Background

The October 2025 Notes are listed on the SGX-ST. The obligations of the October 2025 Notes Issuer under the October 2025 Notes are guaranteed by Seazen Holdings Co., Ltd. 新城控股集团股份有限公司 (incorporated in the People’s Republic of China with limited liability). As of the date of this announcement, the aggregate principal amount of US\$300 million of the October 2025 Notes remains outstanding.

The October 2025 Notes Issuer is making the October 2025 Offer. The October 2025 Notes Issuer has made available today to the Eligible Holders the October 2025 Offer to Purchase setting out, among other things, the terms, the New Issue Condition, the Priority of Acceptance and other conditions of the October 2025 Offer.

The October 2025 Notes Issuer is a subsidiary of Seazen Group Limited, a company incorporated in the Cayman Islands with limited liability (the “**Company**”). The Company is concurrently conducting an offering of senior notes (the “**New Notes**”) (such offering, the “**Concurrent New Money Issuance**”). The Concurrent New Money Issuance is not part of the October 2025 Offer to Purchase and is conducted pursuant to a separate offering memorandum. The October 2025 Offer to Purchase is subject to, among others, the New Issue Condition and the Priority of Acceptance.

The Company is concurrently conducting an offer to purchase (the “**Concurrent Offer to Purchase**”) for cash of any and all 4.45% Senior Notes due 2025 (ISIN: XS2281036249) (the “**July 2025 Notes**”) issued by the Company, guaranteed by certain of the Company’s existing subsidiaries, and listed on the SGX-ST. The Concurrent Offer to Purchase is also subject to the

New Issue Condition. The October 2025 Offer is not made inter-conditional with the Concurrent Offer to Purchase.

October 2025 Offer

On the terms and subject to the New Issue Condition, the Priority of Acceptance and other conditions of the October 2025 Offer, the October 2025 Notes Issuer is offering to purchase for cash of an aggregate principal amount of the October 2025 Notes up to the Maximum Acceptance Amount validly tendered at a purchase price of US\$985 per US\$1,000 principal amount of the October 2025 Notes. The October 2025 Notes Issuer will determine, in its sole discretion, the aggregate principal amount of the October 2025 Notes (if any) that it will accept for purchase pursuant to the October 2025 Offer. The Maximum Acceptance Amount will be determined and announced as soon as reasonably practicable. The October 2025 Notes Issuer reserves the right, in its sole discretion, to accept significantly more than or significantly less than such amount, or to accept none of such October 2025 Notes, for purchase pursuant to the October 2025 Offer.

An Eligible Holder that wishes to tender its October 2025 Notes for purchase pursuant to the October 2025 Offer in addition to subscribing for New Notes may also receive (at the October 2025 Notes Issuer's sole and absolute discretion) Priority of Acceptance in the October 2025 Offer through the use of an Investor Code, subject to conditions which are set out in the October 2025 Offer to Purchase.

An Eligible Holder can request an Investor Code by contacting the Dealer Managers, the contact details for which are set out in the October 2025 Offer to Purchase. The Information and Tender Agent will, upon receipt of certain required information from the Dealer Managers, provide such Investor Code to such Eligible Holder. The receipt of such Investor Code from the Dealer Managers by an Eligible Holder who wishes to tender its October 2025 Notes in the October 2025 Offer in addition to subscribing for New Notes does not constitute acceptance of a tender of the October 2025 Notes for purchase pursuant to the Offer by the October 2025 Notes Issuer.

An Eligible Holder that wishes to subscribe for New Notes in addition to tendering their October 2025 Notes for purchase pursuant to the October 2025 Offer to Purchase may receive preference in the allocation of such New Notes, subject to conditions which are set out in the October 2025 Offer to Purchase. When considering allocations of New Notes, the October 2025 Notes Issuer, among other factors, intends to look favorably upon those Eligible Holders who have, prior to the allocation of the New Notes, indicated their firm intention to the October 2025 Notes Issuer or the Dealer Managers to tender their October 2025 Notes.

Subject to the Priority of Acceptance set forth above, acceptance of the October 2025 Notes may be subject to proration as set out in the October 2025 Offer to Purchase.

In the event of any proration, the October 2025 Notes Issuer will round downward, if necessary, to ensure all purchases of the October 2025 Notes will be in a minimum principal amount of US\$200,000 and integral multiples of US\$1,000 in excess thereof. However, the October 2025 Notes Issuer may elect to accept or reject such tender of the October 2025 Notes in full if application of proration will otherwise result in either (i) the October 2025 Notes Issuer accepting the October 2025 Notes from any Eligible Holder in a principal amount of less than US\$200,000 or (ii) the principal amount of the October 2025 Notes not purchased due to pro

rata application being less than US\$200,000. All October 2025 Notes not accepted as a result of proration will be rejected from the October 2025 Offer.
