STREAMLINING OF OPERATIONS

Singapore, 31 March 2026 - Yeo Hiap Seng (Yeo's) deeply regrets that 25 employees at its Senoko facility in Singapore will be laid off due to a consolidation of can manufacturing to Malaysia.

This consolidation enables the Group's Johor and Selangor facilities to optimise capacity utilisation and strengthen overall manufacturing efficiency across its network. The Senoko facility in Singapore will continue to serve as the Group's headquarters, cross-border logistics hub, and smaller-scale manufacturing centre.

Yeo's is fully committed to helping affected employees with job placement assistance, career guidance and counselling support. Wherever possible, opportunities for open roles within Yeo's Malaysia will be offered. Affected employees will also receive retrenchment benefits, agreed with the Union and in line with the Ministry of Manpower's Tripartite Advisory on Managing Excess Manpower and Responsible Retrenchment. These benefits will be commensurate with each employee's salary and years of service.

Yeo's worked closely with the Food, Drinks and Allied Workers Union to ensure the package and transition support reflect appreciation for the contributions of affected staff.
