Dear Sir / Madam,

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

The purpose of this Circular is to provide Shareholders with the relevant information relating to, and to seek their approval for, the proposed renewal of the Share Buyback Mandate, at the AGM.

If you are in any doubt as to the course of action you should take, you should consult your stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

The SGX-ST assumes no responsibility for the accuracy of any statements made, opinions expressed or reports contained in this Circular.

This Circular has been prepared solely for the purposes set out herein and may not be relied upon by any persons (other than the Shareholders to whom this Circular is despatched by the Company) or for any other purpose.

2. THE SHARE BUYBACK MANDATE

2.1 Background

The Companies Act allows a Singapore-incorporated company to purchase or otherwise acquire its issued ordinary shares, stocks and preference shares if the purchase or acquisition is permitted under the company's Constitution. Any purchase or acquisition of Shares by the Company must be made in accordance with, and in the manner prescribed by, the Companies Act, the Constitution and such other laws and regulations as may, for the time

LETTER TO SHAREHOLDERS

being, be applicable. As the Company is listed on the Mainboard, it is also required to comply with Part XIII of Chapter 8 of the Listing Manual, which relates to the purchase or acquisition by an issuer of its own shares. Article 12(B) of the Constitution expressly permits the Company to purchase or otherwise acquire its issued Shares.

It is a requirement under the Companies Act and the Listing Manual for a company that wishes to purchase or otherwise acquire its own shares to obtain the approval of its shareholders.

Accordingly, approval is being sought from the Shareholders at the AGM for the proposed renewal of the Share Buyback Mandate.

At the extraordinary general meeting of the Company held on 25 June 2020, Shareholders had approved the Share Buyback Mandate to enable the Company to purchase or otherwise acquire Shares in the capital of the Company. As the said Share Buyback Mandate will expire at the conclusion of the forthcoming AGM, being 29 April 2021, the Directors propose that the Share Buyback Mandate be renewed at the Company's forthcoming AGM. If approved, the renewed Share Buyback Mandate will take effect from the date of the AGM ("Approval Date") and continue in force until the date of the next annual general meeting of the Company or such date of the next annual general meeting is required by law or by its Constitution, unless prior thereto, Share Buybacks are carried out to the full extent mandated or the Share Buyback Mandate is revoked or varied by the Company in the annual general meeting. The Share Buyback Mandate will be put to Shareholders for renewal at each subsequent annual general meeting of the Company.

2.2 Rationale for the Share Buyback Mandate

The Share Buyback Mandate will give the Company the flexibility to undertake Share Buybacks at any time, subject to market conditions, during the period when the Share Buyback Mandate is in force.

The Directors constantly seek to increase Shareholders' value and to improve, *inter alia*, the return of equity of the Group. A Share Buyback at an appropriate price level is one of the ways through which the return on equity of the Group may be enhanced. Share purchases or acquisitions provide the Company with an easy mechanism to facilitate the return of surplus cash over and above the ordinary capital requirements, in an expedient and cost-efficient manner. Share purchases or acquisitions also allow the Directors to exercise control over the Company's share structure and may, depending on market conditions, lead to an enhancement of the EPS and/or NTA per Share of the Company.

The Share Buyback Mandate will provide the Company with an efficient mechanism to enhance return to Shareholders when circumstances permit. The Share Buyback Mandate will also give the Company the opportunity to purchase or acquire Shares when such Shares are undervalued, to help mitigate short-term market volatility and to offset the effects of short-term speculation.

The purchase or acquisition of Shares will only be undertaken if the Directors believe that such purchase or acquisition would benefit the Company and the Shareholders. No purchase or acquisition of Shares will be made in circumstances which the Directors believe would have or may have a material adverse effect on the financial condition, liquidity, orderly trading of the Shares, and/or the working capital requirements of the Company and the Group.

LETTER TO SHAREHOLDERS

2.3 Terms of the Share Buyback Mandate

The authority to make and limitations placed on Share Buybacks by the Company under the Share Buyback Mandate, if renewed at the AGM, are summarised below:

2.3.1 Maximum number of Shares

Only Shares that are issued and fully paid-up may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

The total number of Shares which can be purchased or acquired by the Company pursuant to the Share Buyback Mandate during the Relevant Period is limited to that number of Shares representing not more than 10.0% of the total issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as at the Approval Date, unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Companies Act at any time during the Relevant Period, in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered.

