**OFFER ANNOUNCEMENT**

**1. INTRODUCTION**

- 1.1 Pre-Conditional Offer.** Konnectivity Pte. Ltd. (the “**Offeror**”) refers to the announcement (the “**Pre-Conditional Offer Announcement**”) dated 27 September 2018 (the “**Pre-Conditional Offer Announcement Date**”) pursuant to which it was announced by the Offeror that, subject to the satisfaction of the Pre-Condition (as defined in the Pre-Conditional Offer Announcement), the Offeror intends to make:

- 1.1.1 a voluntary conditional general offer (the “**Offer**”) for all the issued and paid up ordinary shares in the capital of M1 Limited (the “**Company**” or “**M1**”) (excluding treasury shares) (“**Shares**”), other than those Shares already owned, controlled, or agreed to be acquired by the Offeror, its related corporations, and their respective nominees, in accordance with Rule 15 of the Singapore Code on Take-overs and Mergers (the “**Code**”); and
- 1.1.2 an Options Proposal to the Optionholders (as defined in paragraph 3.1 of this Announcement) if the Offer is made.

A copy of the Pre-Conditional Offer Announcement is available on the website of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) at <http://www.sgx.com>.

Capitalised terms that are not defined in this Announcement shall have the meanings set out in the Pre-Conditional Offer Announcement.

- 1.2 **Update on Pre-Condition.** As at the date of this Announcement (the “**Offer Announcement Date**”), the Pre-Condition has been satisfied.

**Accordingly, the Offeror wishes to announce its firm intention to make the Offer.**

## 2. THE OFFER

- 2.1 **Principal Terms of the Offer.** Subject to the terms and conditions of the Offer to be set out in the formal offer document to be issued in respect of the Offer (the “**Offer Document**”), the Offeror will make the Offer in accordance with Rule 15 of the Code on the following basis:

- 2.1.1 **Offer Shares.** The Offer will be extended to all the Shares, other than those Shares already owned, controlled, or agreed to be acquired by the Offeror, its related corporations and their respective nominees (the “**Offer Shares**”) at the Offer Price (as defined in paragraph 2.1.2 of this Announcement).

For the avoidance of doubt, the Offer will be extended, on the same terms and conditions, to all Shares owned, controlled or agreed to be acquired by parties acting or deemed to be acting in concert with the Offeror (other than the Offeror’s related corporations and their respective nominees). For the purpose of the Offer, the expression “**Offer Shares**” shall include such Shares.

The Offer will also be extended to all new Shares unconditionally issued or to be issued prior to the final closing date of the Offer (the “**Closing Date**”) pursuant to:

- (i) the valid exercise of outstanding options granted by the Company (the “**Options**”) pursuant to the M1 Share Option Scheme 2002 which was approved and adopted by Shareholders on 8 November 2002 and the M1 Share Option Scheme 2013 which was approved and adopted by Shareholders on 5 April 2013 (collectively, the “**Option Schemes**”); and
- (ii) the valid vesting and release of any outstanding awards granted under the M1 Share Plan 2016 (“**Awards**”) which was approved and adopted by Shareholders on 6 April 2016.

For the purposes of the Offer, the expression “**Offer Shares**” shall include all such Shares.

2.1.2 **Offer Consideration.** The consideration for each Offer Share will be as follows:

For each Offer Share: S\$2.06 in cash (the “ <b>Offer Price</b> ”).
---

2.1.3 **No Encumbrances.** The Offer Shares are to be acquired (i) fully paid, (ii) free from any claim, charge, pledge, mortgage, encumbrance, lien, option, equity, power of sale, declaration of trust, hypothecation, retention of title, right of pre-emption, right of first refusal, moratorium or other third party right or security interest of any kind or an agreement, arrangement or obligation to create any of the foregoing, and (iii) together with all rights, benefits and entitlements attached thereto as at the Pre-Conditional Offer Announcement Date and thereafter attaching thereto, including but not limited to the right to receive and retain all dividends, rights, other distributions and/or return of capital (if any) declared, paid or made by the Company in respect of the Offer Shares (collectively, “**Distributions**”) on or after the Pre-Conditional Offer Announcement Date.

