SUITABILITY OF INVESTMENT

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Note Offering Circular or any applicable supplement;
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;

- (v) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

NOTE INVESTMENT CONSIDERATIONS

Prospective investors in the Notes should consider carefully the information contained in this Note Offering Circular and the documents which are incorporated by reference herein and in particular should consider all the risks inherent in making such an investment, including the following Note Investment Considerations to be read in conjunction with the information in the section in the Original Offering Circular on pages 73 through 94 thereof entitled "*Investment Considerations*" (the "**Programme Investment Considerations**"), before making a decision to invest. The Issuer has identified in the Programme Investment Considerations a number of factors which could materially adversely affect its business and its ability to make payments due under the Notes. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described in the Programme Investment Considerations. References herein to "**Notes**" shall be construed as references to the Notes described in this Note Offering Circular.

In the event of any conflict between the descriptions under this "*Note Investment Considerations*" section in this Note Offering Circular and the Programme Investment Considerations, the following descriptions in this Note Offering Circular shall prevail.

The following Note Investment Considerations are supplemental to, and should be read in conjunction with the Programme Investment Considerations.

Kerala has a revenue deficit and a fiscal deficit, both of which are not expected to turn into a surplus in the near future. Any adverse impact on Kerala's economy may have an impact on its financial operations and its ability to fulfil its obligations under the KINF Act and under the Guarantee. Kerala's economy could be impacted by adverse economic and financial conditions.

Kerala's primary revenues are from its own tax and non-tax resources. In addition to these, Kerala receives a share of taxes levied by the Central Government and also grants and other financial aid from the Central Government. Although there has been an increase in the tax revenue and non-tax revenue in Fiscals 2017-18 and 2018-19, from ₹46,459.61 crore and ₹11,199.61 crore to ₹53,110.58 crore and ₹12,991.97 crore respectively, Kerala has a revenue deficit of ₹13,026.98 crore and a fiscal deficit of ₹23,686.44 crore, representing 1.68 per cent. and 3.06 per cent. of its Gross State Domestic Product ("**GSDP**") for Fiscal 2019. Kerala's total debt is 30.49% per cent. of GSDP for Fiscal 2019. Kerala has set fiscal targets in the Medium Term Fiscal Policy as formulated by the Finance Department of Kerala to reduce (i) the revenue deficit to 1.33 per cent. of GSDP by 2020-21, (ii) the fiscal deficit to a level not exceeding 2.91 per cent. of GSDP by 2020-21 and (iii) its total debt to 29.70 per cent. of GSDP by 2020-21.

Kerala's GSDP is largely driven by the services sector which includes trade, tourism, real estate, transport and communication, while agriculture, traditional small-scale industries, mining and utilities form the other contributors. Kerala has also been characterised by a dynamic and sustained emigration pattern particularly to the Gulf Arab states and other western countries which is a result of historic, cultural, demographic and political factors. Consequently, Kerala receives a large share of the overall remittance flows to India. Therefore remittances, amongst others have played and continue to play a key role in the socio-economic development of Kerala.

Factors such as weather, including the recent floods in Kerala in August 2018, macroeconomic conditions of India and the state of the economy of the countries from which the remittances are generated have an impact on Kerala's economy. Foreign remittances are estimated to be around 30 per cent. of Kerala's GSDP.

Owing to a large part of its economy being dependent upon the informal sectors, Kerala has also been adversely affected by the Central Government's decision in November 2016 to withdraw the legal tender status of ₹500 and ₹1,000 denominations of banknotes ("**Demonetisation**") issued by the RBI. Demonetisation had at the time significantly impacted Kerala due to cash transactions being the predominant mode of exchange in Kerala's traditional agricultural, fishery and retail, transport and tourism sectors.

Similarly, the introduction of GST from August 2017 that incorporates several state and central taxes under a common platform across India may adversely affect Kerala. While Kerala is expected to benefit from this measure in the medium term due to its consumption driven economy in which the service sector is a significant contributor, there could be certain short term impacts during the implementation and stabilisation of the new tax regime.

Recent changes in government policy in countries that are part of the Gulf Cooperation Council has led to slower growth of foreign remittances to Kerala, which may have an impact on household consumption and cause slowdown in the real estate and construction sectors.

Health scares due to the outbreak of any infectious disease in Asia, India or Kerala or any other serious public health concerns relating to the region could have a negative impact on the tourism inflows.

There can be no assurance that factors such as those described above, or any other events not currently anticipated, will not negatively affect the economy and the financial condition of Kerala and its ability to fulfil its obligations under the Guarantee or its obligations under the KIIF Act.

The Issuer's cash inflows (excluding funds raised from the capital market or financial institutions) are expected to be primarily composed of the cess levied on petroleum products pursuant to the additional sales tax levied on petroleum products under the Kerala General Sales Tax Act, 1963 ("Cess") and the motor vehicles tax receipts ("Motor Vehicles Tax").

The Issuer is incorporated solely for the purpose of funding infrastructure projects in Kerala and to engage in activities incidental to or related to the funding of infrastructure projects in Kerala. The ability of the Issuer to successfully carry out its funding operations and to fulfil its financial obligations including in relation to the Notes will be partly dependent upon receiving its share of the Motor Vehicles Tax and Cess collected by the State Government.

As of 31 December 2018, the Issuer had received a sum of ₹ 6,008.12 crore (including corpus) from the State Government which comprised ₹1,371.11 crore on account of Cess, ₹2,001.74 crore on account of Motor Vehicles Tax and ₹2,635.27 crore as a grant from the State Government. Any material decrease in the amount of Motor Vehicles Tax or Cess collected by the State Government may have a material adverse effect on the Issuer's cash inflows.

The amount of Cess and Motor Vehicles Tax collected may be affected by a number of factors including:

- (a) actual sales volume of motor vehicles;
- (b) petrol and diesel consumption in Kerala;
- (c) global crude prices and consequent fuel prices in India;
- (d) affordability and efficiency of automobiles;
- (e) increasing popularity and availability of alternative fuel powered options for automobile users;
- (f) availability of alternative means of transportation, including rail networks and air transport;
- (g) growth of the Indian economy and that of Kerala;
- (h) adverse weather conditions; and
- (i) seasonal holidays.