As at the Latest Practicable Date, no Shares were held as treasury shares and the Company has no subsidiary holdings.

Purely for illustrative purposes only, on the basis of 85,291,885 Shares in issue (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the Approval Date, not more than 8,529,188 Shares (representing approximately 10.0% of the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate during the duration referred to in section 2.3.2 below.

2.3.2 Duration of authority

Under the Share Buyback Mandate, Share Buybacks may be made, at any time and from time to time, on and from the Approval Date, up to the earliest of:

- (i) the date on which the next AGM is held or required by law to be held;
- (ii) the date on which Share Buybacks pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (iii) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by resolution of the Shareholders in a general meeting.

The authority conferred on the Directors by the Share Buyback Mandate may be renewed at each subsequent AGM or other general meetings of the Company.

2.3.3 Manner of Share Buybacks

Share Buybacks may be made by way of:

- (i) market purchase(s) transacted on the SGX-ST through the SGX-ST's trading system or, as the case may be, any other securities exchange on which the Shares may, for

LETTER TO SHAREHOLDERS

the time being, be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for such purpose; and/or

- (ii) off-market purchase(s) (if effected otherwise than on the SGX-ST) in accordance with any equal access scheme(s) as defined in Section 76C of the Companies Act, which scheme(s) shall satisfy all the conditions prescribed by the Companies Act and the Listing Manual.

The Directors may impose such terms and conditions, which are not inconsistent with the Share Buyback Mandate, the Companies Act, the Listing Manual and the Constitution, as they consider fit in the interests of the Company in connection with, or in relation to, an equal access scheme(s). Under the Companies Act, an equal access scheme must satisfy all of the following conditions:

- (i) offers for Share Buybacks shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of all the offers are the same, except that there shall be disregarded:
 - (a) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (b) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and
 - (c) differences in the offers introduced solely to ensure that each member is left with a whole number of Shares.

In addition, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed Share Buyback;
- (iv) the consequences, if any, of Share Buybacks by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the Share Buyback, if made, could affect the listing of the Shares on the Official List of the SGX-ST;
- (vi) details of any Share Buyback made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Buybacks, where relevant, and the total consideration paid for such Share Buybacks; and

LETTER TO SHAREHOLDERS

- (vii) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

2.3.4 Maximum purchase price

The purchase price (excluding brokerage, commissions, stamp duties, applicable goods and services tax and other related expenses) to be paid by the Company for a Share will be determined by the Directors.

However, the purchase price to be paid for a Share pursuant to the Share Buyback Mandate as determined by the Directors must not exceed:

- (i) in the case of a Market Purchase, 105.0% of the Average Closing Price (as defined hereinafter) of the Shares; and
- (ii) in the case of an Off-Market Purchase, 120.0% of the Average Closing Price of the Shares,

in each case, excluding related expenses of the Share Buyback.

For the above purposes of determining the Maximum Price:

“Average Closing Price” means the average of the closing market prices of the Shares over the last five (5) Market Days, on which transactions in the Shares were recorded, preceding the day of the Market Purchase or, as the case may be, preceding the date of making an announcement by the Company of an offer for an Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs during the relevant five (5)-day period and the day on which the purchases are made.

2.4 **Status of purchased shares**

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share in accordance with the Companies Act. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

Any Shares purchased or acquired by the Company (other than treasury shares held by the Company to the extent permitted by the Companies Act) and cancelled will be automatically de-listed by the SGX-ST and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase or acquisition.

At the time of each Share Buyback, the Directors will decide whether the Shares purchased or acquired will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, as the Directors deem fit in the interest of the Company at that time, taking into consideration *inter alia* the prevailing circumstances and requirements of the Company then.

LETTER TO SHAREHOLDERS

2.5 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under (i) the Listing Manual, and (ii) the Companies Act, are summarised below:

2.5.1 Maximum holdings

The aggregate number of Shares held as treasury shares cannot at any time exceed 10.0% of the total number of issued Shares.

