1.2 SIC Approval. The Securities Industry Council of Singapore (the “**SIC**”) has granted its consent to the Offeror for the making of the Partial Offer subject to the conditions set out in Rule 16.4 of the Code. In compliance with the condition in Rule 16.4(b) of the Code, the Offeror has confirmed and provided undertakings to the SIC that (i) the Offeror and its directors, (ii) each of the shareholders of the Offeror, being Novo Tellus PE Fund 2, L.P. (“**NT Fund**”), University of Pittsburgh – Of the Commonwealth System of Higher Education (“**UP**”) and Compass Private Investments 2017 Master LP (“**CPI**”) (collectively, the “**Consortium Members**”), (iii) NTCP SPV VII (“**NT 7 Sub**”) and its directors, (iv) A.C.T. Holdings Pte Ltd (“**ACT Holdings**”), and (v) OCBC (collectively, the “**Relevant Persons**”) did not and will not acquire any Shares (excluding Shares acquired by them via a rights issue and/or bonus issue without increasing their aggregate percentage shareholdings in the Company):

1.2.1 in the six months prior to the date of this Announcement (the “**Offer Announcement Date**”);

1.2.2 during the offer period (except pursuant to the Partial Offer); and

1.2.3 save for the NT Transfer (as defined in **paragraph 10.1.1**) and the ACT Transfer (as defined in **paragraph 10.1.2**), during a period of six months after the close of the Partial Offer, if the Partial Offer becomes unconditional as to acceptances.

2. THE PARTIAL OFFER

2.1 Terms of the Partial Offer. Subject to the terms and conditions of the Partial Offer to be set out in the formal offer document to be issued in respect of the Partial Offer (the “**Offer Document**”), the Offeror will make the Partial Offer in accordance with Rule 16 of the Code on the following basis:

2.1.1 Offer Shares. The Partial Offer will be made to acquire such number of Shares (the “**Relevant Number**”) which, when aggregated with the NT Shares and the ACT Relevant Shares, would represent 51.00% of the total number of Shares (excluding treasury shares) as at the Record Date.

The Partial Offer will be extended to all the Shares (excluding treasury shares), other than Shares already owned, controlled or agreed to be acquired by the Offeror and the Concert Parties (the “**Offer Shares**”) on or prior to the Record Date.

Assuming that there is no change to the total number of Shares (excluding treasury shares) between the Offer Announcement Date and the Record Date, the Relevant Number of Offer Shares to be acquired pursuant to the Partial Offer will be 82,127,488 Shares, representing approximately 27.91% of the total number of Shares (excluding treasury shares).¹

¹ Unless otherwise stated, all shareholding percentages in respect of the Company in this Announcement are calculated based on a total of 294,237,973 Shares (excluding treasury shares), as set out in the business profile of the Company extracted from the Accounting and Corporate Regulatory Authority of Singapore on 12 March 2021 (the “**Company Business Profile**”), and rounded to the nearest two decimal places.

2.1.2 Offer Shareholders. The Partial Offer will be extended to all shareholders of the Company (the “**Shareholders**”) as at the Record Date, other than the Offeror and the Concert Parties (the “**Offer Shareholders**”).

2.1.3 Offer Price. The consideration for each Offer Share (the “**Offer Price**”) will be as follows:

For each Offer Share: S\$0.365 in cash

2.1.4 No Encumbrances. The Offer Shares are to be acquired (i) fully paid, (ii) free from any claim, charge, pledge, mortgage, encumbrance, lien, option, equity, power of sale, declaration of trust, hypothecation, retention of title, right of pre-emption, right of first refusal, moratorium or other third party right or security interest of any kind or an agreement, arrangement or obligation to create any of the foregoing, and (iii) together with all rights, benefits and entitlements attached thereto as at the Offer Announcement Date and thereafter attaching thereto, including but not limited to the right to receive and retain all dividends, rights, other distributions and/or return of capital (if any) which may be announced, declared, paid or made by the Company in respect of the Offer Shares (collectively, “**Distributions**”) on or after the Offer Announcement Date.

