funding) is higher than (i) the weighted average effective interest rates per annum of bank borrowings and term loans as at the end of FY2018 of the Maxi-Cash Group, which ranged from 2.11 per cent. to 2.95 per cent.; and (ii) the interest rate of the term notes issued by the Maxi-Cash Group as at the end of FY2018 of 5.50 per cent. per annum, under the MTN Programme. We note that the Maxi-Cash Group announced on 1 July 2019, its offer to (a) buy back for cash up to S$5 million in aggregate the principal amount of the existing notes under the MTN Programme which are due to mature on 27 April 2020; or (b) exchange any and all outstanding Existing Notes for a like principal amount of Singapore dollar-denominated 6.35 per cent. notes due 2022. The interest rate of 6.75 per cent. per annum in relation to the Loans (based on 0.5 per cent. plus the assumed cost of funds of 6.25 per cent. per annum before factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred directly in connection with the funding) is also higher than the interest rate of 6.35 per cent. per annum in relation to the Exchange Offer;
(d) the interest rates under the WCG Revolving Loan and WCG Fixed Loan were based on the same formula as that under the Loan Agreement, at Aspial Group’s cost of funds plus 0.5 per cent.; and

(e) other relevant considerations as set out in Section 5.3 of this IFA Letter.

We have carefully considered as many factors as we deem essential and balance them before reaching our opinion. Accordingly, it is important that our IFA Letter, in particular, all the considerations and information which we have taken into account, be read in its entirety.

Having considered carefully the information available to us as at the Latest Practicable Date, and based on our analyses, we are of the opinion that the proposed entry into the Loan Agreement as an Interested Person Transaction is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders.

8.3 Our opinion on the Proposed Disposal

We set out below a summary of the key factors we have taken into our consideration

(a) rationale and benefit of the Proposed Disposal;

(b) the Aggregate Consideration on Closing represents a premium of approximately 200.5% to the NAV of S$1.8 million as at 31 December 2018;

(c) the Aggregate Consideration on Closing represents a discount of approximately 3.6% to the RNAV of Aspial Property as at 31 December 2018;

(d) the EV/EBITDA multiple and the P/NAV multiple implied by the Aggregate Consideration on Closing are above the range of the corresponding EV/EBITDA multiples and P/NAV multiples of the Comparable Companies;

(e) the P/NAV multiple implied by the Aggregate Consideration on Closing is above the range of P/NAV multiples of the Precedent Transactions;

(f) the P/RNAV multiple implied by the Aggregate Consideration on Closing is at the higher end of the range of P/NAV multiples of the Precedent Transactions; and

(g) other relevant considerations as set out in Section 7.3 of this IFA Letter.

We have carefully considered as many factors as we deem essential and balanced them before reaching our opinion. Accordingly, it is important that our IFA Letter, in particular, all the considerations and information which we have taken into account, be read in its entirety.

Having considered carefully the information available to us as at the Latest Practicable Date, and based on our analyses, we are of the opinion that the Proposed Disposal as an Interested Person Transaction is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders.

In arriving at our opinion, we wish to emphasise that the Directors have not provided us with any profit projections of the Aspial Group and we have, inter alia, relied on the relevant statements contained in the Circular, confirmation, advice and representation by the Directors, and the Company’s announcement in relation to the IPT General Mandate and the Specific IPTs. In addition, the Independent Directors should note that we have arrived at our recommendation based on information made available to us prior to and including the Latest Practicable Date. We assume no responsibility to update, review or reaffirm our opinion in light of any subsequent development after the Latest Practicable Date, unless otherwise stated.
We would like to highlight that we do not express any opinion on the commercial merits of the IPT General Mandate and the Specific IPTs, which remains the sole responsibility of the Directors. It is also not within our terms of reference to provide an opinion on the relative merits of the IPT General Mandate and the Specific IPTs vis-à-vis any alternative transactions previously considered by the Company or transactions that the Company may consider in the future.

We have prepared this IFA Letter pursuant to Rules 920(1)(b)(v) and 921 (4)(a) of the Listing Manual, and for the use by the Independent Directors in connection with their consideration of the IPT General Mandate and the Specific IPTs, but any recommendations made by the Independent Directors in respect of the IPT General Mandate and the Specific IPTs shall remain their sole responsibility. Whilst a copy of this IFA Letter may be reproduced in the Circular, neither the Company, the Directors nor any other persons may reproduce, disseminate or quote this IFA Letter (or any part thereof) for the purposes (other than for the consideration of the IPT General Mandate and the Specific IPTs) at any time and in any manner without the prior written consent of ZICO Capital.

This opinion is governed by, and construed in accordance with, the laws of Singapore, and is strictly limited to the matters stated herein and does not apply by implication to any other matter.

Yours faithfully
For and on behalf of
ZICO Capital Pte. Ltd.
