**PROPOSED ISSUE OF S\$300,000,000 4.30 PER CENT. SUBORDINATED PERPETUAL
SECURITIES UNDER THE S\$2,000,000,000 MULTICURRENCY DEBT ISSUANCE PROGRAMME
OF KEPPEL INFRASTRUCTURE FUND MANAGEMENT PTE. LTD. (IN ITS CAPACITY AS
TRUSTEE-MANAGER OF KEPPEL INFRASTRUCTURE TRUST)
(THE “PROGRAMME”)**

Keppel Infrastructure Fund Management Pte. Ltd. (in its capacity as trustee-manager of Keppel Infrastructure Trust (“KIT”, together with its subsidiaries, the “Group”)) (the “Issuer” or “Trustee-Manager”) wishes to announce that pursuant to a subscription agreement dated 1 June 2021 entered into between (1) the Issuer, as issuer and (2) DBS Bank Ltd., The Hong Kong and Shanghai Banking Corporation Limited, Singapore Branch, Oversea-Chinese Banking Corporation Limited and Standard Chartered Bank (Singapore) Limited, as joint lead managers (the “Joint Lead Managers”), the Issuer proposes to issue S\$300,000,000 4.30 per cent. subordinated perpetual securities pursuant to the Programme (the “Series 002 Securities”).

Unless otherwise defined herein, terms used in this Announcement shall bear the same meanings ascribed to them in the Information Memorandum dated 4 May 2021 and the Pricing Supplement dated 1 June 2021.

The principal terms of the Series 002 Securities will be as follows:

- (a) **Issue Size** : S\$300,000,000.
- (b) **Issue Price** : 100 per cent. of the principal amount of the Series 002 Securities.
- (c) **Status and Subordination** : The Series 002 Securities constitute direct, unconditional, subordinated and unsecured obligations of the Issuer and shall at all times rank *pari passu*, without any preference or priority among themselves, and *pari passu* with any Parity Obligations of the Issuer.

Subject to the insolvency laws of Singapore and other applicable laws, in the event of the Winding-Up of KIT, there shall be payable by the Issuer in respect of each Series 002 Security (in lieu of any other payment by the Issuer), such amount, if any, as would have been payable to such holder of the Series 002 Securities (the “**Series 002 Securityholder**”) if, on the day prior to the commencement of the Winding-Up of KIT, and thereafter, such Series 002 Securityholder were the holder of one of a class of preferred units in the capital of KIT (and if more than one class of preferred units is outstanding, the most junior ranking class of such preferred units) (the “**Notional Preferred Units**”) having an equal right to return of assets in the Winding-Up of KIT and so ranking *pari passu* with the holders of that class or classes of preferred units (if any) which have a preferential right to return of assets in the Winding-Up of KIT, and so ranking ahead of, the holders of Junior Obligations of KIT, but junior to the claims of all other present and future creditors of KIT (other than Parity Obligations of KIT), on the assumption that the amount that such Series 002 Securityholder was entitled to receive in respect of each Notional Preferred Unit on a return of assets in such Winding-Up were an amount equal to the principal amount (and any applicable premium outstanding) of the relevant Series 002 Security together with distributions accrued and unpaid since the immediately preceding Distribution Payment Date or the issue date of the Series 002 Securities (the “**Issue Date**”) (as the case may be) and any unpaid Optional Distributions in respect of which the Issuer has given notice to the Series 002 Securityholders in accordance with the terms and conditions of the Series 002 Securities (the “**Conditions**”).

In this Announcement:

“**Junior Obligation**” means any class of equity capital in KIT and any instrument or security issued, entered into or guaranteed by the Issuer, other than any instrument or security (including without limitation any preferred units) ranking in priority in payment and in all other respects to the ordinary units of KIT;

“**Parity Obligations**” means any instrument or security (including without limitation any preference units in KIT) issued, entered into or guaranteed by the Issuer (1) which ranks or is

expressed to rank, by its terms or by operation of law, *pari passu* with a Notional Preferred Unit and (2) the terms of which provide that the making of payments thereon or distributions in respect thereof are fully at the discretion of the Issuer and/or, in the case of an instrument or security guaranteed by the Issuer, the issuer thereof; and

“Winding-Up” means bankruptcy, termination, winding up, liquidation, receivership or similar proceedings in respect of KIT.

(d) **Maturity Date** : The Series 002 Securities are perpetual and have no fixed final redemption date.

(e) **Distribution Rate** : The Distribution Rate applicable to the Series 002 Securities shall be:

(a) in respect of the period from (and including) the Issue Date to (but excluding) 9 June 2031 (the **“First Reset Date”**), 4.30 per cent. per annum; and

(b) in respect of the period from (and including) the First Reset Date and each date falling every ten years after the First Reset Date (the First Reset Date and each such date, a **“Reset Date”**), falling thereafter to (but excluding) the immediately following Reset Date, a fixed rate equal to the Reset Distribution Rate.

“Reset Distribution Rate” means the prevailing ten-year Singapore Dollar Swap Offer Rate (or the relevant Successor Rate or other rate to be determined pursuant to the Conditions) with respect to the relevant Reset Date plus the initial spread of 2.735 per cent. plus the Step-up Margin at 1.00 per cent.