2.1.5 Adjustment for Distributions. Without prejudice to **paragraph 2.1.4**, the Offer Price has been determined on the basis that the Offer Shares will be acquired with the right to receive any Distribution that may be declared, paid or made by the Company on or after the Offer Announcement Date.

Accordingly, in the event any Distribution is or has been declared, paid or made by the Company in respect of the Offer Shares on or after the Offer Announcement Date to an Offer Shareholder who validly accepts or has validly accepted the Partial Offer, the Offer Price payable to such accepting Offer Shareholders shall be reduced by an amount which is equal to the amount of such Distribution depending on when the settlement date in respect of the Shares tendered in acceptance by such accepting Offer Shareholders pursuant to the Partial Offer falls, as follows:

- (i) if such settlement date falls on or before the books closure date for the determination of entitlements to the Distribution (the “**Books Closure Date**”), the Offer Price shall remain unadjusted for each Offer Share, as the Offeror will receive the Distribution in respect of such Offer Shares from the Company;
or
- (ii) if such settlement date falls after the Books Closure Date, the Offer Price shall be reduced by an amount which is equal to the amount of the Distribution in respect of each Offer Share, as the Offeror will not receive the Distribution in respect of such Offer Shares from the Company.

2.2 Awards. As at the Offer Announcement Date, based on the latest information available to the Offeror, the Company has outstanding awards (“**Awards**”) granted under the Procurri Corporation Performance Share Plan (“**PSP**”) which are exercisable into 616,900 Shares.

Based on publicly available information, the Awards are not transferable by the holders thereof. Accordingly, the Partial Offer will not be extended to holders of the Awards. However, the Offer Shareholders can participate in the Partial Offer in respect of any Shares which are allotted and issued pursuant to the valid exercise, vesting and/or release of such Awards prior to the Record Date.

2.3 Conditions to the Partial Offer. The Partial Offer will be subject to the following conditions:

- (ii) ‘**B**’ is the total number of the Shares (excluding treasury shares) as at the Record Date; and

An Offer Shareholder shall be entitled to tender for acceptance under the Partial Offer: (i) any or all of such number of Offer Shares held by him as at the Record Date making up the Relevant

Percentage (fractional entitlements to be disregarded) (the “**Relevant Percentage Offer Shares**”); and (ii) in addition to his Relevant Percentage Offer Shares, further Offer Shares held as at the Record Date in excess of his Relevant Percentage Offer Shares (the “**Excess Shares**”). - (i) the Relevant Number of Offer Shares to be acquired by the Offeror pursuant to the Partial Offer will be 82,127,488 Shares; and
- (ii) the Relevant Percentage will be approximately 39.12%. This means that if an Offer Shareholder holds 1,000 Shares as at the Record Date, the minimum entitlement of such Offer Shareholder shall be 391 Shares; and

8.3.2 the valid exercise, vesting and/or release of all the outstanding Awards and that the Company has a Fully Diluted Share Capital (as defined in **paragraph 4.2**) as at the Record Date, based on 294,854,873 Shares (excluding treasury shares) as at the Record Date:

An Offer Shareholder, in addition to his Relevant Percentage Offer Shares, shall be entitled to tender Excess Shares for acceptance under the Partial Offer, provided that the total number of Offer Shares tendered by an Offer Shareholder shall not exceed the total number of Offer Shares held by him as at the Record Date. In the event that any one or more Offer Shareholders do not accept their full entitlement of their respective Relevant Percentage Offer Shares, the Excess Shares tendered will be accepted in the manner set out in **paragraph 8.5** below.