For instance, any material decrease in the actual motor vehicle sales volume compared to the forecasted motor vehicle sales volume on account of inaccurate forecasting or (any other reason) may have a material adverse effect on the amount of Motor Vehicles Tax collected and consequently on the Issuer's cash inflows. Similarly, in the case of Cess, should there be a decrease in the consumption of petroleum products by consumers, there may be a material impact on the Issuer's cash inflows.

The factors which determine Cess and Motor Vehicles Tax receipts are therefore beyond the Issuer's control. Further, any change in the applicable policies or other applicable laws which affect the category of vehicle or fuel, may lead to an increase or a decrease in the Cess and Motor Vehicles Tax collected and may affect the Issuer's cash inflows. In the event of a significant decrease in sales volumes and/or consumption of petrol and diesel, the Issuer may experience a corresponding decrease in the cash inflows received from the State Government from these sources. Such a situation, if it arises may impact the Issuer's future expansion plans and its ability to fulfil its financial obligations, unless the State Government makes appropriate alternative budgetary allocations to the Issuer as provided by the KIIF Act.

Risks relating to the Security

Enforcing the rights of Noteholders under the Security Documents across multiple jurisdictions and enforcing foreign court judgment on the Issuer in India may prove difficult.

The Notes will be issued and secured by the Issuer who is a body corporate established in India. While the Notes and the Trust Deed will be governed by English law, the Security Documents will be governed by Indian law. In the event of a bankruptcy, insolvency or similar event, proceedings could be initiated in England and India. Such multi-jurisdictional proceedings are likely to be complex and costly for creditors and otherwise may result in greater uncertainty and delay regarding the enforcement of a Noteholder's rights. The rights of Noteholders in respect of the Notes and the related Security Documents will be subject to the insolvency and administrative laws of several jurisdictions and there can be no assurance that Noteholders will be able to effectively enforce their rights in such complex multiple bankruptcy, insolvency or similar proceedings. In addition, the bankruptcy, insolvency, administrative and other laws of India may be materially different from, or be in conflict with, those with which Noteholders may be familiar, including in the areas of the rights of creditors, priority of governmental and other creditors, ability to obtain post-petition interest and duration of the proceedings. The application of these laws, or any conflict among them, could call into question whether any particular jurisdiction's laws should apply, adversely affect the ability of Noteholders to enforce their rights under the Notes and the related Security Documents in the relevant jurisdictions or limit any amounts that they may receive. Enforcement of security usually takes an inordinately long period of time in India and enforcement may be subject to delays and administrative requirements. The claims and remedies available under Indian law may not be as extensive as those available in other jurisdictions. While any judgment will be made under prevailing Indian laws and regulations, no assurance can be given that the Indian courts will protect the interests of Noteholders in the same manner or to the same extent as would courts in other countries. As a result, it may be difficult for Noteholders to effect service of process, including judgments, on the Issuer or its officers and directors, or to enforce judgments obtained in non-Indian courts against the Issuer or its officers and directors in India.

The value of the Security in respect of the Notes may not be sufficient to satisfy the Issuer's obligations under the Notes.

The obligations of the Issuer under the Notes will be secured by a first ranking exclusive charge over the Debt Service Reserve Account and the Sinking Fund Account (as defined in the Conditions). The Debt Service Reserve Account Required Balance (as defined in the Conditions) is the minimum amount required to satisfy scheduled interest payments under the Notes on the forthcoming interest payment date and the Required Sinking Fund Balance (as defined in the Conditions) is proposed to be maintained for an amount of 25.0 per cent. of the outstanding principal amount of the Notes. Such amounts will not be sufficient to satisfy its entire obligations in respect of the Notes.

The decision to enforce the Security in respect of the Notes may be adverse to the interest of the non-consenting Noteholders.

The Onshore Security Trustee is required to take action to enforce the Security for the Notes in accordance with the instructions of the Trustee given under and in accordance with the Trust Deed and the relevant Security Documents. The ability of the Trustee (on the instructions of the Noteholders in accordance with the Trust Deed) to enforce the relevant Security is restricted under the Trust Deed. If an Event of Default occurs under the Notes, the Majority Noteholders (as defined in the Conditions) may decide whether to take any enforcement action and may thereafter, through the Trustee in accordance with the Trust Deed, instruct the Onshore Security Trustee to take enforcement action against the Security. By virtue of the instructions given to the Onshore Security Trustee described above, actions may be taken in respect of the Security that may be adverse to other holders of the Notes who did not vote in favour of enforcement. In such event, the only remedy available to holders of the Notes would be to sue for payment under the Notes.

The rights over the Security will not be granted directly to Noteholders.

The rights over the Security securing the obligations of the Issuer in respect of the Notes and the Trust Deed have not been and will not be granted directly to the Noteholders, but will be granted only in favour of the Onshore Security Trustee. As a consequence, Noteholders will not have direct security and will not be entitled to take enforcement action in respect of the security for the Notes, except through the Onshore Security Trustee.

The Security may in certain circumstances be voidable.

The Security securing the Notes may be voidable under insolvency, bankruptcy, fraudulent transfer or similar laws of England and other jurisdictions, if and to the extent applicable. In the case of the Security being voidable under such laws in England, the relevant time period during which such security is voidable could be within six months of the date of the charge or, under some circumstances, it would be voidable within longer periods. If the Security were to be voided for any reason, holders of the Notes would have only an unsecured claim against the Issuer.

The Security under the Notes will be subordinated to certain tax and other liabilities preferred by law.

In the event of bankruptcy, liquidation or winding-up, the Secure Property may be available to pay obligations on the Notes only after all of those liabilities that rank senior to these Notes have been paid. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining, after paying amounts relating to these proceedings, to pay amounts due on the Notes.

The decision to enforce the Security in respect of the Notes may be adverse to the interest of the non-consenting Noteholders.

The Onshore Security Trustee is required to take action to enforce the Security for the Notes in accordance with the instructions of the Trustee given under and in accordance with the Trust Deed and the relevant Security Documents. The ability of the Trustee (on the instructions of the holders of the Notes) to enforce the relevant Security is restricted under the Trust Deed. If an Event of Default occurs under the Notes, the Majority Noteholders may decide whether to take any enforcement action and may thereafter, through the Trustee in accordance with the Trust Deed, instruct the Onshore Security Trustee to take enforcement action against the Security. By virtue of the instructions given to the Onshore Security Trustee described above, actions may be taken in respect of the Security that may be adverse to other holders of the Notes who did not vote in favour of enforcement. In such event, the only remedy available to holders of the Notes would be to sue for payment under the Notes.

