

**MEDIA RELEASE****For Immediate Release****King Wan Corporation wins S\$25.9 Million Worth of  
New M&E contract****Order book stands at S\$161.1 million**

**SINGAPORE, 28 May 2019: MAINBOARD-LISTED** King Wan Corporation Limited (“King Wan” or “the Group”) (庆源企业) today announced that it has secured new mechanical and electrical (M&E) projects in Singapore during the period from January to March 2019, worth a total of S\$25.9 million.

The new projects secured are:

- Design and build of Air-conditioning & Mechanical Ventilation and Building Management System works at proposed erection of a 9-storey **business park building**, a 4-storey **business park building** and 2 basement carparks at **One-North Avenue** on Lot 05418K PT MK 3 (Queentown Planning Area);
- Design, supply and installation of Air-conditioning & Mechanical Ventilation system at proposed **residential flat development at Silat Avenue**, comprising 2 blocks of 56-storey apartments (Total: 998 units) with multi-storey and basement carparks and communal facilities; and
- Proposed Air-conditioning & Mechanical Ventilation upgrading works to passive displacement ventilation system for existing **south spine buildings in Nanyang Technological University**.

These projects are scheduled to be completed by 2022.

*Ms Chua Eng Eng (蔡莹莹), Managing Director of King Wan said: “The Group has continued to secure M&E contracts amidst the very competitive business sector. The Group has maintained its versatility in undertaking M&E projects that require different skill sets. Our clients had continued to believe in our ability to deliver value that exceed their expectations. The current order book of S\$160.6 million has provided high revenue visibility for the Group. We will continue to actively manage operation costs and efficiency during these very challenging times. King Wan is committed to build on its strengths in the M&E business and seize good business opportunities when they arise.”*
