### ANNOUNCEMENT ON INFORMATION RELATING TO TRADING HALT

---

The Board of Directors (the “**Board**”) of Atlantic Navigation Holdings (Singapore) Limited (the “**Company**”) refers to the Company’s trading halt on 6 October 2014 (“**Trading Halt**”). The Board wishes to inform shareholders that Trading Halt was called for to facilitate the release of an announcement relating to a placement of new ordinary shares in the Company which the Company had initially intended to undertake (“**Proposed Placement**”).

However, the Board was subsequently advised by the placement agent which the Company had intended to engage for purposes of the Proposed Placement (“**Proposed Placement Agent**”) against proceeding with the Proposed Placement due to prevailing unfavourable market conditions. In particular, the Proposed Placement Agent had considered the volatility of the stock market conditions between 7 October 2014 and 8 October 2014, during which the share prices of comparable companies was noted to have declined between approximately 4% and 14%.

Having considered the advice of the Proposed Placement Agent, the Board has decided against proceeding with the Proposed Placement for the time being.