2.1.4 **Adjustment for Distributions.** Without prejudice to the foregoing, the Offer Price has been determined on the basis that the Offer Shares will be acquired with the right to receive any Distribution that may be declared, paid or made by the Company on or after the Pre-Conditional Offer Announcement Date.

Accordingly, in the event any Distribution is or has been declared, paid or made by the Company in respect of the Offer Shares on or after the Pre-Conditional Offer Announcement Date, the Offer Price payable to a Shareholder who validly accepts or has validly accepted the Offer (“**Accepting Shareholder**”) shall be reduced by an amount which is equal to the amount of such Distribution, depending on when the settlement date in respect of the Offer Shares tendered in acceptance of the Offer by such Accepting Shareholder falls, as follows:

- (i) if such settlement date falls on or before the books closure date for the determination of entitlements to the Distribution (the “**Books Closure Date**”), the Offer Price shall remain unadjusted for each such Offer Share, as the Offeror will receive the Distribution in respect of such Offer Share from the Company; and
- (ii) if such settlement date falls after the Books Closure Date, the Offer Price for each Offer Share shall be reduced by an amount which is equal to the amount of the Distribution in respect of each Offer Share, as the Offeror will not receive the Distribution in respect of such Offer Share from the Company.

For the avoidance of doubt, the interim dividend of S\$0.052 per Share announced by the Company on 27 July 2018 and paid to Shareholders on 17 August 2018 will not be deducted from the Offer Price.

2.1.5 **Minimum Acceptance Condition.** The Offer will be conditional on the Offeror having received, by the close of the Offer, valid acceptances in respect of such number of Shares which, when taken together with Shares owned by the Offeror and parties acting or deemed to be acting in concert with it, will result in the Offeror and parties acting or deemed to be acting in concert with it holding more than 50 per cent. of the

Shares in issue as at the close of the Offer (including any Shares which may be unconditionally issued pursuant to the valid exercise of the Options or the valid vesting and release of the Awards prior to the close of the Offer).

Accordingly, the Offer will not become or be capable of being declared unconditional as to acceptances until the close of the Offer, unless at any time prior to the close of the Offer, the Offeror has received valid acceptances in respect of such number of Offer Shares which will result in the Offeror and parties acting or deemed to be acting in concert with it holding such number of Shares amounting to more than 50 per cent. of the maximum potential issued share capital of the Company. For this purpose, the “**maximum potential issued share capital of the Company**” means the total number of Shares which would be in issue had all the outstanding Options been validly exercised and all the Shares under Awards been issued and delivered as at the date of such declaration.

Further information on the Offer and the terms and conditions upon which the Offer will be made will be set out in the Offer Document.

### 3. OPTIONS PROPOSAL

3.1 As at the Offer Announcement Date, based on the latest information available to the Offeror, there are 26,826,000 outstanding Options which are exercisable into 26,826,000 Shares. Under the rules of the Option Schemes, the Options are not transferable by the holders thereof (the “**Optionholders**”). In view of this restriction, the Offeror will not make an offer to acquire the Options although, for the avoidance of doubt, the Offer will be extended to all new Shares unconditionally issued or to be issued pursuant to the valid exercise of any Options prior to the Closing Date. Instead, the Offeror will make a proposal (the “**Options Proposal**”) to the Optionholders on the following terms, that subject to:

3.1.1 the Offer becoming or being declared unconditional in all respects; and

3.1.2 the relevant Options continuing to be exercisable into new Shares,

the Offeror will pay to such Optionholders a cash amount (as determined below) (the “**Option Price**”) in consideration of such Optionholders agreeing:

(i) not to exercise any of such Options into new Shares; and

(ii) not to exercise any of their rights as Optionholders,

and in each case from the date of their acceptance of the Options Proposal to the respective dates of expiry of such Options. Further, if the Offer becomes or is declared unconditional, Optionholders who have accepted the Options Proposal will also be required to surrender their relevant Options for cancellation. If the Offer lapses or is withdrawn or if the relevant Options cease to be exercisable into new Shares, the Options Proposal will lapse accordingly.

