PRODUCTION DISRUPTION CAUSED BY TYPHOON HATO

The Board of Directors (the “Board”) of Cheung Woh Technologies Ltd (the “Company” together with its subsidiaries, the “Group”) wishes to issue an announcement regarding the impact caused by typhoon Hato on 23 August 2017 to the two subsidiaries located in Zhuhai, China (the “Zhuhai subsidiaries”).

The typhoon had damaged some parts of the factory while some machinery, equipment and inventories were drenched by the heavy rainstorm. The Zhuhai subsidiaries have submitted claims to the insurance company. Production will resume progressively in early September 2017.

The Zhuhai subsidiaries were not affected by typhoon Pakhar which swept through Guangdong Province on 28 August 2017.
