## PROFIT GUIDANCE ANNOUNCEMENT

---

The board of directors (the “**Board**”) of MeGroup Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to announce that the Group is expecting to report a decline in the net profit for the six-month financial period ended 30 September 2025 (“**1H2026**”), mainly due to the following:

- 1) Decrease in the revenue from manufacturing business primarily due to a decline in sales orders from existing models, and delays in the mass production of new customer projects;
- 2) Decrease in the revenue from dealership business mainly due to lower automobile sales during the period, as customers adopted a wait-and-see approach in anticipation of the new Malaysian petrol subsidy policy, coupled with the impact of the extended Hari Raya holidays, which resulted in fewer operating days and softer market demand; and
- 3) Increase in selling and distribution expenses strategically incurred aiming to sustain dealership performance and mitigate further revenue decline.

The Company is in the midst of finalising its financial results for 1H2026 (the “**Results**”). Further details on the Group’s financial performance will be made available in the Results, which will be announced by 14 November 2025.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
