

## **PRESS RELEASE**

Tianjin Forise Corporation Management Consultancy Limited (“Tianjin WFOE”) has secured a consultancy service contract for a blockchain virtual currency and related business.

**Singapore, 22 July 2019** – Forise International Limited (I5H)(“Forise”) is pleased to announce that its indirect wholly owned subsidiary – Tianjin WFOE has successfully secured a contract in June 2019 to provide to a Beijing consultancy firm advice and consultancy services on blockchain virtual currency and related business as well as analysis of future outlook of virtual currency/commodities market.

In view of the growth and potential applications of blockchain digital currencies, digital utilities and digital securities, this contract marks as expansion of the Group’s business into an exciting industry.

None of the directors or controlling shareholders of the Company have any interest, direct or indirect, in this contract save for their shareholding in the Company.