1. The paragraph entitled "*Financing*" of the section entitled "*The Issuer's Business*" of the Original Offering Circular shall be deleted in its entirety and shall be replaced by the following section:

FINANCING

The Issuer has the power, with prior sanction of the State Government, to borrow and lend any sum required for the purposes of the KIIF Act, pursuant to section 8 of the KIIF Act. For this purpose, the Issuer may issue any financial instrument including general obligation bonds, revenue obligation bonds or any other appropriate financial instruments or raise funds through any financial structures including revenue bonds with structured repayment mechanisms, land bonds and any other appropriate financial instruments or by making arrangements with banks, multilateral funding agencies or institutions approved by the State Government. The Issuer may also act as a sponsor for setting up infrastructure investment structures (including AIF, infrastructure investment trust, mutual funds and infrastructure development funds), as may be required for facilitating the mobilisation of resources for a project or group of projects.

Rupee term loans

The Issuer has a ₹565 crore term loan outstanding from the National Bank for Agriculture and Rural Development ("**NABARD**") granted under NABARD Infrastructure Development Assistance ("**NIDA**") dated 28 July 2017 (the "**NABARD Term Loan**"). The NABARD Term Loan is to fund (i) the improvement and upgrade of 15 roads in Kozikode, Alappuzha, Thiruvananthapuram and Kannur and (ii) the widening of a highway in the Thiruvananthapuram district. The interest rate is 9.3 per cent. per annum and the term is 12 years. As of 31 December 2018, ₹100.8 crore has been drawn down under the NABARD Term Loan.

The Issuer has no other outstanding term loans as at 31 December 2018.

Market borrowing

The Issuer is authorised to raise funds through the issue of bonds in both domestic and international capital markets. The Board, in its meetings held on 7 November 2016 and 30 November 2017, approved the raising of rupee denominated bonds worth ₹3,500 crore and ₹5,000 crore in the domestic and international market respectively.

Other than as described below in the section entitled "*Floating of non-resident Keralites "chitty" in association with KSFE*", the Issuer has no outstanding bond issues as at 31 December 2018.

Setting up of Infrastructure Fund Management Company

Section 8(3) of the KIIF Act empowers the Board to act as sponsor for setting up infrastructure investment structures such as AIFs, infrastructure development funds and infrastructure investment trusts as required for facilitating the mobilisation of resources for infrastructure projects in Kerala. The regulations issued by the SEBI require a corporate entity for sponsoring such investment structures. To comply with the SEBI regulations and to ensure functional autonomy, a fund management company is required to be set up under the sponsorship of the Issuer. Accordingly, pursuant to a government order 8409/2016/Fin. dated 24 October 2016, the Additional Chief Secretary (Planning and Economic Affairs) was appointed as special officer for preparing a project report for setting up such fund management company. Subsequently, the Board approved a proposal for sponsoring a fund management company in its 27th meeting and the recommendations of the report were thereafter approved by the Board. The Board appointed India Infrastructure Finance Company Limited to assist with incorporation of the new fund management company.

On 13 November 2018, Kerala infrastructure fund management Ltd. ("**KIFML**") was incorporated with an authorised share capital of ₹5 crore and paid up share capital of ₹1 crore. The first board meeting of KIFML was held on 7 December 2018.

The Board has also set up a trust - the Kerala Infrastructure Fund - and has appointed KIFML as the investment manager. The trust has applied to be registered with the SEBI.

Floating of non-resident Keralites "chitty" in association with KSFE

The Kerala State Financial Enterprises Limited ("**KSFE**") is a non-banking finance company wholly owned by the State Government. KSFE specialises in a form of financial activity called a "*chitty*" which is a scheme incorporating the aspects of a recurring deposit and an advance. In a *chitty*, the subscriber can bid for and obtain an advance from KSFE which will be made up of monies paid by subscribers each month.

In July 2018, KSFE launched an online "*chitty*" (the "**Pravasi Chitty**") for non-resident Keralites ("**NRKs**") which included an insurance and pension cover package. The Pravasi Chitty was formally opened to subscribers on 25 October 2018. Subscription was restricted in the first phase to NRKs residing in the United Arab Emirates, but has subsequently been expanded to NRKs residing in all Gulf Cooperation Council countries.

As of 31 January 2019, the total number of customers registered for the Pravasi Chitty was 20,420. As of 31 December 2018, KIIFB has issued bonds worth ₹33,260,000 (the "**KIIFB-KSFE Bonds**") to KSFE to cover the security amount received from customers. The KIIFB-KSFE Bonds have a tenor of 5 years.

The proceeds of the Pravasi Chitty will be used by the Issuer for the purposes of investment in infrastructure projects in Kerala.

For example, in a *chitty* with 10 subscribers for a term of 40 months, where the monthly subscription amount is ₹100, each month a subscriber can bid for the total money collected each month which in this case would be 10 x 100. This will occur for the 40 months. The money collected each month is

kept by the chit fund manager, KSFE. The money received by KSFE from the chit subscribers can only be placed in bank accounts or other secure instruments such as government guaranteed bonds. The Chit Fund Act, 1982 provides that such funds can be invested only in instruments in which a trust can investment its money under the Indian Trust Act, 1882. The funds collected by KSFE as part of the non-resident Keralites chitty is proposed to be invested in bonds issued by the Issuer and guaranteed by the State Government.

Issuing land bonds for facilitating land acquisition

The special investment plan announced under the second recession package in the 2016-17 revised state budget speech announced that ₹8,000 crore worth of land acquisition in Kerala is planned. The special investment plan comprising of infrastructure projects is being implemented by the Issuer. The Board, in its 27th meeting, resolved to authorise the Chief Executive Officer to prepare a scheme for the issue of land bonds. Discussions have been held with revenue authorities and State Government departments requiring land acquisition for their infrastructure projects. 20 approved projects require urgent land acquisition in an amount of 617 acres. A conference was held with the Revenue Minister, the Additional Chief Secretary (Finance), Additional Chief Secretary (Taxes), Inspector General of Registration and district collectors to discuss the ways in which land acquisition can be facilitated through the Issuer's funding. It was resolved that the Issuer would finance the acquisition of the 20 approved urgent projects through funds already available to it, prior to land bonds being issued.

