Details of the Tender Offers

The Tender Offers will commence on February 21, 2023 and will expire at the Tender Expiration Deadline, unless, at the sole discretion of the Company, extended, re-opened, withdrawn, amended or terminated in respect of any or both series of the Notes or not at all, subject to applicable laws and as provided in the Tender Offer Memorandum.

In order to be eligible to receive the Early Tender Consideration, Noteholders must validly tender one or more series of the Notes by, and such tender must be received by Morrow Sodali Limited as the information and tender agent (the “**Information and Tender Agent**”) at or prior to the Early Tender Deadline. In addition to the Early Tender Consideration, the Company will also pay Noteholders (whose one or more series of the Notes are validly tendered by the Early Tender Deadline and accepted for purchase by the Company) the Accrued Interest Payment on the Early Settlement Date.

In order to be eligible to receive the Late Tender Consideration, Noteholders must validly tender one or more series of the Notes, and such tender must be received by the Information and Tender Agent, after the Early Tender Deadline but at or prior to the Tender Expiration Deadline. In addition to the Late Tender Consideration, the Company will also pay Noteholders (whose one or more series of the Notes are validly tendered after the Early Tender Deadline but at or prior to the Tender Expiration Deadline and accepted for purchase by the Company) the Accrued Interest Payment, as provided in the Tender Offer Memorandum, on the Final Settlement Date.

Maximum Acceptance Amount

The Company proposes to accept for purchase the Notes validly tendered in the Tender Offers of up to U.S.\$100,000,000 aggregate principal amount of the Notes (the “**Maximum Acceptance Amount**”) validly tendered and not validly revoked that the Company determines, in its sole discretion and subject to applicable law including ECB Regulations, that it will accept for purchase based on the Acceptance Priority pursuant to the Tender Offers.

The Maximum Acceptance Amount may be increased or reduced at the Company’s sole discretion, subject to applicable law including ECB Regulations, in which case the amended Maximum Acceptance Amount will be announced as soon as reasonably practicable following the Early Tender Deadline.

Financing Condition

The consummation of the Tender Offers is conditional upon the Company obtaining available funds through one or more financing options which it is exploring, which funds are sufficient to pay the consideration with respect to all validly tendered Notes to be accepted for payment for such Tender Offers (the “**Financing Condition**”).

Acceptance Priority

If the aggregate principal amount of the Notes validly tendered in the Tender Offers exceeds the Maximum Acceptance Amount (as defined below), the Company will accept tender instructions in accordance with the following acceptance priority (the “**Acceptance Priority**”):

- (i) firstly, towards the tender instructions received in relation to the 2024 Notes at or prior to the Early Tender Deadline (the “**2024 Notes Early Tender Instructions**”);
- (ii) secondly, towards the tender instructions received in relation to the 2026 Notes at or prior to the Early Tender Deadline (the “**2026 Notes Early Tender Instructions**” and together with the 2024 Notes Early Tender Instructions, the “**Early Tender Instructions**”);
- (iii) thirdly, towards the tender instructions received in relation to the 2024 Notes after the Early Tender Deadline but at or prior to the Tender Expiration Deadline (the “**2024 Notes Late Tender Instructions**”); and
- (iv) fourthly, towards the tender instructions received in relation to the 2026 Notes after the Early Tender Deadline but at or prior to the Tender Expiration Deadline (the “**2026 Notes Late Tender Instructions**” and together with the 2024 Notes Late Tender Instructions, the “**Late Tender Instructions**” and, together with the Early Tender Instructions, the “**Tender Instructions**”),

provided that the Company will only accept for purchase Notes with an aggregate principal amount of the Notes validly tendered up to the Maximum Acceptance Amount.

All of the 2024 Notes validly tendered pursuant to the 2024 Notes Early Tender Instructions will be accepted for purchase in priority to (i) the 2026 Notes validly tendered pursuant to the 2026 Notes Early Tender Instructions and (ii) Notes validly tendered pursuant to the Late Tender Instructions (where the 2024 Notes Late Tender Instructions will be accepted for purchase in priority to the 2026 Notes Late Tender Instructions), and to the extent that the 2024 Notes are validly tendered pursuant to the 2024 Notes Early Tender Instructions, the Maximum Acceptance Amount available after accepting for purchase all of the 2024 Notes validly tendered pursuant to the 2024 Notes Early Tender Instructions could be reduced significantly or altogether (unless the Maximum Acceptance Amount is increased such that the Tender Offers would not be oversubscribed). Accordingly, in such circumstances, if the Maximum Acceptance Amount is reached in respect of valid tenders of the 2024 Notes made pursuant to the 2024 Notes Early Tender Instructions, (i) no 2026 Notes validly tendered pursuant to the 2026 Notes Early Tender Instructions and (ii) no Notes tendered pursuant to any Late Tender Instructions, will be accepted for purchase.

