HAI LECK AWARDED NEW PROJECT

The Board of Directors of Hai Leck Holdings Limited (the “**Company**”) is pleased to announce that the Group has been awarded a new project from an existing customer in Jurong Island (the “**Project**”).

The Group was successful in securing the Project due to, amongst others, its adoption of pioneer mechanisation initiatives in this industry, which significantly enhance productivity and reduce reliance on manpower.

“We are pleased that our mechanisation efforts are being recognised by a key player in this industry and we will continue to invest judiciously in this area,” said Mr. Cheng Yao Tong, the Group’s Chief Executive Officer.

The Project, together with other projects, have increased the Group’s current order book by \$28 million.

None of the Directors, controlling shareholders or substantial shareholders of the Company has any interest, direct or indirect, in the Project.
