FOR IMMEDIATE RELEASE

SINGAPORE, March 6, 2023 – Theta Capital Pte. Ltd. (the “**Issuer**”) hereby announces that it has commenced an invitation to eligible holders of its outstanding 6.75% Senior Notes due 2026 (Common Code: 150608511; ISIN: XS1506085114) (the “**Notes**” and each eligible holder, an “**Eligible Holder**”) to tender their Notes for purchase for cash an aggregate principal amount of the Notes validly tendered pursuant to the Offer that it can purchase, subject to the Maximum Acceptance Amount (as defined below) (the “**Offer**”). Concurrently, by way of, and subject to the terms contained in, an offer to purchase dated the date hereof, the Issuer has offered to purchase for cash an aggregate principal amount of its outstanding 8.125% Senior Notes due 2025 (the “**2025 Notes**”), subject to the Maximum Acceptance Amount (the “**2025 Notes Offer**”). The Issuer will purchase a maximum aggregate principal amount of Notes (excluding the Accrued Interest (as defined in the OTP)) and 2025 Notes (excluding any accrued but unpaid interest) that it can purchase for US\$50,000,000 (the “**Maximum Acceptance Amount**”). The Issuer will determine, in its sole discretion, the allocation of the Maximum Acceptance Amount between the Offer and the 2025 Notes Offer. The Issuer expects to fund the Offer and the 2025 Notes Offer using internal cash and net proceeds from the Credit Facility (as defined in the OTP).

The Offer is made on the terms and subject to the conditions set forth in the offer to purchase dated March 6, 2023 (the “**OTP**”). As of March 6, 2023, the aggregate principal amount of the Notes outstanding was US\$308,564,000.

The consideration for each US\$1,000 principal amount of Notes validly tendered at or prior to 4:00 p.m., London time, on March 13, 2023 (as such date may be extended, the “**Expiration Time**”) and accepted for purchase pursuant to the Offer shall be the amount of US\$770 per US\$1,000 principal amount of Notes, plus Accrued Interest, if all conditions to the Offer are satisfied or waived at or prior to the Offer Settlement Date (as defined below) (the “**Tender Consideration**”).

Tenders of the Notes pursuant to the Offer will be accepted only in principal amounts equal to a minimum of US\$200,000 and in integral multiples of US\$1,000 in excess thereof (the “**Minimum Denominations**”).

Notes validly tendered pursuant to the Offer may not be withdrawn unless required under any applicable laws. A separate tender instruction must be submitted on behalf of each beneficial owner due to potential proration.

The Issuer is expected to pay the Tender Consideration on the Offer Settlement Date (which is anticipated to occur on March 20, 2023, unless extended by the Issuer) (the “**Offer Settlement Date**”).

All Notes validly tendered at or prior to the Expiration Time will be subject to proration if the aggregate principal amount of all Notes tendered as of the Expiration Time exceeds the portion of the Maximum Acceptance Amount allocated to the Offer.

All Notes not accepted for purchase as a result of proration will be rejected from the Offer and be returned on the Offer Settlement Date. In the event of proration, the Issuer will determine the aggregate principal amount of an Eligible Holder’s validly tendered Notes accepted for purchase by multiplying such Eligible Holder’s tender by the applicable proration factor, and rounding the product down to the nearest integral multiple of \$1,000. Depending on the amount tendered and the applicable proration factor applied, if the proration would result in a principal amount of Notes that is less than the Minimum Denomination being returned to an Eligible Holder or accepted for purchase by the Issuer, the Issuer will either accept or reject all of such Eligible Holder’s validly tendered Notes.

The Issuer reserves the right to increase, decrease or waive the Maximum Acceptance Amount at any time in its sole discretion, subject to compliance with applicable law, which could result in the Issuer purchasing a greater or lesser principal amount of Notes.