INFORMATION ABOUT THE GUARANTOR

1. The paragraph entitled "*General Description: Geography and demography*" of the section entitled "*Description of the State of Kerala*" of the Original Offering Circular shall be deleted in its entirety and shall be replaced by the following section:

General Description

Geography and demography

Kerala is located in the south-west of the Republic of India ("India"). The state of Karnataka lies to the north and the state of Tamil Nadu to the south and east. To the west lies the Arabian Sea which meets Kerala's approximately 580 km of coastline. Nine out of Kerala's fourteen districts are on the coast.

Kerala is located on the trans-national trade corridor connecting Europe and the Pacific, accessible through an international seaport at Kochi and four international airports each located at Thiruvananthapuram, Kochi, Kannur and Calicut. During April 2017 to February 2018, passenger traffic through Kochi and Thiruvananthapuram airport stood at 92.3 lakh and 40.2 lakh respectively, and freight traffic stood at 68,896 tonnes and 26,241 tonnes respectively. Kerala has 18 ports; one major port in Kochi, 3 intermediate ports in Neendakara, Alappuzha and Kozhikode and 14 minor ports. The Cochin Port handled 290 lakh tonnes of cargo in 2017-18.

Located within humid equatorial longitudes, Kerala comprises three climatically distinct regions: the eastern highlands (rugged and cool mountainous terrain), central midlands (rolling hills) and the western lowlands (coastal plains). Whilst these regions experience significant variations in annual rainfall, the state-wide annual rainfall averages 3,107 mm with between 120-140 days of rain per year being influenced by the seasonal heavy rains of the southwest summer monsoon.

Being located towards the southernmost tip of the Indian subcontinent, Kerala is situated near the centre of the Indian tectonic plate. Accordingly, Kerala experiences comparatively little seismic or volcanic activity.

The eastern part of Kerala comprises of large mountains and 'gorges and deep-cut valleys' on the coastal side where the vast majority of Kerala's rivers originate. The central part of Kerala has mountainous terrain and midland plains with rolling hills and valleys of significantly lower elevation. Kerala's western coastal belt is generally flat with a wide-ranging network of interconnected canals, lakes, estuaries and rivers dominating the area. The majority of Kerala's major cities including Kochi, Thiruvananthapuram, Kozhikode (Calicut), Thrissur and Kollam are situated to the Western Coastal belt.

Kerala has been promoted as a tourism destination by the State Government. Kerala has abundant natural beauty in the form of green landscapes, mountain ranges, beaches, backwaters and lagoons. Kerala has a diverse demography and ecology. Kerala also has a rich culture including ancient forms of martial arts such as "*kalaripayattu*", dance forms such as "*Kathakali*" and "*Mohiniyattam*", sports such as "*Vallam Kali*" (boat racing), health tourism in the form of "*ayurveda*" and multiple religious and cultural festivals.

1. The following paragraph in the section entitled "*General Description: Social Development Indicator*" of the section entitled "*Description of the State of Kerala*" of the Original Offering Circular shall be deleted in its entirety and shall be replaced by the following section:

Kerala has the highest human development index amongst all the states in India. Kerala has achieved improvements in material conditions of living, reflected in indicators of social development such as low levels of infant mortality, maternal mortality and population growth, high levels of literacy and life expectancy, and favourable social progress, health indices and sex ratio. Kerala emerged as the leading state in India in the Sustainable Development Goals India Index (the "**SDG Index**") baseline report released by the NITI Aayog in December 2018. The SDG Index attempts to map the progress achieved by the states towards the SDG adopted by the United Nations in 2015. Kerala emerged as the top state in areas like health care, reducing hunger, achieving gender equality and providing quality education. (Source: *SDG India Index - Baseline Report 2018, Niti Aayog*).

2. The paragraph entitled "*Poverty alleviation and decentralised governance*" of the section entitled "*Description of the State of Kerala*" of the Original Offering Circular shall be deleted in its entirety and shall be replaced by the following section:

Poverty alleviation and decentralised governance

Amongst the states in India, Kerala has the second lowest percentage of population below the poverty line. The poverty line is the minimum level of income deemed adequate in a particular country to meet a person's daily basic needs. According to the latest data from the RBI in 2011-12, Kerala had 7.05 per cent. of its population falling below the poverty line as opposed to India's national average of 21.92 per cent. Such low rates of poverty in Kerala can be attributed to Kerala's commitment to land reforms, education, health care, pension schemes, public distribution system and decentralisation of governance.

Kerala also runs a successful poverty eradication and women empowerment programme entitled "*Kudumbashree*". This programme was set up in 1997 by the State Poverty Eradication Mission of the Government of Kerala following the recommendations of a three member task force appointed by the

State Government. Kudumbashree consists of a three tier structure with neighbourhood groups ("NHG") at the primary level, area development societies ("ADS") at the ward level and community development societies ("CDS") at the local government level. It is one of the largest women's networks in the world, with 2.77 lakhs NHGs, almost 20,000 ADSs and over 1,000 CDSs participating. Kudumbashree is the largest women movement in Asia with a membership of 41 lakhs. Kudumbashree supports women from poor backgrounds by providing microcredit loans and women empowerment initiatives including vocation training, education and healthcare.

Kerala's local governments receive development funds from the state's plan allocation using a formula based approach for implementing schemes developed at a local level. The allocation of funds from the State Government to local governments is divided into three categories – general sector, scheduled caste sub plan and tribal sub plan. The local governments have absolute discretion in developing and implementing projects subject to the State Government's plan guidelines. Allocation of funds to local governments is decided by the State Government based on the recommendations of the State Finance Commissions. State Finance Commissions are set up every five years.

RECENT INDIAN REGULATORY DEVELOPMENTS

The section entitled "*Regulation and Policies: Laws in relation to external commercial borrowing*" in the Original Offering Circular shall be deleted in its entirety and shall be replaced by the following section:

Laws in relation to external commercial borrowing

External Commercial Borrowings

The laws relating to ECBs as applicable to the issue of Notes are embodied in the Foreign Exchange Management Act, 1999, the Foreign Exchange Management (Borrowing and Lending) Regulations, 2018 and the rules and regulations issued by the RBI in relation to ECBs including the External Commercial Borrowings (ECB) Policy – New ECB Framework, issued by the RBI on 16 January 2019 ("**New ECB Policy**"). ECBs can be accessed under two routes: (i) the automatic route; and (ii) the approval route. The automatic route does not require a borrower to obtain any RBI approvals, whereas the approval route requires a prior RBI approval. The New ECB Policy classify ECBs under the following categories:

- (i) foreign currency denominated ECBs ("**FCY ECB**"); and
- (ii) Indian Rupee denominated ECBs ("**INR ECB**").