3.2 The Option Price is computed on a “see-through” basis. In other words, the price to be paid for each Option will be the amount (if positive) of the Offer Price less the exercise price of the Option. If the exercise price of an Option is equal to or more than the Offer Price, the Option Price for each Option will be the nominal amount of S\$0.001.

- 3.3** For the avoidance of doubt, whilst the Options Proposal is conditional upon the Offer becoming or being declared unconditional in all respects, the Offer will not be conditional upon acceptances received in relation to the Options Proposal. The Offer and the Options Proposal are separate and mutually exclusive. The Options Proposal does not form part of the Offer, and vice versa. Without prejudice to the foregoing, if Optionholders exercise their Options in order to accept the Offer in respect of the new Shares to be issued pursuant to such exercise, they may not accept the Options Proposal in respect of such Options. Conversely, if Optionholders wish to accept the Options Proposal in respect of their Options, they may not exercise those Options in order to accept the Offer in respect of the new Shares to be issued pursuant to such exercise.
- 3.4** Details of the Options Proposal will be despatched to Optionholders no later than the date of despatch of the Offer Document.

#### **4. AWARDS**

As the Awards are not transferable by the holders thereof, the Offeror will not make an offer to acquire the Awards, although, for the avoidance of doubt, the Offer will be extended to all new Shares unconditionally issued or to be issued pursuant to the valid vesting and release of any outstanding Awards prior to the Closing Date.

**5.5 Post Closing Shareholding Adjustment, the Shareholders' Agreement and the JTA**

**5.5.1** The final shareholding percentages of KKPL and SMPL in the Offeror shall be adjusted after the close of the Offer by way of an issuance of new Offeror Shares to SMPL and KKPL. The issuance of new Offeror Shares will enable SMPL to have an effective interest in at least 13.45 per cent. of the Company, provided that:

- (i) KKPL shall at all times have a shareholding interest in over 50 per cent. of the total number of Offeror Shares; and
- (ii) SMPL shall at all times have a shareholding interest in at least 20 per cent. of the total number of Offeror Shares,

(collectively, the "**Post Closing Shareholding Adjustment**"). Accordingly, depending on the level of acceptances for the Offer and the total number of Shares at the relevant time, it is expected that KKPL's shareholding interest in the Offeror shall

## **8. RATIONALE FOR THE OFFER**

**8.1 The Company is facing intensifying competition and industry disruption from the impending launch of a fourth Mobile Network Operator (“MNO”), as well as the launch of new Mobile Virtual Network Operators (“MVNO”) in Singapore. Continuing the status quo risks stagnation and further decline in shareholder value**

**8.1.1** On 14 December 2016, the Info-communications Media Development Authority (“**IMDA**”) announced that TPG Telecom Pte Ltd had made the winning bid for the new entrant spectrum auction, noting that the entry of the new MNO was expected to enhance innovation and competition in the Singapore telecommunications market<sup>4</sup>.

**8.1.2** Several MVNOs have also recently commenced operations in Singapore. On 8 July 2015, the Company announced that it had reached a MVNO agreement with Liberty Wireless, operating under the brand of Circles Asia<sup>5</sup>, while on 3 May 2018, MyRepublic and Starhub announced that they had formed a MVNO partnership<sup>6</sup>.

**8.1.3** The emergence of new entrants will intensify the competition in the Singapore telecommunications market, potentially leading to shifts in market share between competitors, as well as potential downward pressure on revenue generation and margins for MNOs at a time when sustained investments are required to ensure long-term competitiveness.