In the event that the Company holds more than 10.0% of the total number of its issued Shares as treasury shares, the Company shall dispose of or cancel the excess treasury shares in the manner set out under section 2.5.3 below before the end of the period of six (6) months beginning with the day on which such contravention occurs, or such further period as the Registrar of Companies may allow.

2.5.2 Voting and other rights

The Company cannot exercise any right in respect of treasury shares and any purported exercise of such a right is void. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up) may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Furthermore, a subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number is allowed, if the total value of the treasury shares after the subdivision or consolidation is the same as the total value of the treasury share before the subdivision or consolidation, as the case may be.

2.5.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares (or any of them) for cash;
- (ii) transfer the treasury shares (or any of them) for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (iii) transfer the treasury shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares (or any of them); or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister of Finance may by order prescribe.

2.5.4 Reporting obligation under the Listing Manual

Under Rule 704(28) of the Listing Manual, the Company must immediately announce any sale,

LETTER TO SHAREHOLDERS

transfer, cancellation and/or use of treasury shares, stating the following:

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;
- (iii) number of treasury shares sold, transferred, cancelled and/or used;
- (iv) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Source of Funds for Share Buybacks

The Companies Act permits the Company to purchase its own Shares out of the Company's capital or profits so long as the Company is solvent. The Companies Act provides that the Company is solvent if at the date of the relevant payment, the following conditions are satisfied:

- (a) there is no ground on which the Company could be found to be unable to pay its debts;
- (b) if –
 - (i) it is intended to commence winding up of the Company within the period of 12 months immediately after the date of the payment, the Company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the Company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase, acquisition, variation or release of Shares (as the case may be), become less than the value of its liabilities (including contingent liabilities).

The Company will use internal resources and/or external borrowings to finance the Share Buybacks pursuant to the Share Buyback Mandate.

The Directors will only carry out Share Buybacks as and when they consider it to be in the best interest of the Company, and in circumstances which they believe would not result in any material adverse effect on the financial condition, liquidity and working capital of the Company and/or the Group, taking into consideration *inter alia* the availability of financial resources, the Group's ability to service its debts and other obligations, and the prevailing market conditions.

2.7 Financial Effects of the Share Buyback Mandate

LETTER TO SHAREHOLDERS

The financial effects on the Company and the Group arising from purchases or acquisition of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, the aggregate numbers of Shares purchased, the purchase prices paid at the relevant times, whether the Shares purchased or acquired are held in treasury or immediately cancelled on purchase or acquisition, and the amounts (if any) borrowed by the Company to fund the purchases.

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of the Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

Where the consideration paid by the Company for the purchase or acquisition of the Shares is made out of profits, such consideration will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the purchase of Shares is financed through internal resources, it will reduce the cash reserves of the Group and the Company, and thus the current assets and Shareholders' funds of the Group and the Company. This will result in an increase in the gearing ratios of the Group and the Company and a decline in the current ratios of the Group and the Company. The actual impact on the gearing and current ratios will depend on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired.

Where the purchase or acquisition of Shares is financed through external borrowings or financing, there would be an increase in the gearing ratios of the Group and the Company, and a decline in the current ratios and Shareholders' funds of the Group and the Company, with the actual impact dependent on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired.

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares pursuant to the Share Buyback Mandate, based on the audited financial statements of the Company and the Group for FY2020, are based on the following principal assumptions:

- (a) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 1 January 2020 for the purpose of computing the financial effects on the EPS of the Group and the Company;
- (b) the purchase or acquisition of Shares pursuant to the Share Buyback Mandate had taken place on 31 December 2020 for the purpose of computing the financial effects on the Shareholders' funds, NTA per Share, current ratio and gearing of the Group and the Company; and
- (c) transaction costs incurred for the purchase or acquisition of Shares pursuant to the Share Buyback Mandate are assumed to be insignificant and have been ignored for the purpose of computing the financial effects.

2.7.1 Market Purchases

For illustrative purposes only, for Market Purchases, assuming that:

- (i) the Maximum Price is S\$0.1533 which is 105.0% of the Average Closing Price of the Shares over the five (5) trading days preceding the Latest Practicable Date on which transactions in the Shares were recorded; and

LETTER TO SHAREHOLDERS

- (ii) the Company has 85,291,885 Shares in issue (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the Approval Date, such that not more than 8,529,188 Shares (representing approximately 10.0% of the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate,

the maximum amount of funds required for the purchase of up to 8,529,188 Shares under and during the duration of the Share Buyback Mandate, is approximately S\$1.311 million.

