PROFIT GUIDANCE ON UNAUDITED FINANCIAL RESULTS FOR THE SIX MONTHS ENDED 30 SEPTEMBER 2026

The Board of Directors (the "**Board**") of CSC Holdings Limited (the "**Company**" and, together with its subsidiaries, the "**Group**") wishes to announce that, based on a preliminary review of (the Group's unaudited financial results for the six months ended 30 September 2026 ("**1HFY27**"), the Group is expected to report a net loss for 1HFY27.

This profit guidance takes into consideration the following:

a) higher operating costs arising from the significant increase in diesel prices since March 2026, particularly for the Group's ongoing foundation and geotechnical engineering projects secured prior to the escalation in energy prices;

b) a decline in revenue arising from a lower volume of foundation and geotechnical engineering works available during 1HFY27, due to the timing of new project tenders and awards from both the public and private sectors in Singapore amidst ongoing geopolitical tensions and market uncertainties; and

c) foreign exchange loss arising from the Group's foreign currency exposures, primarily involving the Malaysian Ringgit against the Singapore Dollar.

Further details of the Group's financial performance will be disclosed when the Company announces its unaudited financial results for 1HFY27 via SGXNet on or before 14 November 2026.

In the meantime, shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. When in doubt as to the action they should take, shareholders and potential investors should consult their stockbrokers, bankers, accountants, solicitors or other professional advisers.
