SINGAPORE, 1 March 2025 – LY Corporation Limited (“**LY Corporation**” or the “**Company**”, and together with its subsidiaries, the “**Group**”), one of Malaysia’s leading manufacturers and exporters of wooden bedroom furniture, reported a net loss attributable to shareholders of RM5.1 million for the full year ended 31 December 2024 (“**FY2024**”), narrowing from the RM8.1 million loss in the previous year.

The Group’s revenue rose by 11.8% to RM222.4 million, primarily due to an increase in average selling price per 40-ft container (“**container**”), from RM84,760 in FY2023 to RM85,200 in FY2024. The increase was also supported by revenue contributions from the newly acquired retail group, LY Unity Sdn Bhd and its subsidiaries (“**LY Unity Group**”), amounting to approximately RM9.7 million in FY2024, as well as the finalisation of a variation claim with a customer related to containers that required rework due to shipment delays from the COVID-19 lockdown.

However, this was partially offset by a slight decrease in the number of containers sold, from 2,346 containers in FY2023 to 2,333 containers in FY2024.

Gross profit surged by 159.5% to RM15.7 million in FY2024, with gross profit margin improving from 3.0% in FY2023 to 7.1%, driven by higher sales.

In the latest full-year results, the Group's loss per share reduced to 1.04 sen from 1.67 sen in the previous year.

Mr Tan Yong Chuan, Chief Executive Officer and Executive Director of LY Corporation said, ***“Following our acquisition of LY Unity Group, we have steadily expanded our dealership network, primarily in Klang Valley, with plans to grow our presence further across Malaysia. A key part of our growth strategy is to launch whole-house customisation to the Malaysian market, which we believe will redefine the retail landscape. To achieve this, we will pursue joint ventures, strategic collaborations, and acquisitions that will enable us to provide tailored, value-driven home solutions, fully aligned with our whole-house customisation strategy, while expanding into new markets and reaching customers in this promising sector.”***

Financial Position

As at 31 December 2024, the Group's net asset value was RM209.9 million, which translates into a net asset value per share of RM0.43, compared with RM0.44 a year ago. Cash and cash equivalents stood at RM17.6 million as at year end.
