Ramba Energy Limited wishes to advise that there were amendments made in the Company's 2014 Annual Report. The change in the corresponding paragraphs in the Independent Auditors' Report and Note 2.2 is marked up below:-

**2015 Annual Report – Page 51 and 59 of the Annual Report:
Independent Auditors' Report and Note 2.2**

These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern. As disclosed further in the Note 2.2, the Directors have prepared the financial statements on a going concern basis as the Group is able to generate sufficient cash flows from its operations, raise additional funding and reduce the outflow of funds in connection with its oil and gas operations with the proposed farm-outs of certain interests in its oil and gas properties, and a related party, ~~Ortus Holdings Limited~~ Edward Seky Soeryadjaya, has undertaken to provide ~~continuing~~ financial support to enable the Group and Company to meet their financial obligations as and when they fall due.

For and on behalf of the Board of Directors
RAMBA ENERGY LIMITED