On this assumption, the impact of Market Purchases by the Company undertaken in accordance with the proposed Share Buyback Mandate on the Company's and the Group's audited financial statements for FY2020 is as follows:

2.7.2 Off-Market Purchases

For illustrative purposes only, for Off-Market Purchases, assuming that:

- (i) the Maximum Price is S\$0.1752, which is 120.0% of the Average Closing Price of the Shares over the five (5) trading days preceding the Latest Practicable Date on which transactions in the Shares were recorded; and
- (ii) the Company has 85,291,885 Shares in issue (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the Approval Date, such that not more than 8,529,188 Shares (representing approximately 10.0% of the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate,

the maximum amount of funds required for the purchase of up to 8,529,188 Shares under and during the duration of the Share Buyback Mandate, is approximately S\$1.498 million.

On this assumption, the impact of the Off-Market Purchases by the Company undertaken in accordance with the proposed Share Buyback Mandate on the Company's and the Group's audited financial statements for FY2020 is as follows:

- (5) Gearing equals total borrowings divided by Shareholders' funds.
- (6) Current ratio equals current assets divided by current liabilities.

Shareholders should note that the financial effects set out above are for illustrative purposes only. In particular, it is important to note that the above analysis is based on historical audited financial statements for FY2020 and is not necessarily representative of future financial performance.

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10.0% of the issued Shares (excluding treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10.0% of the issued Shares (excluding treasury shares and subsidiary holdings). In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased as treasury shares.

The Company will take into account both financial factors (for example, cash surplus, debt position and working capital requirement) and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a Share Buyback before execution.

2.8 Listing Manual

2.8.1 Free float

The Listing Manual requires a listed company to ensure that at least 10.0% of any class of its listed securities (excluding treasury shares, preference shares and convertible equity securities) must be held by public shareholders.

As at the Latest Practicable Date, 52,801,647 Shares representing approximately 61.91% of the total number of issued Shares (excluding treasury shares) are held by the public.

For illustrative purposes only, assuming that the Company undertakes Share Buybacks up to the full 10.0% limit pursuant to the Share Buyback Mandate, the number of Shares held by the public would be reduced to 44,272,459 Shares representing approximately 57.67% of the total number of issued Shares (excluding treasury shares).

In view of the foregoing, the Company is of the view that there is, at present, a sufficient number of Shares in issue held by the public which would permit the Company to undertake Share Buybacks up to the full 10.0% limit pursuant to the Share Buyback Mandate, without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares

LETTER TO SHAREHOLDERS

remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

2.8.2 Announcement of Share Buybacks

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day on which it purchased its shares; and
- (b) in the case of an Off-Market Purchase, on the second Market Day after the close of acceptances of the offer.

Such announcement should be made in compliance with Appendix 8.3.1 of the Listing Manual.

2.8.3 Restrictions on Share Buybacks

While the Listing Manual does not expressly prohibit any purchase or acquisition of its own shares by a listed company during any particular time, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any Share Buybacks pursuant to the Share Buyback Mandate at any time after any matter or development of a price-sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price-sensitive information has been publicly announced or disseminated in accordance with the requirements of the Listing Manual.

In particular, in compliance with Rule 1207(19)(c) of the Listing Manual, the Company will not purchase or acquire any Shares through Market Purchases during the period commencing one (1) month before the announcement of the Company’s half year and full year financial statements.

2.9 **Taxation**

Shareholders who are in doubt as to their respective tax positions or the tax implications of a Share Buyback by the Company or who may be subjected to tax, whether in or outside Singapore, should consult their own professional advisers.

2.10 **Take-over Code implications arising from Share Buybacks**

Appendix 2 of the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

The statements herein in relation to the Take-over Code do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders are advised to consult their professional advisers and/or the Council and/or other relevant authorities at the earliest opportunity as to whether an obligation to make a general offer would arise by reason of any purchase or acquisition of Shares by the Company.

