

PRESS RELEASE

GDS Achieves Strong Revenue Growth of 70.6% in FY2025, Returns to Profitability

- Strong revenue growth of 70.6% to S\$22.79 million in FY2025 was driven mainly by increased sales of door and shutter systems from several projects that was completed in FY2025 as well as export sales.
- Aligned with the strong revenue growth in FY2025, the Group's gross profit also increased significantly by 69.9% to S\$7.52 million.
- Net cash generated from operating activities turned positive to S\$0.67 million in FY2025 with a healthy cash position of S\$6.59 million and zero borrowings as at 30 September 2025.
- Riding on its strong momentum, the Group is pursuing new project opportunities locally and overseas, anchored by its premium fire-insulated and blast-mitigating roller shutter solutions.

Financial Year End: 30 September

(S\$ million)	FY2024	FY2025	Change (%)
Revenue	13.36	22.79	+70.6
Gross profit	4.43	7.52	+69.9
Net profit / (loss)	(2.27)	0.20	n.m.*

* n.m. denotes not meaningful

Singapore, 21 November 2025 – GDS Global Limited (“GDS” or the “Company”, and together with its subsidiaries, the “Group”), a leading specialist provider of commercial and industrial door and shutter solutions in Singapore and the South East Asia region, is pleased to announce a return to profitability for the full financial year ended 30 September 2025 (“FY2025”).

Commenting on the Group’s FY2025 results, Mr Tang Hee Sung, Non-Executive Non-Independent Chairman, said: “We are pleased to have achieved a turnaround in our full year financial performance, marking an important milestone for the Group.

This recovery did not happen by chance as we took decisive steps to strengthen our business development efforts, implement prudent cost management initiatives, and enhance productivity across our operations in recent years.

These collective efforts have allowed us to rebuild momentum and strengthen our business foundation.

Building on our current momentum, we see promising opportunities in both local and overseas markets with our premium fire-insulated and blast-mitigating roller shutter solutions, which can create new growth catalysts for sustainable growth ahead.”

About GDS Global Limited

(SGX Stock Code: 5VP / Bloomberg: GDS:SP / Reuters: GDSG.SI)

With an operating history since 1982, GDS is a leading specialist provider of commercial and industrial door and shutter solutions in Singapore and the South East Asia region.

Headquartered in Singapore and listed since 2013, GDS operates one of the largest manufacturing facilities amongst industry players, spanning an area of approximately 7,797 square metres.

Backed by its strong technical expertise, proprietary know-how and technology-based solutions, the Group's extensive range of door and shutter systems can be tailored to the specific needs and requirements of its customers that span a broad spectrum of industries such as manufacturing, retail, food processing, hospitality, health, education, aerospace, security and defence.

Underscoring its technology-driven edge, GDS is the first Singapore manufacturer that can offer steel insulated fire shutters with an insulation value of up to 240 minutes. In addition, the Group is the co-developer of the first blast mitigating roller shutter door in the world.