8.5 Meeting of Acceptances by Offeror. Under the terms of the Partial Offer, the Offeror is permitted to acquire up to the Relevant Number of Offer Shares and is not permitted to acquire further Shares tendered for acceptance of the Partial Offer. In the event the Partial Offer becomes or is declared to be unconditional in all respects and the aggregate number of Shares for both “Relevant Percentage Offer Shares” and “Excess Shares” tendered for acceptance

under the Partial Offer exceeds the Relevant Number of Offer Shares, the Excess Shares tendered will be accepted up to the Relevant Number of Offer Shares on a pro-rata basis (but in a manner which minimises the number of new odd-lot shareholdings as the Offeror may in its absolute discretion deem fit in the interests of the Offeror).

- 8.6 Settlement.** Subject to the Partial Offer becoming unconditional in accordance with its terms in all respects, settlement of the consideration for the Offer Shares acquired by the Offeror will be made within seven business days of the closing date of the Partial Offer, being the First Closing Date or such other later date as may be announced from time to time by or on behalf of the Offeror (the “**Closing Date**”).
- 8.7 Odd-Lot Trading Counter.** Arrangements will be made with the SGX-ST prior to the despatch of the Offer Document to provide a temporary trading counter to trade odd-lots in the Shares for at least one month after the close of the Partial Offer. Further details of the temporary trading counter will be announced in due course.
- 8.8 Timing for Approval and Acceptance.** An Offer Shareholder may vote on the Partial Offer and/or tender Offer Shares for acceptance under the Partial Offer at the same time or at separate times provided that such votes and/or acceptance must be received on or prior to the Closing Date in accordance with the instructions to be set out in the Offer Document.

9. IRREVOCABLE UNDERTAKINGS

9.2.1 tender 50% of his Shares in acceptance of the Partial Offer in return for the cash consideration payable to him by the Offeror under the terms of the Partial Offer; and

9.2.2 exercise his voting rights in respect of all of his Shares to vote in favour of the Partial Offer in accordance with the voting instructions as set out in the Offer Document and the relevant form(s) of acceptance accompanying the Offer Document,

(each, a “**MS IU**”).

9.3 Termination of the MS IUs. Each MS IU will terminate or lapse upon the earliest of:

9.3.1 the Partial Offer being withdrawn, lapsing, or failing to be declared unconditional in all respects in accordance with its terms; and

9.3.2 the Partial Offer not being formally made by the Offeror (by the posting of the Offer Document) within the time period prescribed under the Code (or such later date as the SIC may permit).

10. THE NT TRANSFER AND ACT TRANSFER

10.1 Terms of the NT Transfer and the ACT Transfer. Subject to the Partial Offer becoming unconditional in accordance with its terms in all respects, it is contemplated that:

10.1.1 NT 7 Sub will transfer the NT Shares to the Offeror on or about the close of the Partial Offer (the “**NT Transfer**”) at a price for each Share which is no higher than the Offer Price, which will be satisfied by the allotment and issue of shares in the Offeror; and

10.1.2 ACT Holdings will transfer 10,530,900 Shares (the “**ACT Relevant Shares**”) to the Offeror on or about the close of the Partial Offer (the “**ACT Transfer**”) at the Offer Price for each Share.

The SIC has confirmed that: (i) the Offeror will not be obliged to make a mandatory general offer for the Company under Rule 14 of the Code as a result of the NT Transfer and the ACT Transfer; and (ii) the NT Transfer and the ACT Transfer will be disregarded for the purposes of Rule 16.4 (b) of the Code.

10.2 ACT Holdings’ Undertaking Not to Vote. ACT Holdings has also agreed to abstain from voting on the Partial Offer as it is a Concert Party by virtue of Mr. Toh Ban Leng, James, a director and shareholder of ACT Holdings, also being a shareholder of New Earth Group 2 Ltd. (“**NEG2**”), the general partner of the NT Fund (being one of the Consortium Members), and a director of Novo Tellus Capital Partners Pte. Ltd. (“**NTCP**”), which is the investment advisor to NEG2.