All of the Notes validly tendered pursuant to the Early Tender Instructions (where the 2024 Notes Early Tender Instructions will be accepted for purchase in priority to the 2026 Notes Early Tender Instructions) will be accepted for purchase in priority to Notes validly tendered pursuant to the Late Tender Instructions (where the 2024 Notes Late Tender Instructions will be accepted for purchase in priority to the 2026 Notes Late Tender Instructions), and to the extent that Notes are validly tendered pursuant to the Early Tender Instructions (where the 2024 Notes Early Tender Instructions will be accepted for purchase in priority to the 2026 Notes Early Tender Instructions), the Maximum Acceptance Amount available after the Early Tender Deadline could be reduced significantly or altogether (unless the Maximum Acceptance Amount is increased such that the Tender Offers would not be oversubscribed at the Early Tender Deadline). Accordingly, in such circumstances, if the Maximum Acceptance Amount is reached in respect of valid tenders pursuant to the Early Tender Instructions, no Notes validly tendered pursuant to the Late Tender Instructions will be accepted for purchase.

If the aggregate principal amount of all of the Notes validly tendered pursuant to the Early Tender Instructions does not exceed the Maximum Acceptance Amount, all of the 2024 Notes validly tendered pursuant to the 2024 Notes Late Tender Instructions will be accepted for purchase in priority to the 2026 Notes validly tendered pursuant to the 2026 Notes Late Tender Instructions, and to the extent that the 2024

Notes are validly tendered pursuant to the 2024 Notes Late Tender Instructions, the Maximum Acceptance Amount available after accepting for purchase (i) all of the Notes validly tendered pursuant to the Early Tender Instructions and (ii) all of the 2024 Notes validly tendered pursuant to the 2024 Notes Late Tender Instructions, could be reduced significantly or altogether (unless the Maximum Acceptance Amount is increased such that the Tender Offers would not be oversubscribed). Accordingly, in such circumstances, if the Maximum Acceptance Amount is reached in respect of valid tenders (i) pursuant to the Early Tender Instructions and (ii) of the 2024 Notes made pursuant to the 2024 Notes Late Tender Instructions, no 2026 Notes validly tendered pursuant to any of the 2026 Notes Late Tender Instructions will be accepted for purchase.

Proration

Subject to the conditions as contained in the Tender Offer Memorandum, the Company will accept Notes validly tendered on a *pro rata* basis such that the aggregate principal amount of the Notes validly tendered and accepted for purchase does not exceed the Maximum Acceptance Amount. Such *pro rata* acceptance will be calculated by multiplying the principal amount of the 2024 Notes or the 2026 Notes (as the case may be) represented by each such Tender Instruction by a Scaling Factor, rounded down to the nearest U.S.\$1,000. The Company will make such calculations on or about the Early Tender Deadline, if any, and on or about the Tender Expiration Deadline. Accordingly, the 2024 Notes or the 2026 Notes (as the case may be) will be prorated separately at each of the Early Tender Deadline and the Tender Expiration Deadline, as applicable.

A separate Tender Instruction must be submitted on behalf of each beneficial owner of the series of the Notes, given the possibility of Proration (as defined in the Tender Offer Memorandum).

Additionally, if after applying such Scaling Factor and such rounding down, any Noteholder would be entitled to a return of a portion of tendered 2024 Notes or 2026 Notes (as the case may be) that is less than the minimum denomination of U.S.\$200,000, or the principal amount of the 2024 Notes or 2026 Notes (as the case may be) accepted falls below U.S.\$200,000, then the Company will, in its sole discretion, either reject all of such 2024 Notes or 2026 Notes (as the case may be) tendered by such Noteholder or accept all of the 2024 Notes or the 2026 Notes (as the case may be) tendered by such Noteholder without applying the Scaling Factor. All of the Notes not accepted as a result of Scaling will be returned to the Noteholder on the applicable Settlement Date.

Tender Instructions will, once submitted, be revocable only at or prior to the Early Tender Deadline. Tender Instructions will be irrevocable after the Early Tender Deadline.

Purpose of the Tender Offers

The purpose of the Tender Offers is to optimize the Company's financing cost and debt maturity profile, and to provide liquidity to Noteholders at a premium to the market price of the Notes prior to the launch of the Tender Offers.
