❖ Represents a 13.1% premium to book value of A\$15.25 million<sup>1</sup>

**Singapore, 29 March 2019**

Fraser's Logistics & Industrial Asset Management Pte. Ltd., the manager of Fraser's Logistics & Industrial Trust ("**FLT**", and the manager of FLT, the "**REIT Manager**"), is pleased to announce that FLT, through its subsidiary, has entered into a sale and purchase agreement with Enborne Pty Ltd (the "**Purchaser**"), for the sale of 63-79 South Park Drive, Dandenong South, Victoria, Australia (the "**Property**") at a consideration of A\$17.25 million (the "**Consideration**").

The Consideration is at 13.1% premium to the Property's book value of A\$15.25 million as at 30 September 2018 and 4.5% premium to the original purchase price of A\$16.5 million at FLT's initial public offering in 2016.

Mr. Robert Wallace, Chief Executive Officer of the REIT Manager, said, "63-79 South Park Drive is an older, non-core manufacturing-suited facility with an imminent lease expiry. The proposed sale of the Property is timely and in line with our proactive asset management and portfolio rebalancing strategies."

The estimated net proceeds from the proposed divestment is approximately A\$16.7 million, after taking into account divestment fees of A\$86,250<sup>2</sup> to be paid to the REIT Manager and other divestment related expenses. The net divestment proceeds may be used for funding potential acquisition opportunities, reducing existing debt and/or other general corporate purposes.

Upon completion of the proposed divestment, FLT's portfolio will comprise 60 properties in Australia, 17 in Germany and five in the Netherlands, with a total value of approximately A\$3.0 billion.

The proposed divestment is expected to be completed by the first half of 2019 and is not expected to have any material effect on the net asset value and distribution per unit of FLT for the financial year ending 30 September 2019.
