

## AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To the Shareholders and the Board of Directors of Sri Trang Agro-Industry Public Company Limited

I have reviewed the accompanying consolidated and company statements of financial position as at 30 June 2014, the related consolidated and company statements of comprehensive income, changes in shareholders' equity and cash flows for the three-month and six-month period then ended, and condensed notes to interim financial information of Sri Trang Agro-Industry Public Company Limited and its subsidiaries and of Sri Trang Agro-Industry Public Company Limited, respectively. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

### *Scope of review*

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

### *Conclusion*

Based on my review, nothing has come to my attention that causes me to believe that the interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34, "Interim Financial Reporting".