Automatic route

In accordance with the New ECB Policy, all entities that are eligible to receive foreign direct investment are classified as eligible borrowers for availing ECBs. Additionally, the New ECB Policy also allows (i) port trusts; (ii) units in a special economic zone; (iii) Small Industries Development Bank of India; (iv) Export Import Bank of India; and (v) registered entities engaged in micro-finance activities, namely, registered not for profit companies, registered societies, trusts, cooperatives and non-government organisations (which are permitted only to raise INR ECB) to raise ECBs.

Pursuant to the New ECB Policy any resident of a Financial Action Task Force ("**FATF**") or International Organisation of Securities Commission ("**IOSCO**") compliant country will qualify as a recognised lender/investors eligible to provide ECBs to Indian entities. Additionally, multilateral and regional financial institutions where India is a member country will also be considered as recognised lenders/investors. Further, the New ECB Policy permits individuals as ECB lenders if they are foreign equity holders or if bonds/debentures are listed abroad.

In relation to the utilisation of the ECB proceeds, the negative list for both FCY ECB and INR ECB includes: (i) real estate activities; (ii) investment in capital market; and (iii) equity investment. Additionally, proceeds from an ECB cannot be utilised for (i) working capital purposes; (ii) general corporate purposes; and (iii) repayment of rupee loans except from a foreign equity holder. Additionally, for all ECBs, on-lending for any of the abovementioned activities is prohibited under the New ECB Policy.

The maximum amount which can be raised every fiscal year by an eligible borrower under the automatic route is U.S.\$750 million or its equivalent. The all-in cost (which includes rate of interest, other fees and expenses in foreign currency or Indian Rupees but does not include commitment fees, payments for withholding tax in Rupees), for both FCY ECB and INR ECB is benchmark rate plus 450 basis points spread. As per the New ECB Policy, various components of all-in-cost have to be paid by the ECB borrower without taking recourse to the drawdown of ECB, i.e. ECB proceeds cannot be used for payment of interest or charges.

Approval route

All ECBs falling outside the automatic route limits are considered by the RBI under the approval route.

Filing and Regulatory Requirements in relation to Issuance of Notes

An ECB borrower is required to obtain a loan registration number ("**LRN**") from the RBI before an issuance of Notes is effected. To obtain this, ECB borrowers are required to submit a completed Form ECB certified by a company secretary or a chartered accountant to the Authorised Dealer Bank ("**AD Bank**") of the ECB borrower.

The AD Bank is then required to forward the completed Form ECB to the RBI. An ECB borrower is required to submit an ECB-2 Return on a monthly basis via its AD Bank to the RBI.

Procedure in relation to any change to the Terms and Conditions of the Notes

Any change in the terms and conditions of the Notes after obtaining the LRN requires the prior approval of the RBI or AD Bank, as the case may be. The designated AD Bank may under delegated authority from the RBI approve requests from ECB borrowers for changes in respect of ECBs (except for foreign currency convertible bonds/ foreign currency exchangeable bonds) if the changed terms and conditions complies with the prevailing ECB norms and is with the consent of the existing ECB lenders/investors. Any redemption of the Notes which is not in compliance with the minimum average maturity period set out in the New ECB Policy, including on the occurrence of an Event of Default or for taxation reasons (as further described in the Terms and Conditions) may require the prior approval of the RBI.

Regulatory Requirements in relation to issuance of Indian Rupee denominated Notes overseas

Pursuant to the New ECB Policy, any entity which can accept foreign direct investment, can issue Rupee denominated ECBs in the form of overseas bonds with a three-year minimum maturity period. In addition to the above, the New ECB Policy also permits (i) port trusts; (ii) units in special economic zones; (iii) Small Industries Development Bank of India; (iv) Export Import Bank of India; and (v) registered entities engaged in micro-finance activities, namely, registered not for profit companies, and registered societies, trusts, cooperatives and non-government organisations to raise Rupee denominated ECBs.

The Notes can be subscribed or purchased by any recognised lender as detailed above. An offshore branch or subsidiary of an Indian bank is not permitted to subscribe but can participate as an arranger/underwriter/market maker/trader for rupee denominated bonds issued overseas (except when the issuer is another Indian bank).

The foreign currency to Rupee conversion will be at the market rate on the settlement date. Furthermore, investors are allowed to hedge their Rupee exposure through permitted derivative products with an AD Bank in India. The ECB lenders can also access the domestic market through branches/subsidiaries of Indian banks abroad or branches of foreign banks with Indian presence on a back-to-back basis.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the Issuer for its infrastructure project related activities in accordance with Condition 15 (*Use of proceeds and other provisions*) and the ECB Directions and such other directions specified by the RBI.

See "Investment Considerations — Risks Relating to an Investment in the Notes — Approval of the RBI or an AD Bank, as the case may be, is required for redemption of Notes prior to maturity, including upon an Event of Default (as defined in the Terms and Conditions of the Notes)" of the Original Offering Circular.*

- (a) upon notice being given by the Trustee to the Issuer and the Onshore Security Trustee that such Notes are due and payable pursuant to Condition 16 (*Events of Default and Enforcement*);
- (b) if the Issuer shall have failed to make payment of any amount due in respect of the redemption of such Notes when due and payable pursuant to these Conditions; or
- (c) in the circumstances specified in the relevant Security Documents.

If the Security becomes enforceable, the Trustee may at its discretion and without further notice or formality and shall, if so requested in writing by the Majority Noteholders or if so directed by an Extraordinary Resolution (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) direct the Onshore Security Trustee to enforce all or any of the relevant Security subject as provided below. The Onshore Security Trustee may at its discretion appoint a receiver who shall be deemed an agent of the Issuer and/or take possession of and/or realise all or any part of the Secured Properties and/or take action or proceedings against any person liable in respect of all or any part of the Secured Properties and/or any rights in relation to the Security Documents and take any step, action or proceedings provided for in or pursuant, and/or subject to, the Transaction Documents, but without any liability to any person as to the consequences of such step, action or proceedings and without having regard to the effect of such action or proceedings on the Issuer or individual Noteholders, and provided that the Trustee shall not be required to take any action, step or proceedings that would involve any personal liability or exposure without first being indemnified and/or secured and/or prefunded to its satisfaction.

future indebtedness of the Issuer, unless, at the same time or prior thereto, the Issuer's obligations under the Notes and the Trust Deed (a) are secured equally and rateably therewith to the satisfaction of the Trustee (acting on the instructions of the Majority Noteholders), or (b) have the benefit of such other security, or other arrangement as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution of the Noteholders. Without prejudice to the preceding sentence and for the avoidance of doubt, the Issuer is not required under this Condition 6 (*Negative Pledge*) to seek the consent of the Trustee to incur any financial indebtedness including on a secured basis or to secure any guarantee or indemnity in respect of any financial indebtedness in compliance with the preceding sentence.

