PRESS RELEASE

Beng Kuang Awarded New Projects with an Aggregate Contract Value of S$15.9 Million

- Under its Infrastructure Engineering Division, the Group has been awarded new projects of deck equipment and shipbuilding with an aggregate contract value of approximately S$8.1 million and S$7.8 million respectively

- The new contracts has significantly boosted the Group's aggregated contract value awarded of approximately S$22.1 million to date

- Barring unforeseen circumstances, these new contracts provide revenue visibility ahead and are expected to contribute positively to the Group's financial performance throughout the duration of the contracts

Singapore, 6 November 2025 – **Beng Kuang Marine Limited** ("**明光集团**" or the "**Company**", and together with its subsidiaries, the "**Beng Kuang Group**"), is pleased to announce that the Group has been awarded new projects with an aggregate contract value of approximately S$15.9 million.

Taken together with the contract (announced on 7 May 2025) of approximately S$6.2 million (US$4.94 million) for the supply of five units of 30-ton Knuckle Boom Cranes, the Group's aggregated contract value awarded has reached approximately S$22.1 million to date.

While the new contracts are expected to have a positive impact on the net tangible assets per share and earnings per share of the Group for the current financial year ending 31 December 2025, they provide revenue visibility ahead and are expected to contribute positively to the Group's financial performance throughout the duration of the contracts.

Commenting on the new projects awarded, Mr Yong Jiunn Run, Chief Executive Officer of Beng Kuang Group, said: ***"The steady pace of new order wins validates our team's strategic efforts to revitalise and expand our deck equipment and shipbuilding business activities.***

The growing traction of these complementary business segments reinforces the Group's ability to harness value beyond our core operations, strengthening our market positioning and business resiliency."