11. RATIONALE FOR THE PARTIAL OFFER AND OFFEROR'S INTENTIONS FOR THE COMPANY

The Offeror intends to make the Partial Offer of S\$0.365 in cash for each Offer Share to acquire approximately 27.91%⁵ of the total number of Shares (excluding treasury shares and Shares held by the Offeror and the Concert Parties) as at the Record Date. The Offer Price implies the premia of:

- (i) approximately 32.7% over the last traded price per Share as quoted on the SGX-ST on 10 March 2021, being the last full day on which the Shares were traded on the SGX-ST prior to the Offer Announcement Date (the “**Last Trading Date**”); and
- (ii) approximately 24.1%, 17.0%, 17.7% and 20.5% over the volume weighted average price per Share (the “**VWAP**”) for the one-month, three-month, six-month and 12-month periods prior to and including the Last Trading Date; and

- (iii) approximately 5.8% over the highest closing price per Share in the last 12-month period prior to and including the Last Trading Date.

⁵ Calculated based on 294,237,973 Shares (excluding treasury shares) as at the Offer Announcement Date, and assuming that there is no change to the total number of Shares (excluding treasury shares) and the total number of Shares held by the Offeror and Concert Parties as at the Record Date.

The Partial Offer, if successful, will allow the Offeror to increase its direct holdings (including the NT Shares and the ACT Relevant Shares) in the Company to 51.00% of the total number of Shares (excluding treasury shares) as at the Record Date.

The Offeror believes the Company faces a very challenging transition, with limited revenue visibility and large investments needed to generate future growth. As a result, the Offeror believes that the earnings prospects of the Company may be depressed and the Company may not be in a position to pay dividends in the next few years.

Consequently, the Offeror believes the Partial Offer provides Offer Shareholders with the opportunity to realise an optimal value for their investment through:

- an attractive cash premium of 32.7% to the closing price of S\$0.275 per Share on 10 March 2021, being the Last Trading Date, alongside the flexibility to tender between 0% and 100% of their Shares in acceptance of the Partial Offer; and
- the opportunity to continue holding a portion of their Shares to participate in the future financial performance of the Company, as the Company will remain publicly traded following the Partial Offer.

The Partial Offer reflects the Offeror's view that while the current business and economic outlook present a number of challenges for the Company, there is inherent long term value in the Company's businesses.

Following the successful close of the Partial Offer, the Offeror intends to work with the board of directors of the Company in undertaking a comprehensive strategic review of its businesses with the objective of creating sustainable value for all Shareholders through investing in long-term growth for the business. The Offeror expects that creating sustainable value through such actions may take several years.

12. FINANCIAL EVALUATION OF THE PARTIAL OFFER

Under the Partial Offer, Offer Shareholders will have the opportunity to realise part or potentially all of their investment in the Shares for cash at the premia of: (i) approximately 32.7% over the last traded price of S\$0.275 per Share on 10 March 2021, being the Last Trading Date.

The Offer Price implies the following premia over the benchmark prices of the Shares:

Description	Benchmark Price (S\$) ⁶	Premium over Benchmark Price (%) ⁷
Last traded price per Share as quoted on the SGX-ST on the Last Trading Date (being 10 March 2021)	0.275	32.7
VWAP for the one-month period prior to and including the Last Trading Date	0.294	24.1
VWAP for the three-month period prior to and including the Last Trading Date	0.312	17.0
VWAP for the six-month period prior to and including the Last Trading Date	0.310	17.7
VWAP for the 12-month period prior to and including the Last Trading Date	0.303	20.5
Net Asset Value (“NAV”) per Share as at 31 December 2020 ⁸	0.179	103.9

Further enquiries will be made of such persons and the relevant disclosures will be made in the Offer Document.

If the aggregate number of Shares owned, controlled or agreed to be acquired by the Offeror and all its Concert Parties (other than the Relevant Persons) represents 0.5% or more in aggregate of the total Shares, the Offeror will promptly announce such holdings to the public.
