WELCOME BY CHAIRMAN

James Blythman was appointed Chairman of the meeting and welcomed shareholders, members and investors to the Annual General Meeting ("**AGM**") of the Company who had pre-registered for the live webcast via audio-visual or audio-only for observation of the AGM proceedings and attended the AGM by electronic means.

The Chairman acknowledged the shareholders or members were present at the AGM by electronic means.

The Chairman informed the meeting that with safe management measures still in place to curb increasing local transmissions of COVID-19, annual general meetings are still advised to be held via electronic means.

The Chairman introduced the Directors of the Company whom attendees can view, who have attended the AGM by live webcast.

The Chairman drew attention to the SGXNET announcement released on 24 September 2021 regarding the notice of the AGM ("**Notice**") which contained information about access to the AGM, how to ask questions, and how to submit their proxies.

The Chairman then said that as all pertinent information has been set out in the Notice, he would deem the Notice to have been read, and that before he commenced with the proceedings of the day, he would like to inform shareholders that the Company had not received any question from

shareholders. The Company had, therefore, not posted any response on the SGX-NET.

QUORUM

The Company Secretary confirmed that a quorum was present, and the Chairman declared the AGM open.

NOTICE

The Notice convening the AGM having been in the hands of the members for the requisite period was, as mentioned, taken as read.

POLL VOTING PROCEDURES

The Chairman informed that members were not able to vote through live webcast. As set out in the Notice, they could only vote by appointing the Chairman as proxy. As shareholders have appointed the Chairman as proxy, he would vote in accordance with their respective instructions for or against or abstain from voting on all of the resolutions to be voted on at this AGM.

As only voting by proxy was available to shareholders, the resolutions were, therefore, voted by way of poll as required by the Listing Manual.

The Chairman informed that the Company had appointed Ardent Business Advisory as scrutineer for the poll and that the results of the poll for each resolution passed would be announced after all resolutions have been read out.