**8.1.4** The decline in the share price of the Company following IMDA’s announcements on the entry of a new MNO likely reflects the impending intensification of competition in the Singapore telecommunications market, and the potential risks to shareholder value of the Company in the status quo.

**8.2 KCL and SPH, collaborating through the Offeror, seek to arrest the decline in M1 shareholder value through a combination of transformational efforts which are expected to take several years. Dividends from the Company could be affected during such time by the intensifying competition in the Singapore telecommunications market, as well as the allocation of resources required for these transformation efforts**

<sup>6</sup> <http://www.starhub.com/about-us/newsroom/2018/may/myrepublic-and-starhub-form-mvno-partnership.html>

- 8.2.1 The Offeror believes that to compete more effectively in the Singapore telecommunications industry, the Company, with the support of its Shareholders, would need to undertake a transformation requiring management commitment and allocation of resources.
- 8.2.2 KCL and SPH, collaborating through the Offeror, seek to undertake business changes at the Company, including but not limited to the digital transformation of the Company's operating platform, cost management initiatives in the Company's front and back-end operations, the exploration by the Company of balance sheet optimization initiatives to unlock value from underlying infrastructure, as well as growth initiatives into new markets and segments.
- 8.2.3 The anticipated business transformation is complex and expected to take a number of years. During such time, dividends from the Company could be affected by the intensifying competition in the Singapore telecommunications market, as well as the allocation of resources required for these transformation efforts.

### **8.3 The Offeror obtaining majority control will facilitate the business transformation of M1, and is in line with KCL's and SPH's long-term strategies**

- 8.3.1 Today, neither KCL nor SPH have majority control of the Company. Gaining majority control through the Offer will enable KCL and SPH, collaborating through the Offeror, to support the Company's management to:
- (i) compete effectively in the challenging Singapore telecommunications operating environment;
  - (ii) manage the business of the Company;
  - (iii) facilitate the implementation of strategic and operational changes; and
  - (iv) optimise the use of its management and capital resources.
- 8.3.2 Furthermore, the Offer will allow the Company to cooperate with KCL's other business units, and to harness the synergies of the multi-business group.
- 8.3.3 Conversely, the Company will complement KCL's mission as a solutions provider for sustainable urbanisation, and will allow KCL to leverage the Company as a connectivity platform to better meet the needs of KCL's customers. SPH also sees further opportunities to leverage on M1's mobile platform to offer on demand and ready digital content to better serve SPH's customers. KCL and SPH are confident that, further to the Offer and with the necessary transformational efforts, the Company can significantly improve its performance.

### **8.4 Opportunity for Shareholders who are not prepared to bear the risks associated with the complex business transformation to realise their investment in cash at a premium**

- 8.4.1 Shareholders who are not prepared to bear the risks associated with the complex business transformation outlined above will benefit from the cash exit provided through the Offer. The Offer provides an opportunity for Shareholders who wish to realise their investment in the Shares to do so in cash, at a premium to prevailing

market prices prior to the Pre-Conditional Offer Announcement Date and without incurring brokerage fees.

8.4.2 As set out in paragraph 10 of this Announcement, the Offer Price represents a premium of approximately:

## 9. OFFEROR'S INTENTIONS FOR THE COMPANY

The Offeror will, following the close of the Offer, conduct a review of the Company's operations with the aim of implementing strategic and operational changes which will allow the Company to compete more effectively in the telecommunications sector.

The Offeror's intention is to gain majority control of the Company. In the event the Free Float Requirement (as defined in paragraph 11.2 of this Announcement) is not satisfied, the Offeror does not intend to preserve the listing status of the Company and has no intention of undertaking or supporting any action to satisfy the Free Float Requirement.

The board of directors of the Offeror retains the flexibility at any time to consider any options in relation to the Company and its subsidiaries which may present themselves and which the board may regard to be in the interest of the Offeror.

Save as disclosed in this Announcement, the Offeror has no intention to (i) introduce any major changes to the business of the Company, (ii) re-deploy the fixed assets of the Company, or (iii) discontinue the employment of any of the existing employees of the Company and its subsidiaries, other than in the ordinary course of business.