So long as the Notes remain outstanding Conditions of the Notes shall not rank inferior to the terms of any other lenders or creditors or bond holders of the Issuer and in the event any more favourable terms are offered by the Issuer to any other lenders or creditors or bond holders of the Issuer, the Issuer shall ensure that the Issuer's obligations under the Notes and the Trust Deed are offered equally and rateably with such terms so provided to such lenders or creditors or bondholders (subject to applicable law (including without limitation the requirements under the ECB Directions)).

7. INTEREST

All interest payable on the Notes shall be subject to applicable laws including but not limited to the ECB Directions.

7.1 Interest on the Notes

Each Note bears interest on its outstanding nominal amount semi-annually from (and including) 29 March 2019 (the "**Issue Date**") at the rate of 9.723 per cent. per annum (the "**Rate of Interest**"). Interest will be payable in arrear (subject as provided in Condition 17) on 29 March and 29 September in each year (an "**Interest Payment Date**") up to (and including) 29 March 2024 (the "**Maturity Date**"); provided that the Issuer shall pay interest on overdue principal, interest and additional amounts payable under Condition 10 (*Taxation*) at a rate that is 2.0 per cent. per annum higher than the Rate of Interest on the Notes.

Interest on the Notes will accrue from (and including the Issue Date) or, if paid on the immediately preceding Interest Payment Date, from (and including) such immediately preceding Interest Payment Date to, but excluding, the next succeeding Interest Payment Date. Each period beginning on (and including) the Interest Payment Date following the Issue Date and ending on (but excluding) the next Interest Payment Date is called a "**Regular Period**".

Where interest is to be calculated for a Regular Period, it shall be paid at a fixed amount of INR 486,150 per Calculation Amount payable in U.S. dollars by applying the following formula:

INR 486,150 divided by the Reference Rate (as defined in Condition 8.1 (*Payments of principal and interest in respect of the Notes*)) and rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

Where interest is to be calculated in respect of a period which is not a Regular Period, the interest to be payable in respect of the Notes shall be calculated by applying the Rate of Interest to the Calculation Amount on the basis of a 360 day year comprising twelve 30 day months and, in the case of an incomplete month, the number of days elapsed. The resulting INR interest amount per Calculation Amount shall then be divided by the Reference Rate and the amount will be payable in U.S. dollars.

7.2 Accrual of Interest

Subject as provided in Condition 17 each Note will cease to bear interest (if any) from and including the date of its redemption unless, upon due presentation thereof, payment of principal is withheld or refused on the date it is due, in such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and

(b) as provided in the Trust Deed.

7.3 Definitions

In these Conditions, (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day, provided that the number of days in each Regular Period shall be calculated as if the Interest Payment Date determining the end of such Regular Period were not subject to such postponement.

In these Conditions,

"Business Day" means a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in New York, London, New Delhi, Singapore and Mumbai and the city where the specified office of the Principal Paying Agent is located and, in the case of surrender of a Definitive Note, in the place in which the Definitive Note is presented.

8. PAYMENTS

8.1 Payments of principal and interest in respect of the Notes

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Note appearing in the register of holders of the Notes maintained by the Registrar (the **"Register"**) (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. For these purposes, **"Designated Account"** means the account maintained by a holder with a Designated Bank and identified as such in the Register and **"Designated Bank"** means any bank which processes payments in U.S. dollars.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Note (whether or not in global form) will be made by transfer on the due date to the Designated Account of the holder (or the first named of joint holders) of the Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a Business Day) before the relevant due date (the **"Record Date"**). Payment of the interest due in respect of each Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Note.

Payments of principal and interest in respect of each Note shall be payable in U.S. dollars. The amount of principal and interest will be determined by the Calculation Agent from Indian Rupees and translated by the Calculation Agent from Indian Rupees to U.S. dollars at the Reference Rate for conversion of Indian Rupees to U.S. dollars on the applicable Rate Fixing Date in respect of an Interest Payment Date or the Maturity Date.

Where:

"Calculation Agent" means the Principal Paying Agent in its capacity as Calculation Agent.

"Reference Rate" means the rate used on each Rate Fixing Date which will be the USD/INR spot rate, expressed as the amount of Indian rupees per one U.S. dollar, for settlement in two Fixing Business Days (as defined below), reported by the Financial Benchmarks India Pvt. Ltd ("**FBIL**"), which is displayed on Reuters page "*INRREF=FBIL*" (or any successor page) at approximately 1:30pm, Mumbai time, on each Rate Fixing Date.

If a Price Source Disruption Event occurs on the Scheduled Rate Fixing Date, then the Reference Rate for such Scheduled Rate Fixing Date shall be determined by the Calculation Agent in accordance with the Fallback Provisions set out below.

"Rate Fixing Date" means the Scheduled Rate Fixing Date, subject to Valuation Postponement.

"Scheduled Rate Fixing Date" means the date which is two Fixing Business Days prior to the Interest Payment Date or the Maturity Date or such other date on which an amount in respect of the Notes is due and payable.

If the Scheduled Rate Fixing Date is an Unscheduled Holiday, the Rate Fixing Date shall be the next following Fixing Business Day, subject to the provisions relating to the Deferral Period for Unscheduled Holiday set out herein.

"Unscheduled Holiday" means a day that is not a Fixing Business Day and the market was not aware of such fact (by means of a public announcement or by reference to other publicly available information) until a time later than 9:00 a.m. local time in Mumbai, two Fixing Business Days prior to the relevant Rate Fixing Date.

