PROFIT GUIDANCE

The Board of Directors ("Directors") of Fuji Offset Plates Manufacturing Ltd (the "Company", together with all its subsidiaries, collectively the "Group") wishes to issue a profit guidance regarding the financial results of the Group for the half-year period ended 30 June 2025 ("1H2025").

The Group is expected to report a lower net profit for 1H2025 primarily due to non-recurring gain on disposal of investment property in first-half 2024 and net foreign exchange loss, partially offset by higher share of profit from investment in associated company.

The Group is still in the process of finalising the results for 1H2025 and will provide further details of the Group's performance when it releases its financial results on or before 14 August 2025.

Shareholders and investors are advised to exercise caution when dealing with the shares of the Company. Persons who are in doubt as to the action they should take should consult their stock broker, bank manager, solicitor, accountant or other professional advisors.