## 11. COMPULSORY ACQUISITION AND LISTING STATUS

**11.1 Compulsory Acquisition.** The Offeror's intention is to gain majority control of the Company. In the event the Offeror receives valid acceptances pursuant to the Offer or otherwise acquires Shares following the despatch of the Offer Document other than through valid acceptances of the Offer in respect of not less than 90 per cent. of the total number of issued Shares (other than those already held by the Offeror, its related corporations or their respective nominees as at the date of despatch of the Offer Document) (the "**Compulsory Acquisition Threshold**"), the Offeror would be entitled to exercise its right under Section 215(1) of the Companies Act, Chapter 50 of Singapore (the "**Companies Act**") to compulsorily acquire all the Shares of Shareholders who have not accepted the Offer (the "**Dissenting Shareholders**") on the same terms as those offered under the Offer (the "**Compulsory Acquisition Right**"). For the avoidance of doubt, as KTPL is a related corporation of the Offeror, Shares which are held by KTPL will not count towards the Compulsory Acquisition Threshold.

In such event, the Offeror intends to exercise its right to compulsorily acquire all the Offer Shares not acquired under the Offer ("**Compulsory Acquisition**"). The Offeror will then proceed to delist the Company from the SGX-ST.

In addition, pursuant to Section 215(3) of the Companies Act, Dissenting Shareholders have the right under and subject to Section 215(3) of the Companies Act, to require the Offeror to acquire their Shares at the Offer Price in the event that the Offeror, its related corporations or their respective nominees acquire, pursuant to the Offer, such number of Shares which, together with treasury shares and the Shares held by the Offeror, its related corporations or their respective nominees, comprise 90 per cent. or more of the total number of Shares.

**11.2 Listing Status and Trading Suspension.** Under Rule 1105 of the Listing Manual of the SGX-ST (the "**Listing Manual**"), upon an announcement by the Offeror that acceptances have been received pursuant to the Offer that bring the holdings of the Shares owned by the Offeror and parties acting in concert with the Offeror to above 90 per cent. of the total number of Shares (excluding treasury shares), the SGX-ST may suspend the trading of the listed securities of the Company on the SGX-ST until such time when the SGX-ST is satisfied that at least 10 per cent. of the total number of Shares (excluding treasury shares) are held by at least 500 Shareholders who are members of the public (the "**Free Float Requirement**"). Rule 1303(1) of the Listing Manual provides that where the Offeror succeeds in garnering acceptances exceeding 90 per cent. of the total number of Shares (excluding treasury shares), thus causing the percentage of the total number of Shares (excluding treasury shares) held in public hands to fall below 10 per cent., the SGX-ST will suspend trading of the Shares at the close of the Offer.

In addition, under Rule 724(1) of the Listing Manual, if the percentage of the total number of Shares (excluding treasury shares) held in public hands falls below 10 per cent., the Company must, as soon as practicable, announce that fact and the SGX-ST may suspend trading of all the listed securities of the Company on the SGX-ST. Rule 724(2) of the Listing Manual further states that the SGX-ST may allow the Company a period of three (3) months, or such longer period as the SGX-ST may agree, for the percentage of the total number of Shares (excluding treasury shares) held by members of the public to be raised to at least 10 per cent., failing which the Company may be removed from the Official List of the SGX-ST. Under the Listing Manual, "public" refers to persons other than: (i) directors, chief executive

officer, substantial shareholders, or controlling shareholders of the Company or its subsidiary companies; and (ii) associates of the persons in (i) above.

