RECEIPT OF NOTICE OF SUSPENSION OF ORDERS FROM A KEY VENDOR

1. INTRODUCTION

The board of directors (the "**Board**") of Multi-Chem Limited (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that M.Tech Products Pte. Ltd. ("**M.Tech**"), a wholly-owned subsidiary of the Company, has received a formal written notification from a key vendor (the "**Key Vendor**").

The Key Vendor has informed M.Tech that it has suspended all order acceptances, marketing and business development activities, and commercial communications with M.Tech with immediate effect until further notice. Technical support activities required to support existing end-customers will continue through appropriate technical support channels.

2. INFORMATION RELATING TO THE SUSPENSION OF ORDERS

Based on invoices issued to customers of the Group for the six-month financial period from 1 January 2026 to 30 June 2026 ("**1H2026**"), business generated from products supplied by the Key Vendor accounted for between 5% and 10% of the Group's total consolidated revenue for 1H2026.

3. RATIONALE, FINANCIAL EFFECTS AND MITIGATING MEASURES

Given the financial contribution of products supplied by the Key Vendor to the Group, the suspension of orders is expected to have a material adverse impact on the consolidated net tangible assets ("**NTA**") per share and earnings per share ("**EPS**") of the Group for the financial year ending 31 December 2026 ("**FY2026**").

The exact numerical impact on the Group's consolidated NTA per share and EPS for FY2026 cannot be quantified with certainty at this point, as it will depend on, *inter alia*, revenues generated from the Group's other existing vendor portfolios and new vendor partnerships proposed to be secured by the Group.

To mitigate such impact, the Group will focus on expanding business with the Group's existing vendor base while concurrently actively sourcing for new vendor partnerships to complement its product portfolio.

4. INTEREST OF DIRECTORS AND CONTROLLING SHAREHOLDERS

None of the directors or controlling shareholders of the Company has any interest, direct or indirect, in the above matter, save for their respective shareholdings and/or directorships in the Company and M.Tech.

5. CAUTIONARY STATEMENT AND FURTHER ANNOUNCEMENTS

The Board will make further announcements on SGXNET as and when there are material developments in relation to this matter in accordance with the listing rules of the SGX-ST.

In the meantime, shareholders of the Company and potential investors are advised to exercise caution when dealing or trading in the shares of the Company. Shareholders and potential investors should consult their stockbrokers, bank managers, solicitors, or other professional advisers if they have any doubt about the actions they should take.
