GDS Expands Island-Wide Maintenance Portfolio with New Town Council Contract

- Awarded a new 2-year maintenance contract for door and shutter systems from a town council in the central region of Singapore, providing comprehensive services including preventive maintenance, emergency 24/7 response, and safety compliance checks, among others.
- Further strengthens the Group's base of maintenance contracts for the private and public sector, encompassing the servicing and upkeep of hundreds of doors and shutter systems across multiple sites in Singapore.
- Expected to enhance the Group's long-term recurring revenue streams and deepen customer retention with opportunities for upgrades and replacement works, positioning the Group as an integrated lifecycle solutions specialist for door and shutter systems.

Singapore, 29 April 2026 – GDS Global Limited (“**GDS**” or the “**Company**”, and together with its subsidiaries, the “**Group**”), a leading specialist provider of commercial and industrial door and shutter solutions in Singapore and the South East Asia region, is pleased to announce that its wholly-owned subsidiary, Gilderol Doors (S) Pte. Ltd., has been recently awarded a new 2-year maintenance contract for door and shutter systems from a town council in the central region of Singapore, further strengthening its foothold in the public and municipal infrastructure segment.

Reflecting the continued demand for reliable servicing and upkeep of door and shutter systems across essential infrastructure in Singapore, the latest contract builds on the Group's growing base of town council maintenance contracts.

Leveraging on more than 40 years of engineering expertise in this niche field, the Group's in-house technical team provides a full suite of maintenance solutions designed to ensure life-safety and asset protection.

The Group currently maintains thousands of doors and shutter systems across a wide range of sectors, including public infrastructure, commercial and industrial buildings, logistics facilities, healthcare institutions, education and data centres island-wide, among others.

The contract is not expected to have a material financial impact for the financial year ending 30 September 2026.

Mr Tang Hee Sung, Non-Executive Non-Independent Chairman, commented: “This new contract reflects our established strengths and track record in maintenance and servicing capabilities, backed by over 40 years of engineering expertise in the niche field of door and shutter systems that play a critical role in safeguarding assets, enabling secure and efficient access.

In addition to expanding our recurring service portfolio and revenue base, this new contract also strengthens our position as a full lifecycle solutions provider, positioning the Group to capture follow-on opportunities in system upgrades, replacements, and compliance-driven enhancements with our premium shutter solutions.”
