(the "**Company**")

(Incorporated in the British Virgin Islands)

RENOUNCEABLE UNDERWRITTEN RIGHTS ISSUE OF SHARES IN SINGAPORE AND THE PHILIPPINES

1. RIGHTS ISSUE

1.1 Terms of the Rights Issue

1.1.1 The Board of Directors of the Company ("**Board**") wishes to announce that the Company is proposing to undertake a renounceable underwritten rights issue in Singapore and a stock rights offering in the Philippines (the "**Singapore Rights Issue**" and the "**Philippines Rights Issue**", collectively the "**Rights Issue**") of up to 641,900,035⁽¹⁾ new ordinary shares or such number to be determined by the Board (the "**Rights Shares**" and each a "**Rights Share**") held by shareholders of the Company (the "**Shareholders**") as at a books closure date⁽²⁾ to be determined (the "**Books Closure Date**").

1.1.2 The Company intends to raise gross proceeds of up to US\$180 million ("**Gross Proceeds**"). The Issue Price will be priced at a discount within the discount range of 20% to 25% to a reference price (the "**Reference Price**"). The Reference Price is the theoretical ex-rights price which will be calculated having regard to the Gross Proceeds to be raised and the volume-weighted average price of an ordinary share of the Company (each a "**Share**" and collectively, the "**Shares**") for trades done on the Singapore Exchange Securities Trading Limited ("**SGX-ST**") and the Philippine Stock Exchange, Inc. ("**PSE**") on Price Fixing Date (as defined below) for a period of 5 Market Days⁽³⁾ prior to and including the Price Fixing Date.

"**Price Fixing Date**" means the date on which the final regulatory approvals from the SGX-ST, PSE and the Philippines Securities and Exchange Commission ("**SEC**") (as the case may be) are obtained in connection with the Rights Issue. Please see Section 4 for more details of the respective regulatory approvals.

1.1.3 The Rights Shares, when allotted and issued, will rank *pari passu* in all respects with the existing Shares save for any dividends, rights, allotments or other distributions, the record date for which is before the date of issue of the Rights Shares. For this purpose, "**record date**" means, in relation to any dividends, rights, allotments or other distributions, the date as at the close of business (or such other time as may have been notified by the Company) on which

Shareholders must be registered in order to participate in such dividends, rights, allotments or other distributions.

- 1.1.4 Excess Rights Shares will be allotted in such manner as the Board may, in its absolute discretion, deem fit in the interests of the Company subject to applicable laws and the Listing Manual. On the allotment of excess Rights Shares, preference will be given to the rounding of odd lots, and substantial Shareholders and Directors will rank last in priority for the rounding of odd lots and allotment of excess Rights Shares.

Notes:

- (1) In determining the number of Rights Shares the Company had, in accordance with its general share issue mandate, taken into account the 5.5 million ordinary shares issued on 30 October 2014 and the 900,000 outstanding options granted pursuant to the Del Monte Pacific Executive Stock Option Plan 1999 (which was approved and amended by Shareholders at general meetings held on 30 July 1999 and 21 February 2002, respectively) (the "**ESOP**" and "**ESOP Options**" respectively). The exercise of the ESOP Options are as at the date of this announcement, above the trading prices of a Share on the SGX-ST and PSE.
- (2) We assume that the Books Closure Date will be the same date in Singapore and in the Philippines.
- (3) "**Market Days**" means days on which both the SGX-ST and the PSE are open for trading.

1.2 Proposed Lead Manager and Underwriters

Shareholders are to note that the Company proposes to appoint DBS Bank Ltd. ("**DBS**") as the lead manager and underwriter for the Singapore Rights Issue. The Company intends to appoint BPI Capital Corporation as the lead manager and underwriter for the Philippines Rights Issue.

Subject to agreement on terms, the Company will enter into a Singapore management and underwriting agreement with DBS ("**Singapore Management and Underwriting Agreement**") and a Philippines management and underwriting agreement with BPI Capital Corporation ("**Philippines Management and Underwriting Agreement**").

1.3 General Share Issue Mandate

- 1.3.1 The Company will be relying on the general share issue mandate (the "**General Mandate**") obtained at the annual general meeting of the company held on 15 April 2014 ("**2014 AGM**"), which authorises the Board to allot and issue new Shares not exceeding 50% of the total number of issued Shares (excluding treasury shares) as at the date of the 2014 AGM, of which the aggregate number of Shares to be issued other than on a pro-rata basis to the existing shareholders of the Company ("**Shareholders**") shall not exceed 20% of the total number of issued Shares (excluding treasury shares).
- 1.3.2 The number of issued Shares (as at the date of the 2014 AGM) was 1,296,600,071 Shares (excluding treasury shares). In relation to a public offering in the Philippines, the Company had on 30 October 2014, issued and allotted 5,500,000 Shares pursuant to the General Mandate. Accordingly, the maximum number of Shares that may be issued on a pro-rata basis pursuant to the General Mandate is 641,900,035 Shares.

2 RATIONALE AND USE OF PROCEEDS OF THE RIGHTS ISSUE

The Company intends to utilise the net proceeds of the Rights Issue to repay the bridging facility of US\$165 million from the Bank of Philippines Islands that the Company had obtained to partially finance the acquisition of the consumer food business which was completed on 19 February 2014. The Rights Issue will allow the Company to deleverage and strengthen its balance sheet.

Pending the deployment of the net proceeds for the purposes mentioned above, the net proceeds may be deposited with banks and/or financial institutions, invested in short-term money markets and/or marketable securities, or used for any other purpose on a short-term basis, as the Directors may, in their absolute discretion, deem fit in the interests of the Company.

The Company will make periodic announcements as to the use of the proceeds from the allotment and issuance of Rights Shares as and when such proceeds are materially disbursed and whether such a use is in accordance with the stated use and in accordance with the percentage allocated. The Company will also provide a status report on the use of the proceeds raised from the allotment and issuance of the Rights Shares in the Company's interim and full-year financial statements issued under Rule 705 of the Listing Manual and the Company's annual report. Where the proceeds have been used for working capital purposes, the Company will provide a breakdown with specific details on how the proceeds have been applied in the announcements and status report. Where there is any material deviation from the stated use of proceeds, the Company will announce the reasons for such deviation.
