

BOUSTEAD CONDUCTS STRATEGIC REVIEW OF ITS SINGAPORE LOGISTICS AND INDUSTRIAL ASSETS

Singapore, 12 June 2025

The Board of Directors (the “**Board**”) of Boustead Singapore Limited (the “**Company**”) wishes to announce that the Company is undertaking strategic reviews in respect of its stakes in its Singapore logistics and industrial real estate assets, which includes a potential sale to a real estate investment trust to be listed on the Mainboard of Singapore Exchange Securities Trading Limited. This strategic review process is part of the Company’s ordinary course of business to periodically consider options and opportunities in respect of its investments to unlock shareholder value, and there is no certainty that any transaction will materialise as a result of this process.

The Company will make the necessary announcements on SGXNET in the event that there are any material developments.

Shareholders and potential investors are advised to refrain from taking any action in respect of their shares in the Company which may be prejudicial to their interests, and to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.

About Boustead Singapore Limited

Established in 1828, Boustead Singapore Limited (SGX:F9D) is a progressive global Infrastructure-Related Engineering and Technology Group listed on the SGX Mainboard.

As Singapore's oldest continuous business organisation, we focus on the niche engineering and development of key infrastructure to support sustainable shared socio-economic growth. Our strong suite of engineering services under our Energy Engineering Division and Real Estate Solutions Division centres on energy infrastructure and smart, eco-sustainable and future-ready real estate developments.

In addition, we provide technology-driven transformative solutions to improve the quality of life for all walks of life. Our Geospatial Division provides professional services and exclusively distributes Esri ArcGIS technology – the world's leading geographic information system, smart mapping and location analytics enterprise platform – to major markets in the Asia Pacific. The enterprise platform develops digital infrastructure solutions and digital twins, empowering intelligent choices for nations, cities and communities and helps them address complex challenges both locally and globally. Enhanced planning and stewardship of vital infrastructure and resources are essential for ensuring economic resilience, safeguarding the environment and maintaining social accountability. Our Healthcare Division provides innovative medical solutions that address age-related chronic diseases and mobility issues, with a focus on rehabilitative care and sports science in the Asia Pacific.

With a vast global network stretching across Asia, Australia, Europe, Africa and the Americas, we are ready to serve the world. To date, we have an installed project base in 95 countries and territories globally.

Over the years, we have been a recipient of many reputable awards including the prestigious Forbes Asia 200 Best Under A Billion Award. In 2019, we were awarded the Most Transparent Company Award and Sustainability Award (Runner-Up) by the Securities Investors Association (Singapore). Between 2020 to 2023, we also ranked among Singapore's Best Employers, Singapore's Fastest Growing Companies and Asia-Pacific High-Growth Companies. We were also honoured with the Corporate Excellence & Resilience Award at the Singapore Corporate Awards 2021 Special Edition.