**The Offeror's intention is to gain majority control of the Company. In the event that the Free Float Requirement is not met and/or trading of Shares on the SGX-ST is suspended pursuant to Rule 724, Rule 1105 or Rule 1303(1) of the Listing Manual ("Suspension"), the Offeror does not intend to preserve the listing status of the Company and has no intention of undertaking or supporting any action to satisfy the Free Float Requirement or for any such trading suspension by the SGX-ST to be lifted.**

**Shareholders should note that even if the Free Float Requirement is not met, the Offeror may not be able to exercise the Compulsory Acquisition Right if it does not achieve the Compulsory Acquisition Threshold, for example, in the situation where a substantial Shareholder holding more than 10 per cent. of the Shares does not tender all of its Shares in acceptance of the Offer.**

## **12. SGX-ST DELISTING AND EXIT OFFER**

- 12.1** Pursuant to Rule 1307 of the Listing Manual ("**Rule 1307**"), the SGX-ST may agree to a delisting of a company listed on the SGX-ST ("**Issuer**") if (i) the Issuer convenes a general meeting to obtain shareholder approval for the delisting; (ii) the resolution to delist the Issuer (the "**Delisting Resolution**") has been approved by a majority of at least 75 per cent. of the total number of issued shares excluding treasury shares and subsidiary holdings held by the shareholders present and voting, on a poll, either in person or by proxy at the meeting (the Issuer's directors and controlling shareholder need not abstain from voting on the Delisting Resolution); and (iii) the Delisting Resolution has not been voted against by 10 per cent. or more of the total number of issued shares excluding treasury shares and subsidiary holdings held by the shareholders present and voting, on a poll, either in person or by proxy at the meeting. Further, pursuant to Rule 1309 of the Listing Manual ("**Rule 1309**"), a reasonable exit alternative, which should normally be in cash, should be offered to the Issuer's shareholders and holders of any other classes of listed securities to be delisted. Rule 1309 also requires the Issuer to appoint an independent financial adviser to advise on such reasonable exit alternative.
- 12.2** In the event of a Suspension and, as mentioned in paragraph 11.2 of this Announcement, as the Offeror has no intention to undertake or support any action taken or to be taken to meet the Free Float Requirement, trading in the Shares will remain suspended and, in such circumstances, Shareholders would not have any exit alternative. Further, pursuant to Rule 33.2 of the Code, as the Offeror may not, within six (6) months of the close of the Offer, acquire or make another offer to acquire Shares on terms better than the terms of the Offer, any exit offer made by the Offeror pursuant to a voluntary delisting in accordance with Rule 1307 and Rule 1309 would be on the same terms as the Offer. It is therefore likely that a Shareholder who did not accept the Offer may also not vote in favour of any Delisting Resolution.
- 12.3** In the event of a Suspension and where a Delisting Resolution may not be approved, to ensure that Shareholders are provided with an opportunity to exit from the Company and to not have to hold for an indefinite period Shares which are subject to the Suspension, the Offeror has applied for and obtained a conditional confirmation from the SGX-ST that, in the event that the Company does not meet the Free Float Requirement, the SGX-ST has no

objections to granting the Company a waiver from Rule 1307 (the “**SGX-ST Conditional Confirmation**”).

**12.4** The SGX-ST Conditional Confirmation is subject to the following:

- 12.4.1** clear disclosure in the Offer Document of the consequences of the Company not meeting the Free Float Requirement, including the circumstances when the Compulsory Acquisition may not be undertaken even if the Free Float Requirement is not met;
- 12.4.2** unqualified opinions from the Company’s audit committee, board of directors and independent financial adviser that the Offer is “fair and reasonable” and not prejudicial to the interests of Shareholders as a whole;
- 12.4.3** a fair and reasonable cash exit alternative (the “**Exit Offer**”) on the same terms and price as the Offer must be made to the remaining Shareholders pursuant to Rule 1309, subject to compliance with the Code and all applicable laws; and
- 12.4.4** the Offeror announcing the SGX-ST Conditional Confirmation, the reasons for seeking the SGX-ST Conditional Confirmation and the conditions as required under Rule 1307.

Only if all of the above conditions are met, following the close of the Exit Offer (if required to be made), the SGX-ST will delist the Company from the SGX-ST.
