

Fraser's Property Limited awarded for Best Investor Relations at the Singapore Corporate Awards 2018

SINGAPORE, 18 JULY 2018

Fraser's Property Limited ("Fraser's Property" or the "Group") is pleased to announce that it was awarded the Silver award for Best Investor Relations, in the category for listed companies with market capitalisation of S\$1 billion and above, at this year's Singapore Corporate Awards. The Silver award marks the second consecutive year that the Group has been recognised for its proactive engagement across multiple platforms, as well as setting of new benchmarks in corporate transparency and investor relations.

Mr. Loo Choo Leong, Group Chief Financial Officer of Fraser's Property, said, "We are committed to delivering sustainable value to our shareholders. Against a backdrop of geopolitical uncertainties, we have reshaped the Group's portfolio to enhance resilience by diversifying our earnings geographically and strengthening our recurring income base. As we execute on our strategy, we place emphasis on consistent communication to ensure that our investors understand the steps taken and are kept updated of key developments. We are encouraged by this recognition of our efforts and are honoured to receive this award."

Fraser's Property was awarded following an intensive screening process. Factors that are taken into consideration include the responsiveness of the investor relations team, and whether the organisation submitted requested information on the functions and practices of the organisation.

Launched over a decade ago, the Singapore Corporate Awards has been held every year to identify and reward companies that lead the way in good corporate governance and corporate transparency. The prestigious awards ceremony is co-organised by The Business Times, Singapore Institute of Directors and Institute of Singapore Chartered Accountants, and supported by the Singapore Exchange as well as the Accounting and Corporate Regulatory Authority.