Adjustments to Interest Payment Date and the Maturity Date

If a Scheduled Rate Fixing Date is adjusted for an Unscheduled Holiday or if Valuation Postponement applies, then the Interest Payment Date or the Maturity Date relating to such Scheduled Rate Fixing Date shall be two Payment Business Days after the date on which the Reference Rate for such Interest Payment Date or the Maturity Date is determined.

If any Interest Payment Date or the Maturity Date is adjusted in accordance with the preceding sentence, then such adjustment (and the corresponding payment obligations to be made on such dates) shall apply only to such Interest Payment Date or the Maturity Date, as applicable, and no further adjustment shall apply to the amount of interest payable.

Fallback Provisions

Where:

"Price Source Disruption Event" shall occur if, in the opinion of the Calculation Agent, it becomes impossible to obtain the Reference Rate on a Rate Fixing Date.

Applicable Price Source Disruption Fallbacks

In the event of a Price Source Disruption Event, the Calculation Agent shall apply each of the following Price Source Disruption Fallbacks for the determination of the Reference Rate, in the following order, until the Reference Rate can be determined:

1. *first*, Valuation Postponement (as defined below);
2. *secondly*, Fallback Reference Price SFEMC Indicative Survey (INR02) INR Rate;
3. *thirdly*, Fallback Survey Valuation Postponement (as defined below); and
4. *fourthly*, Determination of Reference Rate by the Calculation Agent.

Accordingly, (i) if, upon the lapse of any such 14 calendar day period, an Unscheduled Holiday shall have occurred or be continuing on the day following such period that otherwise would have been a Fixing Business Day, then such day shall be deemed to be a Rate Fixing Date, and (ii) if, upon the lapse of any such 14 calendar day period, a Price Source Disruption Event shall have occurred or be continuing on the day following such period on which the Reference Rate otherwise would be determined, then Valuation Postponement shall not apply and the Reference Rate shall be determined in accordance with the next applicable Price Source Disruption Fallback.

"Valuation Postponement" means that the Reference Rate will be determined on the Fixing Business Day first succeeding the day on which the Price Source Disruption Event ceases to exist, unless the Price Source Disruption Event continues to exist (measured from the date that, but for the occurrence of the Price Source Disruption Event, would have been the Rate Fixing Date) a consecutive number of calendar days equal to the Maximum Days of Postponement. In such event, the Reference Rate will be determined on the next Fixing Business Day after the Maximum Days of Postponement (which will, subject to the provisions relating to Fallback Survey Valuation Postponement, be deemed to be the applicable Rate Fixing Date) in accordance with the next applicable Price Source Disruption Fallback.

"Maximum Days of Postponement" means 14 calendar days.

"SFEMC INR Indicative Survey Rate (INR02)" means that the Reference Rate for a given Rate Fixing Date will be the Indian Rupee/U.S. dollar Specified Rate for U.S. dollars, expressed as the amount of Indian Rupees per one U.S. dollar, for settlement in two Fixing Business Days, as published on the web site of the Singapore Foreign Exchange Market Committee ("SFEMC") (such website being www.sfemc.org) at approximately 3:30 p.m. (Singapore time), or as soon thereafter as practicable, on such date. The Reference Rate shall be calculated by SFEMC (or a service provider SFEMC may select in its sole discretion) pursuant to the SFEMC INR Indicative Survey (as defined below) for the purpose of determining the SFEMC INR Indicative Survey Rate (INR02).

"SFEMC INR Indicative Survey" means a methodology, dated as of 1 December 2004, as amended from time to time, for a centralised industry wide survey of financial institutions that are active participants in the Indian Rupee/U.S. dollar markets for the purpose of determining the SFEMC INR Indicative Survey Rate (INR02).

"Fallback Survey Valuation Postponement" means that, in the event that the Fallback Reference Price is not available on or before the third Fixing Business Day (or day that would have been a Fixing Business Day but for an Unscheduled Holiday) succeeding the end of either (i) Valuation Postponement for Price Source Disruption, (ii) Deferral Period for Unscheduled Holiday, or (iii) Cumulative Events, as applicable, then the Reference Rate will be determined in accordance with the next Applicable Price Source Disruption Fallback on such day (which will be deemed to be the applicable Rate Fixing Date). For the avoidance of doubt, Cumulative Events, if applicable, do not preclude postponement of valuation in accordance with this provision.

"Payment Business Day" means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, New York, Mumbai, and the city in which the specified office of the Principal Paying Agent is located.

Deferral Period for Unscheduled Holiday

In the event the Scheduled Rate Fixing Date is postponed due to the occurrence of an Unscheduled Holiday, and if the Rate Fixing Date has not occurred on or before the 14th calendar day after the Scheduled Rate Fixing Date (any such period being a "**Deferral Period**"), then the next day after the Deferral Period that would have been a Fixing Business Day but for the Unscheduled Holiday, shall be deemed to be the Rate Fixing Date.

No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Notes.

None of the Issuer, the Guarantor, the Trustee or any Agent will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

16.2 **Enforcement**

The Trustee may at any time, at its discretion and without notice, take such proceedings as it may think fit against or in relation to the Issuer to enforce the provisions of the Trust Deed or the Notes, or direct the Onshore Security Trustee to enforce the relevant Security in accordance with Condition 5.3 (*Enforcement of Security*) but it shall not be bound to take any such proceedings or any other action in relation to the Trust Deed, the Notes, the Security or the Security Documents unless (i) it shall have been so directed by

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

Payments of any amounts outside India by the Issuer under an indemnity clause may require the prior approval of the RBI.

17. REPAYMENT MECHANISM

If the Issuer is required to redeem or repay the Notes in accordance with Condition 9 (*Redemption and Purchase*) or Condition 16 (*Events of Default*) or otherwise and to pay all other amounts payable under the Conditions but such redemption or repayment to the Trustee would be in breach of the minimum maturity requirements prescribed under the ECB Directions:

Upon receipt by the Issuer of RBI Approval, the Issuer shall immediately redeem and repay the Notes and pay all other amounts payable under the Trust Deed for the credit of the accounts of the Noteholders (the "**Noteholders' Accounts**") (in accordance with the Trust Deed and Agency Agreement).

Notwithstanding any other provision of these Conditions or the Trust Deed the Notes shall be deemed to be redeemed or repaid, as applicable, only when the Noteholders receive the amounts required for redemption or repayment (together with all other amounts due and payable to it under these Conditions and the Trust Deed), for the credit of the Noteholders' Accounts.

