I. EXTENSION OF TIME FOR COMPLIANCE WITH THE MINIMUM TRADING PRICE (“MTP”) REQUIREMENT

II. EXTENSION OF TIME TO ANNOUNCE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2015

I. EXTENSION OF TIME FOR COMPLIANCE WITH THE MTP REQUIREMENT

1. Hu An Cable Holdings Ltd. (the “**Company**” and together with its subsidiaries, the “**Group**”) had, at its extraordinary general meeting held on 30 April 2015, obtained shareholders’ approval for the share consolidation of every twenty (20) ordinary shares in the capital of the Company into one (1) ordinary share, fractional entitlements to be disregarded (the “**Share Consolidation**”).
2. Although shareholders’ approval for the Share Consolidation had been obtained on 30 April 2015, the Company started facing various issues which caused a fall in the Company’s share price. Accordingly, the completion of the Share Consolidation has been put on hold.
3. On 3 December 2015, the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) announced that companies which had completed a share consolidation by 1 March 2016 to comply with the MTP requirement, would be given a 6-month extension before they are reviewed for compliance with the MTP requirement. On 2 February 2016, SGX-ST announced that that there will also be a 6-month extension for companies which experienced a dip in their 6-month volume-weighted average share price to below S\$0.20 in January 2016.
4. As the Company has yet to complete the Share Consolidation and may require more time to do so, the SGX-ST has on 29 February 2016 granted the Company a 6-month extension before they are reviewed for compliance with the MTP requirement. The 6-month volume-weighted average price of the Company’s shares will thus be assessed only on 1 September 2016 instead of 1 March 2016. SGX-ST’s grant of the extension is subject to the following:-
 - (a) the Company announcing the period of extension granted, the reason(s) for the extension of time and the conditions as required under Listing Rule 107;
 - (b) submission of a written confirmation from the Company that the extension of time does not contravene any laws and regulations governing the Company and the articles of association of the Company; and
 - (c) submission of a written confirmation from the Company that it is not aware of any information that will have a material bearing on investors’ decision which has yet to be announced by the Company.
5. The Company will make further announcements as and when there are material developments on the Share Consolidation.

II. EXTENSION OF TIME TO ANNOUNCE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2015

6. The Company had on 15 February 2016 sought a 3 month extension (the “**Extension Application**”) from the SGX-ST in relation to Rule 705(1) of the Listing Manual to announce its financial statements for the financial year ended 31 December 2015 (“**FY2015**”). The Company had sought the extension in view of the following developments:

- (a) Pursuant to a major supplier of the Group facing liquidation, the board of directors of the Company (the “**Board**”) had in August 2015 instructed the then chief financial officer of the Company to travel to the PRC to collate and verify the information in relation to a prepayment of approximately RMB310.0 million, which was made to the major supplier, as well as the accounts of the Company’s relevant PRC subsidiaries. The Board also sighted confirmation from PRC counsel, Jiangsu Jingxi Law Firm, that the court had on 12 June 2015 issued a ruling to declare the bankruptcy of the supplier, as well as obtained PRC counsel’s advice that no creditors can take any legal actions against the supplier after the liquidation process has commenced. Taking into account the fact that the supplier was facing liquidation and there was no collateral provided for the prepayment, the Company had decided, with the concurrence of the auditors, to make full provision for the prepayment of approximately RMB 310.0 million.
- (b) Pursuant to reports issued by the Quality and Technology Supervision Bureau (upon the request of the State Quality Inspection Administration in the PRC), certain products manufactured by a subsidiary of the Group, namely Wuxi Hu An, were not compliant with the relevant specifications under the applicable regulations, which led to the receipt of notifications by Wuxi Hu An from 13 customers stating they are terminating payments under any existing purchase contracts, removing Wuxi Hu An from the customers’ approved vendor list, and the customers reserving their legal rights to obtain compensation from Wuxi Hu An for any loss or damages suffered by them. Due to these issues, the Group is facing financial and operational difficulties:
 - i. suppliers are demanding for outstanding payments;
 - ii. suppliers are requesting for full payment before delivery of goods, which the Group is unable to do so due to insufficient cash flow;
 - iii. banks are recalling their loans to the Group;
 - iv. other companies are no longer willing to guarantee the Group’s loans;
 - v. some customers had or are considering removing the Group from their approved vendor list, leading to reduced confidence amongst the Group’s other customers, and may face potential claims from customers for compensation, and
 - vi. production has ceased, which is resulting in continuous losses.
- (c) Pursuant to the above, the PRC local government of Wuxi City, Guanlin Town had initiated a proposal whereby the Company shall dispose of the assets and liabilities of the Group’s three PRC subsidiaries, namely Wuxi Hu An, Shenhuan Electric and Shenhuan Cable to a potential purchaser, Yixing Jinxiao Copper Industry Co. Ltd. (the “**Asset Disposal**”). The Company had announced on 29 October 2015 that the PRC subsidiaries have signed a sale and purchase agreement with Yixing Jinxiao Copper Industry Co. Ltd. on 26 October 2015 in relation to the Asset Disposal. The Board also announced on 29 October 2015 that the Company had signed a conditional sale and purchase agreement and a supplemental agreement dated 26 October 2015 and 28 October 2015 respectively with Plenty Jade Limited (the

“**Shares Purchaser**”), for the transfer of the shares of the PRC subsidiaries to the Shares Purchaser (the “**Shares Transfer**”); and

- (d) following ceasing of production of the Group, coupled with the prolonged uncertainty of the Group’s future, some of the finance staff of the Company had resigned and the Company is currently trying to gathering its available resources in the audit preparation.
- 7. In view of the above developments, the Company is currently focusing its resources on obtaining the relevant approvals required for the Asset Disposal and the Shares Transfer, and had therefore made the Extension Application as it requires more time to prepare the financial statements of the Company for FY2015.
- 8. The Extension Application is currently pending SGX-ST’s consideration and approval. The Company will make further announcements as and when there are material developments.