LETTER TO SHAREHOLDERS

2.10.1 Obligation to make a take-over offer

If, as a result of Share Buybacks, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

2.10.2 Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the aforementioned companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20.0% but not more than 50.0% of the voting rights of the first-mentioned company;
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser;
- (f) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a *bona fide* offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the aforementioned

LETTER TO SHAREHOLDERS

persons, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons for the purchase of voting rights.

The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a Share Buyback by the Company are set out in Appendix 2 of the Take-over Code.

2.10.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30.0% or more, or, if such Shareholder holds between 30.0% and 50.0% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1.0% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate, unless so required under the Companies Act.

With regard to Directors and persons acting in concert with them, unless exempted pursuant to Rule 14 and Appendix 2 of the Take-over Code, if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30.0% or more, or if the voting rights of such Directors and their concert parties fall between 30.0% and 50.0% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1.0% in any period of six (6) months, such Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code.

The Directors and their concert parties will be exempted from the requirement to make a take-over offer subject to the following conditions as set out in the Take-over Code:

- (a) this Circular to contain advice to the effect that by voting for the proposed renewal of the Share Buyback Mandate, Shareholders are waiving their right to a general offer at the required price from Directors and parties acting in concert with them who, as a result of the Company buying back its Shares, would increase their voting rights to 30.0% or more, or, if they together hold between 30.0% and 50.0% of the Company's voting rights, would increase their voting rights by more than 1.0% in any period of six (6) months; and the names of such Directors and persons acting in concert with them, their voting rights at the time of the resolution and after the proposed Share Buyback, to be disclosed in this same Circular;
- (i) the resolution to authorise the proposed renewal of the Share Buyback Mandate to be approved by a majority of those Shareholders, present and voting at the meeting on a poll, who could not become obliged to make an offer as a result of the proposed renewal of the Share Buyback Mandate;
- (ii) Directors and/or persons acting in concert with them to abstain from voting for and/or recommending Shareholders to vote in favour of the resolution to authorise the proposed renewal of the Share Buyback Mandate;

LETTER TO SHAREHOLDERS

- (iii) within seven (7) days after the passing of the resolution to authorise the proposed renewal of the Share Buyback Mandate, each of the Directors to submit to the Council a duly signed form as prescribed by the Council;
- (iv) Directors and/or persons acting in concert with them not to have acquired and not to acquire any Shares between the date on which they know that the announcement of the Share Buyback proposal is imminent and the earlier of:-
- the date on which the authority of the Share Buyback Mandate expires; and
 - the date on which the Company announces it has bought back such number of Shares as authorised by Shareholders at the latest general meeting or it has decided to cease buying back its Shares, as the case may be,
- if such acquisitions, taken together with the Share Buyback, would cause their aggregate voting rights to increase to 30.0% or more; and
- (v) Directors and/or persons acting in concert with them, together holding between 30.0% and 50.0% of the Company's voting rights, not to have acquired and not to acquire any Shares between the date on which they know that the announcement of the Share Buyback proposal is imminent and the earlier of:-
- the date on which the authority of the Share Buyback Mandate expires; and
 - the date on which the Company announces it has bought back such number of Shares as authorised by Shareholders at the latest general meeting or it has decided to cease buying back its Shares, as the case may be,
- if such acquisitions, taken together with the Share Buyback, would cause their aggregate voting rights to increase by more than 1.0% in the preceding six (6) months.

It follows that where the aggregate voting rights held by a Director and persons acting in concert with him increase by more than 1.0% solely as a result of the Share Buyback and none of them has acquired any Shares during the relevant period defined above, then such Director and/or persons acting in concert with him would be eligible for Council's exemption from the requirement to make a general offer under Rule 14 of the Take-over Code, or where such exemption had been granted, would continue to enjoy the exemption.

2.10.4 Application of the Take-over Code

Based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders, as at the Latest Practicable Date, the shareholdings of the Directors and the Substantial Shareholders before and after the purchase of Shares pursuant to the Shares Purchase Mandate, assuming (i) the Company purchases the maximum amount of 10.0% of the total number of issued Shares of the Company (excluding treasury shares and subsidiary holdings), and (ii) there is no change in the number of Shares held by the Directors and the Substantial Shareholders or which they are deemed interested in, will be as follows:
