

BIOSENSORS INTERNATIONAL GROUP, LTD.

(Incorporated in Bermuda as an exempted company limited by shares)
(Company Registration Number: 24983)

The Board of Directors (the “Board”) of Biosensors International Group, Ltd. (the “Company”) refers to the announcements issued by the Company on 29 October 2015, 12 November 2015, 7 December 2015, 28 December 2015, 14 January 2016, 10 February 2016 and 14 February 2016 on (i) the date of release of its financial results for the Second Quarter and First Half of the Financial Year Ending 31 March 2016 (“2Q 2016 Financial Results”) and its financial results for the Third Quarter of the Financial Year Ending 31 March 2016 (“3Q 2016 Financial Results”, and together with the 2Q 2016 Financial Results collectively, the “2Q and 3Q 2016 Financial Results”) and (ii) the application to the Singapore Exchange Securities Trading Limited (the “SGX-ST”) to extend the deadline for announcing its 2Q and 3Q 2016 Financial Results (collectively, the “Announcements”). Capitalised terms not hereinafter defined shall have the respective meanings ascribed to them in the Announcements.

Further to the Announcements, the Company wishes to announce that it has applied for a further extension of time under Rule 705(2) of the Listing Manual to seek the confirmation of the SGX-ST that it has no objections to an extension of time for the Company to release its 2Q and 3Q 2016 Financial Results no later than the date of the despatch of the Amalgamation Document containing, *inter alia*, the recommendation of the independent directors of the Company in respect of the Amalgamation. The reasons for the further extension of time are as follows:

- (i) As stated in the Announcements, on 4 November 2015 (the “Joint Announcement Date”), the Company had announced the proposed Amalgamation, which is a takeover offer under the Singapore Code on Take-overs and Mergers (the “Code”). Pursuant to Rule 25.6(c) of the Code, any unaudited statements of interim results published by an offeree company during an offer period in cases where the board of the offeree company has not publicly recommended the offer is treated as a profit forecast and therefore, must be reported on by the auditor or reporting accountant and financial adviser in accordance with Rule 25 of the Code, unless this falls under an exemption under the Code. As such, during the offer period, either (i) the auditor or reporting accounting and financial adviser of the Company would have to report on the 2Q and 3Q 2016 Financial Results in accordance with the Code, or (ii) where the board of the offeree company has publicly recommended the offer, the auditor or reporting accounting and financial adviser of the Company would not need to report on the 2Q and 3Q 2016 Financial Results.
- (ii) Further to the subsequent ruling from the Securities Industry Council on the requirements of the Code, the Company wishes to release the 2Q and 3Q 2016 Financial Results no later than the date that the Amalgamation Document is despatched in accordance with the Code. As the review of the Amalgamation Document will not be completed in time for this to be despatched by 19 February 2016, the Company will require a further extension of time for the 2Q and 3Q 2016 Financial Results to be released no later than the date of despatch of the Amalgamation Document.
- (iii) The Company hereby confirms that the requested extension does not contravene any laws and regulations governing the Company and its Bye-laws, and that, save as set out in the 2Q and 3Q 2016 Financial Results, it is not aware of any information that will have a material bearing on the decisions of investors which has yet to be announced by the Company.

The Company will provide further updates on the outcome of the application to the SGX-ST in due course.

The Directors of the Company (including those who have delegated detailed supervision of this announcement) have taken all reasonable care to ensure that the facts stated in this announcement are fair and accurate and that no material facts have been omitted from this announcement, and they jointly and severally accept responsibility accordingly. Where any information has been extracted from published or otherwise publicly available sources, the sole responsibility of the Directors of the Company has been to ensure through reasonable enquiries that such information has been accurately and correctly extracted from such sources or, as the case may be, accurately reflected or reproduced in this announcement.
