### PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED FULL YEAR FINANCIAL RESULTS FOR THE SIX MONTHS AND FULL YEAR ENDED 30 JUNE 2025

---

The Board of Directors (the "**Board**") of CFM Holdings Limited (the "**Company**", and together with its subsidiaries, collectively the "**Group**") wishes to issue a profit guidance for the Group's financial results for the financial year ended 30 June 2025 ("**FY2025**").

Based on the preliminary figures, the Group expects to record a loss after tax for FY2025 as compared to the net profit after tax for the full year ended 30 June 2024 ("**FY2024**"). This was mainly due to significant lower revenue from the metal stamping, components and parts, and cleanroom segments, which resulted from customers overstocking in the previous financial period, end-of-life cycle products and the maturation of customer contracts. However, there was improvement in revenue in the tooling segment.

In spite of lower operational costs and tax expenses, the Company is expected to record a loss after tax for FY2025 as compared to the net profit after tax for FY2024.

The Company is still in the process of finalising its unaudited results for FY2025 and will provide further details of the Group's performance when it announces its unaudited financial results for FY2025 on or before 29 August 2025.

**In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company's shares ("Shares"). When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company's securities.**
