In any event, the Company shall effect the Change of Name within 3 months from Closing.

4. RATIONALE FOR THE PROPOSED DISPOSAL

With increasing uncertainties in the global economic outlook, particularly in light of the ongoing trade wars between China and the United States and heightened geopolitical tensions around the world, the directors of the Company ("**Directors**") believe that the Proposed Disposal presents a good opportunity to unlock value for the Shareholders, and that accordingly, the Proposed Disposal is in the interests of the Company and Shareholders as it presents the Company with an opportunity to exit the increasingly challenging business environment and immediately realise its investment in the Business.

The Net Proceeds per Share from the Proposed Disposal represents a premium/(discount) of approximately 18%, 18%, 18% and (1%) to the volume weighted average price of the shares of the Company ("**Shares**") on 3 June 2019, being the last market day preceding the date of the SPA ("**Last Trading Day**"), and for the 1-month, 3-month, 6-month and 12-month periods prior to the Last Trading Day, respectively.

Shareholders should note that the Proposed Disposal is subject to independent Shareholders' approval at the EGM to be convened. In accordance with Rule 919 of the Listing Manual, Mr. Yap and his associates must abstain from voting on the resolutions approving the Proposed Disposal as an interested person transaction, nor accept appointments as proxies unless specific instructions as to voting are given.

5. COMPLIANCE WITH CHAPTERS 9 AND 10 OF THE LISTING MANUAL

5.1. The Proposed Disposal as a Major Transaction

Based on the Group FY2019 Results, the relative figures of the Proposed Disposal computed on the bases set out in Rule 1006(a) to (e) of the Listing Manual are as follows:

Rule 1006	Bases	Relative Figure (%)
(a)	Net asset value of the assets to be disposed of, compared with the Group's net asset value	100 ⁽¹⁾
(b)	The net profits attributable to the assets disposed of, compared with the Group's net profits	100 ⁽²⁾
(c)	The aggregate value of the Consideration, compared with the Company's market capitalisation	116 ⁽³⁾
(d)	The number of equity securities issued by the Company as consideration for an acquisition, compared with the number of equity securities previously in issue (excluding treasury shares)	Not applicable
(e)	The aggregate volume or amount of proved and probable reserves to be disposed of, compared with the aggregate of the Group's proved and probable reserves.	Not applicable

Notes:

- (1) "Net asset" means total assets less total liabilities. Based on the net asset value of the Business and Jackspeed Business Assets of S\$57,996,000 and the unaudited net asset value of the Group of S\$57,996,000 as at 28 February 2019.
- (2) "Net profits" means profit or loss before income tax, minority interests and extraordinary items. Based on the net profits attributable to the Business and the Jackspeed Business Assets of S\$8,877,000 and the unaudited net profits of the Group of S\$8,877,000 for the financial year ended 28 February 2019.
- (3) Based on the Consideration of S\$48,000,000 and the market capitalisation of the Company of approximately S\$41,237,000 as at 3 June 2019, being the market day preceding the date of the SPA. The Company's market capitalisation is determined by multiplying the number of shares in issue (excluding treasury shares) of 301,002,279 Shares by the weighted average price of S\$0.1370 per Share on 3 June 2019.

Rule 1014 of the Listing Manual states, *inter alia*, that where any of the relative figures as computed on the bases set out in Rule 1006 of the Listing Manual exceeds 20%, the transaction is classified as a 'major transaction' and must be made conditional upon approval by the Shareholders in general meeting. As the relative figures for the Proposed Disposal as computed on the bases set out in Rules 1006(a), (b) and (c) of the Listing Manual exceed 20%, the Proposed Disposal constitutes a "major transaction" for the purpose of Chapter 10 of the Listing Manual, which requires Shareholders' approval.

Save for the Proposed Disposal, there are no other interested person transactions with Mr. Yap or any of his associates for the current financial year of the Company to date.
