## **PROFIT GUIDANCE FOR THE HALF YEAR ENDED 30 JUNE 2025**

---

The Board of Directors (the "**Board**") of HGH Holdings Ltd. (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce that based on a preliminary review of the Group's unaudited consolidated financial results for the half year ended 30 June 2025 ("**1H2025**"), the Group is expected to report a net profit for 1H2025, compared to a net loss reported for the corresponding half year ended 30 June 2024.

The expected net profit for 1H2025 was mainly due to the commencement of newly completed ready-mixed plant with larger production capacity as well as the commencement of certain projects from the provision of underground cable installations and road reinstatement segment, which had been delayed from previous years.

The Group is in the process of finalising its unaudited consolidated financial results for 1H2025. Further details of the Group's financial performance will be disclosed when the Company announces the unaudited consolidated financial results for 1H2025, which will be released on or before 14 August 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company. If in doubt as to the action that they should take, they should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers or other professional advisers before trading in or making any investment decision regarding the Company's securities.
