As at 11 October 2019, the number of issued shares of Prudential was 2,599,906,866 ordinary shares, which was the total number of shares entitling the holders to attend and vote for or against the resolutions. In accordance with Prudential’s Articles of Association, on a poll every member present in person or by proxy has one vote for every share held.

There were no restrictions on shareholders to cast votes on either of the resolutions proposed at the general meeting. Votes withheld are not votes in law and therefore have not been counted in the calculation of the proportion of the votes for and against a resolution. Equiniti was appointed as the scrutineer for vote-taking at the general meeting.
Pursuant to Listing Rule 9.6.2 of the UK Listing Rules, copies of the resolutions passed will shortly be available to view via the National Storage Mechanism at www.morningstar.co.uk/uk/NSM.