Interest and all other amounts payable under the Trust Deed shall continue to accrue in the manner specified under the Trust Deed and shall be paid by the Issuer to the Noteholders in the manner provided in the Trust Deed until all amounts required to be paid to the Noteholders are paid to the Noteholders for the credit of the Noteholders' Accounts.

18. REPLACEMENT OF NOTES

21. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

An Extraordinary Resolution passed by the Noteholders will be binding on all the Noteholders, whether or not they are present at any meeting and whether or not they voted on the resolution.

The Trustee may without the consent or sanction of the Noteholders, at any time and from time to time concur with the Issuer, and the Guarantor and (in the case of the Security Documents) direct the Onshore Security Trustee to agree and concur with the Issuer in making any modification to the Notes, the Trust Deed, the Agency Agreement and/or the Security Documents if in the opinion of the Trustee such modification is of a formal, minor or technical nature or to correct a manifest error or an error which in the opinion of the Trustee is proven or to comply with mandatory provisions of law.

Any such modification may be made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding upon the Noteholders and, unless the Trustee agrees otherwise, shall be notified by the Issuer to the Noteholders in accordance with Condition 20 (*Notices*) as soon as practicable thereafter.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution and giving any directions to the Onshore Security Trustee), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof and the Trustee shall not

be entitled to require, nor shall any Noteholder be entitled to claim, from the Issuer, the Guarantor, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Noteholders except to the extent already provided for in Condition 10 (*Taxation*) pursuant to the Trust Deed.

The Trustee may rely, without liability to Noteholders, on a report, confirmation, opinion or certificate or any advice of any lawyers, accountants, financial advisers, financial institution or any other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely (without further investigation or enquiry) on any such report, confirmation, opinion or certificate or advice and such report, confirmation or certificate or advice shall be binding on the Issuer, the Guarantors, the Trustee and the Noteholders.

Any such modification, waiver, authorisation, determination or substitution shall be binding on the Noteholders and, unless the Trustee otherwise agrees, any such modification or substitution shall be promptly notified to Noteholders by the Issuer in accordance with Condition 20 (*Notices*).

22. INDEMNIFICATION OF THE TRUSTEE AND TRUSTEE CONTRACTING WITH THE ISSUER

Repatriation of proceeds outside India by the Issuer under an indemnity clause may require the prior approval of the RBI in accordance with applicable laws, including the ECB Directions.

23. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

24. GOVERNING LAW AND SUBMISSION TO JURISDICTION

with the Trust Deed and the Notes (a "**Dispute**") and all Disputes will be submitted to the exclusive jurisdiction of the English courts.

- (b) For the purposes of this Condition 24.2, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
- (c) This Condition 24.2 is for the benefit of the Trustee and the Noteholders only. To the extent allowed by law, the Trustee and the Noteholders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

Nothing herein shall affect the right to serve process in any other manner permitted by law.

24.4 Security Documents

In relation to any legal action or proceeding arising out of or in connection with the Security Documents, the Issuer has in the relevant Security Document agreed that it has irrevocably submitted to the exclusive jurisdiction of Indian courts. The submission by the Issuer to such jurisdiction shall not (and shall not be construed so as to) limit the right of any of the Trustee, the Security Trustee or the Noteholders to commence any action or proceeding arising out of or in connection with the Security Documents in any jurisdiction whatsoever it may deem fit nor shall the commencement of any such legal action or proceeding in one jurisdiction preclude any of the Trustee, the Security Trustee or the Noteholders from commencing any further or other legal action or proceeding in the same or any other jurisdiction.

24.5 Waiver of immunity

To the fullest extent permitted by law each of the Issuer and the Guarantor irrevocably and unconditionally:

- (a) submits to the jurisdiction of the English courts in relation to any Dispute and waives and agrees not to claim any sovereign or other immunity from the jurisdiction of the English courts in relation to any Dispute (including to the extent that such immunity may be attributed to it), and agrees to ensure that no such claim is made on its behalf;
- (b) submits to the jurisdiction of the English courts and the courts of any other jurisdiction in relation to the recognition of any judgment or order of the English courts or the courts of any other

jurisdiction in relation to any Dispute and waives and agrees not to claim any sovereign or other immunity from the jurisdiction of the English courts or the courts of any other jurisdiction in relation to the recognition of any such judgment or court order and agrees to ensure that no such claim is made on its behalf; and

- (c) consents to the enforcement of any order or judgment made or given in connection with any Dispute and the giving of any relief in the English courts and the courts of any other jurisdiction whether before or after final judgment including, without limitation: (i) relief by way of interim or final injunction or order for specific performance or recovery of any property; (ii) attachment of its assets; and (iii) enforcement or execution against any property, revenues or other assets whatsoever (irrespective of their use or intended use) and waives and agrees not to claim any sovereign or other immunity from the jurisdiction of the English courts or the courts of any other jurisdiction in relation to such enforcement and the giving of such relief (including to the extent that such immunity may be attributed to it), and agrees to ensure that no such claim is made on its behalf.

24.6 Currency indemnity

The Issuer shall indemnify the Trustee and the Noteholders and keep them indemnified against:

- (a) any loss, deficiency or liability incurred by any of them arising from (i) the non-payment by the Issuer or the Guarantor of any amount due to a Paying Agent, the Trustee or the holders of the Notes under the Conditions or the Security Documents or (ii) the non-payment by the Trustee or a Paying Agent to the Noteholders due to the absence of the requisite permit or consent required by the Issuer or any other party for the making of payment (including from the RBI), in each case by reason of any variation in the rates of exchange between those in effect as of the date the relevant amount became due and those prevailing at the date of receipt of the relevant amount by the relevant party; and
- (b) any deficiency arising or resulting from any variation in rates of exchange between:
 - (i) the date as of which the amounts due or contingently due under these Conditions (other than this Condition) is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer; and

The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnity shall constitute an obligation of the Issuer separate and independent from its obligations under the other provisions of the Conditions and shall apply irrespective of any indulgence granted by the Trustee or the Noteholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer for a liquidated sum or sums in respect of amounts due under the Conditions (other than this Condition). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Noteholders and no proof or evidence of any actual loss shall be required by the Issuer or its liquidator or liquidators.

This statement is the responsibility of the Board's Management and has been approved by the Fund Manager. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Board's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be, including the manner in which it is to be disclosed, or that it contains any material misstatement.
