Subject: Tower dispute settlement and Tower service agreement with CAT Telecom

To: President
The Stock Exchange of Thailand

Advanced Info Service Public Company Limited (the “**Company**” or “**AIS**”) would like to inform that, the Company has entered into the tower dispute settlement and tower service agreement (“**the agreement**”) with CAT Telecom Public Company Limited (“**CAT**”) for the long term use of telecommunication towers with key terms as follow.

1. CAT and the Company and its subsidiaries agree to settle the disputes on telecommunication towers between CAT and Digital Phone Company Limited (“**DPC**”), the Company’s subsidiaries. The settlement consists of dispute no. 49/2557, 57/2559, 76/2561 which have been under the arbitration process and the dispute no. 1680/2561, 1681/2561 under the Civil Court, in total legal claim of 860 million Baht (excluded default interest and other damage claim). Such disputes are disclosed in Annual Registration Statements (Form 56-1) and notes to financial statements. The settlement resulted in the ownership of 155 telecommunication towers under dispute belongs to CAT.

2. Advanced Wireless Network Company Limited (“**AWN**”), the Company’s subsidiaries, agrees to rent telecommunication towers from CAT while CAT agrees to use the space and maintenance service form AWN for 5 years starting from July 1, 2020 to September 15, 2025 in a net total value of 186 million Baht inclusive of the expense for dispute settlement and other compensation.

Please be informed accordingly.