(f) **Redemption at the Option of the Issuer** : The Issuer may, at its option, redeem the Series 002 Securities in whole, but not in part, on 9 June 2031 (the **“First Call Date”**) or on any Distribution Payment Date thereafter at their principal amount, together with the distribution accrued (including any Arrears of Distribution) from (and including) the immediately preceding Distribution Payment Date to (but excluding) the date fixed for redemption.

(g) **Other Redemption** : The Series 002 Securities may also be redeemed upon the

occurrence of certain other redemption events specified in the pricing supplement for the Series 002 Securities.

(h) **Distribution Discretion** : The Issuer may, at its sole discretion, elect not to pay a distribution (or to pay only part of a distribution) which is scheduled to be paid on a Distribution Payment Date by giving notice to the Trustee, the Principal Paying Agent and the Series 002 Securityholders not more than 15 nor less than five business days prior to a scheduled Distribution Payment Date.

(i) **Cumulative Deferral** : Any distribution deferred pursuant to Condition 4(IV) of the Series 002 Securities shall constitute "**Arrears of Distribution**". The Issuer may, at its sole discretion, elect to (in the circumstances set out in Condition 4(IV)(a)) of the Series 002 Securities further defer any Arrears of Distribution by complying with the foregoing notice requirement applicable to any deferral of an accrued distribution. The Issuer is not subject to any limit as to the number of times distributions and Arrears of Distribution can or shall be deferred pursuant to Condition 4(IV) of the Series 002 Securities.

(j) **Restrictions in the case of Non-Payment** : If on any Distribution Payment Date, payments of all distributions scheduled to be made on such date are not made in full by reason of Condition 4(IV) of the Series 002 Securities, the Issuer shall not and shall procure that none of its subsidiaries shall:

(i) declare or pay any dividends, distributions or make any other payment on, and will procure that no dividend, distribution or other payment is made on, any of the Issuer's Junior Obligations or (except on a *pro rata* basis) any of the Issuer's Parity Obligations; or

(ii) redeem, reduce, cancel, buy-back or acquire for any consideration, and will procure that no redemption, reduction, cancellation, buy-back or acquisition for any consideration is made in respect of, any of the Issuer's Junior Obligations or (except on a *pro rata* basis) any of the Issuer's Parity Obligations,

in each case, other than (1) in connection with any employee benefit plan or similar arrangements with or for the benefit of the employees, directors or consultants of the Group, (2) as a

result of the exchange or conversion of Parity Obligations of KIT for Junior Obligations of KIT or (3) unless and until (A) the Issuer has satisfied in full all outstanding Arrears of Distribution or (B) the Issuer is permitted to do so by an Extraordinary Resolution (as defined in the Trust Deed) of the Series 002 Securityholders. For the avoidance of doubt, nothing in Condition 4(IV)(d) of the Series 002 Securities shall restrict the payment of management fees to the Trustee-Manager in the form of units in KIT, cash or any other form of consideration.

(k) **Redemption Price** : 100 per cent. of the principal amount of the Series 002 Securities then outstanding, together with any accrued distribution (including Arrears of Distributions).

The Series 002 Securities are expected to be issued on 9 June 2021.

The Series 002 Securities are offered by the Issuer in Singapore pursuant to exemptions invoked under Sections 274 and/or 275 of the Securities and Futures Act (Chapter 289 of Singapore).

Application will be made to the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for permission to deal in the listing and quotation of the Series 002 Securities on the SGX-ST. Admission to the Official List of the SGX-ST and the listing and quotation of the Series 002 Securities on the SGX-ST is not to be taken as an indication of the merits of the Trustee-Manager, KIT, their respective subsidiaries (if any) and associates (if any), the Programme or the Series 002 Securities.

The net proceeds arising from the issue of the Series 002 Securities, after the deduction of issue expenses, will be used by the Issuer towards (a) refinancing the borrowings of the Group (which may include borrowings from banks which include the Joint Lead Managers and their affiliates, and who accordingly will receive a portion of the proceeds from the issue of the Perpetual Securities), (b) financing the general working capital purposes and/or capital expenditure requirements of the Group, and/or (c) financing or refinancing acquisitions and/or investments of the Group and any asset enhancement works of the Group.

This Announcement and the information contained herein do not constitute an offer or invitation to purchase any securities of KIT or the Issuer.

IMPORTANT NOTICE

This announcement is not for distribution, directly or indirectly, in or into the United States and is not an offer of securities for sale in the United States or any other jurisdictions.

Notification under Section 309B of the Securities and Futures Act, Chapter 289 of Singapore:

The Series 002 Securities are prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

This announcement is for information purposes only and does not constitute or form part of an offer, invitation or solicitation of any securities of KIT in Singapore or any other jurisdiction nor should it or any part of it form the basis of, or be relied upon in connection with, any contract or commitment whatsoever.

The value of units in KIT (“**Units**”) and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Trustee-Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request the Trustee-Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units. This announcement is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for Units. The past performance of KIT is not necessarily indicative of the future performance of KIT. This announcement may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the Trustee-Manager’s current view on future events.
